Lincoln, Kari, Crash Bandicoot, Red Savarin, Von Lycaon, Nico, and I and the rest of us went after Devimon, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, colored energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Devimon and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and two massive angelic and demonic greatswords and he even fired red and blue wolf fire and elemental blasts at her as well and Nico and I also left many more by firing rainbow energy slashes with my gold-plated dragon claws and fired blue wolf fire as well, and Lincoln, Kari, Crash Bandicoot, Red Savarin, Von Lycaon, Nico, and I and the rest of us attacked him super hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Devimon even angrier than ever.

Lincoln fired rainbow, white, golden yellow, and blue energy blasts from his left hand and the smaller planets orbiting around his fingers like rings, and they hit Devimon and he got hit hard. Plus, the blast also hit The Monitor Orb embedded in his forehead and it shattered and not only did we gain a massive power boost, but Devimon clutched his head in pain!

Jillian Flashwing was surprised as her body started trembling. She yelled out in surprise as her body started expanding

Same with Shirley.

T.K.: That was for killing Angemon!

I then formed a powerful Black Flame Rasenshuriken.

Me: SCORCH STYLE NINJA ART: INFERNO HURRICANE RASENSHURIKEN!

Devimon: Come at me!

He flew at me and I went at him!

I dodged his strikes!

When all is said and done, what little did you achieve through your actions. You walk the path of a coward always creeping your way through the dark. That's a path that all villains like you have taken, and it's one that'll follow you into death once more. Ghirahim, may you suffer for eternity with not a kindred soul to give you any solace, this is where we end this once and for all!

Lincoln, Rosalind Starling, Cordelia Starling, Juliet Starling, Nico, and I went after Ghirahim, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus,

Then, we attacked him with powerful slashes from our massive greatswords leaving bleeding scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Rosalind Starling did the same by firing rainbow, white, golden yellow, and blue energy slashes from her gold-armored dragon claws and her massive greatsword, and Lincoln, Rosalind Starling, Juliet Starling, Cordelia Starling, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Ghirahim even more angrier than ever and they also beheaded and shot the zombies in the heads.

Suddenly, Lincoln's massive white angel wings and twenty-four other sets of large white angel wings underneath his massive angel wings spread out even more as a gold intricate halo made of gold light appeared above his head along with three sets of gold chains around the gold light halo and formed into a purifying field that hit Ghirahim, and we found ourselves in Heaven.

Then, Lincoln charged and smashed his rainbow energy infused left fist into Ghirahim's stomach and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind him. Then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword.

Lincoln turned the tips of his tails into Cell's stingers and he stabbed them into Ghirahim's chest and he proceeded to absorb him and he began growing stronger and he assimilated his Brute strength, Incredible speed, Fighting skills, Ability to transform and harden his body for fighting, Immense demonic powers, Mastery of sorcery, Weapons invocation, Teleportation, Telekinesis, Ergokinesis (energy manipulation), Flyrokinesis (force field manipulation), Meteorokinesis (weather manipulation), Lilapsokinesis (tornado manipulation), Pyrokinesis (fire manipulation), Crystallokinesis (crystal manipulation), and Sword beam emission, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and twenty-four sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

We cheered wildly as we holstered our weapons and powered down and Rosalind Starling's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long golden blonde wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, thirty-five large pink and purple planets orbiting around her legs, thirty-five smaller pink and purple planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized pink and purple planets orbiting around her wrists and ankles, and massive golden blonde angel wings and twenty-four sets of large golden blonde angel wings underneath her massive golden blonde angel wings are permanent.

Rosalind Starling: And this is goodbye and good riddance forever. Thank you for helping me destroy Ghirahim for good, Lincoln. You too, guys.

Lincoln (Smiles Warmly) You're welcome, Rosalind.

Me and Nico: Our pleasure, Rosalind.

Suddenly, Rosalind Starling wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Rosalind Starling's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Rosalind Starling sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Lincoln: And the final preparations are finally done. Now, tomorrow is the big day.

Nicole: Wait, you mean...?!

Lincoln: Yep, tomorrow, we're going to San Romero and we're going after that Goth Geek bastard, Swan, and we're gonna end him forever!

Brittney: This is gonna be dangerous!

Nicole: And if Swan's back, that also means The Dark Purveyors are back as well. So, we got to be ready for them too.

Me: That's for sure. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Suddenly, we saw flames erupt from the ground and the symbol of Fire appear.

Lincoln: The symbol of Fire from Magic The Gathering!

Selene Arcangela: It's time. They're here.

Me: Who?

Nicholette Torrington: They are The Queens of The Elemental Planes of Magic the Gathering, six girls who are the Avatars of the Water, Air, Earth, Fire, Lightning, Brushfire, Wildfire, Dust, Fusion, Roil, Torrent, Sulfur, Crater, Cinder, Scoria, Firefiend, Wolfbriar, Ivy, Lava, Tempest, and Storm Elementals of Magic The Gathering and deadly forces of elemental power and they are said to be the powerful rulers of The Elemental Planes of Magic the Gathering, and they have fought against the evil vampire Sorin Markov in the past and they fought alongside Nahiri and many heroes against the villains of Magic the Gathering.

Nico: Whoa!

Nahiri: Yes, it's all true. The Queens of The Elemental Planes are indeed the most powerful rulers of the Elemental Planes, and they are never to be messed with.

Me: That's awesome. And The Symbol of Fire that we saw...!

Lincoln: There's only one person who fits that: Claire Nantosuelta, Queen of The Elemental Plane of Fire and Avatar of The Fire, Brushfire, Wildfire, Cinder, Scora, Firefiend, Lava, and Sulfur Elementals of Magic The Gathering.

Talia Houou Flameheart: (Irish Accent) Aye, I knew it was her, and you guys are going to love meeting her, Claire Nantosuelta, Queen of The Elemental Plane of Fire and Avatar of The Fire, Brushfire, Wildfire, Cinder, Scora, Firefiend, Lava, and Sulfur Elementals of Magic The Gathering, is Lincoln's Guardian Angel from the world of Magic the Gathering and she's a powerful master of Fire, Brushfire, Wildfire, Cinder, Scora, Firefiend, Lava, and Sulfur, fire of all kinds including the flames of the phoenix, dragon, and the fire creatures of myth and legend. She's The Queen of The Elemental Plane of Fire and The Avatar of The Fire, Brushfire, Wildfire, Cinder, Scora, Firefiend, Lava, and Sulfur Elementals of Magic The Gathering, and she's the leader of The Queens of The Elemental Planes of Magic the Gathering, six girls who are Avatars of the Water, Air, Earth, Fire, Lightning, Brushfire, Wildfire, Dust, Fusion, Roil, Torrent, Sulfur, Crater, Cinder, Scoria, Firefiend, Wolfbriar, Ivy, Lava, Tempest, and Storm Elementals of Magic The Gathering and deadly forces of elemental power and they are said to be the powerful rulers of The Elemental Planes of Magic the Gathering, and they have fought against the evil vampire Sorin Markov in the past and they fought alongside Nahiri and many heroes against the villains of Magic the Gathering. She came to Royal Woods where she met Lincoln and she even taught him how to use all the powers of Fire, Brushfire, Wildfire, Cinder, Scora, Firefiend, Lava, and Sulfur including the flames of the phoenix, dragon, and the fire creatures of myth and legend, and over time, he gained all the powers of Fire, Brushfire, Wildfire, Cinder, Scora, Firefiend, Lava, and Sulfur including the flames of the phoenix, dragon, and the fire creatures of myth and legend, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle. Lincoln made her an awesome greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Lori with a burning vengeance and she vowed to burn her into ashes.

Nico: Seriously, Lori?! What the Hell?!

Luna: It was really bad, dude. Lori crossed a line by trying to hurt Lincoln yet again, and Claire decided to get back at the bitch and burn her badly.

Me: She had it coming though, I still remember that day, and Varie really told Lori off.

Poromon: Can we see the...?

Nebula Lanaia: Absolutely not!

Lynn Sr.: Lanaia heard the whole thing when she was visiting, and it was pretty nasty.

Sumner: I also heard it too. (Shudders)

Patti: And I thought I had a foul mouth when I got pissed like that. All our relatives knew about that as well.

Titanium Man: It's done.

Trumbipular: Devimon is no more

Magneto: Good riddance.

Kyd Wykkyd: What now?

Devack: We celebrate here in the Digital World

Centarumon: I can contribute to that.

He used his powers and made an awesome party buffet for us.

Me: COOL! Thanks Centarumon.

Nico: Great job today everyone.

Me: Boy that was so awesome! Devimon is now a forgotten memory.

Camie: Thank goodness.

Varie: Yeah.

T.K.: (To the viewers) Devimon is gone for good and now he is never going to hurt anyone again.

Me: Good riddance.

We had a great feast.

We returned home, and hours later, night fell on the city, and Lincoln was heading to his room.

Lincoln: That was an awesome day, we finally got rid of Devimon for good, and Opaline wasn't going to save his butt this time. And now tomorrow's the big day. (Deep Sapphire Eyes turn Red) Swan, we're coming for you, if you think you can get away with starting a zombie apocalypse just because you were being bullied, you are dead wrong, you Goth bastard, and we'll make sure you get your head cleaved off with a chainsaw.

Then, just as Lincoln was about to step inside, he caught the scent of roses in the air, and as he opened the door, there on his massive extra-extra-extra large never-ending expanding bed for him and his expanding harem was Calamarqueen, Burningflame Seductress, Queen Melonstone, Aquatic Karate Merductress, Miss Meroctopus,

Angelic Lightuctress, Cyberthunder Seductress, Shredderguar, Gameruccubus, Thundering Tigerhydra, Seductive Succubus, Seductive Witch, Crazy Witch, Succudark Bladeslasher, Lady Spideruccubus, Bloody Vampire, Killer Vampire, Seduction Gearqueen, Ms. Technoducer, Lady Beautysapphire, Ms. Lucktress, Succumusic Maestra, Elementress Shinobi, Karateducer, Ms. Succugear, Lady Shinetaurette, Desertductress Lamia, Ms. Fashionlust, Lady Technolust, Aqualustress Pirate, Queen Liontress, Mystic Huntress, Lady Gothbeauty, Bloodlovequeen Blooducer, Miss Treeducer, Knightprincess Maceball, Volcanic Amazon, Ramenfist Boxer, Thunder Queen Kaminaria, Lava Queen Kazana, Tsunamibeauty Aquapuncher, Fairylady Witchtale, Seductive Elemenbeauty, and Vampire Yandere along with the rest of his harem only clad in bras and panties, and they were ready for more action with Lincoln.

Seductive Elemenbeauty: (Rubs Lincoln's massive pecs) That wild lovemaking you gave us when you came to Erosa definitely drove all of us wild. (Seductive Voice) And we're ready for more from you, you massive hulking hunk of a wolf.

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and we felt Lincoln gain another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him as he went up to the lust driven hypothetical Akumas.

Seductive Elemenbeauty: (Seductive Voice) (Rubs Lincoln's massive pecs) Uh oh, looks like you're aroused once more and ready for more action.

Suddenly, Lincoln lifted Seductive Elemenbeauty and brought her to the bed with him joining the rest of his harem and he was on top of Seductive Elemenbeauty.

Lincoln: (Seductive Voice)(Smirks) You guessed it.

Lincoln used his eleven massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned a deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

THE END

Another awesome chapter done.

Devimon was the very first main bad guy of Digimon and he was dangerous.

She came to Royal Woods where she met Lincoln and she even taught him how to use all the powers of Fire, Brushfire, Wildfire, Cinder, Scora, Firefiend, Lava, and Sulfur including the flames of the phoenix, dragon, and the fire creatures of myth and legend, and over time, he gained all the powers of Fire, Brushfire, Wildfire, Cinder, Scora, Firefiend, Lava, and Sulfur including the flames of the phoenix, dragon, and the fire creatures of myth and legend, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle. Lincoln made her an awesome greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Lori with a burning vengeance and she vowed to burn her into ashes.

Next up is Scott Truman's day to shine and Venjix is back and we're going to destroy him on the world he destroyed and make him pay for everything that happened!

See you all next time.

REVENGE OF VENJIX

Venjix is back For Revenge

In the early nighttime hours of 12:00 AM in the city streets of London, a group of figures were running for their lives, but these weren't any ordinary figures: they were some hired henchmen of Professor Moriarty, Sherlock Hound's nemesis and criminal mastermind. Something was out on the prowl and was out for their blood, and Sherlock Hound, Dr. Watson, and Inspector Lestrade were pursuing them and they got reports of a dark figure in London.

Dr. Watson: (British Accent) I wonder what's got Moriarty's hired henchmen running scared.

Sherlock Hound: (British Accent) Moriarty hasn't done anything out of the ordinary, and there is the reports of a dark figure in London as well.

Inspector Lestrade: (British Accent) And it came at the worst time. Yesterday night, we found some of Moriarty's hired men lying dead on the streets, and they had bite marks on their necks.

Sherlock Hound: (British Accent) None of the vampires on Team Loud Phoenix Storm or The Masters of Evil did this, and Dracula hasn't made a move since he made a temporary truce until we got rid of The Dark Church of Malphas and The Order of The Dark Universe along with Dark Sebastian.

Dr. Watson: (British Accent) So, this means there is another vampire here in London.

Sherlock Hound: (British Accent) And he knows London and all of England like the back of his hand and he harbors a hatred towards Moriarty, or in this case, his world's Moriarty. I've already figured out who it was that's behind this.

SCREAMS!

Suddenly, the sounds of bloodcurdling screams were heard, and Sherlock Hound, Dr. Watson, and Inspector Lestrade got a move on, but by the time they got there, they found two men dead and drained of blood. Then, they heard the groans of someone and they saw a dead body hurled right at their feet.

Inspector Lestrade: (British Accent) What in the?!

?: (Demonic Voice)(British Accent) Moriarty! Show yourself! I know you're here, I can smell the scent of your blood pumping through your veins.

That of course froze the policemen and Inspector Lestrade in their place when they heard the figure's demonic voice echoing in the skies.

Dr. Watson: (British Accent) Good heavens, what was that?!

Sherlock Hound: (British Accent) A demonic voice echoing in the air, vampires expose their demonic nature when truly angered, same with demons. This one happens to be a cross between a demon and a vampire, and the hatred he has towards Moriarty, which means the figure that was stalking London and killing Moriarty's hired thugs was...!

Suddenly, they heard the sound of footsteps and they were heading their way, and they saw who that was that did that: it looked like Sherlock Hound, but he was wearing the clothes he had on before Sparda returned inside him and his transformations and they were pitch black and his eyes were truly demonic: the iris of his eyes were crimson red and the sclera of his eyes were blood red, he had vampire fangs, and he had massive pitch black demon wings with a wingspan of 16,666'0", and he had blood dripping from the left side of his mouth.

Inspector Lestrade: (British Accent) Good Heavens!

Dr. Watson: (British Accent) By Jove, he looks like you, Hound.

Sherlock Hound: (British Accent) Except that he's wearing the clothes I had on before Sparda's return inside me and my transformations and they're pitch black, but the scariest thing are his eyes: they're not the eyes of a human. I have deep blood red eyes with slit pupils, but the sclera of his eyes are blood red and the iris of his eyes are crimson red, and judging from the blood dripping from the left side of his mouth, he has vampire fangs, and he has massive black demon wings with a wingspan of 16,666'0".

Inspector Lestrade: (British Accent) So, what is he? A demon or a vampire?

Demon Hound: (Demonic Voice)(British Accent) I'm both of them, Inspector Lestrade. I am known as Demon Hound, the hypothetical Akuma of Sherlock Hound. I am a demonic devil-vampire hound with all the powers of darkness, demons, devils, dark magic, black magic, Satanic magic, The Black Arts, The Dark Arts, the powers and strengths of the vampires and none of their weaknesses, hellfire, and all the powers of Hell at my command along with incredible inhuman superhuman strength, speed, agility, reflexes, and an infinite arsenal of other demonic and vampiric godly abilities that ultimately makes me a God among vampires, devils, and demons.

Sherlock Hound: (British Accent) So, that was your presence I felt the other day when we went after Raj's hypothetical Akuma. You were watching from the shadows, and like all hypothetical Akuma, you have a story to your creation.

Demon Hound: (Demonic Voice)(British Accent) Yes, I do. I was created because of Moriarty's crimes and I swore to hunt him down and send him straight down to The Underworld and if any of his men get in the way, I will have them drained of blood and turned into my undead slaves and minions for eternity, and one of my world's Moriarty's crimes had led to the loss of Watson, Inspector Lestrade, Mrs. Hudson, and all those I'd ever known. I was driven by revenge and hatred, darkness consumed me, rage drove my actions, I swore that Moriarty would pay for his crimes, he would know fear as he looks into the eyes of the dragon before I take his life, and I am that dragon.

Suddenly, Sherlock Hound fired a black and blood red energy blast and forced out Moriarty of Demon Hound's world.

Demon Hound: (British Accent)(Demonic Voice) Moriarty, so you've finally shown up at last.

Moriarty of Demon Hound's world: (British Accent) You won't stop me, Hound!

Then, his henchmen arrived only to be killed by Demon Hound as he sank his fangs into their necks and drained them dry of blood, this horrified the criminal mastermind as he took out a crucifix and began praying.

Moriarty of Demon Hound's world: (British Accent) Christus Vivit, Christus Regnat. Christus ab omni malo te defendat. Maledicti et Excommunicati daemones. Invirtue istorum factorum Dei nominum.

Demon Hound: (Demonic Voice)(British Accent) I would not waste your time praying, Moriarty.

Demon Hound walked up to his old enemy and made him look at him.

Demon Hound: (Demonic Voice)(British Accent) Even if your prayer works, it won't help.

Moriarty of Demon Hound's world: (British Accent) Mesias, Emmanuel, Sohter, Sabahot, Agios, Inchiros, Athanatos, Jehová, Adonai.

Then, Demon Hound put his hand on top of the crucifix as it started glowing brightly with holy light and energy, but it didn't have any sort of harmful effect on him, but then, that's when Sherlock Hound saw Demon Hound's massive demon wings transform into massive black angel wings with a wingspan of 66,666'0" and he also sensed even more immense power and immense holy power in Demon Hound.

Demon Hound: (Demonic Voice)(British Accent) That's why the power of God cannot destroy me! Not ever!

This horrified Moriarty of Demon Hound's world.

Suddenly, Demon Hound began to turn the incantation against Moriarty of his world.

Demon Hound: (Demonic Voice)(British Accent) Ubi, fuerint haec nomina, et digna Dei, praecipimus vobis, atque ligamus vos ui non habeatis.

Then, a massive explosion of holy light erupted, and then, Moriarty of Demon Hound's world was all of a sudden imprisoned inside a sphere of holy light by Demon Hound and sent into the air!

Demon Hound: (Demonic Voice)(British Accent) Potestatem per pesten, nec per aliquod, quodeumque maleficum nocere ei, incantationem neque, in anima, nec in corpore!

Finally, as Demon Hound finished the incantation, the crucifix in the hands of his world's Moriarty glowed, and then, he exploded and the sphere contained the explosion and the sphere turned into an energy helix column as it shot into the skies and faded.

Then, Demon Hound turned into a swarm of bats and flew off.

Sherlock Hound: (British Accent) We'll meet again..., Demon Hound, Prince of Darkness.

Sherlock Hound watched as Demon Hound continued to fly away.

Dr. Watson: (British Accent) You're going to tell everyone about what we just saw?

Sherlock Hound: (British Accent) Of course. Soon enough, they're going to find out from Lincoln, but it's best that I tell them, Watson.

Sherlock Hound and the others returned to The World Tree Estate. Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right.

Qin: Oh man, guys, take a look at this. This is what happened at London last night.

We looked at the newspaper and this concerned a news article of what happened last night in London. Suddenly, Sherlock Hound came in.

Sherlock Hound: (British Accent) That's what I need to talk to you all about.

Nico: What happened?

Sherlock Hound explained everything, and when he was done, we were stunned.

Me: No way! So, that person responsible for what happened was your hypothetical Akuma. Oh man!

Lincoln: And he matches what Sherlock Hound told us. His hypothetical Akuma's name is Demon Hound, the hypothetical Akuma of Sherlock Hound, he's a demonic devil-vampire hound with all the powers of darkness, demons, devils, dark magic, black magic, Satanic magic, The Black Arts, The Dark Arts, the powers and strengths of the vampires and none of their weaknesses, hellfire, and all the powers of Hell at his command along with incredible inhuman superhuman strength, speed, agility, reflexes, and an infinite arsenal of other demonic and vampiric godly abilities that ultimately makes him a God among vampires, devils, and demons. He was created because of Moriarty's crimes and he swore to hunt him down and send him straight down to The Underworld and if any of his men get in the way, he'll have them drained of blood and turned into his undead slaves and minions for eternity.

Lincoln got out his sketchbook and we saw him, he looked like Sherlock Hound in appearance, but he was wearing the clothes he had on before Sparda returned inside him and his transformations and they were pitch black and his eyes were truly demonic: the iris of his eyes were crimson red and the sclera of his eyes were blood red, he had vampire fangs, and he had massive pitch black angel wings with a wingspan of 66,666'0".

Me: OH MAN!

Nico: Man, this guy literally looks really scary.

Sherlock Hound: (British Accent) And he's also incredibly powerful, plus, I also saw that last night, he is even more powerful than I first saw because he also has immense holy powers along with his infernal demonic and vampiric powers making him a Transcendent Devil-Transcendent Vampire Hybrid like me.

Suddenly, Demon Hound began to turn the incantation against Moriarty of his world.

Demon Hound: (Demonic Voice)(British Accent) Ubi, fuerint haec nomina, et digna Dei, praecipimus vobis, atque ligamus vos ui non habeatis.

Eli: (GULPS) We've got tons of trouble tomorrow for Lincoln's rescue, and he killed his world's Moriarty, didn't he?

Lincoln: He did, I sensed that a soul was sent to Hell last night.

Sherlock Hound: (British Accent) We also got to watch out, he'd turned Moriarty's hired thugs into his undead minions after he drained them all dry of blood last night.

Nico: Yikes! And no holy weapons can hurt him nor the weapons of the vampires?!

Sherlock Hound: (British Accent) None of them can hurt him, we'll have to find a way to hurt him when we face him tomorrow in London.

Me: This is going to be our most ultimate challenge ever with this guy.

Nico: That's for sure, we can't underestimate him ever.

Lincoln: We'll be well-prepared for tomorrow. Anyways, let's finish up breakfast and get ready for the next rescue for you, Nico.

Nico: Awesome.

Scott Truman awoke to find Mandibuzz blowing a bugle for Reville!

Mandibuzz: Hidden talent and It's cool. Time for breakfast!

Scott went to the table.

Me: WHOA! Sapphires!

Qin: Pretty.

Rarity: Those are beautiful darlings.

Camie: They sure are.

Nico: I rode on you.

Kari: That was cool!

Me: True teamwork there.

Gatomon: I'll say!

Ymir: And it was so awesome seeing all those Digimon in action.

Me: Yeah it was. Also Kari how is Mandy doing?

Kari: Still sick. But she'll be better in a few days.

Ymir: Sorry you got sick and missed camp too.

Kari: It's okay Ymir.

Me: Good. Also we're now rid of the VERY MONSTER that triggered Nico to kill Ken back then. Sorry to keep bringing that up Nico.

Nico: It's fine.

Me: Good.

I pulled in another chest and it was full of blue sapphire jewels!

Me: WHOA! Sapphires!

Qin: Pretty.

Rarity: Those are beautiful darlings.

Camie: They sure are.

Poromon: I got one!

But Poromon pulled in a HUGE NUMBER of Mahi Mahi!

Me: WHOA!

We pulled them in!

Me: WHOA! Nice fishing haul Poromon.

Poliwag: What are those?

Me: Mahi Mahi. They are also known as Dolphinfish.

Poliwag: Ooh they are beautiful.

Me: Yep. But we didn't come here for fishing. We came here for treasure.

We put the fish back in the water.

Me: There we go.

We caught more and more treasure chests and they were FULL OF

JEWELS AND MORE!

Me: WHOA! Look at all this treasure!

Nicole: I think we caught all the treasure here. Now for the main quarry.

Ranamon: And what is that?

Nicole pulled out a map and it lead to a mystical mermaid sword!

Nicole: The Sword of Whitecap Syrenia. It's said to be a mystical sword that has the power to summon the mermaids of Whitecap Bay and they will follow you.

Nico: WHOA! That is cool!

Eli: It sure is.

Nicole: It says that it's in the lighthouse and that's it.

We saw the lighthouse.

Me: Okay then.

We went over.

Poromon: Can't we just fish it out of the water like the others?

Nicole: Poromon it's not that simple. This is a treasure that must be found on the island.

Nico: Yep.

Poromon: Okay.

We looked around.

Me: Hmm.

Nicole: It usually says where to find it though. Yeah all treasure maps usually have an indication as ot where it's at. A Star, an X, a cross. But nothing is on this map. It's baffling! Do you see one on her because I don't!

Eddy: (LAUGHS) Nicole you're starting to sound like sockhead!

Nicole: (Clears throat) Sorry.

Me: Hmm.

I went and sat down and then...

Me: WHOA!

The rock I sat on sank into the ground!

Me: What the!?

The lighthouse moved and then out on a rock altar imbedded into it was the sword! It was THE SWORD OF WHITECAP SYRENIA!

Nicole: There it is! At long last we found it! What did you do dad?

Me: I just sat on this rock and then it must've done that.

Nicole: That is a kooky reveal though.

Nico: No kidding. Who gets it?

Ranamon: I'll do it y'all.

Me: Go for it.

Ranamon went over to it and she grabbed the hilt and pulled it out!

Me: WHOA!

The sword Glowed and Ranamon underwent an amazing transformation!

ESCAFLOWNE INTRO FOX KIDS EXTENDED VERSION PLAYS!

She was enveloped in a vortex of water with mermaids swirling around it. She then got blue angel wings and had blue eyes instead of red and she got more intensely powerful water powers. When the vortex faded, she emerged changed and more awesome.

Me: WHOA! Ranamon how do you feel?

Ranamon: I feel amazing y'all!

Me: Yeah!

Lincoln: Way to go!

Nico: Will that affect your evolutions?

Ranamon: It just might hun.

Me: Well we'll find out soon.

Lincoln: Okay, guys, we're in for one awesome battle, we're here in Whitecap Bay to find an amazing treasure, but here's the villain we're going after: his name is Whitecap Marauder, the Hypothetical Akuma of Jack Sparrow and he's a haunted pirate ship that haunts the waters of Whitecap Bay in the Caribbean. He was turned into a haunted pirate ship that steals the treasures of all pirate ships all over and any pirate ship that it encounters will be destroyed and all its treasure plundered. He has the powers of darkness, magic, fire, and wind. He was made because of Davy Jones killing him and he vowed to bring down all of his enemies.

WE GASPED IN SHOCK!

Me: WHOA!

Qin: Jack Sparrow's Akuma!? Whoa!

Lincoln got out his sketchpad and we saw him: he's a haunted pirate ship surrounded by blue ghost fire.

Me: Whoa! Man, that is one haunted pirate ship!

Shaggy: ZOINKS! Like wow that is scary!

Nico: And he has all of the treasure he's plundered inside him, oh we are so going to plunder him big time!

Sly Cooper: That's for sure!

Me: Yeah!

The Cooper Gang and Sly's cousins nodded in agreement.

The rest of the team's with us as well. Suddenly, we heard vampiric shrieks in the air, and we saw a group of the hired thugs of Moriarty coming after us, but they'd risen from the dead as the undead minions of Demon Hound.

Sherlock Hound unholstered his massive Sherlock Hound's True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Divine Demonic Darkness Detective Devil Knight Sparda Bloody Darkness Angel Demon Vampire Devil Hound Seraphim Phoenix God Archangel Greatsword of True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Divine Demonic Darkness Detective Devil Knight Sparda Bloody Darkness Angel Demon Vampire Devil Hound Seraphim Phoenix God Archangel Justice.

Sherlock Hound: (British Accent) Looks like Demon Hound's going to try and give us trouble. I'll handle them.

Sherlock Hound went after the undead minions, and he slashed at them with his massive greatsword and the massive blade also drained the undead minions dry of blood and they turned to dust.

Me: Nice.

Suddenly, Lincoln had a premonition as the gold versions of The Trinity Mirror behind his large gold halo with four large orbiting gold rings behind his head fired beams of light and they formed into a one-way mirror: it appears Sergio has sent some hired thugs to kill us.

Lincoln: Sergio, why you little...!

Nico: Sergio again?

Lincoln: Yes, he's sent his hired thugs after us.

Me: I thought they...!

Sly Cooper: Afraid not, the thugs were completely stupid and they forgot that Sergio was going to backstab them, and they went back to being his hired thugs.

Nico: Unbelievable, well, we'll run into Sergio's thugs along with another of your cousins, Sly.

Ed Cowart: Right.

Lori: That bird is literally getting on our nerves.

Ronnie Anne: Now, you know what Bobby and the rest of us had to deal with from Sergio.

Lincoln: Let's get going.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings and the gold version of the Trinity Mirror behind his large gold halo fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: This is it.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln turned the tips of his eleven massive and long brown wolf tails into Cell's stingers and they went through the portals and they came out of the portals and stabbed them into the massive pecs, necks, arms, and legs of Hawk and Hank. Then, Lincoln began sucking Hawk and Hank dry of their

massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank was being absorbed into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and twenty-four sets of large white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team as our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings and other sets of large angel wings underneath our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln was done and the stingers retract themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into the portals as they closed and they changed back, we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa, that Min's Egyptian Virility Drain Curse Lincoln put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever!

Lincoln: I knew increasing the strength and potency of my Min's Egyptian Virility Drain Curse on those two was a good idea. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for Whitecap Marauder) AHA! Gotcha! I just spotted Whitecap Marauder, he's 20 yards away, but we're ready for him.

Nico: Alright then, let the show begin.

Lexx heard a Pokemon cry.

Lexx: Look guys!

We saw a Torchic!

Me: Ooh a Torchic!

May: That's the Pokemon I started out with when I began my journey.

Lexx: Cool.

Torchic: I've been eating nothing but coconuts here for 10 days

Lexx: Here.

Lexx gave it apples.

Lexx: Thank you.

She ate them.

Lexx: You're welcome. Wanna come with us?

Torchic: I would be honored.

May: Like old times!

Me: Yep.

But then...

KRABLAM!

We felt a massive stomp!

Me: What the!?

Qin: What is that!?

Laney: Uh guys? LOOK!

WE SAW A HUGE POKEMON! IT WAS A GIGANTAMAX STAKATAKA!

Nico: WHOA!

Me: A Gigantamax Stakataka!

Nico: It's huge!

Qin: Yeah!

Kari: I wonder.

She used Telepathy and gasped!

Kari: It's my friend Evelyn Everest! She's from Nepal and is a master of mountains!

Me: WHOA! Lets go help her Kari!

She turned into her dragon form and I got on her and we flew up to her!

Kari: Evelyn it's me Kari! I'm a dragon now too!

She was about to crush her! But Kari fired a massive blast of pink fire from her mouth and blasted her down!

Me: WHOA! Not even Gigantamax Pokemon can match the power of dragon fire.

Kari: That is so awesome.

We flew and fired waves of pink fire and I fired waves of energy and blasted her.

Then I snapped my fingers and she reverted back and was a girl with dark red hair, red eyes, fire angel wings and had Gigantamax Stakataka in the middle of her forehead and a cutie mark of a mountain with the symbol of Kathmandu on her arm.

I went and wrapped her in a blanket and we brought her over.

Me: Wow that was awesome!

She woke up.

Evelyn Everest: What?

Kari: Evelyn? Are you okay?

Evelyn saw Kari as a dragon and screamed!

Kari: WHOA EVELYN IT'S OKAY!

Evelyn Everest: Wait that voice. Kari? Is that you?

Kari: It sure is.

She reverted back.

Kari: I have the power to change into a dragon.

Evelyn Evelyn: Wow!

She hugged her.

Kari: Sorry I scared you.

Evelyn Everest: Wow this is one of the coolest things you can do now.

Gatomon: Hey Evelyn.

Evelyn Everest: Gatomon! Wow great to see you.

Me: You were turned into the towering Gigantamax Stakataka by Dark Gale.

Evelyn: (GASP) I remember!

She was in a brown suit and injected and then she grew and busted out and turned into GIGANTAMAX STAKATAKA! She grew so tall that she smashed the base apart!

She ran out of the base.

FLASHBACK ENDS

Evelyn Everest: It was crazy and awful.

Kari: I know.

Me: Well we destroyed Dark Gale forever.

Nico: Yep.

Evelyn Everest: Good.

Nico: Your roll in Sonya's Team?

Evelyn Everest: I am the mountain and crystalmancer of the team and I can make crystals and mountains to smash our enemies. Outside the team I am a mountain climber and explorer.

Nico: Wow!

Kari: She climbed all 7 of the highest peaks in the world and is a true force to be reckoned with. She's also one of the International Digidestined. I was holding on to her Digivice for her.

Me: Whoa! Who is your partner?

Evelyn: I have a Cernumon.

Me: Wow! That's a Holy Beast Digimon.

Camie: Pretty.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her red and dark red clothes and a fire sword.

Evelyn: I look great!

Me: You sure do.

Nico: We're not done yet.

We got on our ship and set out to find Whitecap Marauder, take him down and plunder him of all the massive loot he'd stolen and send him to The M.O.E. and send Sergio's thugs to The Black Abyss.

We were sailing on our ship, and we saw our target: Whitecap Marauder, the hypothetical Akuma of Jack Sparrow.

Me: Whitecap Marauder off the starboard bow!

Lincoln: I think I know just the kind of nasty surprise to give him.

Nebula Lanaia: Uh oh!

Lincoln's left hand glowed with purple energy and he summoned ghosts out of a portal that formed out of nowhere and they attacked Whitebay Marauder, and he also fired blasts of fire, wind, darkness, and magic at him as well.

Lucy: Gasp! Summoning ghosts to attack a haunted pirate ship, that was impressive.

Nico: Along with firing blasts of fire, wind, darkness, and magic at him as well, pretty good.

Caleb Maxwell: Sly, you, your gang, your family, and your cousins will need to find a way to get in and steal all of the loot that ghost ship has in him, in the meantime, we'll keep attacking him, if he has any ghost pirates there, be ready to take care of them.

Sly Cooper: Already on it, and since he's Jack's hypothetical Akuma, he'll no doubt have a few tricks up his sleeve. But, so do we.

Me: Lets get him!

Nico: He has ghost pirates?

Me: I think he does! Look!

We saw NUMEROUS GHOST PIRATES!

The sun went down and we saw that he DOES have pirate ghosts!

Nico: Good it wouldn't be a challenge. Now lets see if they are like the Black Pearl.

Nico formed a ball of artificial moonlight and threw it into the sky and then...

FLASH!

A massive flash of light as bright as the sun lit up the sky and turned night into day and then to our shock they WERE LIKE BARBOSSA AND HIS MEN!

Me: WHOA! Looks like it's time to board them!

Nico: Even the Blutz Waves of Artificial Moonlight can affect the curse of the Black Pearl. Wild!

Ymir: How did Nico learn how to do that?

Me: Its been part of his race's power for a long time.

We went and boarded the ship and slashed them all over!

I slashed one and cleaved him in 2.

Torchic charged at the pirates and blasted them all over with fire.

They were incinerated.

Sly and the Coopers and the gang swiped the loot on the ship.

Jonny 2X4 got out his Gashat.

Jonny: Lets get them guys!

He activated it!

Beulah Loud: YEEHAW! Lets rope them doggies!

Jonny and Beulah: RODEO FURY BLAST!

They fired waves of energy and blasted the pirates all over!

Xenia: Take this!

She fired arrows and blasted them

I slashed one pirate and cleaved him in 2.

Nico grabbed one and ripped him in half!

Lily: Watch this!

Lily Loud transformed into a lavender hummingbird that attacked the opponents with a series of pecks that ends with a final one to the head, causing their body to open up in the shape of a wilting flower; she then feeds on their blood, similar to how hummingbirds feed on nectar from flowers.

Me: WHOA! Lily where did you learn how to do that?

Nicole: I taught her that.

Lily: Animality!

Liu Kang: Wait I know those. They are some of our Animality techniques.

Nicole: That's right Liu. I taught the Loud Kids those.

Kitana: Wow that's impressive!

Nico: I'll say!

Me: Yep. Also here's something. You know what's scarier than you pirates? THIS! NIGHTMARE STYLE NINJA ART: CURSE OF THE BLACK LICORICE PIRATES!

I fired waves of darkness and it formed into BLACK JOHN LICORICE AND HIS CREW AND THEY SLASHED THE PIRATES ALL OVER AND SLASHED THEM AND DESTROYED THEM!

Me: I HATE BLACK LICORICE!

Ymir: Why?

Me: It's my least and most hated flavor of licorice. It tastes like you're eating candied onions.

Ymir: YUCK!

Camie: Yeah I HATE BLACK LICORICE Too!

Nico: Me too!

Timmy got out his Gashat.

Suddenly, we heard more vampiric shrieks, and we saw more vampires coming right at us, but then, at that instant, we saw a gold ring surround the deep blood red eyes of Sherlock Hound.

Sherlock Hound: (British Accent) If that demon wants to cause this much trouble for us, then I think it's time I show him what kind of demon that he's dealing with.

Suddenly, the skies turned red and it started raining down blood.

Suddenly, we saw the 9'11 massive, wide, double-edged hulking midnight black blade of his massive greatsword was suddenly surrounded by an icy blue mist. Then, Sherlock Hound attacked one of the vampires and we felt Sherlock Hound grow even stronger as the blade literally sucked the life out of the vampire as he died and turned to dust. Then, he swung his massive greatsword again and fired projectiles of ice that hit and froze more of the vampires before he struck them with his greatsword and sucked the life out of them and he grew stronger from that as well as they too turned to dust.

Nicole: (Thinking) That's the dark icy magic of The Void and The Glaciem Blade, the ice rapier of The Underworld, but the only person who knows that kind of magic is Dracula from Lords of Shadow and The Glaciem Blade was also used in the forging of The Crissaegrim. Then, does that mean Sherlock Hound and his hypothetical Akuma, Demon Hound...?!

Suddenly, we saw the 9'11 massive, wide, double-edged hulking midnight black blade of his massive greatsword was suddenly surrounded by a red flame. Then, Sherlock Hound attacks another vampire and the blade slashed the vampire and he turned to ashes. Then, he swung his massive greatsword again and fired projectiles

of fire that hit and turned more of them to ashes!

Nicole: (Thinking) Oh man, that's the fire magic of Chaos and The Ignaeus Blade, the enormous fire broadsword of The Underworld, another form of magic Dracula from Lords of Shadow knows and The Ignaeus Blade was also used in the forging of The Crissaegrim. That means The Crissaegrim must've merged with Sherlock Hound's greatsword when he transformed yesterday. But, for him to also use the powers of Void and Chaos Magic as well, he's evolved even more excessively surpassing many of the most powerful demon lords and devils and vampires and vampire lords of legend. Which means that Demon Hound also has the powers of Void and Chaos Magic as well. Then, this means all of the equipment Lincoln got days ago: those were once the weapons of Dracula who back then was known as Gabriel Belmont. I know why Dracula sent Lincoln his former weapons: just as we'd seen when we went after The Choten, his classic counterpart, Count Dracula, had returned, and we're gonna need all the help we can get in slaying him right after we deal with Dark Sebastian and his minions.

But, Sherlock Hound heard her thoughts.

But, I think it's best if we leave him be along with his son. They've been through enough, Dracula especially, with what Zobek did with his scheme over a thousand years ago and with Satan as well. Let's keep this to ourselves, we need to focus on the fight.

Nicole: (Thinking) Right, we need to get Sly and his entire family the opening they need to get inside and steal all that loot.

Sly Cooper, The Cooper Gang, his clan, and his cousins eventually got a move on as they snuck onboard Whitecap Marauder. But, then, they saw ghost pirates appear.

And they got into the treasure room, and they saw it: it was a massive loot of gold, jewels, and gems that's worth three kings' ransoms, and they got all of it put into scrolls and they got out of Whitecap Marauder.

Selena Sly Cooper: We got the massive loot that was inside Whitecap Marauder, now we can take down that haunted pirate ship.

Lincoln: Alright, let's do this. (Sensed Sergio's thugs) And it appears we have some uninvited guests.

Suddenly, Lincoln fired massive waves of light from his massive white angel wings and twenty-four sets of large white angel wings underneath his massive white angel wings and forced out Sergio's hired thugs and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9
large and muscular men also came out, these guys are bodybuilders, and they're also hired thugs of Sergio, and the thugs were screaming because they got blinded, and Lincoln made a one-way viewing window for Sergio to see.

Nico: Whoa, what the?!

Selene Arcangela: Lincoln exposed them in the blink of an eye with that attack, incredible.

Kali Timestream: Just like when Our Lord takes control, that attack happens before you can blink your eyes.

Sergio Thug: Damn it! The boss isn't going to like this!

Lincoln: I wouldn't worry, you won't be able to report back to your boss. Nor will the rest of your friends for you will not live much longer.

But then...

WHOOSH!

A figure swooped in and swiped their loot!

Thug: Our loot!

?: (Japanese Accent) You mean MY Loot now!

We saw the next member of the International Clan of the Coopers!

Lincoln: Sakura Rin Cooper! Wow!

Sakura Rin Cooper: Good to see you Lincoln.

Me: Care to introduce us?

Anna Anyanova: Sure. This is Sakura Rin Cooper, The Black Ninja of Tokyo of The International Clan of The Coopers, she's Lincoln's Guardian Angel from Japan and a masterful sushi chef and a deadly master of the Japanese fighting styles and she is also a ninja and one of the descendants and cousins of The Coopers and she's also a thief too and she's the cousin of Sly Cooper from Japan and she helped him on lots of dangerous jobs. She's known as The Black Ninja of Tokyo because she uses intense speed to swoop in and steal from corrupt officials and more of their valuables completely unseen and unnoticed. She's the member of a new group of Lincoln's Guardian Angels called The International Clan of The Coopers, a group of notorious thieves from all over the world and they're also the descendants and cousins of the Coopers, meaning they are thieves too, and like Sly and his family, they steal from Criminals, and they've also stolen from Lincoln's Enemies too. They're the most notorious thieves in the world and are equal and skilled and more powerful than the Coopers. They did NUMEROUS Dangerous jobs all over the world and have done it all and stole from DANGEROUS ENEMIES and organizations EVERYWHERE! They also stole from many of Lincoln's enemies and made them dirt poor and even made Flip Dirt Poor. Like Sly said, there's no honor, no challenge and no fun stealing from ordinary people. Sakura came to Royal Woods where she met Lincoln and she taught him a lot in mastering the powers of intense speed and the Japanese fighting styles and their powers as well, and she was also reunited with Sly, his gang, and his entire family after they became officially part of the team. Lincoln made her an awesome light greatsword, and to show thanks, she kissed Lincoln on the lips, and as a result, when Lincoln comes of age, he'll marry her and the rest of The International Clan of The Coopers thus tying Lincoln and his family to Sly Cooper and The Cooper Clan and The Cooper Clan will also become members of The Loud Family through marriage, and Sakura Rin Cooper hates Lincoln's enemies with a vengeance and vowed to steal from all of them and make them dirt poor.

Me: WHOA! Pleasure to meet you.

Sakura Rin Cooper: Same here.

Lincoln turned the tips of his tails into Cell's stingers and he stabbed them into the chests of the thugs and he proceeded to absorb them and he grew stronger and assimilated their massive muscle mass, massive physical strength, virility, and testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and twenty-four sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Then, he did the same to the remaining thugs hiding out as he stabbed them into the chests of the thugs and he proceeded to absorb them and he grew stronger and assimilated their massive physical strength, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and twenty-four sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of the thugs except for their clothes and he drained their souls of energy and sent them to The Black Abyss forever.

Sergio Bodybuilder Thug: You're gonna pay for what you did absorbing our friends!

Lincoln: Your friends deserved it for obeying the orders of that stupid rat with wings, and now, it's your turn.

The bodybuilding thugs ripped their tank tops off and ran at Lincoln, but Lincoln charged at them and he really trashed them as he punched and kicked them all over the place, and he was really working up a sweat, and finally, he knocked the massive bodybuilders down.

Then, Lincoln morphed the tips of his tails into Cell's stingers and he stabbed them into the chests of the massive bodybuilder thugs, and one by one, he began absorbing them and he assimilated their massive superhuman upper body and lower body strength, massive muscle mass, virility, and testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of the bodybuilders except for their speedos and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla. Sergio saw it through the one-way viewing window Lincoln made, he screeched in anger at us.

Sergio: NO! NO! (GROWLS) This ain't over, losers!

Even though it was a one-way viewing window Lincoln made, we saw Sergio mouth the words, "This ain't over, losers!" Then, Nico and I gave that stupid bird both middle fingers and made all kinds of faces at him, and it really pissed Sergio off big time as the window closed.

Eli: Yeah, up yours, you walking feather duster!

Me: You deserved it, you stupid party animal.

Nico: (Smirks) And it's about to get a lot worse for you, Sergio.

Then, Lincoln's gold version of The Trinity Mirror and his large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a one-way viewing window for us, and Lincoln snapped his fingers, and as soon as he did, orbs of rainbow energy with elements appeared surrounding Sergio, and then...!

LINCOLN SENT THE ORBS AT SERGIO, AND THEY EXPLODED WITH INCREDIBLE POWER AS THEY HIT THAT STUPID BIRD, AND WHEN IT WAS DONE, SERGIO WAS AN ABSOLUTE WRECK AND HE GOT HURT BAD!

Sergio: (Groans) Ouch!

We were on our butts laughing like hyenas!

Me and Nico: (LAUGHING HYSTERICALLY) THIS IS WAY MORE HILARIOUS THAN WHEN YOU STUFFED HIS BIG FAT BEAK WITH HOT PEPPERS AND HOT SAUCE! OH MAN, YOU'RE GONNA MAKE US BUST A GUT!

Maria Garcia: (Spanish Accent) Serves you right, you stupid bird!

Lincoln, Red Savarin, Robin Hood, Skippy the Bush Kangaroo, Von Lycaon, Sly Cooper, and Rayman went after Whitecap Marauder, and they fired extremely powerful blasts of rainbow, green, purple and red, red and yellow, blue, red, white and black, white, golden yellow, and blue energy, elemental forces, mythological animals, and mythical beasts, and they exploded with incredible power as they hit them, and they slashed and punched at him with their massive greatswords and gauntlets and greaves leaving scars on him.

Suddenly, we heard the sound of roars in the distance, and we saw an army of werewolves heading right for us!

Suddenly, Lincoln's massive white angel wings and twenty-four other sets of large white angel wings underneath his massive angel wings spread out even more and my massive rainbow angel wings and eleven sets of large rainbow angel wings under my massive rainbow angel wings spread out even more as two gold intricate halos made of gold light appeared above our head along with three sets of gold chains around the gold light halos and formed into a purifying field that hit Whitecap Marauder, and we found ourselves in Heaven.

Then, Lincoln's massive white angel wings and twenty-four sets of large white angel wings underneath his massive angel wings fired chains of gold energy that bound Whitecap Marauder.

Then, Lincoln, Nico, and I charged out and we smashed our rainbow energy infused left fists into the stomach of Whitecap Marauder, and a cluster of rainbow, white and blue heavenly flames exploded out behind him, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword, Nico formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword, and I formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of my massive greatsword.

Lincoln, Nico, and I attacked him with two powerful energy slashes, and then...!

Lincoln, Nico, and Me: NOW, BEGONE!

Lincoln, Nico, and I did one final powerful energy slash that hit Whitecap Marauder hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and Whitecap Marauder was on his last sail and he was really really mangled.

Then, Lincoln opened up a portal that led to The M.O.E. and that forced Whitecap Marauder into it and once he was in, the portal closed.

We cheered as we holstered our weapons and we powered down, and the new bodies, clothes, weapons, jewelry, Third Eyes, longer mermaid tails, large gold halos with four large orbiting gold rings on each corner behind the heads, thirty-five large ocean blue planets orbiting around the legs, thirty-five smaller ocean blue planets orbiting around the waists, smaller planets orbiting around the fingers, medium sized ocean blue planets orbiting around the wrists and ankles, and massive colored angel wings and twenty-four sets of large ocean blue angel wings underneath the massive ocean blue angel wings of Oceanus Ocean, Serri Serris, Lillian Van Damme, Hortensia Remmington, and Alisandra Lamhing are permanent.

Me: That was an awesome seafaring rescue.

Nico: And we also got the massive loot from inside that ghost pirate ship.

Connor Cooper: You should've seen it, the treasure inside it was worth the ransoms of five kings and it was amazing.

Sly Cooper: But, he also summoned ghosts to force us out, but I stopped them.

Henrietta "One-Eyed" Cooper: Aye, he didn't go down without a fight, that's for sure.

Eli: That's for sure, and summoning ghosts to repel intruders, Jack always was crafty when finding a way out of a dangerous situation and outsmarting his opponents.

Luna: True, but we know his tactics and found a way to outsmart him at his own game.

Me: You said a mouthful, Luna.

Nico: Plus, I didn't expect Demon Hound to cause us trouble.

Sherlock Hound: (British Accent) He's waiting for tomorrow to face us, so he's sending the undead thugs of Moriarty whom he'd drained for me to kill. But, we'll be ready for him tomorrow.

Eli: (GULPS) This is going to get bloody.

Lincoln: From what I found out and from what Sherlock Hound told us, this is apparently one of the most powerful hypothetical Akumas that we're going to face tomorrow, so we have a huge challenge for tomorrow.(Sensed The Anothers) Uh oh, here come the Anothers!

Eli: (Sensed The Anothers) Lincoln's right, I sensed them, one of them is The Keyblade Knight of Rivendell of Middle Earth. Oh man, and one of The Anothers is Another Scott Truman.

Scott Truman: Another Me? Then, that means...!

Lincoln: There's no mistaking it, Scott, the villain that we're facing on your big day is none other than Venjix and his Evox form, and we're going to face him on the world that he himself destroyed.

WE GASPED!

Nico: Oh man!

Me: I knew it'd be that piece of scrap metal! Now, we can make that monster pay for everything that happened on the world that he destroyed!

Lincoln: Becky and her sisters have already gotten to work on making a powerful computer virus to make that monster crash, and with the powerful firewalls they put up, Venjix and his Evox form can't escape from it. Plus, there's no doubt Dark Sebastian and those Order of The Dark Universe and Dark Church of Malphas chowderheads are there as well.

Selena Mendez: They're going to no doubt double-cross Venjix and his Evox form by the time we foil Dark Sebastian's nasty surprises.

Camie: But, don't they realize Venjix and his Evox form are both equally powerful, right?

Nico: Unfortunately, you can't reason with human-despising monstrous universe-destroying insane demons like them, Camie.

Me: He's right, I've seen just how insane Alaister and his siblings are.

Qin: Along with Dark Sebastian.

Selena Mendez: And The Order of The Dark Universe, and they really did a lot of damage especially to Devimon yesterday along with Zarm, Captain Pollution, and Dujardin, so you can expect them to do that same kind of damage to the other powerful villains that we're going to face.

Lincoln: Those rotten monsters are going to pay for what they've done when May 5th comes.

Me: Yep.

Nico: Next time, he should talk while we're doing the combos.

Me: Yeah I agree.

Torchic: That was great though!

Nico: Yeah! Nice job Torchic.

Torchic: Thanks. Got any beer?

Poromon: Yay! There you go!

He gave Torchic some beer and she drank it and belched.

BARNEY GUMBLE BELCH!

Barney Gumble: Welcome to the beer party! (BELCH)

She got drunk!

Poliwag: Sing the ABC's!

Torchic: (BELCHING) ABCDQUGWNEVJNENENJEKQKKTJJMQ!

WE LAUGHED!

Nico: YEAH!

I snapped my fingers and she was back to normal

Poromon: We're going to show you guys something later.

Me: Okay.

Qin: I have a feeling it will be fun.

Xenia: Yep.

Nico: Oh Pump Man what do you like to do in your free time?

Pump Man: I like to work as a navy repair robot. I work to make sure that the ships never leak.

Camie: Good job there.

Nico: Now for the Anothers.

Eli: (Concentrates) WHOA! We got Another Estarossa of Love, Another Faiz, Bossman, Snake Master, Road Rage and Plague.

Me: WOW!

Qin: This will be intense.

Eli: And we also have Another Scott too.

Scott Truman: Another me!? Whoa this will be good.

Camie: Yeah!

Sly: You guys are gonna flip seeing how much treasure was on the ship.

Me: Looking forward to it.

Nico: There they are!

We saw Another Faiz, Bossman, Snake Master, Road Rage and Plague.

Nico: WHOA!

Qin: This will be awesome.

Another Faiz: (In a girls voice) It sure will.

They reverted back and were the Air Fortress Ziggurat, Orca Mega Fortress of Darkness, Chimeratech Fortress Dragon, Number 27: Dreadnaught Dreadnoid and Citadel Whale!

Nico: Olivia Orcus, Cindy Callius, Lori Ballistar, Zillia Ziggurat and Cillia Chimera!

Me: Whoa! The gene-slammers of Air Fortress Ziggurat, Orca Mega Fortress of Darkness, Chimeratech Fortress Dragon, Number 27: Dreadnaught Dreadnoid and Citadel Whale

Lori Ballistar: That's right. Good to see you Nico.

Zillia Ziggurat: Same here.

Nico: You too girls.

Me: By the way girls is the Another Estarossa and Scott friendly or hostile?

Cindy Callius: Friendly and awesome.

Me: Cool.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

They glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books and purified them.

Me: YEAH!

Maria: Time for Backup! (TURNS DIAL) MUSIC MAYHEM 6!

She summoned Gloxinia of Repose, Bambi (Class of 3000), Narizma Shibonz, Manga World, RTN Deidara and Edo Tensei Hizashi Hyuga

Me: YEAH!

Nico: NOW We wait.

Horsea: They should be here any minute

Me: I think they are here now!

We saw Another Estarossa and Scott!

Me: There they are!

Qin: Yeah!

Another Estarossa: (In a girls voice) (Irish Accent) That was a great battle lads!

She reveretd back and was the gene-slammer of Cernumon!

Nico: Gaia Cerue! Wow!

Gaia Cerue: Good to see you Nico lad.

Nico: Same here. Gaia is from Ireland and she has all the powers of nature.

Gaia Cerue: Aye. Also I have all the powers of Estarossa there too.

Me: WHOA!

Estarossa: That is awesome.

Nico: And your friend?

Another Scott: (In a girls voice) Someone who was trying to find her brother.

Scott: (GASP) That voice!

She reverted back and was a girl with orange hair and orange eyes and had torn up blue and black clothes and had an RPM Morpher and had orange angel wings.

Scott Truman: (GASP) Jackie!

He ran and hugged her.

Scott: I'm glad you're safe.

Me: Man her clothes are shredded. What happened?

Jackie Truman: Oh sorry I'm Jackie Truman and I'm Scott's brother.

Flynn McCallister: (Scottish Accent) Oh you went through a nightmare lass.

Summer Landsdown: Did Venjix kidnap you too?

Jackie Truman: He sure did. But I escaped. I went to find Corinth 5 years ago and I found that it vanished.

Ymir: Five years ago?

Me: Oh we met the RPM Team in 2019.

Nico: We sure did.

Ymir: What happened to their world?

Me: It was totally decimated by Venjix! Venjix destroyed a lot of the Human Race and made the world almost completely uninhabitable! Corinth was the only city still living. We brought it here to Earth after blowing Venjix's factory into oblivion.

Ziggy: Yeah that was awful.

Me: Venjix turned the world into a post-apocalyptic nightmare.

Jackie Truman: But hope found me. I was rescued by this HUGE Ark and it showed a hologram of Scott.

Me: A huge ark?

Scott: And me as a hologram?

Nico: Something found all of Venjix's prisoners and freed them.

Kaito (gets out Gekiranger gear): Did Swartz promise you anything?

Zocks (gets out Go Onger gear): Because we can grant it instead

They got weapons for said teams.

Gaia Cerue: No he didn't lads. He was fearful of me and for good reason. I am also the daughter of Cernunnos.

Brittney: The Gaelic God of Nature, Animals and Fertility.

Gaia Cerue: Aye that's right.

Me: WOW! That is incredible!

Nico: It sure is.

Jackie Truman: And like my brother I am this.

She pulled out an RPM Morpher!

Me: WHOA! What color ranger?

Jackie Truman: Pink.

Me: RPM doesn't have a pink ranger. That is cool!

Sougo (gets out Jungle Fury Ridewatch): I have a feeling we'll be seeing that form later on.

Geiz (gets out RPM Ridewatch): We're gonna need it.

Sougo got JungleFuryRedArmor while Geiz got RPMRedArmor

Scott: We're going to destroy Venjix forever Jackie.

Jackie Truman: Can you do that?

Me: Jackie you're looking at the most powerful force in the entire universe. We can destroy Venjix no problem. Besides we've handled more powerful villains than him.

Jackie Truman: WOW! Thank you.

Me: After this is done lets get you some new clothes. Those are shredded rags.

Rarity: And perhaps a bath too.

Jackie Truman: It has been a while.

Lincoln: Lets separate you first.

We did so.

Me: There. Lets get it on!

Nico: By the way Jackie did you get a good look at what freed you?

Jackie Truman: No idea. It was a massive ship! It had over 4,000,000,000 people on it!

Me: WHOA! So Venjix didn't wipe out the entire human race after all! This will be good to give them a new life on our world.

Nico: It sure will! (gets out Estarossa's Ridewatch) Let's do this!

May: (Gets out Bossman's ridewatch) (Acts stupid and dumb) Duh I am a stupid criminal!

Maria: (Gets out Road Rage's Ridewatch) WHERE DID YOU LEARN HOW TO DRIVE YOU MOTHERFUCKER!?

Me: WHOA! Calm down Maria! We don't want to cite you for road rage.

Maria: Sorry.

Ranamon: (Gets out Another Faiz's Ridewatch) I would like to see Masato fair against me now y'all.

They used the powers of Estarossa of Love, Another Faiz, Bossman, Snake Master, Road Rage and Plague and blasted the Anothers.

But then we felt a cold wave.

Me: (SHIVERS) Man why did it get cold so suddenly?

Then Patience St. Pim, Kakuzu, Wizard, Destiny HERO Double Dude, Draconis and Cia (Zelda)!

Me: WHOA!

Nico: Nice team Patience!

Patience St. Pim: (Sadly) Thanks guys.

Fu: Kakuzu! Why am I not surprised?

Me: Been a long time.

Kakuzu: Indeed. You aren't worth hunting anymore Fu. I got a new job now.

Me: Just don't try anything funny Kakuzu or I'll throw you into the sun!

Blaze Heatnix: That means my team is next.

Nico: It sure is.

Me: This will be good!

But then..

THUNDERCLAPS!

Me: WHOA!

LIGHTNING WAS STRIKING ALL OVER!

Then out came Evil HERO Lightning Golem!

Me: WHOA! Evil HERO Lightning Golem!

Xenia: Electrifying!

Evil HERO Lightning Golem: (In a girls voice) It sure is!

Nico: Tina Thunder! Wow!

She reverted back and was a girl with purple hair and purple eyes and had purple clothes and wings and had Evil HERO Lightning Golem on her forehead and skirt and shirt and on her arm and she had a lightning sword.

Tina Thunder: Good to see you again. I got this. VOLTIC DARKSTORM THUNDER!

She fired a blast of black lightning and it hit the Anothers and blasted them and I caught the Ridewatches and purified them!

Me: OH YEAH! Wow! Electrifying!

Nico: Nice job!

Me: YEAH!

Tina Thunder: Thanks! That was fun. I saw the whole battle with you guys and those pirates and that was fun!

Nico: It sure was! And nice entrance.

Tina Thunder: I always did like making an entrance.

Ranamon: Do you have a favorite memory of Nico hun?

Tina Thunder: I sure do. When me and Nico went and destroyed an evil version of Donald Duck. He pulverized a bunch of girls Nico knew in an iconic rage attack and bashed their brains out.

WE GASPED!

Me: An Evil Version of Donald Duck!? No fucking way!

Donald Duck: How can that be?

Tina Thunder: No idea myself. But it was crazy. I used my powers and killed him with intense lightning.

Nico: Yep.

Ranamon: That is crazy y'all.

Me: No kidding. Well done guys!

Nico: Thanks.

They hugged.

Nico: I've missed you.

Tina Thunder: Same here.

We went back home and we saw that Jack's Akuma had LOTS OF GOLD, JEWELS, TREASURE AND MORE OF ALL KINDS! WOW! WHAT A HAUL!

And we're also going after the fucked-up person responsible who started this zombie apocalypse: Swan, the sadistic genocidal Goth Geek Bastard, along with The Dark Purveyors, Zed, Vikke, Mariska, Josey, and Lewis Legend, but we're going to seal The Dark Purveyors into Talisman Cards instead of just slaying them right now, because we can't let them utter the dying words: Meus Vita, Rege, pro nefario coepto! Then, we're going to destroy the zombies and send them to the afterlife, but as for Swan, we're sending his ass to The Black Abyss forever, and after that, then we can send The Dark Purveyors to The Black Abyss forever to join Swan as well.

Plus, we also got all of TLPS and The M.O.E. here as well, and when we arrived in San Romero, we just saw the mess Swan created when he opened the portal between the Human World and Rotten World: everyone who breathed in the toxic air from Rotten World turned into zombies and those who weren't affected were running for their lives.

Lincoln: Whoa, we're here in San Romero, and I know what we're going to do here, not only am I going to rescue the six girls here, but we're going zombie hunting as we rescue Juliet Starling's surviving classmates and slay all of her zombified classmates.

Nicole: And we're also going after the fucked-up person responsible who started this zombie apocalypse: Swan, the sadistic genocidal Goth Geek Bastard, along with The Dark Purveyors, Zed, Vikke, Mariska, Josey, and Lewis Legend, but we're going to seal The Dark Purveyors into Talisman Cards instead of just slaying them right now, because we can't let them utter the dying words: Meus Vita, Rege, pro nefario coepto! Pump Man: Jeez, look at this place!

Me: And he did all this just because he was bullied?! What the fuck?!

Lincoln: And he also blamed Juliet for it as well, now I want nothing more than to kill that bastard and send him straight to The Black Abyss forever.

Juliet Starling: We already told Dad about this, and he'll be meeting us very soon.

Cordelia Starling: Perfect. Now, we need to get to San Romero High School to take care of the trouble that piece of shit's unleashed.

Rosalind Starling: This is gonna be fun.

We immediately got a move-on and we began slaying zombies left and right by beheading them and burning their bodies by firing waves of fire at them and rescuing the survivors and got them to safety at The World Tree Estate.

But, then, we saw armies of monsters and demons appear out of nowhere: no doubt sent by Dark Sebastian and those Order of The Dark Universe and Dark Church of Malphas chowderheads.

Oh well, better take care of them.

Suddenly, we saw the 9'11 massive, wide, double-edged hulking midnight black blade of his massive greatsword was suddenly surrounded by an icy blue mist. Then, Sherlock Hound attacked the armies of monsters and demons and we felt Sherlock Hound grow even stronger as the blade literally sucked the life out of them as they died and turned to dust.

Lincoln: Alright. Now, let's head for San Romero High School.

We arrived at San Romero High School, and as we got inside, the building was a wreck and flames were also seen in the school as well.

Me: My God.

Maria: That bastard really did it this time! We got to get a move on and rescue the other surviving students here.

We also got a move-on and rescued the other surviving students and slaying and beheading more zombie students, teachers, and cops as well.

Nico: Okay, now to find that fucked-up Goth bastard, Swan.

Juliet Starling: He's at the front entrance of the school.

We immediately got to the front entrance of the school and we saw a figure on top of the head of the statue laughing maniacally as the skies turned black.

Swan: Oh man, there's nothing more hysterical to me than watching this world burn. This world, this government, this society made my life a hell! Well, now everyone's gonna know a life of hell! Forever! (LAUGHING MANIACALLY)

Juliet Starling: Just when we were finally getting a chance to recover, you decide to show up again to start this again?! Do you have any idea of what you've done in the past?!

Swan: What? You didn't get a chance to clean out your locker, Juliet?

Cordelia Starling: What a piece of trash.

But, we saw Lincoln start to get extremely pissed off big time as he glared at Swan with extreme hate and rage.

Lincoln: You little shit...!

Lincoln clenched his left hand so tightly, his gold-armored dragon claws punctured his palm and he drew blood, and when a drop of it fell to the concrete, it sizzled as it landed.

Me: (GULPS) Oh shit!

Nico: Now, Lincoln's super pissed off now!

Lincoln: YOU'RE GOING STRAIGHT TO HELL FOR THIS, SWAN! IF YOU THINK YOU CAN GET AWAY WITH TRYING TO START A ZOMBIE APOCALPYSE, YOU'VE GOT ANOTHER THING COMING! YOU MAY HAVE BEEN BULLIED, BUT THAT GIVES YOU NO EXCUSE TO START A ZOMBIE APOCALYPSE! THIS IS WHERE YOU DIE HERE AND NOW!

Lincoln fired acid blood projectiles at Swan, but they hit Dark Sebastian's demons that came out of the shadows and they melted. Then, more of them came out and charged at us!

Lincoln: OUT OF MY WAY!

Lincoln fired more acid blood projectiles at them, and they got hit and melted! But, then, Swan began to incite an incantation.

Swan: Malicious Lords, I invoke your dark forces in declaring myself god of this realm! As the pawn is present, may your ritual commence, and may The Dark Purveyors appear! Now!

Then, a beam of purple light fired out of Swan's Necronomicon.

Then, we saw five colored glowing orbs appear.

Mariska: This world makes me want to puke. (To Swan) You the one who called us here?

Swan: Yeah, that's right! I'm your new master. And I demand that you initiate the pawn into the ritual and rot every living thing in this school along the way! (LAUGHING MANIACALLY)

They began calling him Master.

Swan: (LAUGHING MANIACALLY) I did it! Alright guys, time for you to rot this entire school and everyone in it!

Lincoln: YOU ABSOLUTE SHITHEAD! YOU'RE GONNA PAY FOR THIS! YOU'RE DEAD!

Swan: Let the ritual commence! Zed!

Then, a red orb descended onto the ground, and a pool of blood formed and we saw Zed's head rise up.

Zed: Let's play.

We glared angrily at him. Then...!

Zed: PISS OFF!

We dodged the words, but then, we found ourselves in The Junkyard A.K.A. The Mosh Pit.

Nicole: The Junkyard A.K.A. The Mosh Pit. This is the stage where we fight Zed, The Punk Rock Zombie Lord and the first and weakest of The Dark Purveyors.

Lincoln: I'm gonna tear that mohawk off his head and shove it right down his throat!

We were really horrified: Swan pissed Lincoln off with what he did, it's bad enough Dark Sebastian, The Order of The Dark Universe, and The Dark Church of Malphas were the guilty bastards who brought him back, but Swan unleashing a zombie apocalypse, that brought the fires of justice out into the open!

We'd slain the zombified teenagers there and we got to The Mosh Pit, and we confronted Zed who'd tried to attack us, but Lincoln formed and fired a white Talisman Card from his left hand and it hit Zed and sucked him inside The Talisman Card and sealed him inside and Lincoln put it into a lockbox.

Lincoln: Gotcha, you bastard. That's one Dark Purveyor down, and four to go.

Cordelia Starling: That's none other than Vikke. Come on, we need to get back to the school and hunt him down and kill him.

We immediately went back to San Romero High School to get after Vikke, The Viking Metal Zombie Lord and second of The Dark Purveyors.

We got back to San Romero High School, but then, we saw a massive lightning storm was raging in the skies. We dodged an incoming lightning bolt!

Me: WHOA!

Nico: Damn!

Cordelia Starling: It's Vikke, he's using his drums and gong to summon a massive lightning storm on San Romero.

Suddenly, lightning bolts struck Lincoln, but he absorbed them and it made him stronger than ever.

Lincoln: If Vikke has the power of lightning, I'll need to absorb his powers and abilities once I trap him inside The Talisman Card. Speaking of which.

Lincoln took out The Talisman Card with Zed inside, and Lincoln sucked out Zed's Agility, Levitation, Pain Resistance, Statical Absorption, and Repulsion, along with Zed's abilities, and put the card back inside the lockbox.

Lincoln: Alright. Let's get going.

We immediately got a move-on and we'd been beaming survivors to Gotham Royal York, and slaying zombies, this time, they're in baseball, basketball, and football uniforms, even Lynn and her friends were also slaying them big time.

Juliet Starling: You undead A-holes are a disgrace to the San Romero football uniform!

Lynn: Same with the rest of you! You're a disgrace to the San Romero baseball and basketball uniform!

Lincoln: Nice. Now, we got to find Vikke.

Cordelia Starling: His ship will be over the gigantic swimming pool. Let's get going.

We immediately got to the gigantic swimming pool, but then, we saw Vikke leaving.

Vikke: Bye-bye, Skraelings! Onward to further victory!

Lincoln: Leaving so soon! You're gonna regret leaving before we have a chance to beat you into a bloody pulp.

We immediately teleported to the ship and there, we faced our second target: Vikke, The King of Viking Metal and the second of The Dark Purveyors. We dodged his strikes, and Lincoln was also absorbing the lightning strikes and growing even stronger still, but so was Vikke.

Lincoln: (Thinking) The large Viking axe Vikke holds also acts as a dual lighting rod system that lets him absorb and control lightning. If I can get that away from him and let my greatsword absorb that, it's gonna put that Viking zombie at a bad disadvantage.

Lincoln swung his massive greatsword and disarmed Vikke of his large Viking axe and his greatsword absorbed it, and then, Lincoln formed and fired a white Talisman Card from his left hand and it hits Vikke and sucked him inside The Talisman Card and sealed him inside. Then, Lincoln grabbed it and sucked out and absorbed Vikke's Hysterical Strength, Levitation, Lightning Strikes, Physical Growth, and Pain Tolerance, along with Vikke's abilities and he put the Talisman Card with Vikke inside it in the lockbox. Then, we got off the ship and landed on the ground as the ship disappeared forever and the skies cleared up, but it was still pitch black.

Juliet Starling: Alright! That's two Dark Purveyors down, and three to go. The next one is Mariska, she's at the O'Bannon Farm, but she's not that hostile and being a 60s zombie, she'll have the place under an illusion.

Me: Oh, you mean like...?!

But, before I could finish, Travis Tackett put his left hand on my right shoulder.

Travis Tackett: I think I know what you're about to say, J.D., so leave this one to me. Juliet, where's the O'Bannon Farm?

Lincoln despite his rage towards Swan knew Travis Tackett was determined to help.

Juliet Starling: Follow me.

We followed Juliet and we made it to The O'Bannon Farm and we saw that the gases also turned farm animals into zombies.

Liam: What the ding-dang heck?! Even the farm animals were turned into zombies?! If Lincoln doesn't get that Goth loser, I will.

Lincoln: Liam...!

But, we noticed that it felt off, that's when we saw it: the mushrooms are causing the illusion.

Travis Tackett: This is just like the drugs I used to take back when Dad was abusive towards me. But, this is where it ends.

Suddenly, Travis Tackett's hands glowed with white energy.

Travis Tackett: Time for this psychedelia trip to end. PSYCHEDELIA DESTROYER!

Travis Tackett placed his hands on the ground and the land glowed as the Psychedelia mushrooms of Mariska were being destroyed, and we soon found ourselves back on The O'Bannon Farm, and on the tree, we found Mariska, The Zombie Queen of Psychedelia and the third of The Dark Purveyors.

Mariska: Brothers and sisters of Team Loud Phoenix Storm and The Masters of Evil, glad you all could make it. Let's travel to the land beyond the Doors of Perception. Step outside the boundaries of your mind, lose yourself in the eternal collective unconscious... and rot.

Me: She lacks aggression and she really embodies the sub-culture of the 60s.

Travis Tackett: Even so, she's still one of The Dark Purveyors.

Lincoln: We don't need to fight her though. Leave that to me.

Lincoln formed and fired a white Talisman Card from his left hand and it lands on Mariska and it sucked her inside The Talisman Card and sealed her inside. Then, Lincoln grabbed it and sucked out and absorbed Mariska's Illusions, Levitation, Teleportation, Psychic Bubble, Telekinesis, and Replication, along with Mariska's abilities and he put the Talisman Card with Mariska inside it in the lockbox.

Lincoln: Peace out. Way out, Mariska. That's three down and two to go.

Rosalind Starling: The next one is Josey, he's at The Fulci Fun Center, and Dad's on his way to pick us up.

Juliet Starling: Alright. Lincoln, you ready to meet my dad?

Lincoln: You bet I am.

We then saw a motorcycle roaring in the distance, and we saw a really strong man get off, it was Gideon Starling, Cordelia, Juliet, and Rosalind's dad.

Gideon Starling: (To Lincoln) So, you're the guy who's going to get married to my three girls, eh?

Lincoln: Yes, sir, I am.

They looked each other in the eyes. Then, Gideon Starling offered his right hand and Lincoln shook it with his left hand.

Gideon Starling: I think my daughters made a really good choice. When this mess is over, we'll take you to meet the wife.

Juliet Starling: Awesome! Okay, now we got to get to The Fulci Fun Center.

Rosalind Starling: And get rid of that auto-tone funk zombie.

We immediately got a move-on and we arrived at The Fulci Fun Center, and we immediately cut down and beheaded the zombies there and rescued the survivors and beamed them to Gotham Royal York. Then, we arrived at the top of the building, and there we were met by Josey, The Master of Funk and the fourth of The Dark Purveyors.

Lincoln: Time to bring this to an end, and this is for kidnapping and holding Rosalind hostage long ago.

Lincoln formed and fired a white Talisman Card from his left hand and it hits Josey and it sucked him inside The Talisman Card and sealed him inside. Then, Lincoln grabbed it and sucked out and absorbed Josey's abilities and he put the Talisman Card with Josey inside it in the lockbox.

Lincoln: Game over, Josey. Now, we've got one more to go.

Gideon Starling: He's at the unfinished cathedral, and Swan's there too.

Eli: Perfect. And your future son-in-law is that pissed at Swan for what he did.

Gideon Starling: I know, I heard him roaring in rage at him. He's got a good set of lungs to shake up an entire neighborhood.

Lincoln: (Nervously) Oops. Sorry about that.

Gideon Starling: Oh, and there's someone here who wants to see you.

Suddenly, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long crimson red hair with crimson red flower in her hair, crimson red eyes, massive crimson red, orange, and yellow phoenix angel wings, the Fire symbol tattoo on her right arm and Fire symbol on her forehead, crimson red short-sleeved blouse, crimson red short-sleeved frilly shirt, white gloves, crimson red skirt with the Fire symbol, black knee-high high-heeled boots with butterfly buckles, long white long-sleeved trenchcoat with stars, fire, flames, phoenixes, and angels on the coattails, and on the back is the symbol of Fire from Magic The Gathering, she has a fire greatsword in her right hand, and with her are the six girls.

Lincoln: (GASPS) Claire Nantosuelta, Queen of The Elemental Plane of Fire and Avatar of The Fire, Brushfire, Wildfire, Cinder, Scora, Firefiend, Lava, and Sulfur Elementals of Magic The Gathering.

Claire Nantosuelta: That's right, and I got the girls away from the last Dark Purveyor and Swan, and Sergio didn't send his bodybuilder thugs here. So, we're free to get after Swan and the last Dark Purveyor.

Lincoln: Awesome, now let's get going. (Deep Sapphire Eyes turn Red with slit pupils) Get ready, you fucked-up psycho, you're gonna pay for what you did!

We got a move on to the abandoned cathedral and we'd slain the zombies and beamed the remaining pack of survivors to Gotham Royal York. Finally, we went to The Catacombs, the underground arena with small spotlights and odd gold skull king logos around the sides of the arena, and Brown columns designed to resemble a stack of skulls are centered around The Catacombs, and there at the large podium was Swan.

Swan: This is incredible! You all actually made it! Fantastic!

Lincoln growled in savage anger at that psycho. Then, we blocked and deflected incoming bullets, and there we saw a motorcycle heading for us, and on it was none other than Lewis Legend, The Rock 'N Roll Zombie King and the last of The Dark Purveyors.

Juliet Starling: Well, look who it is: Mary Kate and Ashley.

Swan: Oh Juliet, I've been getting so lonely since you've been wasting all my Dark Purveyors! Poor Lewis here is the only one left.

Lincoln: And there's about to be none. And by the way, I knew about that accursed ritual, you wanted us to slay The Dark Purveyors and let them say their dying words: Meus Vita, Rege, pro nefario coepto and that'll complete the ceremony and you'll kill yourself and summon The Zombies of Zombies, Killabilly, The Deity of Rotten World, to bring about the end of everything. Well, guess what, I sealed four of The Dark Purveyors away, and once we seal Lewis Legend away, we'll kill them, but not before we kill you! Bastard! Betrayer of Mankind!

Lewis Legend: Ooh! Looks like someone's a little fired up! I like that.

Lincoln: You're not going to like this!

Lincoln disarmed Lewis Legend of his Guitar Gun which his greatsword absorbed, and he formed and fired a white Talisman Card from his left hand and it lands on Lewis Legend and it sucked him inside The Talisman Card and sealed him inside. Then, Lincoln grabbed it and sucked out and absorbed Lewis Legend's Teleportation, Levitation, Physical Protection, and Improvisations, along with all of his other abilities and he put the Talisman Card with Lewis Legend inside it in the lockbox.

Juliet Starling: Your ceremony's ruined for good, Swan.

WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a white and golden yellow energy vortex flared up behind him, and he charged at Swan, and he proceeded to brutally smash him hard into the ground with his massive godly superhuman strength, slashed him with his gold-armored dragon claws and his massive greatsword, and fired blasts of white and golden yellow wolf fire, light, golden moonlight, and ice at him, and it was brutal.

WE SAW THE WHOLE THING, AND WE WERE FLINCHING AT THE SHEER BRUTALITY AND VIOLENCE OF LINCOLN'S ASSAULT ON SWAN! HE WAS REALLY GOING APESHIT ON HIM!

Me: OH MAN! NOW, THAT'S JUST BRUTAL!

Nico: WAY TOO BRUTAL!

Eli: YIKES!

Qin: OH MAN!

SLASH! SLASH! SLASH!

LINCOLN SLASHED SWAN WITH HIS MASSIVE GREATSWORD AND HE ALSO FIRED SEVEN BLASTS OF HEAVENLY LIGHT THAT HIT HIM AND HE WAS BURNED!

May: OH! AND HE ALSO RESORTED TO THAT!

Roxy Drake, Cuffs Lane, Abby Smith, Vessie Harris, and Jazz Jackson: JEEZ! AW MAN, NOW THAT'S JUST BRUTAL!

Cage Blunt: See what you went and done?

Travis Tackett: You went too far, I don't blame him for going wild on you!

James Blunt: That's only a fraction of what's going to be awaiting you when we kill you.

Lincoln continued smashing him hard with his extremely massive godly superhuman strength and Swan didn't have time to fight back due to Lincoln's extremely incredible godly superhuman speed and reflexes overpowering him.

Me: UNREAL! His speed and reflexes are still even faster than ever!

Lincoln and the girls fired elemental weapons and blasts at Swan and they slashed at him and they exploded as they hit him.

Lincoln and Juliet Starling: End of the line, Swan, you death-crazed douchebag! ZOMBIE SLAYER FINAL SMASH: TWIN CHAINSAW SLASH BARRAGE!

Lincoln and Juliet Starling wielding chainsaws slashed Swan all over and even left Swan with some really big boo-boos.

Lincoln and his harem: Now, for the big finish! We've had it up to hear with you, Swan, you death-crazed douchebag! This is where you die here and now! ZOMBIE SLAYER ULTIMATE FINAL SMASH: ZOMBIE DESTRUCTION HADOUKEN!

Lincoln and his harem fired a massive Hadouken at all the zombies and even Swan which exploded on contact, and it was that powerful, it destroyed all of the zombies in San Romero and Swan was also caught in the explosion and was destroyed and he was sent to The Black Abyss forever. Finally, Lincoln got out the Talisman Cards with the imprisoned Dark Purveyors and fired five massive Zombie Destruction Hadoukens which hit them and they too were destroyed and sent to The Black Abyss to join Swan there forever and the gates between the Human World and Rotten World were closed for eternity. We cheered as we holstered our weapons and powered down and we all went back to The World Tree Estate, and Cordelia, Juliet, and Rosalind's mom, Elizabeth Starling, was there as well.

Elizabeth Starling: You guys made it on time, and you're all safe.

Juliet Starling: We sure are, Mom.

Cordelia Starling: And so's all of San Romero. But, the town's now a wreck and almost everyone we know is dead.

Lincoln: Not for long. Now, that the gates between The Human World and Rotten World are closed for good, now I can fix the damage and resurrect everyone who died.

Lincoln snapped his fingers, and we saw it on the big screen: massive heavenly lights shined down on San Romero as the town and the school were being repaired and all those who died and got turned into zombies were brought back from the dead.

Rosalind Starling: Aw man.

Juliet Starling: Rosalind, I know that look from anywhere, you're not adding any zombie heads to your collection. Plus, Lincoln did an awesome job with undoing the damage Swan caused to San Romero and the school.

Cordelia Starling: That's true. But, your surviving classmates are gonna be going through therapy from Ino for quite some time.

Ino: My family and I are going to get to work right away after we take care of any injuries they have at the hospital.

Lincoln: That's good to hear, and it's finally over. Swan's gone for good.

Nico: But, man, he really pissed you off, Lincoln.

Lincoln: He wasn't the only one, Dark Sebastian, The Order of The Dark Universe, and The Dark Church of Malphas also pissed me off big time. But, what Swan did can never be forgiven, now he'll rot in The Black Abyss forever along with The Dark Purveyors.

Me: That's for sure. What a douchebag.

Lincoln: He was the biggest douchebag in San Romero, but now, he's finally gone forever. (To Claire Nantosuelta) And it's so good to see you again, Claire.

Claire Nantosuelta: You too, Lincoln, it's been eight years since we last met.

Suddenly, Claire Nantosuelta had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Claire Nantosuelta was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Claire Nantosuelta: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Claire Nantosuelta and hugged her, and Claire Nantosuelta is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more massive white angel wings and twenty-four other sets of large sized angel wings underneath his massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, eleven massive and longer brown wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long brown wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Claire Nantosuelta: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 10'0" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and twenty-four sets of large white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and the eleven massive and long brown wolf tails with markings and white rabbit tail on top of the massive and long brown wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new, along with getting He-Man's chest harness (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Claire Nantosuelta, Queen of The Elemental Plane of Fire and Avatar of The Fire, Brushfire, Wildfire, Cinder, Scora, Firefiend, Lava, and Sulfur Elementals of Magic The Gathering, she's Lincoln's Guardian Angel from the world of Magic the Gathering and she's a powerful master of Fire, Brushfire, Wildfire, Cinder, Scora, Firefiend, Lava, and Sulfur, fire of all kinds including the flames of the phoenix, dragon, and the fire creatures of myth and legend. She's The Queen of The Elemental Plane of Fire and The Avatar of The Fire, Brushfire, Wildfire, Cinder, Scora, Firefiend, Lava, and Sulfur Elementals of Magic The Gathering, and she's the leader of The Queens of The Elemental Planes of Magic the Gathering, six girls who are Avatars of the Water, Air, Earth, Fire, Lightning, Brushfire, Wildfire, Dust, Fusion, Roil, Torrent, Sulfur, Crater, Cinder, Scoria, Firefiend, Wolfbriar, Ivy, Lava, Tempest, and Storm Elementals of Magic The Gathering and deadly forces of elemental power and they are said to be the powerful rulers of The Elemental Planes of Magic the Gathering, and they have fought against the evil vampire Sorin Markov in the past and they fought alongside Nahiri and many heroes against the villains of Magic the Gathering. She came to Royal Woods where she met Lincoln and she even taught him how to use all the powers of Fire, Brushfire, Wildfire, Cinder, Scora, Firefiend, Lava, and Sulfur including the flames of the phoenix, dragon, and the fire creatures of myth and legend, and over time, he gained all the powers of Fire, Brushfire, Wildfire, Cinder, Scora, Firefiend, Lava, and Sulfur including the flames of the phoenix, dragon, and the fire creatures of myth and legend, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle. Lincoln made her an awesome greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Lori with a burning vengeance and she vowed to burn her into ashes.

Nebula Lanaia: I still remembered what Lori did, she tried to bash Lincoln's head open with a hammer and Claire fired a powerful blast of fire that hit her and burned her clothes to ashes including her bra and panties and Lori let out a nasty shriek when she found herself in the nude.

Nico: Wait, she did what?! And was this inside or outside of the house?

Nicole: It was inside thank goodness. But, Lori suffered outright humiliation and ran to her room in absolute embarrassment as the other siblings laughed at her. Lori got grounded for a month for it.

Luna: But, Claire wasn't done, she burned all of Lori's clothes to ashes.

Lincoln: It was humiliating for her, and thanks to what Claire did, Lori had to spend a month locked up in her room, and now that you're here, Claire.

Lincoln with his massive muscular arms still wrapped around Claire Nantosuelta's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and twenty-four sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Claire Nantosuelta: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Claire Nantosuelta with crimson red gems on the gold lightning bolts and crimson red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade

Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Claire Nantosuelta: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Claire Nantosuelta.

Claire Nantosuelta had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Claire Nantosuelta's waist, and he leaned down to her face and kissed her on the lips, and with Claire Nantosuelta's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Claire Nantosuelta had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Claire Nantosuelta: (In Heaven) My God. Oh, Lincoln, the six girls I managed to rescue are...!

Red Savarin and Travis Tackett: Boys, in your rooms now, and no questions asked, or you're in for a serious buttkicking!

We obeyed Red Savarin and Travis Tackett and fled to our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the six girls, he had an atomic red blush on his cheeks and muzzle, but no nosebleed attack. The six girls are Minako Oikawa, Fumiko Kanou, Hitomi Kanou, Minami Kanou, Nagisa Kanou, and Kiyomi Nakayama from Seduce.

Lincoln: Oh wow, it's Minako Oikawa, Fumiko Kanou, Hitomi Kanou, Minami Kanou, Nagisa Kanou, and Kiyomi Nakayama from Seduce.

Nicole: So, those were the girls that were in San Romero, and they must've been kidnapped by Dark Sebastian and his minions so that the zombies can kill them and for Swan to slake his thirst for blood and destruction, that murderous blood-crazed lunatics are worse than dead when we get after Venjix later on today. These girls are cute and not cause for Dad and the others to run back to their rooms like cowards.

Lincoln: Unfortunately, it's been drilled into them.

Maria: After all, many of the girls you've rescued in the past few months were voluptuous bombshells and if Nicole found her Dad and the others sent flying via a Nosebleed Rocket.

Lincoln: She'll send her dad and the other boys to the hospital.

Nicole: Dad always keeps his eyes covered with those blind man glasses, but that's true, I can't stand perverts. But, next time, we'll warn them if the girls are either cute or voluptuous bombshells.

Lincoln: Good idea, once that happens, then, they can either stay with us or run back to their rooms. Are you girls okay?

Minako Oikawa: Yes, we're okay thanks to you.

Then, when Minako Oikawa and the other three girls saw who it was that saved them from Swan and The Dark Purveyors, their faces turned atomic red upon seeing the 10'0" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle, long wild Minako Oikawa: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made five clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips underneath his massive white angel wings spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Minako Oikawa: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Minako Oikawa, Fumiko Kanou, Hitomi Kanou, Minami Kanou, Nagisa Kanou, and Kiyomi Nakayama with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Alright, guys, come on out.

We then came out.

Maria: That was a lot of fun, but I can't believe what that piece of shit did, and all because he was being bullied.

Lincoln: Yep, and he also blamed Juliet for being just like everyone, and when he got his hands on a Necronomicon, he finally fell down into eternal darkness especially when he went completely mad.

Nico: Mad or not, he deserves to die, what a death-crazed douchebag!

Me: He was such an asshole! What he did proved that he's just as bad as Dark Sebastian and those pack of fucking snakes.

Lincoln: Well, those pack of snakes are going to get beaten up pretty badly when we get after Venjix.

Nico: That's for sure.

Me: Those pack of snakes are going to get what they deserve.

Selena Mendez: But, they're going to get what they deserve when we get after them on May 5th.

Camie Elextor: That's right, we saw the omen after Tania Tornadora came here, and we knew this day was going to come.

Gina Thunderton: And to also find out that Alaister Necroshade and his brothers and sisters who are the founders and high-ranking members of The Dark Church of Malphas are also involved, this meant things have gotten darker.

Varie Yulinova: Indeed, but we're more than ready for The Order of The Dark Universe and those vile and deplorable Dark Church of Malphas dickheads.

Eli: Those two groups along with Dark Sebastian are going to be facing Hell for this.

Me: Worse than Hell, we're going to help Lincoln and The Hunters of The Nightflame Sun with this sacred task, this is more than just wiping out The Order of The Dark Universe, The Dark Church of Malphas, and Dark Sebastian, we need to make sure no one else suffers like Sebastian and Selena did.

Nico: Right. By defeating them, no, preventing others from suffering the same dark fate Sebastian and Selena had to be put through thanks to their parents, that's something we have to fulfill without a doubt. When May 5th arrives, those monsters from Hell are going to face the punishment of Heaven for their evil sins.

Selena Mendez: Along with the punishment of the entire universe for their crimes.

After Lincoln and all of us destroyed the zombies in San Romero and killed Swan and sent him and The Dark Purveyors to The Black Abyss, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long brown wolf tails even more stronger than ever as well, and when Claire Nantosuelta saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long brown wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Claire Nantosuelta: My God, I was right that Lincoln's really grown into an 18-year-old 10'0" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work, and really working out with those 900,000,000,000,000,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to

mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Claire, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Claire Nantosuelta: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Claire Nantosuelta: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long brown wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Suddenly, the alarm sounded, and when Lincoln checked the computer, he saw who it was that triggered the alarm: it was Trevor Rockwell, he's busted out of prison, and even worse, we saw 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9
large and muscular men also came out, these guys are bodybuilders, and they're also hired thugs of Sergio.

Caleb Maxwell: YOU ABSOLUTE SHITHEAD! That's it, I'm heading down there right now! I should've killed Trevor when he showed his face! Now, I'm going to kill him and send him straight to Hell to join his damned parents!

Roxy Drake tased Caleb Maxwell.

Roxy Drake: Nice try, Caleb, but I'm going down there myself.

Roxy Drake flew down and confronted Trevor Rockwell.

Trevor Rockwell: Out of the way, bitch! Caleb's going to die!

Caleb Maxwell: (Yelling) You can't even kill me anyways, dickhead! I'm immortal and invincible! Plus, you lost that chance to kill me back in 1985 when Drake Maxwell did just that!

Roxy Drake: And that's that.

Suddenly, Roxy Drake's blue eyes turned neon blue and she was surrounded by a black and blue, white, golden yellow, and blue energy aura with stars, aura energy, white and blue heavenly flames, Divine Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, hellfire, vampire bats, phoenixes, and angels.

Roxy Drake: And Caleb was right, he should've killed you when you showed your face again after you got turned into an Another by Swartz. (GOLD RINGS OF LIGHT APPEARED AND SURROUNDED HER BLUE EYES) Well, I'm going to do just that and send you straight to Hell for this.

Roxy Drake went after Sergio's massive army of bodybuilder thugs and Trevor Rockwell, and she blasted them with powerful blasts of black and blue, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, Divine Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, hellfire, vampire bats, phoenixes, and angels and she slashed at them with her massive greatsword.

Trevor Rockwell: You bitch! Jack's going to weep over your dead body when we get done with you!

Suddenly, Lincoln appeared and tied Trevor Rockwell up.

Lincoln: Not happening, jerk. And as for the rest of you!

The bodybuilding thugs ripped their tank tops off and ran at Lincoln, but Lincoln charged at them and he really trashed them as he punched and kicked them all over the place, and he was really working up a sweat, and finally, he knocked the massive bodybuilders down.

Then, Lincoln morphed the tips of his tails into Cell's stingers and he stabbed them into the chests of the massive bodybuilder thugs, and one by one, he began absorbing them and he assimilated their massive superhuman upper body and lower body strength, massive muscle mass, virility, and testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and twenty-four sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of the bodybuilders except for their speedos and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla. Sergio saw it through the one-way viewing window Lincoln made, he screeched in anger at us and Nico, Eli, and I gave him double middle fingers and he screeched in rage at us as Lincoln closed the one-way viewing window. Then, he picked up and dragged Trevor Rockwell inside.

Nico: Nice one taking them down, Roxy.

Caleb Maxwell had his twin guns at the ready.

Caleb Maxwell: Sougo and Geiz both said they're not going to let you kill me, and like I said to you, I'm immortal and invincible, and I died once back in 1985 when Drake Maxwell killed me. I should've killed you alongside your parents when I returned to New York in 1997, but that ends here and now, this is where you die, Trevor!

Caleb Maxwell raised his right gun to Trevor Rockwell's head, and...!

BANG!

CALEB MAXWELL BLEW HIS HEAD OFF AND SENT HIS SOUL STRAIGHT TO HELL, AND LINCOLN HAD HIS TENTACLES SPROUT OUT AND THEY DEVOURED TREVOR ROCKWELL'S BODY AND SUCKED UP THE SPILLED BLOOD AND THEY WENT BACK INTO HIM!

Roxy Drake holstered her massive greatsword on her back and powered down, and her new body, clothes, weapons, jewelry, accessories, 28th Century backpack, Third Eye, large gold halo with four large orbiting gold rings on each corner behind her head, large thirty-five black and blue planets orbiting around her legs and thirty-five black and blue smaller planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized black and blue planets orbiting around her wrists and ankles, longer red tail, and her massive red angel wings and twenty-four sets of large red angel wings underneath her massive red angel wings are permanent.

Jazz Jackson: Nice one, Roxy. You really let that jerk have it!

Jack Howard: You really showed that thug what for, but I'm surprised you didn't kick him hard in the groin.

Roxy Drake: Nah, he wasn't worth it.

Carla Claw: Still, you should've done so, don't you have steel plates in your boots?

Caleb Maxwell: She does, but so far, no one wants to get close to her, not as long as Jack's with her at all times, and with his recent transformation when we went to Chikyu, I doubt any idiot would ever want to try and get close to her.

Carla Claw: And Panther almost got his ass shot by her last time not knowing she's my twin sister.

Then, Allie Maxwell got out a videotape.

Allie Maxwell: Okay, guys, now this videotape I have here, this is Mom's encounter with Claw Dane Drake and how her encounter with him led to old high school memories coming back to her. It was the day after Caleb returned from the dead and went with Cage's dad to West Virginia and I was with Mom on a walk and when we were at Uncle Christiano's restaurant, Mom soon met Claw Dane Drake once again and that led to old high school memories coming back to her. Soon enough, I would get to work and piece together the encounters Caleb had with The Big Claw Gang in the past before he died with Mom's memories of Bad Boy Dane Drake back when she was in high school.

Eli: Wait, you remembered your brother's encounters with them?

But, you were only ten at the time.

Marlene Maxwell: Allie was a smart girl when she was ten, and even Caleb couldn't hide it especially around her. Of course, I knew Caleb ran away from them in the past along with Cage and Travis, but he also feared if I thought he was involved with them, he'd suffer the same fate as his ex-younger brother, Drake Maxwell: I'd disown him and kick him out of the house as well leaving him all alone to fend for himself and I'd wish that he would just die already and that he's no longer my son.

Lincoln: He knew the love you gave him was true, but his mind was riddled with fear, anxiety, despair, and depression, and just one wrong move, and he'd have an absolute breakdown.

Allie Maxwell put the videotape in and it played on the big screen and showed New York in the daytime, and last night, Caleb had returned from the dead and he left for West Virginia. Allie Maxwell was with her mom and they went to Christiano Maxwell's restaurant.

Past Allie Maxwell: It sure is nice to have some breakfast here at Uncle Christiano's restaurant, Mom.

Past Marlene Maxwell: It is. And is everything going well in school, Allie?

Past Allie Maxwell: Of course, soon, I'll be registering for my SATs and the test to get into NYU. This is the college I want to get into. This is...also what I want: I intend to get into law enforcement and I intend to bring down Dad for good, and if Drake shows up, he's going down too and I'll be there when they give him the needle. It's the least he deserves for killing Caleb eight years ago.

Marlene Maxwell knew Allie still hated her ex-second older brother for killing her older brother and to this day, she still does.

Past Marlene Maxwell: (Thinking) Allie, you still have bitterness and anger in your heart because of what Drake did to Caleb, but this won't bring Caleb back, nothing will.

But, what she didn't know was that Caleb did return last night, but it'll take two years until they would reunite again.

Suddenly, the front doors opened, and Allie and Marlene saw someone come inside, it was Claw Dane Drake, leader of The Big Claw Gang. But, when Marlene saw the fur colors of crimson red and white, old memories of him came back.

Past Marlene Maxwell: Oh God!

Past Allie Maxwell: Mom, what's wrong?

Past Marlene Maxwell: I never thought I'd have to see him again.

Allie Maxwell saw him.

Past Allie Maxwell: (GASPS) Th-that's Claw Dane Drake, the leader of The Big Claw Gang, what is he doing here?! (Remembers something) Wait a minute, that name. Caleb mentioned about The Big Claw Gang many times in the past before his death.

Past Marlene Maxwell: I heard him mention it before. And there's something you should know, Allie, I knew Dane Drake back when I was in high school. Back then, he was known as Bad Boy Dane Drake, the bad boy of LaGuardia High School and he was charismatic, so a lot of people were drawn to him especially the girls. But, I was the only girl who stood up to him and I really wasn't afraid to let my aggressive side out, and I drove him off. Everyone hated me for that, but I didn't care, I upheld the values of good and honesty and that guy on the other hand was a bad boy and troublemaker. After graduation, I hadn't heard from him since then. (Thinking) But, that day eight years ago when Caleb was at the hospital, Dane Drake showed up at my doorstep, and that was proof that he was alive and well. Somehow, my memories of the days in high school came back to me.

Past Allie Maxwell: After we finish breakfast, Mom, I'm going to do some investigating about him and do a connection between what he was like in his high-school days to when Caleb encountered him and The Big Claw Gang.

Past Marlene Maxwell: I've got my old high-school yearbook, that'll help. But, I don't know if any of my old friends can help out, many of them died of old age and/or illness, and your brother's journal can help out as well.

Past Allie Maxwell: Thanks, Mom.

After eating breakfast, Marlene and Allie Maxwell headed home, but this also drew the attention of Claw Dane Drake.

Past Claw Dane Drake: (Thinking) So, Marlene Maxwell has been holding up ever since the day her eldest son was murdered, and that little girl, Allie Maxwell, she looks just like her mother. And now, she's going to do some investigating, I'd better do something about this, she'll no doubt go straight to the cops.

Allie Maxwell came home and her mom gave her the high-school yearbook and found Dane Drake's photo back when he was a teenager, but there was no mistaking him from anywhere. Then, she got Caleb's journal and she found the entry on Claw Dane Drake. Then, she proceeded to head on out to get help from some of her friends, and what she heard was shocking: turns out their parents knew of Claw Dane Drake back in the day and he was everything her mom told her, and they also told her of how Dane Drake founded The Big Claw Gang and Roxanne Drake, Roxy's mom, got killed in a violent domestic abuse that caused the house to burn down. Allie was horrified.

Past Allie Maxwell: (Horrified) My God, and now, everything is connected: Bad Boy Dane Drake from my mom's past had indeed grown up to become known as Claw Dane Drake, the powerful head and leader of The Big Claw Gang, the most powerful crime organization in New York thus removing The Syndicate from power forever after Drake's callous murder of Caleb in 1985 caused their fall. I've got to head back home and fast, he spotted me and Mom at Uncle Christiano's restaurant, and since my older brother, Caleb, is dead and my ex-older brother, Drake, is nothing but scum, I have to do this on my own.

Allie Maxwell ran back home in a horrified panic after her investigation was completed, but then, she felt drawn to the cemetery where her brother rested, but the police tape was still there: according to one of her friends, apparently, her brother's grave was disturbed and security tapes caught the sight: it looked like Caleb Maxwell rising from the dead, but he was in a completely horrified state and he'd left the cemetery. She didn't believe it to be true, but she would soon find out that it was all true two years later. Allie returned home, but she was haunted by what she found out.

Past Allie Maxwell: So, everything Mom told me and Caleb's encounters, this means Bad Boy Dane Drake, The Troublemaker and Bad Boy of LaGuardia High School and Claw Dane Drake, the powerful head and leader of The Big Claw Gang, were both one and the same. Caleb encountered him years ago before he died and Mom and I encountered him eight years after Caleb's death. I've got to stay away from him and his gang.

The video ended.

Me: So, you began an investigation into Claw Dane Drake eight years after your brother died.

Nico: Your mom gave you a good start, but you had to use your brother's journal as well along with finding out the stories from your friends whose parents also encountered him.

Marlene Maxwell: It wasn't an easy task for her especially at 18 to discover the truth about that man and that Caleb saw him for the first time.

Caleb Maxwell: Mom, I knew about your encounters with Dane Drake, but it was back in High School. Plus, Allie, you put yourself in danger trying to discover the truth.

Allie Maxwell: I know, but it had to be done. Finding out about Claw Dane Drake is what drove me to wanting to be a police officer, and I was still haunted by your death: seeing you lying in a coffin and never waking up again, that hit me right in the heart.

Lincoln: That still hurt especially when we saw how you died, Caleb. That was really gruesome.

Eli: For sure, you got shot multiple times and you died from the horrendous extent of the injuries.

Ciel Soleil: (Swooning) Ruby and the others were right about him: what a handsome and manly wolf hunk.

He slowly unlatched his fangs from their traps as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Emerald Coast, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

* * *

Later it was time for Lola, Flare and Kimi's 2nd mission.

Me: Thank goodness we got Rei and team off of that scary planet.

Nico: Yep. Now they are in ZAP SPACY HQ in Japan. That will be easier.

Me: Good.

Nico: Anyone else want to go with Lola, Flare Firestar and Kimi Lao? Besides Cheese, Piper, Andros, and Emu?

Leo Corbett: I'll go.

Molten Man: So will I.

Lincoln: Me and my siblings will go too.

Me: Okay then.

Nico: That it?

We nodded.

Me: Okay lets go.

We were off.

* * *

We arrived at ZAP SPACY HQ.

Me: WHOA! Nice place.

Rei: Hey guys!

Me: Hey Rei!

Lola: Guys, meet Cheese, Piper, Andros, and Emu

Piper: I'm Piper Willowbrook of the Mysticons of Gemina.

Andros: I'm Andros, Leader of the In Space Power Rangers.

Me: You may know them as the Megarangers.

Emu: And I'm Dr. Emu, Leader of the Ex-Aid Kamen Riders.

Nico: The Ex-Aid Riders are who we are using the Gashats from.

Me: Yep.

Leo Corbett: I'm Leo Corbett, Leader of the Lost Galaxy Rangers.

Me: You may know them as the Gingaman.

Molten Man: The Name's Mark Raxton, but everyone calls me Molten Man.

Rei: Whoa! It's a pleasure.

Lola: And these are my siblings.

Lincoln: Pleasure. I'm Lincoln Loud.

Rei: The famous Lincoln Loud! Wow! I've heard so much about you and these must be your siblings Nebula Lanaia, Lori, Leni, Luna, Luan, Lynn Jr., Linka, Liberty, Lee, Lyra, Lucy, Laney, Lana, Lisa and Lily

Lily: That's right!

Eli: Yep and this little guy in my arms is Leo.

Io Mikura: It's a pleasure and wow it's an honor.

Cheese: I like chocolate milk.

Me: And this little guy here is Cheese.

Io Mikura: Pleasure Cheese.

Cheese burped.

He then put on Lipstick

Cheese: I'm a lady. (Kisses Rei) Now we're BROTHER ladies!

Io Mikura: (LAUGHS) He is funny!

Me: Cheese! (LAUGHS) Yeah he is. Cheese has a brain the size of an amoeba. But he does a really good job of driving our enemies bonkers.

Nico: He sure does.

Eli: We get a good laugh out of it.

Me: Yeah.

I sat down and then...

CLANG!

Me: YEOWCH!

I looked and saw a bear trap clamped onto my butt!

Me: What in the!? Who put a bear trap there!?

Lincoln and Lynn got it off.

Rei: Weird things have been going on all morning.

Emu: Oh, the Gashats are from my team

Nico: You already said that Emu.

Emu: Oh I did? Sorry.

Rei: No worries. But it's not just bear traps. Look.

Out of a water faucet came CHOCOLATE PUDDING!

I licked it.

Me: Chocolate Pudding? Why am I getting a sense of deja-vu here?

Luan: I was thinking the same thing.

Me: Anyway lets talk more.

Nico: Where are these coming from?

Rei: No idea.

Eli: Lets find out more later.

Rei: Okay. Lola what can you tell us about yourself?

Lola: Well I am the beauty pageant star and I love being clean and sparkly.

Lana: I'm the opposite of Lola I like being filthy and dirty and I love my animal friends.

Nico: It's true.

Lola: Yeah.

Rei: Wow.

Lola: Yeah we have opposite personalities.

Rei: That is amazing.

Nico: If those are all the pranks so far…

KRASPLAT!

Nico got drenched in GRAVY!

Nico: Huh? Gravy!?

Lincoln: Too bad Ed can't be here. WHOA MAN! I know who is causing this! It's Samson's Akuma, CrazySamson! The Hypothetical Akuma of Samson and he is CRAZY TO THE CORE! HE IS FUNNY AND SILLY AND USES PRANKS ON EVERYONE! He was made because of Lumpus and Edward doing terrible abuse on him and now it's payback time!

WE GASPED!

He showed a sketch of him and he looked like Samson when he was Crazy with a jellyfish on his head and he was REALLY CRAZY!

Me: OH GOOD GRAVY!

Nico: Oh no...

Eli: This is gonna be brutal. And he's over in the park.

Me: Well lets round up a CRAZY BATSHIT Akuma.

Lola: Yep.

Emu: Yep. Lets go.

Rei: Lets go.

Andros: LETS ROCKET!

He transformed and was ready!

Leo: GO! GALACTIC!

He transformed and was ready!

Emu: HENSHIN!

He transformed and was ready.

Emu: I'll finish this without continues.

Me: YEAH!

Lily: Just like how my mentor says!

Rei: Mentor?

Me: Lily looks up to my daughter Nicole as a mentor figure. She's the Goddess of Video Gaming and Lily looks up to her.

Lincoln: It's true.

Nico: Lets roll.

We were off!

We were walking around.

Nico: Where is he?

Me: No idea.

But then...

KRABLANG!

I GOT HIT ON MY HEAD WITH AN ANVIL!

Then...

KRASMASH!

I got smashed with a Grand Piano!

I got up and had piano keys for my teeth.

Me: (Dazed and stupid) Mommy where is the cream filling in my twinkie?

Nico: GEEZ!

Nico and everyone helped me.

I shook my head.

Me: OKAY WHO IS THE WISEASS!?

We heard CRAZY LAUGHTER! We saw CRAZYSAMSON!

Me: There's our Akuma!

Nico: Yo, Samson!

All he did was throw a bowling ball and he ducked and it hit me in my face!

KRABLAM!

Nico: OOH!

Eli: INCOMING!

KRASMASH!

A HUGE HOUSE CRASHED ONTO ME!

Me: Okay I'm really hurt now.

I fell out of the rubble.

Then a tree crashed onto me!

KRASMASH!

I got up.

Then a sandbox crashed onto me and sand piled onto me!

Then there was a rumble and then a STAMPEDE OF RHINOS CAME!

Me: RHINOS!

I got trampled by the rhinos!

Me: HEY WAIT A MINUTE! It's usually hippos not Rhinos!

Emu: That's enough!

Maximum Gashat! Gachan! Level Max!

Emu went Maximum Gamer Level 99.

Nico: Okay Samson that's enough!

CrazySamson: (LAUGHS INSANELY) FATASS!

Nico: WHAT THE FUCK DID YOU CALL ME!?

Nico grabbed him and ended up getting zapped my the jellyfish on his head!

ZZZZZZZAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAPPPPPPP!

Nico: (Sizzling) Ouch.

Piper got out her Gashat.

Piper: These pranks stop now!

Andros: I agree there!

Lincoln and his siblings activated their Gashats. Same with Piper and Andros.

They fired waves of energy and elements and blasted CrazySamson all over.

Emu slashed and blasted him.

But then a massive blast of water hit CrazySamson and he short-circuited and then...

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOMMMM!

He exploded!

Me: WHOA! He exploded!

Luna: That wasn't me dudes!

Emu got out his Gashat. CrazySamson came back together and

Emu blasted him all over.

More water hit CrazySamson and blasted him and he exploded more!

Me: GEEZ! Who is doing that!?

Lily: Look!

We saw a Blastoise!

Me: WHOA! A Blastoise!

Nico: Where did that come from?

Me: Must be one of Dark Gale's work.

Kimi Lao: Mind if I put on my jumpsuit?

Me: Go for it.

She snapped her fingers and was in an orange jumpsuit.

Nico: Lets see who that one is.

I used telepathy and gasped.

Me: WHOA! That's T.K.'s friend Tallya Gekko!

Nico: Whoa! Go help her.

I got up.

BONES CRUNCHING! GRUNTS IN PAIN!

Me: OW OW OW!

Nico: (WINCING AND CRINGING) OUCH! That has to hurt!

I got up and I was better.

Me: OH FUCK THAT HURT!

Nico: No kidding!

I had Sabretooth's healing and Majin Buu's power regenerate me.

Me: Ahh. Nico when we get back home I'm going to take a nap.

Nico: Okay.

Me: At least we know I could've popped back like that from Luan's pranks.

Luan: Yeah.

I went over to the Blastoise.

Me: Tallya! Calm down and lets talk.

All she did was use Hydro Cannon

I ducked and it hit Nico and drenched him.

Me: At least it's just water. Okay then.

I fired waves of energy and blasted her all over.

I snapped my fingers and she reverted back and was a girl with blue hair and blue eyes and had blue angel wings and had Blastoise on her forehead and had a mermaid on the symbol of Neptune on her arm as her cutie mark.

I wrapped her in a blanket.

Me: Whoa!

Tallya: (Groans) What hit me?

Me: You okay Tallya?

Tallya: I think so. What happened?

Me: You were turned into a Blastoise by Dark Gale.

Tallya: (GASP) I remember!

She was in a blue suit and injected and then she turned into BLASTOISE! She flew out of there.

FLASHBACK ENDS

Tallya: It was awful.

Me: I know. But we destroyed Dark Gale. Also we're in the middle of a battle.

I snapped my fingers and she had blue clothes and a water sword.

Tallya: I look awesome!

Me: You sure do.

Kimi concentrated and then...

WHOOSH!

In a vortex of fire she turned into her Pyronite form!

Kimi: Take this!

She fired blasts of fire and burned CrazySamson.

Then a fireball flew in and smashed him down.

It was a girl with orange hair, red eyes and black clothes and wings and a tiara with Heatblast on it.

Me: (GASP) Helen Heatblast!

Nico: WHOA! Heatblast's Embodiment.

Helen Heatblast: (Grunts) Yep. Glad I came.

Me: Same here.

Helen lost control, generates a sphere of fire in her hands and throws it at Molten Man

But I absorbed the fireball.

Molten Man: Okay then.

I fired the antidote ray and injected her.

Molten Man charged and fired fireballs and lava globs and smashed her all over.

Leo fired waves of fire and blasted her.

Leo got out his Gashat and activated it and blasted her.

Tallya: Now for some water.

She fired waves of water and blasted her down.

Kimi fired waves of fire and blasted her down.

The antidote took effect and she had her orange eyes back.

Helen Heatblast: (Groans) What hit me?

Me: Ugly story.

I knocked out CrazySamsonand put him in a cage.

Me: There.

I sent him to the M.O.E.

Tallya: That was crazy!

Me: It sure was.

Nico: Your role in Sonya's team?

Tallya: Hydromancer and water mage. I use water to get rid of our enemies. Outside the team I work in a water park and it's fun.

Nico: Nice.

Me: That is cool. How would you like to work in Neo Phoenix Land's

Waterpark?

Tallya: I would be honored.

Me: Awesome.

We went back home.

We came back.

May: Hey guys! How did it go?

Me: Brutal!

We told everyone what happened.

May: HOLY CRAP!

Maria: That is intense!

Nico: I know.

Lola: Yeah!

Nico: Next time, Firefly, Baron Bedlum, Hummingbird Phantom Hamingard, Kopaka, Tai, and Marcus should come

Qin: Good idea!

Me: Yep.

I went to my room.

Later the mascots came in.

Alice: What do you guys want to show us?

Manaphy: This here.

She pulled out a ray gun.

Manaphy: Sorry mama.

She fired and it hit May and then they saw that MAY WAS NAKED AS A JAYBIRD!

May screamed!

Nico flew back with a nosebleed launch and crashed into the wall!

KRASMASH!

Manaphy: This is our Nudist Ray!

Scott: I'm sorry. What?!

Manaphy: It's our Nudist Ray. It makes anyone naked.

She fired and it hit Stacy and she was naked too!

Roy and Lincoln went flying and crashed into the walls!

SMASH!

Manaphy: Don't worry it's reversable.

She fired again and they had their clothes back on.

Nicole: Wow that is cool! I WOULD KILL YOU GUYS FOR THAT! But you guys made a tool we can use against perverts for the Anti-Pervert Patrol.

Wildrider: You're not gonna kill them?

Nicole: Not the cutest mascots we have. Anybody else yes. Jiraiya and Brad, ABSOLUTELY!

Qin: That works.

Nico: But it works perfectly!

Smokescreen: You guys did a good job

Manaphy: Thanks.

I came down.

Me: (YAWNS) Man needed that.

Nico: Have a nice nap?

Me: I sure did. Feel much better.

Ravage: Guys, tell J.D. what you made.

Poromon: We made a Nudist Ray Gun.

Me: WHAT THE FUCK!? Whoa that is amazing!

Nicole: It sure is. The mascots made it.

They told me what happened and it was nuts.

Me: WHOA! Thank goodness I was asleep when you tested it.

Nico: No kidding.

Lola: Yeah.

Horsea: Thank goodness I wasn't attacked today!

Maria: Horsea calm down. You are gonna be okay.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before our ultimate final showdown with Venjix, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and twenty-four sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: to our anger, it was our old enemy, Venjix, he's back once again and he still wants revenge on us. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: YOU'VE GOT TO BE FUCKING KIDDING!

Eli: Please, tell me that wasn't who I think we just saw!

Lincoln: Afraid so, Eli.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: to our anger, it was our old enemy, Venjix, he's back once again and he still wants revenge on us.

EVERYONE GASPED!

May: Are you kidding me?!

Scott Truman: I knew he'd come back for more.

Lincoln: That's not all, his Evox form is also back as well.

Devon Daniels: So, we're going to destroy both Venjix and his Evox form once and for all, this time, he's not coming back.

Lincoln: According to coordinates, he's on Corinth, but we got to watch it, he's not going to hold back, but neither are we. It's time we end that monster forever.

Me: My words exactly, Lincoln.

Nico: Same here.

Suddenly, Lincoln also saw the sign of Apophis along with The Sigil of Malphas over the skies of Corinth.

Lincoln: As if things weren't bad enough, Dark Sebastian's back for more, along with Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra.

Selena Mendez: Damn him!

Camie Elextor: Before we do our entrance, we need to cast a spell to destroy the surprises that evil monster your parents created and give him a taste of his own fucking medicine.

Qin: That's good, we'll send those pack of monsters flying back to Transylvania.

Nico: Which'll end with him spewing toxic death threats and explicit words at us. Alright, team, let's get going, it's time for the ultimate final showdown with Venjix.

Lincoln: That monster's time is finally up, this time, we end it once for all, team! This time, we are putting a permanent end your reign of terror once and for all, Venjix!

The previous group came.

Unicorn: Can me, Deadwood, Madame Masque, Radioactive Man, Titanium Man, Trumbipular, Magneto, Kyd Wykkyd, Misty Tredwell and Devack go with you guys?

Nico: Yes you all can come with. We're going to need a lot of help with this one.

Camie: I agree.

Ymir: Yeah

Mixmaster: Boss, which Gene Slammer do you think you'll meet next?

Nico: Evil HERO Toxic Bubble next.

Me: Ooh poisonous!

Nico: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive white angel wings and twenty-four sets of large white angel wings underneath his massive white angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as we sensed a massive dark energy signal with our eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was Zant, and he's come back for revenge. When we saw it, we knew it meant trouble.

Lincoln: Oh man, now we've got some trouble.

Deepak Dalmatian: Oh dear, that wasn't who I think we saw.

Lincoln: Afraid so, Deepak, it's Zant, he's come back from the dead and he wants revenge.

Suno: Then, we'll put an end to him once and for all, Lincoln. Plus, this is the perfect chance to show that evil villain that we've gotten even more powerful than the last time we faced him.

Nico: That's for sure. Alright, team, let's go, this is the last time we ever have to deal with Venjix.

Lincoln: Venjix's time is done, this is where we end him for good, and once we get done with him, you're next, Zant.

Suno: You've lived for too long, this time, we're going to end you for good, Zant.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to Corinth to finally destroy Venjix for good and we'll make sure he never comes back, and once we get done with him, Suno and Lincoln are going to end Zant for good.

We went to the ship and were off to the world of the RPM Rangers.

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 12954.5: The U.S.S. Valorous Phoenix is en route to the desolate world of the RPM Power Rangers. We first met them in 2019 and saw this world firsthand after it was ravaged by Venjix and blew up his factory. Now we're going to make sure that Venjix is gone for good. He has plagued our world for far too long

Dr. K: Venjix was the worst mistake I've ever made. I don't know what the hell I was thinking when I made him had he would turn this evil.

Deadwood: We should call Multiple Man for this.

Me: I was going to say that.

We called him.

Multiple Man came.

Multiple Man: I'm ready.

Ymir: Dr. K you made Venjix?

Dr. K: I sure did.

I went over his history

The Venjix Computer Virus, later known as Evox and Mayor Adam

Daniels, is a major antagonist in the Power Rangers franchise. He is the main antagonist of both Power Rangers RPM and its sequel Power Rangers Beast Morphers.

He was a megalomaniac computer virus/AI that took over the Earth's technology and systems, being the creation and archenemy of both Dr. K and Nate SIlva, as well as the main foe of the RPM and Beast Morphers Rangers.

He was voiced by Andrew Laing who also previously voiced Copyotter in Power Rangers Dino Thunder, Delex in Power Rangers SPD, Oculous in Power Rangers Mystic Force and later voiced The Messenger in Power Rangers Megaforce, Heximas in Power Rangers Dino Super Charge and voiced Lord Zedd in Power Rangers Dino Fury. While possessing Mayor Daniels, he was portrayed by Kevin Copeland.

Originally an experimental computer virus created by Dr. K on an alternate Earth to help her escape from the demented government think-tank known as Alphabet Soup, Venjix managed to gain sentience at some point and interpreted that his programming was to make the world a better place by eradicating humanity. As such, he began demanding to be let out to fulfill his mission, but Dr. K soon realized the threat he posed and refused him every time. Even so, Venjix bidded his time by pretending to obey and began using her lessons on government protocol to plan ahead.

During her escape attempt, Dr. K had to hook him up to an Ethernet port but was prevented from pulling the plug-in time by her Alphabet Soup handlers which allowed Venjix to escape into the internet. He immediately infiltrated the world's Internet system which resulted in him evolving into an all-powerful A.I. and created an army of advanced known as Grinders to take over the world.

Within two years of operation, Venjix and his army exterminated 99% of humanity, but the small city of Corinth (a renamed Boston, Massachusetts) holds out due to a very protective dome and the protection of the RPM Rangers. Dozens of Attack Bots fail, and the addition of two more Rangers only made things worse for Venjix. Infuriated, Venjix eventually downloads himself into a Generation 14 Attack Bot that Shifter designed. He pilots a special green drone and can make new robots of the same model to download himself into. Venjix made a newer and more powerful model, but he wasn't fully downloaded into it because he was in a rush and was defeated. He decided not to use the model again.

Venjix uses a new model later on, using old parts of Shifter who has been destroyed by Scott and activates many Hybrids within Corinth and takes over the control tower before leaving to confront Doctor K whilst the Power Rangers fight his Final Attack Bot. He then destroys the lab and takes the bio-field information, being able to delete Gem and Gemma as well as the PaleoMax and Mach Megazords. Dr. K and a newly restored Tenaya are able to tap a virus into Venjix's main computer and override his ability to delete the Rangers whilst restoring Gem and Gemma. Venjix is physically destroyed with the control tower falling onto and obliterating him.

However, Venjix manages to save himself by transferring his data and consciousness into Scotts Cell Shift Morpher via. his connection to the Morphin Grid which made possible by information pertaining bio-field at the last moments. He subsequently bides his time waiting for the opportunity to return from there on with Dr. K stored away said Morpher along with the rest for the next few years.

Although Venjix doesn't appear in the crossover film, he still plays a role in the plot. He sends Professor Cog to the main universe to find Master Xandred and make a deal with him to poison the water in Corinth with Sanzu River water. However, the plan fails thanks to the combined efforts of the Samurai Rangers and Scott Truman, the red RPM Ranger.

Years after his defeat, Venjix remains dormant within Scott's Cell Shift Morpher as it and the rest of RPM Morphers being transported to the main universe by Grid Battle force to be studied and experimented on in a bid to create its very own Ranger team. Said Morpher is later experimented on by Nate Silva with Morph-X and cobra DNA, awakening the rogue A.I who then sneaks into the systems of Grid Battleforce's lab when the boy isn't looking. The process evolves Venjix into his snake-like virus Evox, giving him his distinct cobra theme, though he has to wait several more years to make his move. The abrupt evolution also sees him leaving a portion of his data behind in said Morpher.

When I was done everyone was shocked.

Ymir: Oh my god.

Me: Yeah.

Dr. K: Venjix wiped out much of Earth.

Qin: And after he was defeated he emerged 10 years later in the Beast Morphers Series.

Devon: As Evox.

Qin: Yeah that still shook us big time.

Sixshot: We could kill him with an Elemenslayer Blade.

Me: Good idea and we can enhance it with this.

I pulled out a glowing Rainbow Engine Cell with an Angel and an Infinity Sword on it.

Me: My Super Omega Angel Engine Cell. This is The most powerful Engine Cell I've made ever. It's powerful enough to destroy Venjix times 100,000,000,000.

Scott Truman: WHOA!

Nico: That is amazing!

Lisa: We have arrived at our destination.

Nico: On screen!

We saw the Apocalyptic world of the RPM Rangers.

Me: We're here.

We landed and As soon as we were floating over the surface, Venjix's Generation 13 Attack Bot body attacked us.

Titanium Man: Is that one of Venjix's first bodies?!

Me: Yep it sure is and I remember this one!

I flew out and slashed him and cleaved him in two and then...

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

HE EXPLODED!

Me: HA! Nice Try Venjix!

Toad Man: That was too easy.

Me: That's just for starters.

Nico: He's bound to have more robots come after us. All hands go to yellow alert and stand by battlestations.

The alarms sounded for it.

We got ready.

We looked around.

Ymir: My god. What the hell happened here?

Me: Venjix that's what. He destroyed this entire world and rended it virtually uninhabitable.

Qin: Yeah he sure did.

Varie: What a horrible nightmare.

Nico: Yeah.

Me: Venjix is like Skynet.

Magneto: All that's left are machines.

Nico: Yep.

Alice: At least we're not fighting zombies like we did on my world.

Me: That's true.

Camie: Yeah.

Alister: We can still look around.

Me: There's pretty much nothing to find Alister. Everything was destroyed.

Nico: He's right. Look there.

We saw HUGE CLIFFS AROUND A HUGE CRATER.

Me: That's where we blew up Venjix's factory back in 2019.

Nico: Left a huge crater.

Lola: Yeah.

Lana: Guys I'm picking up a huge signature coming at us off the port stern!

Nico: On screen.

We saw a HUGE SHIP! It looked like a mixture of the London Mortal Engine and the Voth City Ship!

Me: WHOA! That is a big ship!

Jackie Truman: That's the ship I was on! That's the ship that saved me and everyone that was in Venjix's clutches.

Laney: Sensors are reading 4,235,346,455 human people on board.

Misty Tredwell: Is it one of ours?

Laney: Energy signature shows it is.

Lola: We're being hailed!

Nico: On screen. This is the U.S.S. Valorous Phoenix, Captain Nicolas Chan of Team Loud Phoenix Storm commanding.

On the screen came Scott Truman!

Scott Truman 2: This is the RPM Freedom Ark, and as you can see I am the Akuma of Scott Truman.

Lincoln: WHOA! The Hypothetical Akuma of Scott Truman and he is a HUGE RESCUE ARK! He was made after we blasted Venjix with our superlaser when we first met Scott Truman and his team and he rescued all the survivors of Earth from his clutches and was searching the planet for Corinth. He has a massive arsenal of weapons and more.

Nico: WHOA! So Scott you were turned into a Rescue Ark to find the survivors of this world and bring them to Earth.

Scott Truman 2: That is correct Nico. Please come on aboard, we would like to discuss some things.

Nico: Certainly.

We went on board and we saw that the ship was a HUGE CITY!

Me: WHOA! This is amazing!

A holographic projection of Scott came.

Scott Truman 2: Glad you all could come.

Me: Whoa you're a hologram. That is cool!

Scott Truman 2: It sure is and Jackie I'm glad you found the team.

Jackie Truman: I am too.

Scott Truman: So this whole ship is my akuma? I am really amazed that I became this.

Scott Truman 2: Yes indeed. Also where is Corinth?

Me: It's located on our Earth. We moved it to our world.

Scott Truman 2: I had a feeling it was there. Let me show you all around.

We walked around and saw many of the survivors of the RPM Rangers world and they were all shocked and traumatized by the apocalyptic event that befell them.

Scott Truman 2: This ship was made to help all these people recover from the horrors of Venjix. What Venjix did was horrible.

Me: Yeah no kidding. What he did makes him worse than Master Org.

Camie: Yeah.

Me: Master Org killed two people whereas Venjix ended over billions of people leaving only Corinth alive.

Ymir: That is horrible!

Scott Truman 2: Indeed.

Me: How big is this ship?

Scott Truman 2: It's over 62 miles long and has a capacity of over 25,000,000,000 people.

Me: WHOA! That is incredible!

Xenia: WOW!

Qin: Amazing!

Varie: Yeah!

Notacon: This is big!

Me: It sure is! I'm amazed that you helped everyone here. We still have Venjix to destroy though.

Multiple Man: I guess you're one of the Akumas that isn't going to fight us?

Scott Truman 2: That's right. I will not fight you guys. Just Venjix. But I need your help. I can't get off this planet and I need help.

Me: We'll have you towed by us.

Just then, Venjix's Generation 13 Upgraded Body broke in.

Devack: Multiple Man, I think you might still have your chance!

Multiple Man: Right!

He made 14,000 clones and they destroyed the Generation 13 Upgraded Body with ease!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMM!

He was destroyed!

Nico: YEAH! Those Generation 13 Bodies have failed this world!

Armada Cyclonus: Scott didn't get a chance to attack!

Me: He must be saving all his power and weapons for the main event.

Nico: When we go after Venjix himself.

Armada Cyclonus: Oh. That must be a good reason.

Kyd Wykkyd: Where's Venjix right now?

Eli concentrated.

Eli: He's in the crater of Corinth!

Me: Then that's where we'll go.

Nico: Alright, now to get after Venjix and Evox.

Lincoln: But first. Selena.

Selena Mendez, Camie Elextor, Wendy Sauron, Varie Yulinova, Lorena Cavenstein, Solla Nexcrota, Kira Textington, Gina Thunderton, Xenia Vola Dappra, and Tania Tornadora raised their staves as they chanted an incantation and we then saw the symbol of The Nightflame Sun appear in the sky and a magic circle appeared where Dark Sebastian and those Dark Church of Malphas dickheads are at as it glowed with purple energy as we saw it through a viewing window. Then, we saw the chaos erupt as beams of purple energy and magic were fired from nowhere and they forced out the many armies of demons and monsters hiding and got destroyed in a split second. They saw it, and Venjix and Evox let out a scream of rage!

The viewing window closed as we were laughing hysterically!

Me: Hah! Serves you right, asshole!

Nico: Okay, now we can get after that bastard without any nasty surprises from those pack of snakes.

We then took off, and we got there in time to see Venjix and Evox raging, raving, and screaming and shrieking like a monster and our energy auras flared up extremely as we grew stronger from the toxic hate, but our energy auras really really flared up to the extreme and we all grew even more stronger than ever as we felt the extreme toxic hate of Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra.

Nico: Okay, let's end those artificial intelligence bastards once and for all.

Venjix and Evox: WHEN WE FIND THOSE FOOLS, WE'RE GOING TO DESTROY THEM ALL ALONG WITH THIS ENTIRE PLANET!

Dark Sebastian: WHAT THE HELL! IF ANYONE'S GOING TO DESTROY THOSE FOOLS, IT'S GOING TO BE US!

Alaister Necroshade: CONSIDER OUR ALLIANCE OVER!

Venjix: WHAT?!

Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon

Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra: ARMIES OF THE NETHERWORLD, ATTACK!

We then saw Venjix and Evox fighting against massive armies of zombies, demons, and other evil monsters from Hell that were summoned, and we saw Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra laughing insanely and malevolently at the chaos and madness they've unleashed.

?: TIME TO SHUT YOU PACK OF SNAKES UP!

Suddenly, the spirits of the RPM Rangers appeared out of nowhere and they attacked Venjix and Evox in total fury and that made them extremely pissed off even more and they also attacked the armies of zombies, monsters, and demons summoned by Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra and destroyed them!

Then, the spirits converged and they crashed down and then...

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMM!

A massive explosion erupted as a Thunderbird Screech and Phoenix Cry was heard and we appeared, and this made Venjix and Evox even more pissed off than ever, along with Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra.

Me: You've got some nerve coming back from the dead, Venjix.

Nico: I honestly thought we were finally done with you, after all the trouble you've caused us in the past. But, thanks to Anti-Monitor bringing you back from the dead, that was basically crossing the line!

Lincoln: And speaking of, we're only here for our main target, Venjix and his Evox self, you pack of snakes are a nuisance. But, don't think we forgot about all your nasty schemes against us, along with the horrific bloodbath you tried to cause when you lot tried to kill our main targets, that's our kill, not yours.

Venjix: You will all die for this! Grinders, Venjix Drones, Tronics, attack!

Suddenly, armies of Grinders, Venjix Drones, and Tronics appeared and ran at us, but Lincoln turned the tips of his eleven massive and long brown wolf tails into Cell's stingers that opened up into large suckers, and he brought them down on the armies of Grinders, Venjix Drones, and Tronics, and he sucked them into his body and absorbed them and assimilated their powers, abilities, and weapons.

Suddenly, Lincoln's deep sapphire eyes and the rainbow iris of his eyes turned heavenly golden yellow as we felt a massive and powerful divine force coming from him and heavenly lights shined down as the Angels and Archangels of Heaven appeared.

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) And we've already had it with you, Dark Sebastian. Time to send you all away once more.

Dark Sebastian: (DEMONIC VOICE) SHUT THE FUCK UP, BITCHES! DIE! THIS IS FOR HUMILIATING ME!

DARK SEBASTIAN FIRED A BLACK AND RED ENERGY BLAST

AT US TO KILL US, BUT LINCOLN FIRED A BLAST OF HEAVENLY LIGHT THAT DESTROYED THE BLACK AND RED ENERGY BLAST AND THE BLAST OF HEAVENLY LIGHT HIT DARK SEBASTIAN RIGHT IN THE STOMACH AND SENT HIM FLYING INTO A WALL! HE GOT BACK OUT, BUT THAT PISSED HIM OFF BIG TIME AND HE GOT BURNED BADLY BY THE HEAVENLY LIGHT!

Venjix: Hah, serves you right.

Evox: We may be evil, but you on the other hand, you're just absolutely insane and too monstrous even for us!

Dark Sebastian Mendez: (DEMONIC VOICE) WHAT THE FUCK DID YOU SAY?! BASTARDS!

Venjix and Evox were smug at Dark Sebastian's humiliation. But, their smugness is about to be broken big time as the darkness blackened the skies even more.

Selena Mendez: UH OH, NOW YOU'VE GONE AND DONE IT!

Camie Elextor: HE'S GONNA GO BALLISTIC!

Dark Sebastian Mendez: (Demonic Voice) YOU GODDAMN BASTARDS! HOW DARE YOU SAY THAT TO ME! AND AS IF I'D EVER OBEY THE LIKES OF YOU, YOU'RE NOTHING MORE THAN MY PLAYTHINGS TO USE AND DESTROY!

Venjix: What did you say?! YOU LITTLE...!

Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra went after Venjix and Evox, and they proceed to slash at them many times with demonic black broadswords and they stabbed them in the stomach and legs and arms with daggers!

Venjix and Evox: (SCREAMS IN AGONY)

Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra: DIE! DIE! DIE! DIE! DDDDDIIIIIIIIIIEEEEEEEEE! (LAUGHING INSANELY AND DEMONICALLY!)

DARK SEBASTIAN AND THOSE DARK CHURCH OF MALPHAS AND ORDER OF THE DARK UNIVERSE DICKHEADS WAS STILL MERCILESSLY ATTACKING DEVIMON SLASHING HIM AND STABBING HIM AND THEY WERE STILL LAUGHING DEMONICALLY AND INSANELY! IT WAS BECOMING A FUCKING BLOODBATH!

Gina Thunderton: THAT'S IT, YOU PACK OF SNAKES! LET'S SEND THEM BACK TO TRANSYLVANIA!

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) Understood, Gina.

Lincoln, Selena Mendez, Camie Elextor, Wendy Sauron, Varie Yulinova, Solla Nexcrota, Kira Textington, Gina Thunderton, Xenia Vola Dappra, and Tina Tornadora fired blasts of Divine Darkness which hit Captain Pollution and blasted Dark Sebastian and those Dark Church of Malphas and Order of The Dark Universe dickheads off Venjix and Evox and that really really enraged them, but The Hunters of The Nightflame Sun and Lincoln blasted Dark Sebastian and those Dark Church of Malphas and Order of The Dark Universe dickheads with blasts of Heavenly Light and Divine Darkness and kicked them out and sent them back to Transylvania as they spewed toxic hatred and death threats towards us, but that made us grow stronger still.

Now, all that was left is to take down Venjix and Evox for good.

Nico: Venjix you are going to pay for everything you've done to this planet!

Me: YEAH! This ends now Venjix! And this time we're going to make sure you don't go into hiding for ten years!

Venjix: If you want to Fight me…

Evox: Then fight both of us!

Me: GLADLY! You both are going to pay for everything you've done! You will pay for all your crimes!

A MASSIVE EXPLOSION OF ELEMENTAL FORCES ERUPTED BEHIND US, AND THE FORCES OF THE ELEMENTS TRANSFORMED INTO MYTHICAL BEASTS THAT LET OUT A MASSIVE ROAR, AND THAT PISSED OFF VENJIX TO NO END! NOW, THE BATTLE TO DESTROY VENJIX FOREVER WAS ON!

Lincoln, Scott Truman, Crash Bandicoot, Red Savarin, Von Lycaon, Nico, and I and the rest of us went after Venjix, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, colored energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Venjix and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and two massive angelic and demonic greatswords and he even fired red and blue wolf fire and elemental blasts at her as well and Nico and I also left many more by firing rainbow energy slashes with my gold-plated dragon claws and fired blue wolf fire as well, and Lincoln, Scott Truman, Crash Bandicoot, Red Savarin, Von Lycaon, Nico, and I and the rest of us attacked him super hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Venjix even angrier than ever.

Lincoln fired rainbow, white, golden yellow, and blue energy blasts from his left hand and the smaller planets orbiting around his fingers like rings, and they hit Venjix and his Evox form and he got hit hard. Plus, the blast also hit The Monitor Orb embedded in his forehead and it shattered and not only did we gain a massive power boost, but Venjix clutched his head in pain!

Eli: That'll teach you, bastard.

Peyton: You got that right! It was an absolute shock to all of us including Scott and Devon that Venjix got reborn as Evox! He became the Beast Morphers bad guy back in 2019!

Hubmon: Yeah what a shocker! Oh I'm Peyton's Hubmon.

Dusk Eclipse: Yeah that was shocking!

Princess Luna (G5): It took a while for us to get over the shock.

When all is said and done, what little did you achieve through your actions. You walk the path of a coward always creeping your way through the dark. That's a path that all villains like you have taken, and it's one that'll follow you into death once more. Zant, may you suffer for eternity with not a kindred soul to give you any solace, this is where we end this once and for all!

Lincoln, Suno, Nico, and I went after Zant, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Zant, and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving bleeding scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Suno did the same by firing crimson red, white, golden yellow, and blue energy slashes from her gold-armored dragon claws and her massive greatsword, and Lincoln, Suno, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Zant even more angrier than ever.

Suddenly, Lincoln's massive white angel wings and twenty-four other sets of large white angel wings underneath his massive angel wings spread out even more as a gold intricate halo made of gold light appeared above his head along with three sets of gold chains around the gold light halo and formed into a purifying field that hit Zant, and we found ourselves in Heaven.

Then, Lincoln charged and smashed his rainbow energy infused left fist into Zant's stomach and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind him. Then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword.

Lincoln turned the tips of his tails into Cell's stingers and he stabbed them into Zant's chest and he proceeded to absorb him and he began growing stronger and he assimilated his Dark powers vastly boosted by Ganondorf, Mastery of Twili Magic, Umbrakinesis, Twilikinesis, Necromancy, Excellent strategic acumen, Superhuman strength, Breathing underwater, Incredible agility and contortionism, and Swordsmanship, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and twenty-four sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

We cheered wildly as we holstered our weapons and powered down and Suno's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long crimson red wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, thirty-five large crimson red planets orbiting around her legs, thirty-five smaller crimson red planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized crimson red planets orbiting around her wrists and ankles, and massive crimson red angel wings and twenty-four sets of large crimson red angel wings underneath her massive crimson red angel wings are permanent.

Suno: And this is goodbye and good riddance forever. Thank you for helping me destroy Zant for good, Lincoln. You too, guys.

Lincoln (Smiles Warmly) You're welcome, Suno.

Me and Nico: Our pleasure, Suno.

Suddenly, Suno wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Suno's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Suno sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Nico: Zant made a big mistake coming after us, he had no idea how much more powerful we'd gotten since last time.

Me: And his arrogance led to his downfall in the end. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Suddenly, we saw water rushing towards us and the symbol of Water appear.

Lincoln: The symbol of Water from Magic The Gathering!

Laniya Emperyous: Awesome, and there's only one person whom we're meeting tomorrow for this one: Darya Beverly, Queen of The Elemental Plane of Water and Avatar of The Water and Torrent Elementals of Magic The Gathering.

Claire Nantosuelta: I knew it was her, and you guys are going to love meeting her, Darya Beverly, Queen of The Elemental Plane of Water and Avatar of The Water and Torrent Elementals of Magic The Gathering, is Lincoln's Guardian Angel from the world of Magic the Gathering and she's a powerful master of Water, the torrents, the rivers, seas, bodies of water, and water creatures of myth and legend. She's The Queen of The Elemental Plane of Water and The Avatar of The Water and Torrent Elementals of Magic The Gathering, and she's the 2nd-In-Command of The Queens of The Elemental Planes of Magic the Gathering, six girls who are Avatars of the Water, Air, Earth, Fire, Lightning, Brushfire, Wildfire, Dust, Fusion, Roil, Torrent, Sulfur, Crater, Cinder, Scoria, Firefiend, Wolfbriar, Ivy, Lava, Tempest, and Storm Elementals of Magic The Gathering and deadly forces of elemental power and they are said to be the powerful rulers of The Elemental Planes of Magic the Gathering, and they have fought against the evil vampire Sorin Markov in the past and they fought alongside Nahiri and many heroes against the villains of Magic the Gathering. She came to Royal Woods where she met Lincoln and she even taught him how to use all the powers of Water, the torrents, the rivers, seas, bodies of water, and water creatures of myth and legend, and over time, he gained all the powers of Water, the torrents, the rivers, seas, bodies of water, and water creatures of myth and legend, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle. Lincoln made her an awesome greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Lynn with a vengeance and she vowed to drown her in the largest lake in Michigan.

Nico: Seriously, Lynn?! What the Hell?!

Luna: It was really bad, dude. Lynn crossed a line by trying to hurt Lincoln yet again, and Darya decided to get back at the bitch and drenched her badly.

Me: She had it coming though, I still remember that day, and Varie really told Lynn off.

Poromon: Can we see the...?

Nebula Lanaia: Absolutely not!

Lynn Sr.: Lanaia heard the whole thing when she was visiting, and it was pretty nasty.

Sumner: I also heard it too. (Shudders)

Patti: And I thought I had a foul mouth when I got pissed like that. All our relatives knew about that as well.

Devon: Virus eliminated!

Nico: Venjix and Evox you both has FAILED THIS UNIVERSE!

Merman: Couldn't have said it better myself!

Wiggum: All the lives he's ruined are avenged.

Me: And then some!

Chalmers: And it's also another of Void Queen's goons down.

Pete: Let's celebrate!

King Shark: But what about this planet?

Me: This entire planet is a dead shell of what it was.

Nico: Yeah. We could use it as a banishment point for the worst people.

Me: That works.

Nico: Yep. Great job everyone!

Scott Truman: (To the viewers) Venjix and Evox are both gone forever.

Qin: Yep.

We loaded RPM Freedom Ark into the ship and headed home.

We returned home, and hours later, night fell on the city, and Lincoln was heading to his room.

Lincoln: That was an awesome day, we finally got rid of Venjix for good and we finally got rid of that bastard, Swan, and The Dark Purveyors for good.

Then, just as Lincoln was about to step inside, he caught the scent of fire in the air, and as he opened the door, there on his massive extra-extra-extra large never-ending expanding bed for him and his expanding harem was Claire Nantosuelta dressed only in a crimson red strapless bra and panties with flame designs on them along with the rest of his harem only clad in bras and panties, and when he saw them, he had an atomic red blush on his cheeks and muzzle and his wolf nose gushed out blood.

Claire Nantosuelta: (Rubs Lincoln's massive pecs) I knew that old trick wound up getting you once more. (Seductive Voice) And it got you aroused once more. You ready, you massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and we felt Lincoln gain another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The

Incubi have taken hold of him as he went up to the lust driven hypothetical Akumas.

Amara Roshansa: (Seductive Voice) (Rubs Lincoln's massive pecs) Uh oh, now he's about to get wild.

Suddenly, Lincoln lifted Claire Nantosuelta and brought her to the bed with him joining the rest of his harem and he was on top of Claire Nantosuelta.

Lincoln: (Seductive Voice) (Smirks) You guessed it.

Lincoln used his eleven massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned a deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

Next up is Nick Russell of Mystic Force's Day to shine and we're going after Octomus the Master! It's payback time on him!

See you next time.

REVENGE OF OCTAMUS THE MASTER

Octamus the Master of Mystic Force is back for Revenge!

In the early morning hours of 3:24 AM, Lincoln was asleep along with his harem, and he had a dream, and his dream took him to the east of Gotham Royal York, and as he was flying, he saw the crests of The Gimmick Puppet, Chronomaly, and Dyson Duel Monsters appear, and then, he saw three girls appear from the crests, and they were all too familiar to him. Lincoln woke up, and so did his harem and kids.

Lily the Mermaid: Linky, what is it?

Lincoln: We got some new guests coming in the morning.

Lincoln explained everything.

Caylee Chronomaly: Oh man, I knew it was them: The Embodiments, Gene-Slammers, and Avatars of The Chronomaly, Dyson, and Gimmick Puppet Duel Monsters.

Dana Dyson: We hadn't seen them in years, and everyone's going to be in for a big surprise when they come here tomorrow.

Lincoln: That's for sure.

Lincoln and his harem went back to sleep. Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right. Guys, there's something I need to tell you guys. Last night, my dream took me to the east of the city.

Then, Lincoln went on to explain that as he was flying, he saw the crests of The Gimmick Puppet, Chronomaly, and Dyson Duel Monsters appear, and then, he saw three girls appear from the crests, and they were all too familiar to him.

Me: Whoa.

Nico: The crests of The Gimmick Puppet, Chronomaly, and Dyson Duel Monsters, this has to be a sign, not only are they Guardian Angels of yours, but this also means...!

King Kai: (Telepathically) I'll save you the trouble of saying it, Nico, the crests of The Gimmick Puppet, Chronomaly, and Dyson Duel Monsters appearing not only means that Lincoln's Guardian Angels are returning, this also means Quattro, Trey, and Quinton have returned from The Black Gates.

WE GASPED!

Reginald: I can't believe it.

Rio: We knew they were going to return, and at the hands of Morgana Midnight Sparkle.

Tori: They're not worth killing anymore, but we're still getting payback on them.

Reginald: That's for sure, especially on Quattro, he burned Rio and got me banned from dueling in tournaments.

Eli: That piece of shit's getting his teeth smashed out of his mouth for this.

Suddenly, the crests of The Gimmick Puppet, Chronomaly, and Dyson Duel Monsters appeared, and three girls appeared from the crests: the first girl has short neck-length violet hair, purple eyes, purple angel wings, purple clothes, the Gimmick Puppet crest on her forehead, right arm, and skirt, and a dark sword in hand, the second girl has long green hair, green eyes, green angel wings, green clothes, the Chronomaly crest on her forehead, right arms, and skirt, and a sword in hand, and the third girl has sapphire blue hair, blue eyes, sapphire blue clothes, the Dyson crest on her forehead, right arm, and skirt, and a sword in hand.

Lincoln: (GASPS) Gemini Gimmick, Embodiment, Gene-Slammer, and Avatar of the Gimmick Puppet Monsters, Connie Chronos, Embodiment, Gene-Slammer, and Avatar of the Chronomaly Monsters, and Dahlia Dyson, Embodiment, Gene-Slammer, and Avatar of the Dyson Monsters.

Dana Dyson: I knew it was them, I knew it.

Caylee Chronomaly: Same here.

Me: You all know them?

Lincoln: Indeed we do, J.D.

Vivienne Venusylph: And so do we, the first girl is Gemini Gimmick, Embodiment, Gene-Slammer, and Avatar of the Gimmick Puppet Monsters, she's Lincoln's Guardian Angel from Michigan, and she's a powerful master of darkness and puppets, and she knows how to put on quite an awesome puppet show using her handcrafted puppets and using her powers of darkness to really bring life to her shows. She also taught Lincoln everything that she knows about using the powers of darkness and puppets and he also helped her out with her puppet shows which attracted a lot of attention from everyone, but negative attention from Luan and Mr. Coconuts, and she also knew Lincoln is a True Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle. Lincoln made her a powerful darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and Gemini Gimmick hates all of Lincoln's enemies with a vengeance and she hates Luan the most because Gemini's puppet shows were more amazing and theatrical and she tried more than once to ruin her puppet shows only for Gemini to use her powers of darkness and puppets to drive Luan and Mr. Coconuts away, and Gemini vowed to send that bad comedian to the looney bin and send Mr. Coconuts to a woodworking class.

Luna: Oh, I remembered all the times she and Lincoln drove Luan and Mr. Coconuts away when they tried to ruin her puppet shows, and she called her a bad comedian and swore to send her to the looney bin and send him to a woodworking class.

Babs Bunny: (Spin changes into a gangster) You're a dirty rat, Mr. Coconuts. You tried to mess with the kid and his Guardian Angel, you know there's a price on your head for that.

Luan: (As Mr. Coconuts) You ain't getting anything out of me, ya mug.

Luan: (Normal Voice) Still, we deserved it, Mr. C.

Caylee Chronomaly: The second girl is Connie Chronos, Embodiment, Gene-Slammer, and Avatar of the Chronomaly Monsters, she's Lincoln's Guardian Angel from Michigan, and she's a powerful master of history and time, and she's also an amazing archaeologist. She also taught Lincoln everything that she knows about using the powers of history and time and she taught him all about history and more, in fact, he even went on one of her archaeological digs once and found some artifacts near Royal Woods dating back to Colonial times, and she also knew Lincoln is a True Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle. Lincoln made her a powerful greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and Connie Chronos also hates Lola with a vengeance because of her deplorable attitude towards Lincoln and everyone around her along with her absolute narcissism and she vowed to turn that narcissistic spoiled brat into an ugly old troll with a nasty rotten temper like Scoots and send her to the looney bin.

Me: I still remember that all too well. Lola's narcissistic personality and deplorable behavior made her a narcissist and depraved fiend.

Caylee Chronomaly: And she swore to turn her into an ugly old troll with a nasty rotten temper like Scoots and send her to the looney bin if she tried to hurt her brother one more time.

Dana Dyson: And the third girl is Dahlia Dyson, Embodiment, Gene-Slammer, and Avatar of the Dyson Monsters, she's Lincoln's Guardian Angel from Michigan, and she's a powerful master of the stars, space, planets, and energy, and she's also a very powerful quantum physics scientist. She also taught Lincoln everything that she knows about using the powers of the stars, space, planets, energy, and quantum physics, and even to suck out the intelligence and brains of the most intelligent evil mad scientists, and she also taught him all kinds of science fields and more, and this one time, he even solved a difficult quantum physics equation that even the most intelligent science prodigies have had trouble with in the past, but he solved it, and the entire science community were truly amazed and astounded by what he did, and he told them that he owed it all to Dahlia when he was given a Nobel Peace Prize for solving that equation which made Dahlia cry happy tears, and she also knew Lincoln is a True Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle. Lincoln made her a powerful greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and Dahlia Dyson also hates Lisa Loud with a vengeance because of her cold-hearted emotionless attitude towards Lincoln and everyone around her along with treating her own family and friends like test subjects and she vowed to make her dumber than a sack of whale doo doo and send her all the way to a school for idiots.

Nico: Oh man, so you taught Lincoln in everything related to science and quantum physics, that's quite impressive.

Dahlia Dyson: Indeed. Oh, and Lincoln, here's a little surprise for you.

Dahlia Dyson got out a scroll, and as she opened it, the scroll forced out to our shock the Universe 666 versions of Edd, Dexter, Jimmy Neutron, A.J., and all of the intelligent geniuses of Team Loud Evil Storm, but no sign of Universe 666 Lisa.

Me: What the?!

Universe 666 Me: The Universe 666 versions of Edd, Dexter, Jimmy Neutron, A.J., and the intelligent geniuses of Team Loud Evil Storm, but they had swollen heads: a sign of their massive brains, but there was no sign of Universe 666 Lisa.

Dahlia Dyson: Universe 666 Lisa brought them back from The Black Gates, and that little monster had used a Brain Gain Helmet to increase their brainpower, but they double-crossed her and sent her flying away, but before they could go after you guys, I tied them up and put them into a scroll to give to Lincoln, so he can suck out and drain their brains of all their newly excessive brainpower and their newly gained excessive intelligence.

Lincoln: You did an awesome job on that, Dahlia. Now, to deal with you evil supergeniuses once and for all.

Lincoln sprouted out tentacles with proboscis tips from his tips, and then, he plunged them onto the heads of the Universe 666 versions of Edd, Dexter, Jimmy Neutron, A.J., and the now newly ascended supergeniuses of Team Loud Evil Storm, and then Lincoln began sucking out and draining the brains of the Universe 666 versions of Edd, Dexter, Jimmy Neutron, A.J., and the now newly ascended supergeniuses of Team Loud Evil Storm along with sucking out and absorbing their newly excessive brainpower and newly gained excessive intelligence and Lincoln was gaining a massive brainpower and intelligence boost, and at the same time, we saw the brains of the Universe 666 versions of Edd, Dexter, Jimmy Neutron, A.J., and the now newly ascended supergeniuses of Team Loud Evil Storm beginning to shrink and decrease, and they were growing dumber and dumber at the same time.

Then, when Lincoln was done, the brain-draining tentacles retracted and sank back into his body and the Universe 666 versions of Edd, Dexter, Jimmy Neutron, A.J., and the geniuses of Team Loud Evil Storm were now as dumb as whale doo-doo and drooling.

Me: Whoa, your brain-draining power has gotten even stronger.

Lincoln: Yes, and I gained their newly excessive brainpower and newly gained excessive intelligence, now to drain them of their life forces.

Lincoln grabbed the Universe 666 versions of Edd, Dexter, Jimmy Neutron, A.J., and the geniuses of Team Loud Evil Storm one by one, and he began draining them of their life forces and he was getting stronger while they were getting weaker as their skin and bodies started to shrivel and mummify and he sucked out their souls, and when he was done, they were left as mummified corpses that turned to dust and he drained all their souls of energy and he sent them all to The Black Abyss.

Nico: Serves them right. But, now we got Universe 666 Lisa running loose.

Lincoln: We'll face her and Universe 666 Lori, Universe 666 Lynn, Universe 666 Lola, and Universe 666 Luan, and trust me, I've got a lot of nasty words to say to those five.

Suddenly, Lincoln pinned Gemini Gimmick to the floor and he kissed her on the lips, and then, he leaned down and his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and twenty-four sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right

trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Then, he pinned Connie Chronos to the floor and he kissed her on the lips, and then, he leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and twenty-four sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

And finally, he pinned Dahlia Dyson to the floor and he kissed her on the lips, and then, he leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and twenty-four sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Then, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Gemini Gimmick, Connie Chronos, and Dahlia Dyson with colored gems on the gold thunderbolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with three white and gold accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Then, he helped them up.

Gemini Gimmick: Well, that was one way to say welcome back, Lincoln.

Connie Chronos: That's for sure, it's like you became more bolder, confident, and dominant.

Dahlia Dyson: Well, that was all our doing when we helped him out, but he grew into the man we all knew he would become.

Maria: And he's got many girls and women swooning around him and he's already a father of many children.

Carly Cupid: And he always drives away many assholes who try to hurt his harem, family, and friends, and he's driven Dark Sebastian and his minions, The Order of The Dark Universe and The Dark Church of Malphas, away many times ever since he and J.D. freed Sebastian from The Black Ooze of The Eldritch.

Connie Chronos: Those monsters are still running loose? Why didn't you guys kill them yet?

Selena Mendez: Because, it's not time yet. The omen said that on May 5th, we would face them and we swore we're going to end them once and for all, Connie.

Dahlia Dyson: I respect the patience, Selena, but who knows how long it'll be before the dark side of your brother does something so unforgiveable and reprehensible that someone's going to snap and go after him in a blind rage and try to kill them only to get killed themselves.

We had a dark feeling that Dahlia was right: at the rate of us pissing off Dark Sebastian along with his eternally damned and equally deranged minions, it's only a matter of time before he really did something that crosses another line and it'll be so unforgiveable and reprehensible that one of us is going to snap and go after him in a blind rage and try to kill him only to get themselves killed.

Nico: (GULPS)

Irma: Oh man. That was really dark.

Hayley Lair: Be that as it may, we got to watch out, there's no telling what that piece of shit's going to do.

Lincoln: Right, Hayley. Anyways, let's finish up breakfast and get ready to get after Quattro, Trey, and Quinton.

Nico: Right, there's no telling when they're going to strike, so we got to watch it with them and Dark Sebastian.

Nick Russell woke up and saw Mega Mismagius starring at him.

Mega Mismagius: Morning Nick! Time for your big day and time for breakfast!

Nick Russell: Oh better get ready!

ZOOM!

He went and got dressed and went to the tale for breakfast. We were having pancakes and waffles.

We finished our breakfast, and we set out to take down Quattro, Trey, and Quinton and get payback on Quattro for what he did, and we are so going to make those three pay for all of their crimes, and we'll also send Sergio's thugs to The Black Abyss.

But, Dahlia Dyson's warning had us all on high alert: what she said was true, we've been pissing off Dark Sebastian, The Order of The Dark Universe, and The Dark Church of Malphas off greatly and it was only a matter of time before Dark Sebastian finally snaps and does something so horrific and so terrible that he's going to cross another line and piss us off big time, and it's going to warrant us to banish him and his eternally damned and equally deranged minions to Hell until May 5th.

Me: Always love coming to Neo Phoenix Land.

Qin: Me too!

Gira: This is so awesome!

Tara Duncan: I'll say!

Princess Neri: Yeah it sure is cool!

Xenia: I agree there.

Nico: I agree. Blaze Heatnix, I want to thank you, Patience St. Pim, and your teams for coming.

Blaze Heatnix: No problem Nico. This will be aweosme.

Honou: It sure will be awesome. And we get to spend time here for fun.

Shu: You said it!

Me: Yeah!

Nico: Honou, what do you like to do on your free time?

Honou: I like to help my cousin Naruto with many of his tasks. It's fun.

Me: Honou lived in the Hidden Fire Village and they had very close relations with the Leaf.

Fu: He's right on that. The Hidden Fire Village had intense Fire Style power that was as strong as the Wood Style Jutsu of the First Hokage and they had very strong bonds with the Leaf.

Honou: It's true. Also I like to help out in the Academy to keep many of the students in line.

Nico: Good job there.

Me: Yeah.

Honou: It sure is.

Nico: It's honestly a good job to have.

Honou: It sure is.

Shu: I agree. Also I can't wait for Arkayna's day to come.

Me: Me too. Nene is gonna be in for one helluva battle when that day comes.

Kluke: I agree there!

Zola: Especially for everything he did to our world.

Nico: We beat him once. We can do it again

Me: This time we send him to the Black Abyss.

Qin: Yep.

Me: Yep. Man Yesterday was EXPLOSIVE!

Lola: It sure was! Venjix and Evox are both dead, gone and forgotten!

Nico: Venjix was the first to go.

Me: And then Evox.

Qin: Yeah! And wow! Scott's Akuma was an amazing Rescue Ark!

Camie: It sure was!

Ymir: It showed us around and more.

Lola: Yeah!

Nico: He was huge!

Qin: Yeah no kidding!

Laney: But he was cool!

Me: Yep. And we avenged the world Venjix destroyed.

Varie: Good riddance.

Nico: I hope he didn't find a way to cheat death again

Eli: Don't worry, I used the force and scanners and found nothing. All traces of Venjix are gone forever.

Laney: Thank goodness.

Gira: I agree there.

Me: But also it was so awesome seeing Jackie and Dr. K turn into rangers. White is awesome for Dr. K.

Lola: Yeah it sure is! And Jackie looked great as a pink ranger.

Me: And RPM is one of the teams that doesn't have a Pink Ranger. It's awesome!

Nico: It sure is cool.

Me: Yeah! For now lets enjoy the fun. I also set up some funny new dunk tanks.

Nico: Lets go see.

We went and see.

We saw them and saw Dunk Tanks filled with CHEESE SAUCES OF MANY KINDS! And we saw some of our enemies on them. We even saw MANDY!

Me: Well well well nice to see you Mandy! NOT!

Mandy: You losers are in for a world of hurt when I get free!

Me: Oh I doubt that! (Spins Magisword Bracelet)

CUCKOO NUT MAGISWORD!

I fired a Coconut Bird and then...

BONK!

KRASPLORF!

She fell into a vat full of STINKY LIMBURGER NACHO CHEESE SAUCE!

LIGHTHOUSE FOGHORN!

Nico: (LAUGHS) Funny!

Me: I pulled some strings and had Xenia Xaikora send some of the inmates here for dunk tank fun for the week.

Nico: Cool!

She got out of the tank.

Nico licked her!

Nico: (SLURPS) Ahh. Boy you taste great in cheese.

Mandy: EW!

Me: Oh lighten up. Being dunked in cheese is better than being dunked in chum and garbage.

Mandy: True. That we can agree on.

Horsea: My turn.

Me: One sec.

I pressed a button and the tank changed. This time it was full of MARSHMALLOW CREAM SAUCE!

Horsea fired a bubble blast and it dunked her.

KRASPLORF!

SPLAT!

Nico got splattered all over his face.

Nico: (SLURPS) Yummy!

Horsea: How did I do?

Me: You dunked her Horsea!

Horsea: YAY!

Qin: Cool!

Poliwag: My turn!

Me: NIco will love this one.

I changed the tank. Poliwag fired a bubblebeam blast and it hit the target and dunked her!

KRASPLORF!

It dunked her and then the chamber closed and glowed red hot and then a few seconds later out came a HUGE COOKIES AND CREAM CAKE!

Me: It was full of Cookies and Cream Cake batter.

Nico's reaction?

Nico: YUMMY! (GOES CRAZY) COOKIES AND CREAM!

Nico went and ate the whole thing! Leaving Mandy intact.

Nico: (BELCHES IN HER FACE!)

Poromon: My turn!

I changed the tank.

Poromon threw a beer bottle and it smashed and hit the target!

Then...

KRASPLORF!

She dropped into a tank full of chocolate pudding!

Tom The Chocolate Fish: CHOCOLATE!

He went and ate the chocolate.

We had fun.

Manaphy: My turn!

I changed the tank.

Manaphy threw a ball of energy and it hit the target and then...

SPLASH!

She fell into the tank!

Then...

ZZZAAAAAAAAAAAAAAAAAAAAPPPPPPPP!

SHE SCREAMED IN PAIN AS SHE WAS BEING ZAPPED BY JELLYFISH!

Nico: OOOH! OUCH!

Camie: YIKES!

Ymir: That is gonna hurt!

Ed: Zappity Zap Zap!

Lincoln: Okay, guys, we're in for one awesome battle, we're here in Neo Phoenix Land, but just as King Kai told us and based on my dream, it appears Quattro, Quinton, and Trey are back from the dead and they want revenge on us.

Me: Figures those three would be back.

Eli: I absolutely cannot forgive Quattro for burning Rio and getting Reginald banned from dueling in tournaments, that psychotic piece of shit is going to pay for this! And Trey is absolutely insane and bloodthirsty, so he's also getting a beating from us as well, and Quinton, though I sympathize for his loss, this does not excuse his actions, and as such, he must also accept his punishment.

Lincoln: That's true, Eli. Plus, if they try anything, they're going to get hit with my lethal curse: The Curse of Moonscar Island!

WE GASPED!

Nico: (GASPS) Oh shit, you mean the curse that turned Simone, Lena, and Jacques into evil life-force draining soul-sucking Werecats?!

Lincoln: (Snickers) No, it's not the Werecat Curse, Nico, it's a curse I created myself. Here's how the curse plays out: it works when I sing Luna's future, and I fire blasts of darkness from my massive white angel wings and twenty-four sets of large white angel wings underneath my massive white angel wings, and when it hits the target, I then drain them completely dry of their life-force and leave them as mummified corpses doomed to rise again from the dead as my undead zombie servants.

OUR JAWS DROPPED TO THE FLOOR!

CLANG!

ELI CLOSED OUR JAWS!

Eli: So, if they get out of line, you're gonna turn those three pieces of shit into mummified zombies that'll serve you for eternity?! Yikes!

Lincoln: It's the least they deserve for all the shit they did to Reginald, Rio, Tori, Yuma, and all their friends.

Rio: Save it for someone truly irredeemable, Lincoln. We did agree on not killing them anymore.

Reginald: But, keep it at the ready in case they do go rogue.

Lincoln: Okay.

Suddenly, Lincoln had a premonition as the gold versions of The

Trinity Mirror behind his large gold halo with four large orbiting gold rings behind his head fired beams of light and they formed into a one-way mirror: it appears Sergio has sent some hired thugs to kill us.

Lincoln: Sergio, why you little...!

Nico: Sergio again?

Lincoln: Yes, he's sent his hired thugs after us.

Me: I thought they...!

Sly Cooper: Afraid not, the thugs were completely stupid and they forgot that Sergio was going to backstab them, and they went back to being his hired thugs.

Nico: Unbelievable, well, we'll run into Sergio's thugs along with another of your cousins, Sly.

Ed Cowart: Right.

Lori: That bird is literally getting on our nerves.

Ronnie Anne: Now, you know what Bobby and the rest of us had to deal with from Sergio.

Lincoln: Let's get going.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings and the gold version of the Trinity Mirror behind his large gold halo fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were

bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: This is it.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln turned the tips of his eleven massive and long brown wolf tails into Cell's stingers and they went through the portals and they came out of the portals and stabbed them into the massive pecs, necks, arms, and legs of Hawk and Hank. Then, Lincoln began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank was being absorbed into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and twenty-four sets of large white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team as our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings and other sets of large angel wings underneath our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln was done and the stingers retract themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into the portals as they closed and they changed back, we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and

massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa, that Min's Egyptian Virility Drain Curse Lincoln put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever!

Lincoln: I knew increasing the strength and potency of my Min's Egyptian Virility Drain Curse on those two was a good idea. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for Quattro, Trey, and Quinton) AHA! THERE YOU ARE, YOU DESTRUCTIVE VARMINTS! I just spotted Quattro, Trey, and Quinton, they're 20 yards away, but they're coming at us fast. (Sensed Dark Sebastian and his minions) Oh shoot! I also spotted Dark Sebastian and his minions, they're also coming after us!

Nico: Let's get a move-on and fast! I don't want to wait for that demonic freakshow to show up.

We took off into the air to take down Quattro, Trey, and Quinton and send them to The M.O.E. and send Sergio's thugs to The Black Abyss and send those demonic freakshows back to Transylvania.

Kaiba heard a Pokemon cry.

Kaiba: Look guys.

We saw a Dratini.

Me: Whoa a Dratini.

Nico: Cute!

Dratini: Yeah I sure am.

Kaiba gave it food.

Kaiba: There you go.

Dratini ate the food.

Dratini: Thanks. Can I come with?

Kaiba: You can come with.

Dratini: All right!

Nico: Great!

But then we heard snoring.

Me: Huh? Who is sleeping?

No one answered.

Camie: Look there.

We saw a big green figure and we went over and saw that it was a Snorlax!

Me: Whoa it's a Snorlax!

Nico: What's that doing here?

Me: Sleeping. Obviously.

SNORING

Qin: Hey wakey wakey.

The Snorlax was really sleeping.

Doc: Let me see here.

The Seven Dwarves used telepathy and gasped!

Happy: Hey it's Mira Sleepus!

Bashful: Oh gawrsh!

Sneezy: She is our friend that helps in... in... in... AHHH CHOOOOO!

He sneezed intensely and went flying back and crashed into a trash can!

Sneezy: She helps us in the mine we work at.

Sleepy: (Yawns) She does and is as tired as me.

Nico: You okay, Sneezy?

Sneezy: I'm okay.

Grumpy: But we got to revert her back.

Me: She obviously just sleeps.

Xenia: Yeah.

Happy: (LAUGHS) Yeah she does.

Me: Well if it were a wild Snorlax like that it would squish us flat under its massive 1,000 pound girth.

She got up and was about to sit on Horsea.

But then she went back to sleep.

Me: Heavy sleeper.

Horsea: Yeah.

I snapped my fingers and she reverted back and had green hair and green eyes and green wings and had snorlax on her forehead and a bed and z's on her arm as a cutie mark.

I wrapped her in a blanket and the Fashion Brigade gave her pajamas and a nightcap.

Nico: She sure is tired.

Doc: Yeah she can't help it. She has narco... what was it?

Me: Narcolepsy?

Doc: That's it. She gets sleepy all the time.

Me: Hmm.

I went and saw what happened to her.

She was sleeping here in Neo Phoenix Land and was injected by a shadow figure and turned into Snorlax.

FLASHBACK ENDS

Doc: She's not part of Sonya's team unfortunately.

Me: Well she was sleeping the entire time she was slammed here.

She managed to wake up to see Horsea's stern gaze

Mira Sleepus: (Drowsy and tired) Oh hey cute Horsea. (Goes back to sleep)

Horsea: Hey you almost sat on me!

Mira Sleepus: (Mumbling in sleep)

Horsea: (sighs) Can you at least tell me what you do in your free time?!

Doc: She just likes to sleep and only wakes up to eat.

Warren Loud: She is as sleepy as my sister Beth.

Camie: Wow no kidding.

Horsea: Boy no kidding.

Nico: Remind me to wake her up when it's combo time

Doc: Will do.

We were flying in the air, and we saw our targets: Quattro, Trey, and Quinton, and they were causing a lot of chaos.

Me: There they are!

Lincoln: Time to end their chaos for good! RAINBOW REFRACTION BLAST!

A rainbow energy ring formed around Lincoln's left hand and he fired a powerful rainbow energy blast that hit Quattro, Trey, and Quinton, and they got hit hard, and they got pissed off at us as we landed.

Me: Hello, assholes! Long time, no punch!

Nico: You've got a lot of nerve coming back from the dead, you three! But, you three are lucky, we're not going to kill you, you three aren't worth that anymore.

Suddenly, Caleb Maxwell grabbed Quattro by the neck!

Caleb Maxwell: However, by the time I get done with you, you three are going to wish you remained in The Black Gates, or even worse, in Hell.

Then, Quattro spat in Caleb Maxwell's face and we gasped in horror and Quattro had a nasty look on his face along with a shit-eating grin!

THAT WAS A BIG FUCKING MISTAKE, ASSHOLE!

Jazz Jackson: Now, you've gone and done it, stupid!

Suddenly, Caleb Maxwell opened his eyes, but the sclera of his eyes were black and his crimson red eyes became brighter. Then, he raised his left hand into the air, and...!

SLASH! SQUELCH! SCREAMS OF AGONY!

CALEB MAXWELL SLASHED QUATTRO RIGHT ON THE CHEST WITH HIS LEFT HAND AND LEFT FIVE CLAW MARKS ON

QUATTRO'S CHEST AND HE DREW BLOOD!

Cage Blunt: Seriously?! You spat in Caleb's face?! You really are a piece of shit!

Travis Tackett: Last time this happened, Caleb blew an old enemy of Hunter's brains out of his skull along with an old enemy of J.D.'s.

Trey: DIE! DIE!

TREY WENT AFTER CALEB ONLY FOR CALEB TO COUNTER BY DODGING AN INCOMING ATTACK AND!

SLASH! SQUELCH! SCREAMS OF AGONY!

AND HE SLASHED TREY RIGHT ON THE CHEST WITH HIS LEFT HAND AND LEFT FIVE CLAW MARKS ON TREY'S CHEST AND HE DREW EVEN BLOOD!

Travis Tackett: What the heck?! Must you always make things go from bad to worse by provoking Caleb like that?!

Nico: Okay, you know what, we should kick both of your asses so hard, you won't be sitting down for the rest of your lives!

Nico: Hello Quattro. Long time no see.

Quattro: I hope I made you gag!

Nico: Eating you was a mistake! You tasted like rotten pancakes stewed in chum!

YUCK!

Ymir: What did he mean by that?

Me: Nico ate his heart.

Quattro revealed a huge scar on his chest and that was where Nico ripped his heart out and ate it!

Me: Made me hurl my guts out seeing Nico do that.

Ymir: YUCK!

Qin: Gross! I remember that!

Camie: YUCK!

Eli: I remember that. That was disgusting.

Dratini charged at them and blasted them with a Hyper Beam Blast.

Jessie Knudson: Trey I really must compliment you on your Chronamaly cards. They are cards that are based on artifacts of Pre-Colombian History and I am familiar with all those. As a history master myself I find that to be very awesome.

Trey: They are fascinating.

Lisa Loud: And Quinton your Dyson Sphere cards are amazing too. They are very well respected in the fields of Quantum Physics and theoretical science.

Quinton: They sure are and I'm glad you think so.

Me: And Quattro those Gimmick Puppet Cards give me the creeps.

Lincoln: That's for sure, spitting in Caleb's eye was enough to piss him off, but also trying to attack a now completely provoked Caleb, that crossed the final line. Hope you three said your final prayers.

Lincoln: Alright, let's do this. (Sensed Sergio's thugs) And it appears we have some uninvited guests.

Suddenly, Lincoln fired massive waves of light from his massive white angel wings and twenty-four sets of large white angel wings underneath his massive white angel wings and forced out Sergio's hired thugs and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,
large and muscular men also came out, these guys are bodybuilders, and they're also hired thugs of Sergio, and the thugs were screaming because they got blinded, and Lincoln made a one-way viewing window for Sergio to see.

Nico: Whoa, what the?!

Selene Arcangela: Lincoln exposed them in the blink of an eye with that attack, incredible.

Kali Timestream: Just like when Our Lord takes control, that attack happens before you can blink your eyes.

Sergio Thug: Damn it! The boss isn't going to like this!

Lincoln: I wouldn't worry, you won't be able to report back to your boss. Nor will the rest of your friends for you will not live much longer.

But then...

WHOOSH!

A figure swooped in and swiped all their loot!

Sergio Thug: WHAT THE!? OUR LOOT!

?: You mean my loot varmints!

We saw the next member of the International Clan of the Coopers!

Lincoln: Arizona Jane Cooper! Wow!

Arizona Jane Cooper: Been a long time Lincoln!

Me: Care to introduce us?

Anna Anyanova: Sure. This is Arizona Jane Cooper, The Sandstorm Phantom of Tuscon of The International Clan of The Coopers, she's Lincoln's Guardian Angel from Arizona and a masterful sushi chef and an amazing gunslinger and master of the earth, rock, deserts and wind. She is a deadly force of the desert and one of the descendants and cousins of The Coopers and she's also a thief too and she's the cousin of Sly Cooper from Arizona and she helped him on lots of dangerous jobs. She's known as The Sandstorm Phantom of Tuscon and she is called that because she is one with the sands of the deserts of Arizona and swoops in with powerful deserts and steals from her enemies while they are immobilized from the dust and takes their valuables when they don't know it. She goes after crooked lawmen and more. She's the member of a new group of Lincoln's Guardian Angels called The International Clan of The Coopers, a group of notorious thieves from all over the world and they're also the descendants and cousins of the Coopers, meaning they are thieves too, and like Sly and his family, they steal from Criminals, and they've also stolen from Lincoln's Enemies too. They're the most notorious thieves in the world and are equal and skilled and more powerful than the Coopers. They did NUMEROUS Dangerous jobs all over the world and have done it all and stole from DANGEROUS ENEMIES and organizations EVERYWHERE! They also stole from many of Lincoln's enemies and made them dirt poor and even made Flip Dirt Poor. Like Sly said, there's no honor, no challenge and no fun stealing from ordinary people. Arizona Jane came to Royal Woods where she met Lincoln and she taught him a lot in mastering the powers of the earth, rock, deserts, and wind, and their powers as well, and she was also reunited with Sly, his gang, and his entire family after they became officially part of the team. Lincoln made her an awesome light greatsword, and to show thanks, she kissed Lincoln on the lips, and as a result, when Lincoln comes of age, he'll marry her and the rest of The International Clan of The Coopers thus tying Lincoln and his family to Sly Cooper and The Cooper Clan and The Cooper Clan will also become members of The Loud Family through marriage, and Arizona Jane Cooper hates Lincoln's enemies with a vengeance and vowed to steal from all of them and make them dirt poor.

Me: WHOA! Pleasure to meet you.

Arizona Jane Cooper: Pleasure too J.D. pardner.

Lincoln turned the tips of his tails into Cell's stingers and he stabbed them into the chests of the thugs and he proceeded to absorb them and he grew stronger and assimilated their massive muscle mass, massive physical strength, virility, and testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and twenty-four sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Then, he did the same to the remaining thugs hiding out as he stabbed them into the chests of the thugs and he proceeded to absorb them and he grew stronger and assimilated their massive physical strength, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and twenty-four sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back,

nothing was left of the thugs except for their clothes and he drained their souls of energy and sent them to The Black Abyss forever.

Sergio Bodybuilder Thug: You're gonna pay for what you did absorbing our friends!

Lincoln: Your friends deserved it for obeying the orders of that stupid rat with wings, and now, it's your turn.

The bodybuilding thugs ripped their tank tops off and ran at Lincoln, but Lincoln charged at them and he really trashed them as he punched and kicked them all over the place, and he was really working up a sweat, and finally, he knocked the massive bodybuilders down.

Then, Lincoln morphed the tips of his tails into Cell's stingers and he stabbed them into the chests of the massive bodybuilder thugs, and one by one, he began absorbing them and he assimilated their massive superhuman upper body and lower body strength, massive muscle mass, virility, and testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of the bodybuilders except for their speedos and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla. Sergio saw it through the one-way viewing window Lincoln made, he screeched in anger at us.

Sergio: NO! NO! (GROWLS) This ain't over, losers!

Even though it was a one-way viewing window Lincoln made, we saw Sergio mouth the words, "This ain't over, losers!" Then, Nico and I gave that stupid bird both middle fingers and made all kinds of faces at him, and it really pissed Sergio off big time as the window closed.

Eli: Yeah, up yours, you walking feather duster!

Me: You deserved it, you stupid party animal.

Nico: (Smirks) And it's about to get a lot worse for you, Sergio.

Then, Lincoln's gold version of The Trinity Mirror and his large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a one-way viewing window for us, and Lincoln snapped his fingers, and as soon as he did, orbs of rainbow energy with elements appeared surrounding Sergio, and then...!

LINCOLN SENT THE ORBS AT SERGIO, AND THEY EXPLODED WITH INCREDIBLE POWER AS THEY HIT THAT STUPID BIRD, AND WHEN IT WAS DONE, SERGIO WAS AN ABSOLUTE WRECK AND HE GOT HURT BAD!

Sergio: (Groans) Ouch!

We were on our butts laughing like hyenas!

Me and Nico: (LAUGHING HYSTERICALLY) THIS IS WAY MORE HILARIOUS THAN WHEN YOU STUFFED HIS BIG FAT BEAK WITH HOT PEPPERS AND HOT SAUCE! OH MAN, YOU'RE GONNA MAKE US BUST A GUT!

Maria Garcia: (Spanish Accent) Serves you right, you stupid bird!

Lincoln, Red Savarin, Robin Hood, Skippy the Bush Kangaroo, Von Lycaon, Sly Cooper, and Rayman went after Quattro, Trey, and Quinton, and they fired extremely powerful blasts of rainbow, green, purple and red, red and yellow, blue, red, white and black, white, golden yellow, and blue energy, elemental forces, mythological animals, and mythical beasts, and they exploded with incredible power as they hit them, and they slashed and punched at them with their massive greatswords and gauntlets and greaves leaving scars on them.

Suddenly, we heard the sound of roars in the distance, and we saw an army of werewolves heading right for us!

Caleb Maxwell: Oh shit! Werewolves!

(Sensed a dark energy signal) Oh shit! Mr. Lair, watch out, Dark Sebastian's here along with his minions!

Suddenly, Tom Lair and the officers of The GRYPD were ambushed out of nowhere by Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra, and they murdered the officers and they proceed to slash at Tom Lair many times with demonic black broadswords and they stabbed him in the stomach and arms with daggers!

Tom Lair: (SCREAMS IN AGONY)

Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra: DIE! DIE! DIE! DIE! DDDDDIIIIIIIIIEEEEEEEEE! (LAUGHING INSANELY AND DEMONICALLY!)

DARK SEBASTIAN AND THOSE DARK CHURCH OF MALPHAS AND ORDER OF THE DARK UNIVERSE DICKHEADS WAS STILL MERCILESSLY ATTACKING TOM LAIR SLASHING HIM AND STABBING HIM AND THEY WERE STILL LAUGHING DEMONICALLY AND INSANELY AND THEY WERE COVERED IN HIS BLOOD! IT WAS BECOMING A FUCKING BLOODBATH!

Hayley Lair, Irma, and Mira Lair: GET THE HECK OFF OUR DAD, YOU PSYCHOS!

Hayley Lair, Irma, and Mira Lair fired blasts of holy water that blasted and hit Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra and forced them off, and Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra screamed in pain as steam came off of them as the holy water burned them like acid.

But, when the holy water blasts hit Dark Sebastian, he screamed in demonic anger and pain, and we saw his form suddenly destabilize as we saw the right side of his face suddenly transform into a black ooze with a demonic red eye and masses of demonic red eyes, but he managed to morph the right side of his face back to normal and he growled demonically.

Suddenly, Lincoln's deep sapphire eyes and the rainbow iris of his eyes turned heavenly golden yellow as we felt a massive and powerful divine force coming from him and heavenly lights shined down as the Angels and Archangels of Heaven appeared.

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) Now, you have gone too far this time, you creation of Malphas! Varie, how is Tom's wounds?

Varie: I need to heal them, but he's bleeding out real fast.

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) Let me help you with that.

Lincoln entombed Tom Lair's body inside a ball of glowing water and it also had glowing heavenly light surrounding the ball, and we saw it: Tom Lair's wounds were being healed completely, and when it was done, Lincoln got Tom Lair out of the ball of water and he was 100% healed.

Tom Lair: Wow, this...this truly is a miracle. I would've died from the wounds if not treated, but...!

Varie: Lincoln learned a lot of holy healing techniques and using water as well along with heavenly light, it heals the person's fatal wounds and restores them to 100% full health.

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) Now, to send you two-faced snakes to a place where you can't do anymore harm until we come after you on May 5th.

Lincoln fired many beams of heavenly light and they hit Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra, and they were thrown down to Hell like what'd happened to Lucifer and the Fallen Angels in The War in Heaven.

Nico: My Lord, what did you do?

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) I banished Dark Sebastian, Alaister Necroshade, Aragon

Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra to Hell in the same way St. Michael did to Lucifer and the Fallen Angels in The War in Heaven, and they won't be able to come out until May 5th.

Then, we attacked them with powerful slashes from our massive greatswords leaving scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and we did the same by firing colored, white, golden yellow, and blue energy slashes from our gold-plated claws and greatswords, and Lincoln, Red Savarin, Robin Hood, Rayman, Reginald Kastle, Rio Kastle, Tori Meadows, Caylee Chronomaly, Dana Dyson, Vivienne Venusylph, Shania Shiranui, Sherlock Hound, Skippy the Bush Kangaroo, Von Lycaon, Crash Bandicoot, Sly Cooper, The Cooper Clan, Bentley, Murray, Guru, Penelope, Panda King, Dimitri, Inspector Fox, Nico, and I and all of us attacked them hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Quattro, Trey, and Quinton even angrier than ever.

Suddenly, Lincoln's massive white angel wings and twenty-four other sets of large white angel wings underneath his massive angel wings spread out even more and my massive rainbow angel wings and eleven sets of large rainbow angel wings under my massive rainbow angel wings spread out even more as two gold intricate halos made of gold light appeared above our head along with three sets of gold chains around the gold light halos and formed into a purifying field that hit Quattro, Trey, and Quinton, and we found ourselves in Heaven.

Then, Lincoln, Nico, and I charged out and we smashed our rainbow energy infused left fists into the stomachs of Quattro, Trey, and Quinton, and a cluster of rainbow, white and blue heavenly flames exploded out behind them, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword, Nico formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword, and I formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of my massive greatsword.

Lincoln, Nico, and I attacked them with two powerful energy slashes, and then...!

Lincoln, Nico, and Me: NOW, BEGONE!

Lincoln, Nico, and I did one final powerful energy slash that hit Quattro, Trey, and Quinton hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and Quattro, Trey, and Quinton were on their last legs and they were really really mangled.

Then, Sherlock Hound tied Quattro, Trey, and Quinton up with dark energy chains and Lincoln opened up a portal that led to The M.O.E. and that forced Quattro, Trey, and Quinton into it and once they were in, the portal closed.

We cheered as we holstered our weapons and we powered down, and the new bodies, clothes, weapons, jewelry, Third Eyes, eleven massive and long colored wolf tails, large gold halos with four large orbiting gold rings on each corner behind the heads, thirty-five large colored planets orbiting around the legs, thirty-five smaller colored planets orbiting around the waists, smaller planets orbiting around the fingers, medium sized colored planets orbiting around the wrists and ankles, and massive colored angel wings and twenty-four sets of large colored angel wings underneath the massive colored angel wings of Reginald Kastle, Rio Kastle, Tori Meadows, Caylee Chronomaly, Dana Dyson, Vivienne Venusylph, and Shania Shiranui are permanent.

Nico: I didn't expect Quattro, Trey, and Quinton to return from The Black Gates to get revenge, but at least, they'll be put into forced eternal servitude in The M.O.E.

Me: And they're not worth being killed again, that's for sure.

Sherlock Hound: (British Accent) Yes, that's true. However, the one who's truly worthy of death once again is Don Thousand, I suspect Anti-Monitor brought him back from the dead as well.

WE GASPED!

Luna: Even after the effort we put in to finally get rid of him last year, Anti-Monitor ruined that.

Yuma: If he comes back, he's getting The Black Abyss, and this time, for good. I just hope we don't have to face him in Barian World once again.

FWOMP!

Most of us fainted in shock!

Yuma: What? What did I...?

Sherlock Hound: (British Accent) I believe you have jinxed us by revealing where Don Thousand's at, Yuma. (To Lincoln) I believe we should get the rest of the team up.

Suddenly, we woke up and got back on our feet.

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) No need to, Hound. Plus, King Kai's going to contact us for information on Lincoln's rescue as soon as I take my leave right...now!

Then, God took his leave as Lincoln's heavenly golden yellow eyes changed back to deep sapphire blue and the heavenly golden yellow iris of Lincoln's Third Eye changed back to rainbow colors.

King Kai: (Telepathically) Lincoln, everyone, can you hear me?

Nico: Loud and clear, King Kai, what's the emergency?

King Kai: (Telepathically) We got big trouble in London.

King Kai made a one-way viewing window for us to see into London, but then, we saw it: a massive vampire's castle right in London and the castle's design has inspirations from the medieval castles of England and Romania, but there we also saw the master of the castle: it was Demon Hound.

Sherlock Hound: (British Accent) Well, it appears Demon Hound's been busy.

King Kai: (Telepathically) He's not only filled that castle with Moriarty's thugs who've been turned into his undead minions, but he's also filled every last inch and room of the castle with monsters, demons, and beasts from the darkest depths of Hell.

WE GASPED!

Nicole: Just like Castle Dracula. Oh man, we're in for one brutal battle with him.

King Kai: (Telepathically) Just watch out for him, he may be the most dangerous and most powerful of the hypothetical Akumas you've ever faced.

Lincoln: You can be sure of that, King Kai.

Horsea: Does she sleep through this whole thing?!

Mira was sleeping.

Me: That's a yes.

Nico: Yep.

Dratini: She can't help it.

Nico: Nice job Dratini!

Dratini: Thanks. It was fun.

Poromon: Want some beer?

Dratini: Oh no I can't drink. I get nasty cramps and farts.

Me: Ooh ouch.

Poromon: Oh okay.

Poliwag: (Does Puppy Eyes) Pwetty Pwease?

Nico: Poliwag that's enough.

Manaphy: We're gonna play video games later.

Lily: Cool! Can I play too?

Manaphy: Sure.

Me: As long as it's not the dangerous games.

Manaphy: No it's gonna be a fun one.

Qin: Awesome.

Nico: Oh Blaze Heatnix what do you like to do in your free time?

Blaze Heatnix: Oh I'm a Pyrotechnics Robot. I use fire for shows and awesome events.

Nico: Cool!

Luna: Maybe you can make our music fun dude.

Blaze Heatnix: I would be honored.

Nico: Now for the Anothers.

Lincoln: (Sensed the Anothers) Uh oh, here come the Anothers!

Eli: (Sensed The Anothers) Lincoln's right, I sense them. Whoa, and four of them are The Keyblade Knights of Cnidarus, Tornadus, Noirios, and Yetisequos.

Me: From the Skannerz Planets!, awesome!

Lincoln: And there's also Another Nick Russell.

WE GASPED!

Nick Russell: Another me? Awesome! But, that means...!

Lincoln: There's no mistaking it, Nick, the villain that we're facing on your big day is none other than Octomus the Master.

Me: I knew it. I've also got a score to settle with that ugly freak.

Nico: And I bet he's also still pissed off at you because you fired a Kamehameha down his throat and blew him apart from the inside and killed him.

Me: It's true. I fired a Kamehameha Wave down his throat and killed him by blowing him into a million pieces.

Rainbow Dash: I remember that! That was awesome!

Lincoln: We'll still destroy him either way though, he's going to pay for everything he's done in the past, and with no Dark Sebastian or his minions to cause us any more additional trouble, we can get after him and his forces and end him for good.

Me: You said it, Lincoln.

Nico: So we got Another Patience St. Pim, Kakuzu, Wizard, Destiny HERO Double Dude, Draconis and Cia (Zelda).

Me: Yep and Blaze Heatnix, Honou Moeru, Shu, Jiro, Kluke and Zola are up.

Naruto: Awesome!

Me: And I've always wanted to do this to Kakuzu ever since we battled in 150,000 years.

Nico: What?

Me: You'll see.

Nico: There they are!

We saw Another Kakuzu, Wizard, Destiny HERO Double Dude, Draconis and Cia (Zelda)!

Me: This is gonna be good!

Qin: YEAH!

Another Wizard: (In a girls voice) It sure will!

They merged and split into nine figures and they were the gene-slammers of Elemental HEROS Avian, Burstinatrix, Clayman, Bubbleman, Necroshade, Sparkman, Wildheart, Bladedge and Prisma!

Nico: (GASP) Allie Avian, Bianca Burstinatrix, Callie Clayman, Brenda Bubbleman, Nasreen Necroshade, Selene Sparkman, Winona Wildheart, Beverly Bladedge and Crystal Prisma!

Crystal Prisma: Long time no see Nico!

Nasreen Necroshade: It has been a while.

Me: Wow! The gene-slammers of some of Jaden's Signature monsters.

Jaden: Get your game on girls! This is cool!

Me: YEAH! Wait Nasreen your last name is Necroshade. You aren't part of the Order of the Dark Universe are you? The Necroshade Siblings are part of them.

Nasreen Necroshade: No I am not part of them. I hold no bloodties to those monsters. I know Darkness and Dark Magic but I hold no ties to them.

Me: WHEW! Thank goodness. By the way girls are the Another Patience and Nick friendly or hostile?

Winona Wildheart: Friendly and awesome.

Me: Cool!

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

They glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books and purified them.

Me: YEAH! Now watch this!

I went Super Angel!

Nico: Whoa!

I formed a WIND STYLE: RASENSHURIKEN!

Nico: BRACE YOURSELVES GUYS!

Me: WIND STYLE: RASENSHURIKEN!

I teleported and threw it and it hit Another Kakuzu in the back and then it exploded with intense and incredible power and it hit Another Kakuzu with a massive blizzard of Wind Chakra Swords and destroyed him with intense power! He was really destroyed! He was in a crater and destroyed.

I caught the Wonder Ride Book and purified it.

Me: YEAH! WOW! Just like old times!

Fu: Yeah it was!

Nico: And now, we wait.

Kakuzu: I got a massive sense of déjà-vu out of that. Just like it was back in 150,000 years.

Me: I defeated you the same way Kakuzu.

Nico: Did you really J.D.?

Me: I sure did. The Immortal Duo proved no match against the Knights of The New Fire. I killed Hidan by using Onoki's jutsu on him. Reduced him to nothing more than dust. All that was left of him was his head.

Nico: WHOA!

Qin: Incredible!

Ymir: Yeah! That is cool!

Me: Yep.

Boruto: That is crazy and cool Uncle J.D. Hidan's head is stiill yapping and hasn't shut up since then. We have him in a sound silenced cell in our prison and he still won't shut up.

Me: I total forgot about that kiddo. Hidan is still swearing up a storm.

Nico: Really?

Me: Oh yeah.

I formed a viewing window and it showed Hidan as a severed head still RANTING AND SWEARING A TOXIC STORM IN A SOLITARY CONFINEMENT CELL IN THE BLOOD PRISON!

Me: See?

Nico: HOLY FUCK!

Horsea: Put some soap in his mouth!

Me: Yeah no kidding!

I shut the window.

Kakuzu: Yeah Hidan has always been known to never keep his rotten mouth shut.

Me: Too true.

Nico: Yep. Oh look!

Another Patience St. Pim and Nick Russell came!

Me: There's the Anothers!

Another Patience St. Pim: This will be fun.

She reverted back and split into 4 girls!

Lincoln: (GASP) Cierra Cnidaris, Tallia Vortex, Natallia Noir, and Yvette Yeti!

Cierra Cnidaris: Awesome to see you Linky.

Me: Care to introduce us?

Anna Anyanova: Sure. The green hair girl is Cierra Cnidarus, Keyblade Knight of Cnidarus, she's Lincoln's Guardian Angel and a powerful force of epic power to be reckoned with, not only is she The Keyblade Knight of the distant planet of Cnidarus, but she's also the Gene-Slammer of Siegelus and she's a master of lightning, jellyfish and intense swamp magic. She's one of the first of many Gene-Slammer Keyblade Knights for the monsters of the Skannerz Planets and they are powerful Keybladers and more. They were sent to the planets of the Skannerz Monsters and were imbued with their powers and beyond. Cierra has powers of the swamp and jellyfish and she also has intense knowledge of the legends of the swamps. Me: WHOA MAN! That is brutal!

Qin: Yeah!

Me: Awesome to meet you girls.

Yvette Yeti: Same here.

Qin: Yep.

Yvette Yeti: I have the strongest ice powers ever like Patience St. Pim. But I am not sad like her sorry.

Me: You would not want to be sad like her anyway.

Halinora Hatfield: Yeah it's not fun.

Me: Yeah.

Nico: And your friend?

Another Nick: (In a girls voice) Someone that knows her brother.

Nick Russell: (GASP) That voice!

Leanbow: Is it...

Udonna: It can't be!

She reverted back and was a girl with orange hair and had blue eyes and orange magic clothes and she had a volcano staff in her hand.

Cally Russell: Hey big bro. Hi mom, hi dad. I'm back.

Leanbow: Cally!

They went and hugged her.

Udonna: Cally thank goodness!

Nick Russell: Thank goodness you're okay. Guys this is my sister Cally Russell. She is the Orange Mystic Force Ranger for Volcano.

Me: WHOA! That is so cool!

Vida Rocca: It sure is!

Madison Rocca: It's a darn shame we don't have an Orange ranger for Mystic Force.

Me: That is a shame. I have a feeling we're going to see it in action when we battle Octomus the Master later on today.

Qin: Yeah!

Me: Cally your brother and his friends and your family have been a massive and great help to all of us and the monsters we battled from the Mystic Force Series are awesome!

Carly Atlas: They sure are! And I have Necrolai as my archenemy.

Cally Russell: Wow! That is awesome!

Tommy Himi: It sure is! And the 10 Terrors all gave us an amazing challenge.

Sarah Gunnerson: And your father's dark half Koragg is my archenemy.

Cally Russell: Wow! That is cool! Many of the Mystic Force Rangers monsters are your archenemies.

Me: They sure are.

Kaito: (gets out Boukenger gear) Did Swartz promise you anything?

Zocks: (gets out Magiranger gear) Because we can grant it instead.

They got weapons from said rangers.

Tallia Vortex: No because we used our powers and stopped him long enough for us to run.

Cally Russell: It's true.

Me: Whoa! That is cool.

Sougo (gets out Operation Overdrive Ridewatch): Not evey day we see an orange ranger

Me: I know! Over the last 48+ Years there has only been 13 of them.

Geiz (gets out Mystic Force Ridewatch): Glad you're one of them.

Sougo got OperationOverdriveRedArmor while Geiz got MysticForceRedArmor

Nico: Yeah.

Fern: And I'm one of them too.

Cally Russell: I know. What a ripoff!

Me: My thoughts exactly.

Lincoln: Lets separate you first.

We did so.

Cally: Awesome! Now watch this!

She activated her staff!

Cally: MAGICAL SOURCE! MYSTIC FORCE!

GALWIT MYSTO RANGER!

She transformed in a massive torrent of lava and turned into the ORANGE RANGER!

Cally Russell: EXPLOSIVE HEART OF MAGMA! (ECHOING) ORANGE MYSTIC RANGER!

We were in awe!

Me: COOL!

Qin: AWESOME!

Me: Not every day we get to see this!

Cally: I know.

Nico: (gets out Patience St. Pim's Ridewatch) Chill out!

May: (Gets out Wizard's Ridewatch) Unleash the Magic!

Maria: (Gets out Draconis's Ridewatch) Unleash the Dragon!

Honou: (Gets out Kakuzu's Ridewatch) Your heart is mine!

They used the powers of Patience St. Pim, Kakuzu, Wizard, Destiny HERO Double Dude, Draconis and Cia (Zelda) and blasted the Anothers!

Cally: Watch what I can do! J.D. read a verse from the Eternal Phoenix Book. Watch.

Me: Okay.

I pulled out said book.

Me: (Reads verse) "With Wings of Mighty Intense Fire from the Eternal Phoenix, came a mighty warrior from the Heart of The Earth overflowing with the massive powers of life and she unleashed the ultimate powers of lava and the fire unto her enemies and blasted them with intense fire and the powers of the eternal flame!"

Cally spread WINGS MADE OF INTENSE FIRE AND SHE FLEW AND SLASHED THE ANOTHER OF NICK AND INCINERATED HIM AND I caught the Ridewatch and purified it!

Me: HOLY SHIT!

Qin: WHOA! That was intense!

Me: It sure was!

Then Parallel Woods, Evil Nuova Shenron, Obsession Robin, H2Org, Flower Children and Nergal Jr. Came.

Me: COOL!

Nico: Nice team Parallel Woods!

Parallel Woods: Thanks Nico!

Spike Redrose: My team next.

Me: It sure is. Cally how did you do that?

Cally Russell: My magic over fire, lava and the powers of the volcano is so strong, that I can literally sprout wings made of pure fire as a ranger and when I'm not a ranger. I have intense power over all that and it's incredible.

Me: WHOA!

Udonna: Our daughter has come a long way.

Me: She sure has.

Horsea: Yipee!

Then a MASSIVE VORTEX OF POISON WATER FORMED and out came Evil HERO Toxic Bubble!

Me: WHOA! Evil HERO Toxic Bubble!

Qin: Poisonous!

Evil HERO Toxic Bubble: (In a girls voice) It sure is and I love it!

Nico: Rei Alvin! Wow!

She reverted back and was a girl with blue hair, blue eyes, blue and purple clothes and blue psychedelic angel wings and had Evil HERO Toxic Bubble on her forehead, shirt, skirt and arm and had a poison sword.

Rei Alvin: Awesome to see you Nico. I saw the battle and wow! Cally I got to say you have a lot of talent. You would get along great with the gene-slammer of Evil HERO Dark Gaia tomorrow.

Nico: That's who I was gonna pick next.

Rei Alvin: Neat. I got this. POISON BUBBLE MAELSTROM!

She fired waves of poisonous bubbles and they hit the Another Patience and dissolved her and I caught the ridewatch and it was covered in poisonous slime.

Me: EW!

Rei Alvin: I would really wash that off if I were you. My poison is really nasty stuff and you should never get it in your eyes.

Me: Thanks for the warning.

Maria washed it off.

Nico: Nice job!

Rei Alvin: Thanks. That was cool.

Me: It sure was.

Honou: Do you have any good memories of Nico?

Rei Alvin: I sure do. When me and Nico did a project on my favorite thing on Earth, The Hydrothermal Vents of the Mid Ocean Ridge.

Heidi: That is so cool! The Hydrothermal Vents there are one of the most amazing sights there.

Camie: Cool!

Rei Alvin: Yep. And its been one of my favorite things and subjects in school for as I can remember.

Qin: Yep.

Nico: Cool.

They hugged.

Nico: I've missed you.

Rei Alvin: Same here.

Me: Wow! What a fun time here.

Xenia: You said it!

We went back home

He was created because of Moriarty's crimes and he swore to hunt him down and send him straight down to The Underworld and if any of his men get in the way, he'll have them drained of blood and turned into his undead slaves and minions for eternity, and we're going to take him down and send him to The M.O.E.

But, he's gonna put up a really tough fight, so we're in for one massive battle against a powerful devil-vampire hybrid hypothetical Akuma.

Plus, we also got all of TLPS and The M.O.E. here as well.

Lincoln: Ah, we're here in London, and I know what we're going to do here, not only am I going to rescue the eleven girls here, but we got the news from King Kai about a massive vampire's castle that appeared out of nowhere, but this also means we're in for the biggest battle ever: we're going to fight Demon Hound, the hypothetical Akuma of Sherlock Hound, and we're going to take him down and send him to The M.O.E.

Me: Yep, but he's gonna put up a really tough fight, so we're in for one massive battle against a powerful devil-vampire hybrid hypothetical Akuma.

Nico: And it's a good thing we got all of TLPS and The M.O.E. here for this. King Kai told us the castle is filled with Moriarty's thugs who got turned into undead minions and demons and monsters from the darkest depths of Hell, so we got to go in prepared to destroy them.

We then saw Inspector Lestrade and he and the police are keeping the public back.

Inspector Lestrade: (British Accent) Everyone, stand back! Team Loud Phoenix Storm and The Masters of Evil are coming right now!

Ardyn Izunia: Inspector, what seems to be the problem?

Inspector Lestrade: (British Accent) This castle appeared out of nowhere last night, and there have been inhuman sounds coming from the castle, and everyone is now on edge because of it.

Sherlock Hound: (British Accent) It's no doubt the work of Demon Hound.

Inspector Lestrade: (British Accent) That demonic devil-vampire Akuma of you?! I don't believe it! I sent someone to investigate, but he hasn't come out.

Then, we saw a policeman run out of the castle in horrifying panic.

Policeman: (British Accent) It was awful, Inspector, I saw it: monsters, demons, and vampires are in the castle!

Blaze Heatnix: It's a good thing all of us are here for this.

Lincoln: That's for sure. As King Kai said, the castle's full of vampires, demons, and monsters from all over, and waiting for us in the throne room is Demon Hound. Let's head in there and slay every last vampire, demon, and monster that lurks inside.

Me: Right.

We went inside the castle, and it was really dark and only lit by candles and torches, and then, the gates closed: we knew there was no turning back. We proceeded onwards, and as we went through every corner of the castle, we began slaying every last vampire, demon, werewolf, golem, Incubus, Succubus, harpy, griffon, zombie, and many other supernatural monster in the castle, and Lincoln absorbed their souls and made their powers, strengths, and abilities his own along with us as well.

Suddenly, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long blue hair with blue flower in her hair, blue eyes, massive blue angel wings, the Water symbol tattoo on her right arm and Water symbol on her forehead, blue short-sleeved blouse, blue short-sleeved frilly shirt, white gloves, blue skirt with the Water symbol, blue knee-high high-heeled boots with butterfly buckles, long white long-sleeved trenchcoat with stars, water, ocean waves, phoenixes, and angels on the coattails, and on the back is the symbol of Water from Magic The Gathering, she has a water greatsword in her right hand, and with her are the eleven girls.

Lincoln: (GASPS) Darya Beverly, Queen of The Elemental Plane of Water and Avatar of The Water and Torrent Elementals of Magic The Gathering.

Darya Beverly: That's right, and I got the girls away from Demon Hound, and he's waiting for us in the throne room.

We then arrived at the door that leads to the entrance of the throne room.

Nicole: This is it, now we confront the dark lord and master of the castle himself.

Lincoln: Let's do this.

The front doors leading to the throne room opened and we entered inside, and there waiting for us in the center of the throne room was Demon Hound, the hypothetical Akuma of Sherlock Hound.

Demon Hound: (Demonic Voice)(British Accent) You've made it this far and slain the armies of monsters and demons that inhabit the castle, I'm impressed.

Suddenly, Demon Hound got up from his throne and unsheathed a massive black greatsword.

Demon Hound: (Demonic Voice)(British Accent) But, it matters not, for soon, this castle shall be your grave.

So...!

Suddenly, Sherlock Hound blocked an incoming attack from Demon Hound, and they clashed head on with their greatswords and keeping up with each other.

Me: WHOA!

Nico: Now, this is really getting intense!

Suddenly, Sherlock Hound summoned a blood red version of The Royal Arms and sent them to attack Demon Hound with indiscriminate fury, but Demon Hound swung his massive greatsword and sent them flying away as they disappeared.

Demon Hound: (Demonic Voice)(British Accent) You're good, I'll give you that. Let's see if you can dodge this! DARK INFERNO!

Demon Hound fired black spheres of hellfire at Sherlock Hound and he dodged them. Then, he fired blasts of darkness and hellfire at Demon Hound and really damaged him.

Demon Hound: (Demonic Voice)(British Accent) Enough of this!

Suddenly, Demon Hound levitated off the ground and was surrounded by black and blood red energy and he began changing as he grew bigger and taller and it faded, he was transformed into a really monstrous canine demon with curved horns on his head and he also had demon wings underneath his massive black angel wings.

Eli: Hey!

Nicole: Uh oh, I forgot that if you provoke a vampire that much, they transform into a more powerful and demonic monstrous form.

Demon Hound charged at Sherlock Hound and all of us and he tried to attack us with his sharp claws and he fired blasts of hellfire at us, but we dodged them as well, and we attacked Demon Hound with all we got until the demon let out another monstrous roar, and it changed back into Demon Hound as the monstrous roars turned into his inhuman screams as he was kneeling on the ground.

Vypra: He's been weakened, now's our chance!

But, then Demon Hound got back up.

Demon Hound: (Demonic Voice)(British Accent) At long last, you've finally done what I've expected from all of you.

Suddenly, we felt the air grow colder and the place turned even darker as a black and blood red aura of energy formed around Demon Hound, but we knew what that was as we remembered our fight against Toguro years ago.

Nico: (GASPS) Oh no...!

Me: Oh man, this is just like our fight against Toguro years ago during the tournament in The Demon World when we first met Yusuke and the others.

Yusuke: I was about to say.

Then, we felt it: Demon Hound's power was beginning to rise even more, we just unleashed the true devil-vampire and this is where things are going to get really messy.

Demon Hound: (Demonic Voice)(British Accent) I've waited a long time for this moment. As you can already tell, I've held back on using my true full power because of the damage I can do, but you've proven you live up to your reputations as mighty and fierce warriors. (Smirks) And as such, you all deserve the honor to face me at my true full power.

Me: This is it! Everyone, brace yourselves!

Suddenly, Demon Hound let out a loud scream as the black and blood red energy aura surrounding him flared out even more, and outside, the darkness blackened the skies of London even more. Then, the black and blood red energy aura exploded out even more as they killed more of Moriarty's thugs who got turned into undead slaves, and then, Demon Hound was surrounded by a massive vortex of black and blood red darkness and it looked like it came straight from Hell itself!

Then, the castle changed and we found ourselves in a Netherworld-like version of the castle!

Brittney: Oh man!

Nicole: This always happens when we face the final boss of any game, we're taken to a different area and this is where the final battle begins!

Me: That's for sure. But, this is it, this is where we face Demon Hound in his true full power.

Lincoln: This is where he really lets loose and comes at us with all he's got!

Finally, as the tornado faded, Demon Hound stood there, but he's now wearing a pitch black version of Sparda's clothes that Sherlock Hound has on and the massive black demon wings he has are now underneath a massive set of pitch black angel wings that sprouted out with a wingspan of 66'666'0", and he now unleashed his true full power as he summoned a storm of blood that we dodged and fired waves of blood at us which we also dodged as well. Then, he sent waves of fire at us which we then absorbed, and then, he'd turned into a wolf and tried to maul us, but we dodged it, and then, he sent waves of bats at us, but we dodged them, and he clashed with us with his massive greatsword, but we managed to push him back a bit.

WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a white and golden yellow energy vortex flared up behind him, and he charged at Demon Hound, and he proceeded to brutally smash him hard into the ground with his massive godly superhuman strength, slashed him with his gold-armored dragon claws and his massive greatsword, and fired blasts of white and golden yellow wolf fire, light, golden moonlight, and ice at him, and it was brutal.

WE SAW THE WHOLE THING, AND WE WERE FLINCHING AT THE SHEER BRUTALITY AND VIOLENCE OF LINCOLN'S ASSAULT ON DEMON HOUND! HE WAS REALLY GOING APESHIT ON HIM!

Me: OH MAN! NOW, THAT'S JUST BRUTAL!

Nico: WAY TOO BRUTAL!

Eli: YIKES!

Qin: OH MAN!

SLASH! SLASH! SLASH!

LINCOLN SLASHED DEMON HOUND WITH HIS MASSIVE GREATSWORD AND HE ALSO FIRED SEVEN BLASTS OF HEAVENLY LIGHT THAT HIT HIM AND HE WAS BURNED!

May: OH! AND HE ALSO RESORTED TO THAT!

Roxy Drake, Cuffs Lane, Abby Smith, Vessie Harris, and Jazz Jackson: JEEZ! AW MAN, NOW THAT'S JUST BRUTAL!

Cage Blunt: See what you went and done?

Travis Tackett: You went too far, I don't blame him for going wild on you!

James Blunt: That's only a fraction of what's going to be awaiting you when we take you down.

Then, Lincoln blasted Demon Hound with elemental and energy blasts, and he also slashed at him with his massive greatsword.

Lincoln continued smashing him hard with his extremely massive godly superhuman strength and Demon Hound despite his reflexes didn't have time to fight back due to Lincoln's extremely incredible godly superhuman speed and reflexes overpowering him.

Then, Lincoln and Sherlock Hound blasted Demon Hound and he went crashing back first into the wall of his throne room and he was finally defeated as the room changed back to normal. Then, Sherlock Hound trapped Demon Hound in a trap he made using his own blood and it tied him up with blood ropes, and he was sent to The M.O.E. But, then, we felt the castle rumbling.

Nicole: The castle's falling apart! Demon Hound's defeat is causing the castle to crumble! Let's get out of here!

We got out of the castle and evacuated everyone, and we saw the destruction unfold as the castle fell apart and we saw many souls leaving the castle as we heard their wails. We cheered as we holstered our weapons and powered down and we all went back to The World Tree Estate.

Nico: Oh man, that was a really intense fight!

Me: No fooling, Demon Hound literally put up a brutal fight.

Lincoln: That's for sure, but we did it. Demon Hound's in The M.O.E. and we freed London from his grasp. (To Darya Beverly) And it's so good to see you again, Darya.

Suddenly, Darya Beverly had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Darya Beverly was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Matilda Roo: (Australian Accent) Same here.

Darya Beverly: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Darya Beverly and hugged her, and Darya Beverly is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more massive white angel wings and twenty-four other sets of large sized angel wings underneath his massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, eleven massive and longer brown wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long brown wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Darya Beverly: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 10'0" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and twenty-four sets of large white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and the eleven massive and long brown wolf tails with markings and white rabbit tail on top of the massive and long brown wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new, along with getting He-Man's chest harness (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Darya Beverly, Queen of The Elemental Plane of Water and Avatar of The Water and Torrent Elementals of Magic The Gathering, she's Lincoln's Guardian Angel from the world of Magic the Gathering and she's a powerful master of Water, the torrents, the rivers, seas, bodies of water, and water creatures of myth and legend. She's The Queen of The Elemental Plane of Water and The Avatar of The Water and Torrent Elementals of Magic The Gathering, and she's the 2nd-In-Command of The Queens of The Elemental Planes of Magic the Gathering, six girls who are Avatars of the Water, Air, Earth, Fire, Lightning, Brushfire, Wildfire, Dust, Fusion, Roil, Torrent, Sulfur, Crater, Cinder, Scoria, Firefiend, Wolfbriar, Ivy, Lava, Tempest, and Storm

Elementals of Magic The Gathering and deadly forces of elemental power and they are said to be the powerful rulers of The Elemental Planes of Magic the Gathering, and they have fought against the evil vampire Sorin Markov in the past and they fought alongside Nahiri and many heroes against the villains of Magic the Gathering. She came to Royal Woods where she met Lincoln and she even taught him how to use all the powers of Water, the torrents, the rivers, seas, bodies of water, and water creatures of myth and legend, and over time, he gained all the powers of Water, the torrents, the rivers, seas, bodies of water, and water creatures of myth and legend, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle. Lincoln made her an awesome greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Lynn with a vengeance and she vowed to drown her in the largest lake in Michigan.

Nebula Lanaia: I still remembered what Lynn did, she tried to break Lincoln's head open with a shovel, but Darya fired a blast of water at her and drenched her hard, but that of course led to the stink lines coming off her. I knew she refused to get a bath, so I had to hogtie that animal up and throw her in the tub with running hot water and soap.

Laney: And you had to scrub her down, Lanaia.

Lori: Which literally wasn't an easy task, you know she's a fighter. Just be glad she doesn't bite like Lana and Lola.

Lincoln: And after Lynn was finally scrubbed down and clean as a whistle, we threw all of her dirty and stinky clothes in the washing machine, but the smell was so horrible! (SHUDDERS)

Lori: Even worse than Lana's dirty pile of clothes.

Caleb Maxwell: Ugh, that's even worse than the heap of dirty clothes we had to throw out in Drake's room after we kicked him and Dad out of the house after we discovered the secret of The Syndicate, I was hurling my guts out in the bathroom for over an hour! Who can get that many clothes that dirty and smelly in less than a second?!

Allie Maxwell: Hey, you always came home with your clothes covered in blood whenever you were out slaying Drake's street thugs and the remnants of The Syndicate and I can't count the number of baths you had to take to get the smell of blood off.

Caleb Maxwell: Not helping, Allie!

Travis Tackett: Hey, your sister's right, you always had blood on your clothes after another night of killing Syndicate thugs, Caleb, and you've been doing that long before Cage and I arrived back in New York.

James Blunt: Well, I knew about that and that when the last of your memories returned, you had to leave for New York. You had to do this, otherwise, your nightmares weren't going to end.

Caleb Maxwell: None of my nightmares were going to end that easily, not as long as the one who'd caused my pain was still out there, so I returned to New York where my nightmares began and where they would end for good.

Lincoln: We made sure of that, but there's a chance that those who'd betrayed you in the end will return for revenge, so we got to be ready by then, and now that you're here, Darya.

Lincoln with his massive muscular arms still wrapped around Darya Beverly's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and twenty-four sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Darya Beverly: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Darya Beverly with aqua blue gems on the gold lightning bolts and aqua blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Darya Beverly: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Darya Beverly.

Darya Beverly had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Darya Beverly's waist, and he leaned down to her face and kissed her on the lips, and with Darya Beverly's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Darya Beverly had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Darya Beverly: (In Heaven) My God. Oh, Lincoln, the eleven girls I managed to rescue are...!

Red Savarin and Travis Tackett: Boys, in your rooms now, and no questions asked, or you're in for a serious buttkicking!

We obeyed Red Savarin and Travis Tackett and fled to our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the eleven girls, he had an atomic red blush on his cheeks and muzzle and no nosebleed attack. The eleven girls are Lilysse, Arice, Aluche Anatoria, and Liliana Selphin from Nights of Azure and Bleu, Sara, Katt, Momo, Ursula, Lin, Amelia, and Elise from Breath of Fire.

Lincoln: Oh wow, it's Lilysse, Arice, Aluche Anatoria, and Liliana Selphin from Nights of Azure and Bleu, Sara, Katt, Momo, Ursula, Lin, Amelia, and Elise from Breath of Fire.

Nicole: So, those were the girls that were in London, and they must've been kidnapped by Demon Hound and he was about to drain them dry of their blood and lifeforce.

Lincoln: Then, it's a good thing we really gave that devil-vampire Akuma a kick in the rear before he was sent to The M.O.E. and ended his reign on London. Are you girls okay?

Lilysse: Yes, we're okay thanks to you.

Then, when Lilysse and the other ten girls saw who it was that saved them from Demon Hound, their faces turned atomic red upon seeing the 10'0" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle, long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long rainbow hair and large brown wolf ears with rainbow markings on top of his head and a large gold halo with embedded Elements of Harmony-shaped gems with a ring of hands made of gold with colored gems in its palms around it and around the ring of hands made of gold is a ring of fire made of gold and gold angel wings on the bottom in the center and four large orbiting gold rings with four rings of hands made of gold with colored gems in its palms around them and around the rings of hands made of gold are four rings of fire made of gold and embedded colored gems on each corner behind his head and behind it is a gold version of Trinity Mirror with three rings of spikes made of gold, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest and surrounded by rainbow animals emblazoned on his forehead and Third Eye with rainbow iris, rows of wolf teeth and straight teeth and vampire fangs, Crest of Miracles surrounded by an Angel, Phoenix, Thunderbird, and Buffalo on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a cross arrangement on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Reincarnation of Amaterasu, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Almighty Golden-Hearted Brother of Many Siblings, Almighty Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Loving Nephew of Lance and Sharon Loud, Almighty Loving Cousin of Shane Loud, Shelby Loud, Shiloh Loud, and Dipper and Mabel Pines, True Immortal, God, and Powerful Omnipotent Warrior of The Universe, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin and Many Evil Monsters and Many Evil Villains, Archenemy of Max Dillon Also Known as Electro and Comic Book Guy, True Immortal and God, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The

Lilysse: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made ten clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips underneath his massive white angel wings spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Arice: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, eleven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Lilysse, Arice, Aluche Anatoria, Liliana Selphin, Bleu, Sara, Katt, Momo, Ursula, Lin, Amelia, and Elise with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Alright, guys, come on out.

We then came out.

Maria: That was one dangerous battle we had.

Lincoln: Demon Hound really put up a nasty fight and he wasn't going to go down easily.

Nico: Which is why we really had to give it all we got, and take him down.

Me: That's for sure.

Sherlock Hound: (British Accent) I expected Demon Hound to go on the attack, and he did indeed give us quite a challenge.

Eli: That's for sure, he really gave us all a brutal fight and challenge.

Suddenly, we felt the seal in Hell imprisoning Dark Sebastian and his minions break out, and Lincoln made a heavenly one-way viewing mirror and we saw it: Dark Sebastian and those Dark Church of Malphas and Order of The Dark Universe dickheads had indeed broken out, and it was due to Malphas helping them. The viewing mirror closed.

Nico: I can't believe it, Malphas helped those demons break out of Hell. Now, we got to deal with them yet again!

Me: So, even Hell's demonic princes are helping those bastards.

Lincoln: I cannot allow Malphas to get away with this, he can watch as we destroy his minions and his creation, The Black Ooze of The Eldritch.

Selena Mendez: Heaven's judgement will fall on Malphas and his minions for this!

Camie Elextor: And we'll make sure they die here and now, and Malphas will fall into despair for this!

* * *

After Lincoln and all of us took down Demon Hound and sent him to The M.O.E., we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long brown wolf tails even more stronger than ever as well, and when Darya Beverly saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long brown wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Darya Beverly: My God, I was right that Lincoln's really grown into an 18-year-old 10'0" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work, and really working out with those 900,000,000,000,000,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Darya, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Darya Beverly: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Darya Beverly: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long brown wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Suddenly, the alarm sounded, and when Lincoln checked the computer, he saw who it was that triggered the alarm: it was Mark Davidson, Jacob Parson, Ritchie Sanders, Jamie Davis, Carly Evans, Jackie Tanner, Natalie Richards, and Sarah Edwards, the eight former NYU students and bastards and bitches who decided to betray Caleb years ago when Cage and Travis showed up, it appears they've returned from the dead still seeking revenge on Caleb, and even worse, we saw 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,
large and muscular men also came out, these guys are bodybuilders, and they're also hired thugs of Sergio.

Caleb Maxwell: I can't believe this. I thought I didn't have to see them again after they were killed years ago. That's it, if they want to die once again, then so be it.

Jazz Jackson: So, it seems Lincoln's Dark Side Eternal Purification not only brought you back, but...!

Roxy Drake: It also brought back those eight sacks of lard. Jazz, you better get out there and take care of them before Caleb goes after them with pure malice and hate.

Jazz Jackson flew down and confronted Mark Davidson, Jacob Parson, Ritchie Sanders, Jamie Davis, Carly Evans, Jackie Tanner, Natalie Richards, and Sarah Edwards.

Mark Davidson: Get the hell out of our way, bitch, or you're joining your brother in the grave! Caleb, get out here and face your death like a man!

Caleb Maxwell: (Yelling) Piss off, shithead! You and your four dickhead friends and your bitches can rot in Hell where you all belong!

Jazz Jackson: And that's that.

Suddenly, Jazz Jackson's brown eyes turned neon brown and she was surrounded by a black and blue, white, golden yellow, and blue energy aura with stars, aura energy, white and blue heavenly flames, Divine Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, hellfire, vampire bats, phoenixes, and angels.

Jazz Jackson: And Caleb was right, you guys double-crossed him years ago and he had that mental breakdown years ago. (GOLD RINGS OF LIGHT APPEARED AND SURROUNDED HER BROWN EYES) I thought we wouldn't have to see you eight again after Caleb sent you eight off to Hell, but as always, you jerks refuse to stay dead. Well, I better get you all to Caleb, so he can finish you off permanently.

SUDDENLY, AN EXTREMELY MASSIVE AND INCREDIBLY POWERFUL RAINBOW FIRE EXPLOSION BLASTED OUT OF JAZZ JACKSON WITH INCREDIBLY DEVESTATING AND UNBELIEVABLE FORCE! THE EXPLOSION WAS SO INTENSELY POWERFUL THAT EVERYONE IN 900,000,000,000,000,000 UNIVERSES FELT IT AND THEN, IT FORMED INTO A MASSIVE JET OF RAINBOW FIRE AND IT FLEW OUT OF THE INFINITELY VAST WEB OF GALAXIES AND FORMED INTO A POWERFUL RAINBOW FIRE PHOENIX, RAINBOW FIRE RAINBOW FIRE

ANGEL, AND RAINBOW FIRE VAMPIRE BAT AND THEY CRIED INTENSELY WITH AMAZING POWER, AND THEN, THE RAINBOW RAINBOW FIRE PHOENIX, RAINBOW FIRE RAINBOW FIRE ANGEL, AND RAINBOW FIRE VAMPIRE BAT WENT BACK TO EARTH AND JAZZ JACKSON GAINED AN INTENSELY POWERFUL AND SUPERCHARGED ASTRONOMICAL POWER BOOST!

Suddenly, Jazz Jackson was surrounded by a very massive vortex of black and blue, white, and blue energy with stars, aura energy, white and blue heavenly flames, Divine Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, and hellfire surrounding the vortex, there are vampire bats, phoenixes, and angels surrounding the vortex, and in the vortex is a blue phoenix with blood red eyes glaring at the eight former students who betrayed Caleb: the blood red eyes of eternal death, eternal damnation, and eternal judgement, and we saw heavenly lights shining down on the vortex.

Jazz Jackson went after Sergio's massive army of bodybuilder thugs and Mark Davidson, Jacob Parson, Ritchie Sanders, Jamie Davis, Carly Evans, Jackie Tanner, Natalie Richards, and Sarah Edwards, and she blasted them with powerful blasts of black and blue, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, Divine Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, hellfire, vampire bats, phoenixes, and angels and she slashed at them with her massive greatsword.

Carly Evans: You bitch! Everyone's going to weep over your dead body when we get done with you!

Suddenly, Lincoln appeared and tied Mark Davidson, Jacob Parson, Ritchie Sanders, Jamie Davis, Carly Evans, Jackie Tanner, Natalie Richards, and Sarah Edwards up.

Lincoln: Not happening, jerk. And as for the rest of you!

The bodybuilding thugs ripped their tank tops off and ran at Lincoln, but Lincoln charged at them and he really trashed them as he punched and kicked them all over the place, and he was really working up a sweat, and finally, he knocked the massive bodybuilders down.

Then, Lincoln morphed the tips of his tails into Cell's stingers and he stabbed them into the chests of the massive bodybuilder thugs, and one by one, he began absorbing them and he assimilated their massive superhuman upper body and lower body strength, massive muscle mass, virility, and testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and twenty-four sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of the bodybuilders except for their speedos and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla. Sergio saw it through the one-way viewing window Lincoln made, he screeched in anger at us and Nico, Eli, and I gave him double middle fingers and he screeched in rage at us as Lincoln closed the one-way viewing window. Then, he picked up and dragged Mark Davidson, Jacob Parson, Ritchie Sanders, Jamie Davis, Carly Evans, Jackie Tanner, Natalie Richards, and Sarah Edwards inside.

Nico: Nice one taking them down, Jazz.

Roxy Drake: Hah, those idiots didn't stand a chance.

Caleb Maxwell had his twin guns at the ready.

Caleb Maxwell: For eight years, eight damned years, I've had to live with the memory of what you all did: you betrayed me that day when two vampires showed up. I still carried the mental scars of that day, do you have any damned idea how much your betrayal hurt me deeply?! It hurt so much that I'd wanted to kill myself if I hadn't been saved. And eight years later when I came back, you eight had some nerve showing up again, but to also admit that you murdered one of my cousins long ago in your state of delusional fury, that also made me cross into a more "darker" territory such as I wanted to see the life in your eyes be extinguished and see your blood spilled out right in front of me, I hated you eight for what you did in betraying me and I still hate you eight even now.

Ritchie Sanders: If you hadn't gotten in our way, we would've been famous!

Caleb Maxwell: But, that ends here and now, this is where you die once again. I never want to see your faces here again.

Caleb Maxwell raised his right gun to Trevor Rockwell's head, and...!

CALEB MAXWELL BLEW THEIR HEADS OFF AND SENT THEIR SOULS TO THE BLACK ABYSS, AND LINCOLN HAD HIS TENTACLES SPROUT OUT AND THEY DEVOURED THE BODIES AND SUCKED UP THE SPILLED BLOOD AND THEY WENT BACK INTO HIM!

Jazz Jackson holstered her massive greatsword on her back and powered down, and her new body, clothes, weapons, jewelry, accessories, 28th Century backpack, Third Eye, large gold halo with four large orbiting gold rings on each corner behind her head, large thirty-five black and blue planets orbiting around her legs and thirty-five black and blue smaller planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized black and blue planets orbiting around her wrists and ankles, longer brown tail, and her massive brown angel wings and twenty-four sets of large brown angel wings underneath her massive brown angel wings are permanent.

Captain Whitten: I honestly thought we'd never have to see them again. But, I knew that'd be too easy to say, but I still remembered that day all too well, and many of us had seen Caleb's mask slip revealing the real one: haunted and tormented by endless pain and suffering and beaten mentally to the point of mental collapse and having physical wounds to match as well.

Jack Howard: Even the most hardened NYPD detective was scarred mentally when they met Caleb and saw what he'd been through.

Then, Jazz Jackson got out a videotape.

Jazz Jackson: Okay, guys, now this videotape I have here, this was from when Allie was with us at her uncle's restaurant, but things took a bad turn when Marcus Maxwell showed up haggard and far from the days of when The Syndicate first started out, and things got completely darker when Caleb showed up and we almost had a violent confrontation.

Cage Blunt: I still remember that day all too well. It almost got really ugly when Caleb showed up and Allie had to use a lot of willpower to keep herself from trying to attack her own dad.

Roxy Drake: Same with Christiano Maxwell, but he almost got that close to trying to kill him because he still remembered that his eldest nephew died at the hands of his former nephew years ago.

Captain Whitten: Even after eight years, Caleb's death still haunted many of the family.

Jazz Jackson put the videotape in and it played on the big screen and showed New York in the daytime, and Allie Maxwell was heading to her uncle Christiano's restaurant, but she's also going to meet with Jack Howard, Roxy Drake, Cuffs Lane, Jazz Jackson, Carter Kenrick, Buffy Blain, Casey Antonio, and Cage Blunt.

Past Roxy Drake: Allie, you made it.

Past Allie Maxwell: I made sure to dodge Drake's thugs and get here on time.

She then met up with Jack Howard, Cuffs Lane, Jazz Jackson, Carter Kenrick, Buffy Blain, Casey Antonio, and Cage Blunt sitting at a nearby table.

Past Jack Howard: I'm sure you know this isn't just some lunch date, Allie. We got some news from some our informants: your dad's left his office in the penthouse across from Upper Manhattan and has fled to here.

Past Allie Maxwell: What?

Past Roxy Drake: This has to do with the downfall of The Syndicate. After Caleb was killed in 1985, your dad expelled Drake and with it, the enforcement and backbone of The Syndicate was gone, and a few years later, The Big Claw Gang has taken control of all The

Syndicate's operations and they'd restructured them for their business thus forcing your dad and all those in The Syndicate to flee to here in Queens.

Past Jazz Jackson: They're trying to salvage whatever operations they still have, but The Big Claw Gang has driven them out and taken their remaining operations as well.

Past Allie Maxwell: My father's empire has been crippled big time, now someone's got to deliver the death blow that ends them completely.

Past Carter Kenrick: Hate to spoil it, but that'll be left to us arresting Marcus Maxwell and not left at the hands of your vengeful brother, Caleb.

Past Jazz Jackson: That ain't stopping Caleb, Carter, nothing will.

Suddenly, they saw the front doors open, and they saw who it was at the entrance: it was Marcus Maxwell, but his suit was in bad condition and he looked like he hadn't slept in days.

Past Casey Antonio: It's Marcus Maxwell.

Past Allie Maxwell: What the Hell are you doing here, Dad? Shouldn't you be somewhere near The Hudson River to drown yourself?

Past Marcus Maxwell: Allie..., I...!

Past Allie Maxwell: I don't want to hear another word out of you. I can never forgive you for what you did, you started The Syndicate many years ago and everyone that Caleb knew in high school gave him dirty looks wherever he went, he was made into an outcast because of your crimes and Drake's, and when he discovered the books you had on your businesses, it was the last straw that led him to get the police and convince Mom to divorce you and disown that parasite!

Christiano Maxwell came out.

Past Christiano Maxwell: Not only that, but when the news hit that

Caleb was found murdered, my little sister was heartbroken, and she cried out wanting her son back, but nothing would help, not even her prayers. Your family and your relatives were nothing but scum, but Marlene saw you were not. But, now years later, you proved her wrong, you're just like them! Now, you better let the men in blue take you into custody before this gets ugly!

Then, Jack Howard, Roxy Drake, Cuffs Lane, Jazz Jackson, Carter Kenrick, Buffy Blain, Casey Antonio, and Cage Blunt got up and got out their guns and badges.

Roxy Drake: Marcus Maxwell, you're under arrest for multiple counts of drug trafficking, weapons trafficking, extortion, racketeering, murder-for-hire, and murder.

But, just before Jack Howard could get out the handcuffs, a black shadow appeared as it dwarfed over Marcus Maxwell as he turned around and was confronted by Caleb Maxwell, his eldest son who'd returned from the dead.

Past Marcus Maxwell: Caleb...? So, it was true.

Past Caleb Maxwell: You should've taken Allie's advice and thrown yourself into The Hudson River when your empire was dismantled by The Big Claw Gang. But, that would've been too easy for you and not satisfying for me. You see, you still need to pay for what Drake did to me back in 1985!

Past Marcus Maxwell: Caleb, what Drake did to you, this was not my doing! Please, you need to...!

But, Caleb Maxwell hit him in the face with a swing of his twin guns in hand knocking out some teeth in pure anger.

Past Caleb Maxwell: I don't want to hear any of your damned excuses! You should've stopped Drake when he attacked me so many times when he tried to hurt Allie and Mom, I suffered blow after blow of his ruthless attacks and it got that bad that I had to go to the hospital! And the doctor told Mom that I would die by the time I reached 21 years old, do you have any idea of what that meant?! That meant thanks to Drake, he ruined my life before it even began and I hate him for that along with you! I've lost so many friends who were at least kind enough to stick by me and defend me from those who shunned me because of what you and Drake did and I'd been betrayed by those I considered my friends, I have been tormented by endless pain and suffering as it tore through my battered mind and it left a cold grip on my heart along with a burning rage! Now, you better leave, but mark my words, Dad, not even the shadows of New York City's alleys, your scumbag relatives, nor the NYPD Nightshift arresting you will save you from me! I will have my revenge on you, Drake, and all those who follow you! I'm going to be your worst fucking nightmare as I haunt your dreams every single night and I will make you suffer as I have suffered!

Confronted by the demonic rage of his own son, Marcus Maxwell fled from the restaurant in a panic and Caleb Maxwell walked out of the restaurant.

Past Allie Maxwell: Uncle Christiano...?

Past Christiano Maxwell: Damn, I didn't think Caleb could say something like that. He's intimidating, yes, but what he said, that's murder and hatred your brother has towards your ex-dad, ex-brother, and all those who followed them.

Past Jack Howard: We've got to arrest Marcus before Caleb gets to him.

Past Christiano Maxwell: Good luck with that one, Jack. Nothing's going to stop Caleb, now that he's back in New York, his angry heart is screaming out for revenge and blood, and no thug is safe from him. Even The Big Claw Gang as bold as they are, they're going to stay away from Caleb.

Past Carter Kenrick: Revenge or not, he knows he can't take the law into his own hands.

Past Cage Blunt: (Thinking) You realize that's also not going to stop him. Travis and I have seen what Caleb's been through: the utter definition of a true living Hell and nothing's going to stop him until he gets his revenge on his brother and his thugs, and he still harbors hatred towards his dad, so this also means he's in trouble too.

The video ended.

Me: Whoa!

Nico: Damn, you turned that dark and murderous towards your Dad in a split second, Caleb.

Caleb Maxwell: This was before the truth of why he went into crime came out, and everyone saw this for themselves.

Lincoln: (Shudders) Still.

Pan: At least, you've been on the side of good, but still, you're completely scary and unhinged when you let that side of you out.

Plucky Duck: And psychotic!

Caleb Maxwell: Nobody asked you, you cross-eyed feather-faced throw pillow!

Plucky Duck freaked out and hid in a corner!

Nico: Yowza! That kind of talk just scared the crud out of Plucky! I hate to see if you use that on Dark Sebastian and those demonic bastards and bitches running loose!

Travis Tackett: Do you seriously want your ears bleeding uncontrollably?

We shuddered!

Travis Tackett: (Smirks) I thought so.

We got a shower, and then, Lincoln, April Stewart, Mae Rockin, and Aika Nakamura are heading to Sky Lagoon, Iceland.

Lincoln snapped his fingers, and the 10'0", handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And April Stewart, Mae Rockin, and Aika Nakamura are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out April Stewart, Mae Rockin, and Aika Nakamura all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound criminals, Lincoln sucked out their muscle mass, virility, testosterone, strength, blood, and lifeforce and he killed them all.

April Stewart: Wow, we're here in Sky Lagoon, Iceland, it sure is beautiful.

Lincoln: It sure is, April, and it's perfect for our first date, shall we?

Lincoln, April Stewart, Mae Rockin, and Aika Nakamura dived into the waters and had an awesome time swimming, and there, they also saw the sea life that live there, then, the girls took turns in giving Lincoln a deep tissue massage which not only relaxed their muscles and entire body, but they also released some tension he'd been carrying.

Then, he made clones of himself and he did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Then, they went back to the beach and they had an awesome volleyball game, and they went into a workout area Lincoln created, and April Stewart, Mae Rockin, and Aika Nakamura got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

April Stewart: (Swooning) The others were right about him: what a handsome and manly wolf hunk.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to April Stewart, Mae Rockin, and Aika Nakamura and hugged them in their abnormally massive and powerful muscular arms, and April Stewart, Mae Rockin, and Aika Nakamura placed their hands on the massive hairy pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into the right traps of April Stewart, Mae Rockin, and Aika Nakamura and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and twenty-four sets of large white angel wings underneath spread out and his large gold halo and four large orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their traps as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Sky Lagoon, Iceland, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of April Stewart, Mae Rockin, and Aika Nakamura on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now April Stewart, Mae Rockin, and Aika Nakamura are now in your harem, Linky.

April Stewart, Mae Rockin, and Aika Nakamura showed the marks Lincoln made on the right sides of their necks.

Jenna: You girls had no trouble at all.

Mae Rockin: Not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted thirteen massive 900,000,000,000,000,000,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before our ultimate final showdown with Octomus the Master, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

We saw the mascots playing video games.

Me: What are you guys playing now?

Lily: SpongeBob Squarepants Battle For Bikini Bottom Rehydrated.

SpongeBob: Ooh! This is gonna be cool!

Poromon: Yep! We're battling Robot Squidward.

Manaphy: Yeah and he is a challenge.

Lily: I am playing as SpongeBob.

Poromon: And I am Patrick.

They were battling robots up the ass.

Plankton: This brings back memories!

Me: It sure does! We battled your robots after we launched you into space.

Nick Russell: Before we joined right?

Me: I can't remember. I've lost track of that but it was sometime back in 2019.

Nico: That's right.

Qin: Wow.

We then saw Poromon battling Robot SpongeBob.

SpongeBob: I look amazing as a robot!

Patrick: You sure do.

Plankton: And is that what I look like as a robot?

Me: It sure is.

Yuriko Yamaguchi: My archenemy and he is tough too.

Me: And he put up one helluva fight.

Xenia: Yeah no kidding.

Crankcase: Don't forget Robot Sandy

Patrick: And Robot me! That was cool!

Sandy: Yeehaw! It sure was!

Plankton: Yeah!

We saw the Robot Plankton's fighting each other and then we bursted into hysterical laughter!

Lily: (LAUGHS) That was funny!

Nico: YEAH!

Mr. Krabs: (LAUGHS) That was a good adventure lads.

Armada Hoist: Brought back memories, didn't it?

Me: It sure did! And we had a lot of fun back then too.

Nico: Yeah. We smashed tons of robots too.

Laney: That was so fun.

Varie: Yeah and the Neptune Crusaders and us did a great job too.

Me: This was all a contingency plan that Plankton had if he was exiled.

Nico: That's right! I remember.

But then...

ALARM KLAXON!

Me: Uh oh!

we went to the coputer and saw trouble going on at the park!

We went there and saw Donald Duck and Old Man Jenkins at it again!

20 Minutes earlier, Donald Duck was sitting on a bench reading a newspaper and enjoying the spring air. But then..

WHACK!

?: OW!

Donald Duck: Huh?

He saw Old Man Jenkins hitting his nephews again!

Old Man Jenkins: You need to learn some manners!

Donald Duck's face turned red and steam tooted out of his ears and he then EXPLODED IN RAGE AND INFURIATING ANGER!

ANGRY AND FEROCIOUS QUACK!

HE RAN AND SMASHED OLD MAN JENKINS ALL OVER IN A BRUTAL FIGHT CLOUD!

SMASH WHAM BIFF POW WHOMP BAM WHACK CHOMP BAP THWACK BOOF SMACK!

HE REALLY WAS LETTING HIM HAVE IT!

That's when we came.

Me: What the fuck!?

Qin: Oh no NOT AGAIN!

Donald Duck REALLY WAS SMASHING AND PULVERIZING OLD MAN JENKINS ALL OVER! Donald Duck smashed him into dust with explosive fury in a massive fight cloud!

Me: Okay I've seen enough!

We went and grabbed them.

Me: Okay you two break it up! Did Old Man Jenkins hurt your nephews again Donald?

Donald Duck: YEAH THAT BIG PALOOKA!

Me: Jeez! Old Man Jenkins you need to stop doing that! It's starting to get as old as you are and as getting old as someone making Rarity cry.

Nico: Yeah! And another thing, you are not going to win against the iconic explosive temper of Donald Duck.

Old Man Jenkins spit out some teeth and his dentures.

Old Man Jenkins: Those kids need to respect their elders!

Huey: We just were asking for the time.

Me: Oh. (Looks at watch) It's 3:42 PM.

Huey: Oh thanks.

Old Man Jenkins: Oh. Sorry. My hearing isn't as good as it used to be.

We had Old Man Jenkins sent back to M.O.E. HQ.

Me: Man he just can't learn.

But then...

SPLASH!

I got Blown by a blast of wind..

Me: HEY! Lori!

Lori: That wasn't me!

Qin: Wait look!

We saw an Altaria!

Me: Whoa an Altaria!

Nico: What's that doing here?

Me: It must be one of Dark Gale's creations.

Whirlwind: Let me see.

Whirlwind used Telepathy and gasped!

Whirlwind: WOOHOO! It's my friend and sister Rhiannon Stormprism!

Me: Whoa! Another one of the Skylanders friends! Awesome!

Whirlwind: Lets go help her. TWISTS OF FURY!

We went and did so.

Whirlwind: Rhiannon it's me Whirlwind!

All she did was use Whirlwind.

We dodged it.

Me: Okay then.

We fired rainbow bombs and energy and knocked her down. I snapped my fingers and she reverted back and was a girl with blue hair, blue eyes with blue sclera, had blue angel wings and had a rainbow unicorn horn on her forehead and Altaria under the horn. She had a Rainbow Comet with lightning as her cutie mark. We wrapped her in a blanket and brought her over.

Me: That was awesome!

Qin: YEAH!

She woke up.

Rhiannon Stormprism: (Groans) What happened?

Whirlwind: Are you okay Rhiannon?

Rhiannon Stormprism: Whirlwind? (GASP) Whirlwind!

She hugged her.

Rhiannon Stormprism: I'm glad to see you.

Whirlwind: Same here.

Me: You were turned into a Altaria by Dark Gale.

Rhiannon Stormprism: Oh man! I remember!

* * *

She was in a blue suit and injected and then in a burst of wind and lightning turned into Altaria! She busted out of the base and flew away.

FLASHBACK ENDS

Rhiannon Stormprism: It was awful.

Me: We destroyed Dark Gale so they are gone.

Rhiannon Stormprism: Good. I just finished my training in Skylands when I came back to Earth and helped Sonya's team.

Nico: I see. What's your role there?

Rhiannon Stormprism: I am the rainbow star master of the team. I use my powers to blast our enemies sky high. Outside the team I help my sister Whirlwind with battling the Forces of Kaos.

Me: That is cool!

Qin: Yep.

Twilight Sparkle: Kaos is in our frenemies as my archenemy.

Me: Yep.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her awesome blue clothes and a rainbow unicorn sword.

Rhiannon Stormprism: I look amazing!

Qin: You sure do.

Camie: Yeah.

We went back home.

We arrived

Fisticuffs: How many times is he gonna do that?!

Nico: No idea.

Lola: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and twenty-four sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: to our anger, it was our old enemy, Octomus the Master, he's back once again and he still wants revenge on us. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: YOU'VE GOT TO BE FUCKING KIDDING!

Eli: Please, tell me that wasn't who I think we just saw!

Lincoln: Afraid so, Eli.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: to our anger, it was our old enemy, Octomus the Master, he's back once again and he still wants revenge on us.

EVERYONE GASPED!

May: Are you kidding me?!

Nick Russell: I knew he'd come back for more.

Lincoln: That's not all, he's on the slopes of Mount Doom in Mordor in Middle Earth.

Nico: That's where we battled Sauron and his armies on the first day of your 4-Day Rescue Excursion on Middle Earth, Lincoln.

Me: So, that's where he is, eh? Finally, this is where we bring an end to him once and for all.

Lincoln: But we got to watch it, he's not going to hold back, but neither are we. It's time we end that monster forever.

Me: My words exactly, Lincoln.

Nico: Same here.

Suddenly, Lincoln also saw the sign of Apophis along with The Sigil of Malphas over the skies of Mordor.

Lincoln: As if things weren't bad enough, Dark Sebastian's back for more, along with Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra.

Selena Mendez: Damn him!

Camie Elextor: Before we do our entrance, we need to cast a spell to destroy the surprises that evil monster your parents created and give him a taste of his own fucking medicine.

Qin: That's good, we'll send those pack of monsters flying back to Transylvania.

Nico: Which'll end with him spewing toxic death threats and explicit words at us. Alright, team, let's get going, it's time for the ultimate final showdown with Octomus the Master.

Lincoln: That monster's time is finally up, this time, we end it once for all, team! This time, we are putting a permanent end your reign of terror once and for all, Octomus the Master!

The Previous Group came

Vanitas: Can me, The U-Foes, Iron Lung, El Diablo, Merman, Wiggum, Chalmers, Pete, 2016 Morbucks and King Shark go with you guys?

Ironclad: And was Old Man Jenkins at it again?!

Nico: Yes he was unfortunately.

Camie: Yep.

Nico: Yep. And yes you all can come with.

Ironclad: Cool.

Blackfire: Nico, which Gene Slammer do you think you'll meet next?

Vapor: I hope it's someone powerful,

Nico: Well it is and like I said earlier, it's going to be Evil HERO Dark Gaia.

Camie: Yep.

Xenia: Cool.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive white angel wings and twenty-four sets of large white angel wings underneath his massive white angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as we sensed a massive dark energy signal with our eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was General Olnox, and he's come back for revenge. When we saw it, we knew it meant trouble.

Lincoln: Oh man, now we've got some trouble.

Me: Lincoln, please tell me that wasn't who I think we saw.

Lincoln: Afraid so, J.D., it's General Olnox, he's come back from the dead and he wants revenge.

Pan: Then, we'll put an end to him once and for all, Lincoln. But, we got to watch out though, we don't know if Dark Sebastian had put some spells on him to make him stronger.

Nico: Knowing him, it might be the case, Pan. Alright, team, let's go, this is the last time we ever have to deal with Octomus the Master.

Lincoln: Octomus' time is done, this is where we end him for good, and once we get done with him, you're next, General Olnox.

Pan: You've lived for too long, this time, we're going to end you for good, and if we find out that you made him stronger, Dark Sebastian, I'm gonna tear your slimy head off and send it right back to Malphas.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to the slopes of Mount Doom on Mordor in Middle Earth to finally destroy Octomus the Master for good and we'll make sure he never comes back, and once we get done with him, Pan and Lincoln are going to end General Olnox for good.

We were off to Mordor

We arrived at Mordor.

Me: The Land of Mordor.

Mina Mordor: The very place where Middle Earth started falling into turmoil because of the Dark Lord Sauron.

X-Ray: Geez!

El Diablo: Let's Call Boomerang.

Me: Good idea.

We did so.

Boomerang came.

Boomerang: (Australian Accent) I'm ready mates.

Me: Cool.

The skies were covered in clouds and lightning flickered all over.

Me: Ominous atmosphere.

Camie: Yeah.

Me: But the best part is no Gollum, Sauron, Orcs or Ringwraiths here.

Rumble: Of course we're going to kill Octomus with the power of the Phoenix.

Me: More than that. We're going to hit him with everything we got. But it's me he's after.

Ymir: Why?

Me: I fired a Kamehameha Wave down his throat and blew him into a million pieces.

Ymir: What can you tell us about him?

Me: Well he is a monster.

I showed what he looks like and went over his history.

Octomus the Master, also known as the Supreme Master of the Underworld and The Master, is the leading demonic master of the forces of darkness, Nick Russell's archenemy, the supreme ruler of the Underworld, and the main antagonist of Power Rangers Mystic Force. He is the master of Sculpin (leader of the Ten Terrors).

He was voiced by John Leigh who previously voiced Terramole, Toxipod, Insectolite and later voiced Steeleto, Damaras and Keytron.

Octomus was the lord of the dark forces of the Underworld, greatly revered by the denizens of his realm to the point that they called him only "The Master". When the forces of the Underworld attacked the surface world, the Ancient Mystics battled them in what was known as the Great War. Eventually, Octomus' forces were driven back into the gates of the Underworld, which were sealed shut by the Gatekeeper, Niella. The warrior, Leanbow, was sealed in as well and he imprisoned the Master in his Pit, but not before Octomus used his dark powers to transform Leanbow into Koragg the Knight Wolf, his loyal servant.

However, 2 decades later, the forces of the Underworld began their return and Octomus kept in contact with them from the Pit via a white pool that would turn red to announce his presence. The Master often had to deal with arguments amongst his forces, usually involving Koragg due to his preference for honorable methods. At one point, Imperious put Koragg on trial for being a failure to the cause, but Octomus chose to rule in favor of the Knight Wolf. Later Imperious attempted to bring about the Master's return after the failure of his attempt to overthrow him. His plan was to use the Mystic Force Rangers' Legend powers to give Octomus the strength to rise and it succeeded until Udonna attempted to interfere, only to be almost killed by the Master. Koragg interfered and became Leanbow again, however, Octomus was about to almost rise to the surface. Leanbow headed back into the Underworld so as to fight and seal away the Master again and succeeded, stopping and seemingly destroying him.

However, the Ten Terrors (Octomus' highest executives) sought to bring back Octomus by attacking the surface world, while following the Rules of Darkness. But as time went by and their attempts seemed to have no effect, Sculpin began looking for answers. He went to the Lake of Lament and asked it to show him the Master, only to be greeted by an image of Leanbow, changed into Koragg's body but still possessing his free will. He told the Terror that Octomus would never return as long as he was still around and Sculpin began seeking a means of finding him. Sculpin finally succeeded in finding him and took the Master's spirit from him, giving it to Gekkor to keep safe. Later Matoombo was selected as Octomus' host body and though the Terror tried to avoid this fate, the Master could not be denied and his spirit forcibly entered Matoombo's body with his form bursting forth.

The Master proceeded to possess Nick Russell, the Red Mystic Ranger, and turned him into a version of Koragg, one far more destructive and malicious. He proceeded to attack parts of the forest and while the Rangers were kept busy trying to free him, Octomus attacked the Mystic Realm and seemingly destroyed the Mystic Mother, matriarch of good magic. Leanbow and Daggeron went to confront him, only for the Master to devour their Knight powers, before finishing them off. Octomus then went to Briarwood to battle the Rangers himself and showed them a vision of an Earth he had ravaged. He then devastated their Manticore Megazord, swallowed part of their magic, and forced them to run, though Nick managed to wound the Master and get the Rangers back to the real world, but at the cost of all of their magic. However, Octomus's victory was prevented after Itassis and Necrolai turned on him, resurrecting Leanbow and Daggeron, the Mystic Mother turned out to be alive, and the people of Briarwood and the forest united against him. They managed to restore the Rangers' magic, who used Octomus's ability to devour magic against him by giving him too much and causing him to overload and explode.

When I was done everyone that hadn't heard about it was shocked!

Ymir: Oh man! And wow he is ugly!

Camie: He sure is!

Wiggum:…I'm gonna need a bigger gun.

Me: We got a bunch of them.

Knight Man: Swords work just as well

Rainbow Dash: Maybe we can see if the Magic of Friendship has an effect on him.

Me: It's worth a try. But it might give him indigestion.

Qin: Because of how powerful it is in good.

Camie: Yeah.

Pete: We already tried that when we fought Void Queen

Me: Not in its pure concentrated form. We've gotten stronger and more powerful since then.

Xenia: He's right.

Me: Besides the amount we used was just a small drop of blood in comparison.

Camie: Good point.

Pete: Oh I see.

Me: Also we have those really awesome declarations now. They make the Magic of Friendship more intense and amazing than ever.

Camille: I hope we kill Dai Shi in the future too.

Me: I have a feeling we will.

Lola: Along with many of the major enemies of the Rangers.

Qin: Some of them we already destroyed thankfully.

Nico: Xandred will fall too. Especially for how he blew himself up and tried to take me with him.

Camie: Whoa.

Ymir: His Kamikaze stunt failed.

Nico: It sure did. It'll take more than him to destroy me.

Qin: Yep.

King Shark: You sure Gollum's not here?

Sheena Shire: Positive. We destroyed him in The Shire.

Qin: Good.

Camie: Along with Sauron and his minions.

Xenia: Yep.

Nico: Cool.

Sunny Flare: Thank goodness!

Me: Yeah.

But then there was a huge rumble!

Nico: LOOK! Something is happening to Mount Doom!

Lava jets came out of it.

And then...

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION OF LAVA AND FIRE!

A MASSIVE AND POWERFUL ERUPTION OF FIRE AND LAVA EXPLODED OUT OF IT!

Me: WHOA!

Then a figure came out and we saw a HUGE INTENSELY FLAMING FIERY PHOENIX! IT SCREECHED POWERFULLY!

Me: WHOA!

Lincoln: Oh my god! That's Nick Russell's Akuma, MYSTIC PHOENIX! The Hypothetical Akuma of Nick Russell and he is a huge flaming phoenix and he has intense fire powers that are as strong as his Legend Warrior form times 10,000. He has incredible fire powers that can blow apart numerous footsoldiers and the most powerful monsters of Octamus the Master in an instant and a powerful inferno. He was made because of Octamus hurting his friends and vowed to BLAST HIM INTO OBLIVION WITH THE FURY OF A THOUSAND INFERNOS!

He showed A sketch of him and it was intense.

Me: WHOA! What a marvel!

Camie: WOW!

Galaxy Man: Let's go find him.

Me: We don't have to because we're looking right at him.

Galaxy Man: Oh right.

He screeched and flew out of Mount Doom!

He then landed in front of us and he had an intense fire aura that was incredible!

Me: WHOA!

Mystic Phoenix: Glad to see you all are here.

Me: Wow! Nick you look awesome as a huge phoenix and that was an amazing entrance.

Mystic Phoenix: Thanks. Been working on that one.

Chalmers: Nick? Is that you?

Mystic Phoenix: Yes it's still me. I'm glad to see you all okay Vida.

Vida Rocca: Me too Nick.

Mystic Phoenix: Yeah and J.D. that was well done firing a Kamehameha Wave down Octamus's throat. Be warned though that he is steamed about that. Xandred Steamed.

Me: Good let him get mad all he wants.

Mystic Phoenix: That is for sure.

Boomerang: Mate, you need to calm down!

Mystic Phoenix: Not until Octamus is dead.

Me: Looks like we both are after him and I have a feeling you are gonna be TOO HOT to handle. Lets put that to the test!

I fired a massive wave of water and it hit him and a massive cloud of steam came out of him.

Me: WHEW! That is steamy!

Xenia: YEAH!

He fired a massive and intensely strong blast of fire from his mouth and it was as strong as 100,000,000 wildfires! WE ABSORBED THE FIRE AND GOT A MASSIVE SUPERCHARGE!

Me: WHOA! That is really strong fire!

Boomerang charged at him. But when he made contact with his intense fire aura he got blasted intensely by his searing flames! He got blasted down and was burned bad!

Me: WHOA! Physical strength is useless! His intense fire makes it impossible to get near him!

Nico: I'll heal you!

He did so.

Boomerang: Thanks mate!

Boomerang fired a boomerang I fired waves of water and infused the boomerang with it and then it hit him and a huge cloud of steam came off him!

Me: At least he's not immune to water!

Mystic Phoenix: My turn!

HE FIRED AN IMMENSELY POWERFUL BLAST OF FIRE AND IT REALLY SUPERCHARGED US!

Me: WHOA! THAT WAS STRONG!

Maria: My turn!

She fired massive blasts of water and knocked him down and he was knocked out!

Qin: YEAH!

Carol: That did it!

Juniper Montage: That was sizzling hot!

Me: Infernal is more like it!

Qin: Yeah!

Nico: Alright, now to get after Octomus the Master.

Lincoln: But first. Selena.

Selena Mendez, Camie Elextor, Wendy Sauron, Varie Yulinova, Lorena Cavenstein, Solla Nexcrota, Kira Textington, Gina Thunderton, Xenia Vola Dappra, and Tania Tornadora raised their staves as they chanted an incantation and we then saw the symbol of The Nightflame Sun appear in the sky and a magic circle appeared where Dark Sebastian and those Dark Church of Malphas dickheads are at as it glowed with purple energy as we saw it through a viewing window. Then, we saw the chaos erupt as beams of purple energy and magic were fired from nowhere and they forced out the many armies of demons and monsters hiding and got destroyed in a split second. They saw it, and Octomus the Master let out a scream of rage!

The viewing window closed as we were laughing hysterically!

Me: Hah! Serves you right, asshole!

Nico: Okay, now we can get after that bastard without any nasty surprises from those pack of snakes.

We then took off, and we got there in time to see Octomus the Master raging, raving, and screaming and shrieking like a monster and our energy auras flared up extremely as we grew stronger from the toxic hate, but our energy auras really really flared up to the extreme and we all grew even more stronger than ever as we felt the extreme toxic hate of Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra.

Nico: Okay, let's end that ugly monster once and for all.

Octomus the Master: KNUDSON! GET OUT HERE RIGHT NOW SO I CAN DESTROY YOU FOR WHAT YOU DID IN KILLING ME!

Dark Sebastian: WHAT THE HELL! IF ANYONE'S GOING TO DESTROY THOSE FOOLS, IT'S GOING TO BE US!

Alaister Necroshade: CONSIDER OUR ALLIANCE OVER!

Octomus the Master: WHAT?!

Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra: ARMIES OF THE NETHERWORLD, ATTACK!

We then saw Octomus the Master fighting against massive armies of zombies, demons, and other evil monsters from Hell that were summoned, and we saw Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra laughing insanely and malevolently at the chaos and madness they've unleashed.

?: TIME TO SHUT YOU PACK OF SNAKES UP!

Suddenly, the spirits of the Mystic Force Rangers appeared out of nowhere and they attacked Octomus the Master in total fury and that made him extremely pissed off even more and they also attacked the armies of zombies, monsters, and demons summoned by Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin

Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra and destroyed them!

Then, the spirits converged and they crashed down and then...

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOM

A massive explosion erupted as a Thunderbird Screech and Phoenix Cry was heard and we appeared, and this made Octomus the Master even more pissed off than ever, along with Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra.

Me: Long time no punch Octomus!

Nico: Yeah!

Me: You've got some nerve coming back from the dead, Octomus the Master.

Nico: I honestly thought we were finally done with you, after all the trouble you've caused us in the past. But, thanks to Anti-Monitor bringing you back from the dead, that was basically crossing the line!

Lincoln: And speaking of, we're only here for our main target, Octomus the Master, you pack of snakes are a nuisance. But, don't think we forgot about all your nasty schemes against us, along with the horrific bloodbath you tried to cause when you lot tried to kill our main targets, that's our kill, not yours.

Octomus the Master: You will all die for this! Hidiacs, Styxoids, attack!

Suddenly, armies of Hidiacs and Styxoids appeared and ran at us, but Lincoln turned the tips of his eleven massive and long brown wolf tails into Cell's stingers, and he stabbed them into the armies of Hidiacs and Styxoids, and he proceeded to absorb them and he began growing stronger and assimilated their powers, abilities, and weapons, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and twenty-four sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of them and he drained their souls of energy and sent them to The Black Abyss forever.

Suddenly, Lincoln's deep sapphire eyes and the rainbow iris of his eyes turned heavenly golden yellow as we felt a massive and powerful divine force coming from him and heavenly lights shined down as the Angels and Archangels of Heaven appeared.

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) And we've already had it with you, Dark Sebastian. Time to send you all away once more.

Dark Sebastian: (DEMONIC VOICE) SHUT THE FUCK UP, BITCHES! DIE! THIS IS FOR HUMILIATING ME!

DARK SEBASTIAN FIRED A BLACK AND RED ENERGY BLAST AT US TO KILL US, BUT LINCOLN FIRED A BLAST OF HEAVENLY LIGHT THAT DESTROYED THE BLACK AND RED ENERGY BLAST AND THE BLAST OF HEAVENLY LIGHT HIT DARK SEBASTIAN RIGHT IN THE STOMACH AND SENT HIM FLYING INTO A WALL! HE GOT BACK OUT, BUT THAT PISSED HIM OFF BIG TIME AND HE GOT BURNED BADLY BY THE HEAVENLY LIGHT!

Octomus the Master: It serves you right. I may be evil, but you on the other hand, Servant and Creation of Malphas, you're just absolutely insane and too monstrous even for us!

Dark Sebastian Mendez: (DEMONIC VOICE) WHAT DID YOU SAY?! YOU USELESS SACK OF SHIT!

Octomus the Master was smug at Dark Sebastian's humiliation. But, his smugness was about to be broken big time as the darkness blackened the skies even more.

Selena Mendez: UH OH, NOW YOU'VE GONE AND DONE IT!

Camie Elextor: HE'S GONNA GO BALLISTIC!

Dark Sebastian Mendez: (Demonic Voice) YOU GODDAMN BASTARD! HOW DARE YOU SAY THAT TO ME! AND AS IF I'D EVER OBEY THE LIKES OF YOU, YOU'RE NOTHING MORE THAN MY PLAYTHING TO USE AND DESTROY!

Octomus the Master: What did you say?! YOU LITTLE...!

Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra went after Octomus the Master, and they proceed to slash at him many times with demonic black broadswords and they stabbed him in the stomach and legs and arms with daggers!

Octomus the Master: (SCREAMS IN AGONY)

Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra: DIE! DIE! DIE! DIE! DDDDDIIIIIIIIIIEEEEEEEEE! (LAUGHING INSANELY AND DEMONICALLY!)

DARK SEBASTIAN AND THOSE DARK CHURCH OF MALPHAS AND ORDER OF THE DARK UNIVERSE DICKHEADS WAS STILL

MERCILESSLY ATTACKING OCTOMUS THE MASTER SLASHING HIM AND STABBING HIM AND THEY WERE STILL LAUGHING DEMONICALLY AND INSANELY! IT WAS BECOMING A FUCKING BLOODBATH!

Gina Thunderton: THAT'S IT, YOU PACK OF SNAKES! LET'S SEND THEM BACK TO TRANSYLVANIA!

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) Understood, Gina.

Lincoln, Selena Mendez, Camie Elextor, Wendy Sauron, Varie Yulinova, Solla Nexcrota, Kira Textington, Gina Thunderton, Xenia Vola Dappra, and Tina Tornadora fired blasts of Divine Darkness which hit Captain Pollution and blasted Dark Sebastian and those Dark Church of Malphas and Order of The Dark Universe dickheads off Octomus the Master and that really really enraged them, but The Hunters of The Nightflame Sun and Lincoln blasted Dark Sebastian and those Dark Church of Malphas and Order of The Dark Universe dickheads with blasts of Heavenly Light and Divine Darkness and kicked them out and sent them back to Transylvania as they spewed toxic hatred and death threats towards us, but that made us grow stronger still.

Now, all that was left is to take down Octomus the Master for good.

Nico: You will pay for your crimes Octomus!

Ymir: You sure are UGLY!

Qin: Yeah he is one of the ugliest villains we know.

Nick Russell: Been a while Octomus!

?: Awesome.

A figure came and it was DESPERAINO from Episode 10 of Samurai!

Desperaino is a despair/rain/umbrella themed Nighlok who possesses the ability to open a rain cloud above his victims' heads, causing them to encounter the most terrible misery of all: the loss of hope. He serves as the main antagonist of the episode "Forest for the Trees".

Desperaino was one of the Nighloks. He could fly using the special folding umbrella on his head. He also wielded a spear, which could fire lasers. But his main ability was to summon a special cloud above the heads of his victims, which puts them into despair.

In the tenth episode, Desperaino attacked Panorama City and started terrorizing people by summoning his clouds and placing people into despair to increase the level of the Sanzu River. When the Power Rangers arrived, Desperaino battled them and they couldn't defeat him, because Mike carelessly tried to use Beetle Disc and ruined the team's attack on the villain. Then, Desperaino left.

He returned to the junk of Master Xandred and planned to get praised by his master by terrorizing the people and increasing the level of the Sanzu River. He annoyed Octoroo by wetting his book and Dayu by wetting her musical instrument.

Then, he attacked the city again and again encountered the

Rangers. He again successfully battled the heroes, but Mike used his spear as a staff for leaping and jumped to Desperaino before striking the Nighlok with the Spin Sword, destroying him.

He was resurrected as a Mega-Monster and again fought the Rangers only to be destroyed by the Samurai Battlewing.

Jayden: Desperaino!

Desperaino: Been a while rangers!

Me: I remember you! You were sent to make people sad by putting rainclouds over their heads for the great misery of loss of hope!

Desperaino: That's right. Good memory there.

Me: Thanks. You know when you have a raincloud over your head like that it means you are sad as all get out.

Desperaino: That's right.

Me: Wow.

Desperaino: My power is just gonna make you guys stronger, isn't it?

Me: Try it.

He formed rainclouds over us and then MASSIVE SURGES OF NEGATIVE ENERGY Flowed into us! We were stronger than ever!

Me: WHOA! It does make us stronger!

Desperaino: It sure does!

Nico: Lets get it on!

Me: Carly sending Octomus into Mount Doom will give us more than enough time to finish the battles. COME ON YOU APES! YOU WANNA LIVE FOREVER!?

Lincoln formed a massive and indestructible diamond barrier infused with absorption energy that protected all of us from a sudden barrage of dark energy blasts and the dark energy blasts were absorbed into us and it made us even stronger than ever.

Lincoln: (Caught the scent of blood) There's no mistaking the scent of blood from anywhere, you better get out here right now, General Onox.

A figure came out, it was our old enemy, General Onox.

Lincoln: I should've known you'd show up here once more. So, not even being trapped in The Warp for all eternity would keep you down for good.

General Onox: Keeping trapped in The Warp will never stop me from getting my revenge, and I won't stop until you're finally dead! You will pay for what you did to me!

Caleb Maxwell: That's it, I'm going to shut you up for all eternity! I hope you enjoy being ripped apart by the demons of the Nine Circles of Hell!

General Onox: As if a warrior like myself would ever be threatened by the words of a former undead turned true immortal!

That pissed off Caleb Maxwell and he reacted in a violent manner by firing a black ball of darkness at General Onox that transformed into demonic clawed hands and they clawed at his armor and tried to rip his armor open, but Pan flared up her Super Saiyan aura which destroys the black ball of darkness and blinds Caleb Maxwell!

Pan: Back off, Caleb, now.

Caleb Maxwell: (HISSES LIKE A VAMPIRE)

Then, he flew up into the air!

Elise Dragonball: Wow, my sister pissed off Allie Maxwell's dangerous and bloodthirsty older brother who has a reputation for bloodshed and murder.

Pan: That was just to get him away from Onox, Elise. (Smirks) Because he's going to be torn apart by me and Lincoln and not by some murderous, dangerous, bloodthirsty, bad-tempered former undead now turned true immortal teen from the 80s.

BANG!

CALEB MAXWELL FIRED A BULLET WHICH HITS GENERAL ONOX!

Lincoln: And who also has an itchy trigger finger and isn't afraid to use it! Pan, we better take care of General Onox and fast.

Plucky Duck: You two better do it and fast before Sir Shoots-A-Lot gets any more funny ideas!

Caleb Maxwell: (Gets out a hammer) Why you cementhead.

CLANG!

CALEB MAXWELL HITS HIM IN THE HEAD WITH A HAMMER!

Plucky Duck: Ouch! Oh, look!

Suddenly, Caleb saw the hammer was badly dented.

Caleb Maxwell: Hurry and finish him off before I do something really really horrific!

Pan: (Muttering) Bad tempered five-toed gun-toting mangy dirty dog!

Caleb Maxwell: I beg your pardon, I heard that.

Suddenly, Pan's black eyes turned neon blue and she was surrounded by a yellow, white, golden yellow, and blue energy aura with stars, aura energy, white and blue heavenly flames, fire, flames, dragons, phoenixes, and angels, she unholstered her massive greatsword, and as she approached General Onox, she left yellow, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, fire, flames, dragons, phoenixes, and angels with every step.

Pan: I honestly thought we wouldn't have to see you again, General Onox, but I guess I was wrong, and it was thanks to Dark Sebastian bringing you back from the dead. But, that ends here and now, this is where you die here and now, and this time, you're never coming back.

Then, we attacked him with powerful slashes from our massive

greatswords leaving bleeding scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Pan did the same by firing yellow, white, golden yellow, and blue energy slashes from her gold-armored dragon claws and her massive greatsword, and Lincoln, Pan, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making General Onox even more angrier than ever.

Suddenly, Lincoln's massive white angel wings and twenty-four other sets of large white angel wings underneath his massive angel wings spread out even more as a gold intricate halo made of gold light appeared above his head along with three sets of gold chains around the gold light halo and formed into a purifying field that hit General Onox, and we found ourselves in Heaven.

Then, Lincoln charged and smashed his rainbow energy infused left fist into General Onox's stomach and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind him. Then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword.

Lincoln did one final powerful energy slash that hit Onox hard, and a massive explosion erupted as the gold chains exploded into pieces, and Lincoln landed and Onox was now on his last legs and he was really really mangled.

Lincoln ran up to and bearhugged General Onox and he proceeded to absorb him into his body through his skin and he assimilated Onox's Axemanship, Skilled use of his ball and chain, Shapeshifting, and Creation of magic barriers, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and twenty-four sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

We cheered wildly as we holstered our weapons and powered down and Pan's new body, clothes, weapons, jewelry, Third Eye, longer red Saiyan tail and eleven massive and long black wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, thirty-five large crimson red planets orbiting around her legs, thirty-five smaller crimson red planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized crimson red planets orbiting around her wrists and ankles, and massive black angel wings and twenty-four sets of large black angel wings underneath her massive black angel wings are permanent.

Pan: And this is goodbye and good riddance forever. Thank you for helping me destroy Onox for good, Lincoln. You too, guys.

Lincoln (Smiles Warmly) You're welcome, Pan.

Me and Nico: Our pleasure, Pan.

Suddenly, Pan wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Pan's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Pan sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Nico: Onox made a big mistake coming after us, he had no idea how much more powerful we'd gotten since last time.

Me: And his arrogance led to his downfall in the end. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Suddenly, we saw a massive lightning storm raging in the skies and the symbol of Lightning appear.

Lincoln: The symbol of Lightning from Magic The Gathering!

Laniya Emperyous: Awesome, and there's only one person whom we're meeting tomorrow for this one: Audra Asterope, Queen of The Elemental Plane of Lightning and Avatar of The Lightning, Tempest, and Storm Elementals of Magic The Gathering.

Claire Nantosuelta: I knew it was her, and you guys are going to love meeting her, Audra Asterope, Queen of The Elemental Plane of Lightning and Avatar of The Lightning, Tempest, and Storm Elementals of Magic The Gathering, is Lincoln's Guardian Angel from the world of Magic the Gathering and she's a powerful master of lightning, tempests, the storms, and lightning creatures of myth and legend. She's The Queen of The Elemental Plane of Lightning and The Avatar of The Lightning, Tempest, and Storm Elementals of Magic The Gathering, and she's the Lightning and Storm Master of The Queens of The Elemental Planes of Magic the Gathering, six girls who are Avatars of the Water, Air, Earth, Fire, Lightning, Brushfire, Wildfire, Dust, Fusion, Roil, Torrent, Sulfur, Crater, Cinder, Scoria, Firefiend, Wolfbriar, Ivy, Lava, Tempest, and Storm Elementals of Magic The Gathering and deadly forces of elemental power and they are said to be the powerful rulers of The Elemental Planes of Magic the Gathering, and they have fought against the evil vampire Sorin Markov in the past and they fought alongside Nahiri and many heroes against the villains of Magic the Gathering. She came to Royal Woods where she met Lincoln and she even taught him how to use all the powers of lightning, tempests, the storms, and lightning creatures of myth and legend, and over time, he gained all the powers of lightning, tempests, the storms, and lightning creatures of myth and legend, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle. Lincoln made her an awesome greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Lisa with a vengeance and she vowed to electrocute her so much, Lisa's brain will be fried to nothing more than a cinder and made into a brainless monkey.

Nico: Seriously, Lisa?! What the Hell?!

Luna: It was really bad, dude. Lisa crossed a line by trying to hurt Lincoln yet again, and Audra decided to get back at the heartless monster and electrocuted her badly.

Me: She had it coming though, I still remember that day, and Varie really told Lisa off.

Poromon: Can we see the...?

Nebula Lanaia: Absolutely not!

Lynn Sr.: Lanaia heard the whole thing when she was visiting, and it was pretty nasty.

Sumner: I also heard it too. (Shudders)

Patti: And I thought I had a foul mouth when I got pissed like that. All our relatives knew about that as well.

Speed Demon: That was a magical adventure

Carly: You said it

Evil Lyn: And another Power Ranger villain down

Puff: What now?

Tchang Zu: We celebrate!

Me: Yeah!

Nico: Lets head to Lynn's Table. Good job everyone!

Me: Cally did amazingly well for this one. Wow. Your sister did great Nick.

Nick Russell: She sure did. (To the viewers) Magic is cool and fun. But for Octomus, he will never harm anyone again.

Me: Good riddance.

We returned home, and hours later, night fell on the city, and Lincoln was heading to his room.

Lincoln: That was an awesome day, we finally got rid of Octomus the Master for good, not to mention that we fought Demon Hound and sent him to The M.O.E., and he put up a really fierce fight.

Then, just as Lincoln was about to step inside, he caught the scent of freshwater in the air, and as he opened the door, there on his massive extra-extra-extra large never-ending expanding bed for him and his expanding harem was Darya Beverly dressed only in an ocean blue strapless bra and panties with ocean wave designs on them along with the rest of his harem only clad in bras and panties, and when he saw them, he had an atomic red blush on his cheeks and muzzle and his wolf nose gushed out blood.

Darya Beverly: (Rubs Lincoln's massive pecs) I knew that old trick wound up getting you once more. (Seductive Voice) And it got you aroused once more. You ready, you massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him as he went up to the lust driven hypothetical Akumas.

Amara Roshansa: (Seductive Voice) (Rubs Lincoln's massive pecs) Uh oh, now he's about to get wild.

Suddenly, Lincoln lifted Darya Beverly and brought her to the bed with him joining the rest of his harem and he was on top of Darya Beverly.

Lincoln: (Seductive Voice) (Smirks) You guessed it.

Lincoln used his eleven massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned a deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

THE END

Another awesome chapter done.

Alright, and now, for tomorrow, the match-up is Hana Uzaki, and she and Lincoln are going to take down and destroy Akasha from Dragalia Lost

For Lincoln's rescue tomorrow, Lincoln and his group and all of TLPS and The MOE are heading to Arendelle, but we got really big trouble: it appears Dark Lori, Dark Lola, Dark Lisa, and Dark Luan, the four eternally damned deceitful monstrous bitching banshees whom Lincoln harbored so much anger and rage at because of everything he'd been through before we removed those bitches along with Dark Lynn and got rid of them, have been freed from Hell by Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra, and they're on the rampage in Arendelle tearing the shops and buildings apart in a demonic fit of monstrous anarchy and cruelty and laughing like the bitching banshees that they are! Well, that's going to be the last fucking straw that breaks the camel's back, we're so going to enjoy tearing those four bitches apart limb from limb, and Lincoln has some really nasty ways to kill them one by one, and brace yourself: what you're about to see and hear is completely graphic: For Dark Lori, Lincoln's going to slice her into many pieces by trapping her in a tornado with razor sharp wind gusts before it bursts into flames and sets the bitch on fire, for Dark Luan, Lincoln's going to throw her into an abandoned minefield full to the brim of her own nefarious pranks and gags and Lincoln's going to drop a metal ball on the spot that'll cause the traps to activate and Dark Luan's going to be torn limb from limb and after that, she'll be thrown in (DRAMATIC VOICE) THE SUSHIMAKER! (SCREAMS OF TERROR), for Dark Lola, Lincoln's going to tar and feather the rampaging little banshee and Lori will have her posted on the internet and laughed at by everyone, which'll send her into a fiery rage, but by the time she gets close to any of us, the tar covering her will explode because the tar Lincoln used on her is extremely flammable, and for Dark Lisa: Lincoln's going to have her strapped to a table and dissected alive as he tears her open and removes all of her internal organs, and finally, he sucks out her brain and intelligence, and she dies on the dissection table, and after that, he'll send their blackhearted spirits straight to The Black Abyss forever! But, we're also going to hear Lincoln use his Mean Sister rants on those banshees!

And we're going to meet Audra Asterope, Queen of The Elemental Plane of Lightning and Avatar of The Lightning, Tempest, and Storm Elementals of Magic The Gathering, she's Lincoln's Guardian Angel from the world of Magic the Gathering and she's a powerful master of lightning, tempests, the storms, and lightning creatures of myth and legend. She's The Queen of The Elemental Plane of Lightning and The Avatar of The Lightning, Tempest, and Storm Elementals of

Next up is Tommy Himi's day to shine and we're going after Kurata and Sergio and we're going to end them forever!

See you next time.

REVENGE OF KURATA AND SERGIO!

Kurata and Sergio are dead meat!

In the early morning hours of 3:24 AM, Lincoln was asleep along with his harem, and he had a dream, and his dream took him to Japan, but as he was flying, he had a bad premonition: and there he saw it, he saw our hated old enemy, the genocidal fucked-up mad scientist, Dr. Akihito Kurata, but then, he also saw another person with him, and to our disgust, it was none other than our former team member now turned convicted criminal and Great Lakes City's most notorious party throwing chaos-causing troublemaking gold-digging repulsive rat with wings, Sergio Casagrande, and even worse news: that fucked-up madman turned that repulsive rat with wings into a cyber bird! Lincoln woke up, and so did his harem and kids.

Lily the Mermaid: Linky, what is it?

Lincoln: We got serious trouble!

Lincoln told them everything, and they were pissed off!

Ronnie Anne: That's the last straw, in the morning, we're telling Mom, Dad, Abuelo, Abuela, Carlota, C.J., Carl, Carlitos, Tio Carlos, Tia Frida, Mama Lupe, and Paco about this.

Maria Garcia: (Spanish Accent) Your Abuela will no doubt feel tension from Lincoln, and when he tells your family about this, they're no doubt going to be pissed to the extreme. But, this also means we're going to get rid of the both of them for good.

Luna Rodriguez: (Spanish Accent) That's right. Kurata has been nothing but trouble not only for Marcus, his dad, and his team, but let's not forget about the Gene-Slammer project that he, Dr. Regal, and Dr. Gero were part of when they were working for Team Rocket.

Lincoln: We've already got rid of Dr. Regal and Dr. Gero and sent them to The Black Abyss, now it's Kurata's turn to join them, and Sergio's been nothing more than an enemy to us for years and with the revelations we revealed about him last year and he'd gotten the boot after the Anti-Mascots were sent back to prison. Now, this is the last and final straw for Sergio, this time, there's no more mercy for Sergio.

Lincoln and his harem went back to sleep. Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right. Guys, there's something I need to tell you guys. Last night, my dream took me to Japan.

Then, Lincoln went on to explain that as he was flying, he had a bad premonition: and there he saw our hated enemy, the genocidal fucked-up mad scientist, Dr. Akihito Kurata, but he also saw another person with him, it was none other than our former team member now turned convicted criminal and Great Lakes City's most notorious party throwing chaos-causing troublemaking gold-digging repulsive rat with wings, Sergio Casagrande, and even worse: that fucked-up madman turned that repulsive rat with wings into a cyber bird!

When Lincoln was done explaining, we were absolutely pissed off to the extreme!

Me: I don't believe it! Kurata, Sergio, you two have lived for far too long!

Nico: That's for sure. This time, we end this forever!

Maria Santiago: After all the trouble Sergio's caused our family and everyone in Great Lakes City, we'll make sure he's sent off for good.

Arturo Santiago: That's for sure.

Rosa Casagrande: (Spanish Accent) I did say we were glad to see Sergio go, but knowing him, he was bound to cause even more trouble.

Hector Casagrande: (Spanish Accent) Especially when he sent those thugs after us, and now that he's broken out of prison, now he's back for more.

Carlos Casagrande: Plus, with all the revelations that were revealed to us, it proved Sergio was born bad.

Frida Casagrande: We should've kicked him out last year, but we had mercy for him, but after what he did breaking the Anti-Mascots out and sending those thugs to get revenge on us, this is the last straw.

Carlota Casagrande: This time, we're getting rid of that annoying rat with wings for good.

Carl Casagrande: Don't forget about Kurata, he's the one who broke that stupid bird out and turned him into a cyber bird.

C.J. Casagrande: That's for sure, he's also our main target.

Carlitos Casagrande: So, we got two main targets: Kurata and Sergio.

Mama Lupe: We'll give that rotten bird a good old Mama Lupe Lucha Libre Smackdown.

Paco: I've already got the Luchadore masks ready!

Paco got out Luchadore masks.

Nico: Ooh, nice!

Eli: Wait. Lincoln, will Sergio send more thugs after us?

Lincoln: Nope, in fact yesterday, those groups of thugs that went after us on Nico's rescue and when those eight traitors from Caleb's past showed up back from the dead, those were the last groups of thugs I absorbed.

Me: So, now Sergio's all alone without any thugs to back him up.

Lori: Now, we're literally free to beat him up along with Kurata.

Lincoln: You bet.

But, then, we felt Lincoln's energy and power grow stronger.

Lincoln: Whoa! What on...!

Me: Wait, you're also going to transform on Marcus' big day, Lincoln?!

Nico: I thought you were gonna save it for when we go after that big-butted insane witch, Morag, on your big day.

Lincoln: I was going to, but because Kurata and Sergio are back for revenge, I suddenly feel a torrent of power rushing through me, and it's wanting to get out!

We gasped in shock.

Luna: Those two are so done for now!

Lincoln: That's for sure, Luna. Alright, let's finish up breakfast and get ready to go.

Nico: Alright.

Tommy woke up and saw Lopunny starring at him.

Lopunny: Morning Tommy! Time for breakfast!

Tommy: Oh boy!

Tommy went and got dressed and we had pancakes and eggs.

We finished our breakfast, and we set out to take down the next villain for Nico's rescue, and later on today, we'll make sure Kurata and Sergio pay for all of their crimes.

Ymir: Wow! But man look at all the blast craters and debris!

Me: We had a lot of battles here and they were intense.

Camie: Yeah they sure were.

Varie: Yeah I agree.

Nico: Yeah those were tough.

Qin: But awesome.

Nico: Yep. Spike Rosered, I want to thank you, Parallel Woods, and your teams for coming.

Spke Rosered: No problem Nico. This is gonna be fun.

Kurama: I am looking forward to this.

Me: We all are Kurama.

Nico: Kurama, I have a feeling something you used before will come in handy later

Kurama: Yes and Lincoln said that he is going to use a very amazing technique I used before on Kurata and Sergio.

Me: I have a feeling it's going to be good and cool.

Qin: Yep.

Me: By the way Kurama, that is so cool that you can use all kinds of amazing techniques based on plants. You did an amazing job helping Yusuke and friends out.

Kurama: It is amazing too. I am glad that I have been able to help in so many things with them.

Camie: That is awesome.

Laney: They sure are cool.

Horsea: I think it's cool too

Maria: Same here.

Kurama: I'm glad you think so.

Camie: Yeah.

Lola: I agree.

Me: Yep.

Nico: WOW! Yesterday was EXPLOSIVE!

Gira: Boy it sure was! You guys destroyed Octomus.

Me: That was awesome! WOW!

Nico: We've been on a roll with killing Power Ranger villains the last few days.

Me: Yep. So far we killed Master Org, Emperor Yodon, Venjix, Octomus, Dujardin and any more.

Nico: We sure have.

Rarity: Indeed and this is all an amazing adventure so far darlings.

Qin: It sure is!

Nick Russell: WOW! And also my Akuma was an amazing phoenix!

Nico: He sure was.

Me: Infernal hot!

Nick: Yeah Boomerang got burned by him!

Me: He was REALLY Too hot to handle.

Laney: He sure was.

Rainbow Dash: But it was awesome that we destroyed Octomus.

Me: It sure was.

Nico: And we had calamari.

WE LAUGHED!

Me: Yeah we sure did.

Carly Atlas: And I cooked him in the lava of Mount Doom.

Me: That was so awesome!

Laney: Yeah! Nice job Carly!

Carly Atlas: I agree there too!

Me: Yep. But to be honest? BLECH! Octomus tasted horrible!

Nico: He did taste awful.

Carly Atlas: Yeah.

Poromon: You said it!

Me: Yep.

Lincoln: Okay, guys, we're in for one awesome battle, we're here in Japan, but here's the targets we're going after: they are the hypothetical Akumas of the 10 Legendary Warriors, and together, they're known as THE ANCIENT TITANS OF ARMAGEDDON!

Lincoln got out his sketchbook and we saw The Ancient Titans of Armageddon, the hypothetical Akumas of The 10 Legendary Warriors.

VritraMeramon, The Hypothetical Akuma of AncientGreymon and he has intense fire power that is as strong as 100 times as that of the Fire Dragon God, Vritra from Hindu Myth and his power is strong enough to burn an entire planet to ashes!

ByazekubyoktoLobomon, The Hypothetical Akuma of

AncientGarurumon and a powerful master of Light times 100 and has power equal to that of the strongest gods of light times 100! His power is strong enough to blind you forever with the light of a million suns.

IrisVarodurumon, The Hypothetical Akuma of AncientKazemon and a master of wind and rainbows. She has wind and rainbow powers that are as strong as the Goddess Iris and the gods and goddesses of wind times 100 and her power is really strong.

ZeusThundramon, The Hypothetical Akuma of AncientBeetlemon and a master of intense lightning. He has power that is 100 times more powerful than that of all the Gods of Lightning and Storms combined and he has the power to electrocute and burn everything with intense lightning.

MammothFrostdramon, The Hypothetical Akuma of AncientMegatheriummon and a master of extreme cold and arctic cold at its extreme. He is as strong as 100 ice ages times 1,000 and has the power of all the gods of ice combined into one. He can freeze anything in an instant with the power of Absolute Zero Cold!

EclipseHraesvelgrmon, The Hypothetical Akuma of AncientSphinxmon and a master of darkness and the forces of the undead and the powers of darkness times 1,000. He has the power of all the Gods of Darkness times 1,000 and can enshroud the entire planet in eternal night!

MermaidJormungandrmon, The Hypothetical Akuma of AncientMermaimon and a master of water times 1,000 and she has intense power of water and mermaids. She has the combined power of the gods of water times 1,000 and can wipe everything off the world with the power of a million megatsunamis.

YellowstoneVolcanomon, The Hypothetical Akuma of AncientVolcanomon and he is a volcano with a deadly and super explosive power. He has all the powers of the earth and lava and more. He has all the powers of the Gods of Earth combined into one times 10,000 and he can destroy entire planets in an instant with just the power of a single eruption! When he erupts, he will destroy the Earth times 100,000!

ArkSequoiamon, The Hypothetical Akuma of AncientTroiamon and a master of wood, nature and fruit and more. He has all the powers of the gods of nature and the harvest times 100,000 and he can make all the cities on Earth become rubble and be replaced with incredible nature times 1,000,000.

And PrimusPlanetmon, The Hypothetical Akuma of AncientWisemon and a master of metal and all things metalic. He is the largest of them all and is as big as half of the Earth! He is a deadly force of Metal and can destroy entire planets just by ramming them or blowing them up with powerful lasers. He has all the power of the gods of metal and craft times 100,000 and can reduce entire planets into nothing but smoldering rubble in an instant!

WE GASPED IN PURE SHOCK!

Me: OH MAN! I know The 10 Legendary Warriors are powerful, but their hypothetical Akumas, they have the power to destroy entire planets!

Nico: Just like Sakura Shinju and some of Lincoln's Guardian Angels and some of my old friends as well.

Lincoln: This is going to be one intense fight, so we got to be ready to take them down, and when I blast them into the portals and send them to The M.O.E., it'll cause me and all of us to assimilate their powers as well.

Nico: Nice.

Suddenly, Lincoln had a premonition as the gold versions of The Trinity Mirror behind his large gold halo with four large orbiting gold rings behind his head fired beams of light and they formed into a one-way mirror: it appears Dark Sebastian and those Order of The Dark Universe and Dark Church of Malphas dickheads have sent a general after us!

Lincoln: Are you kidding me?! Dark Sebastian, you little...!

Me: He sent a general after us, that sort of thing is for the main villains of The Power Rangers!

Lincoln: Either way, I'm going to absorb him and drain his soul and send him to The Black Abyss. Now, let's get going.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings and the gold version of the Trinity Mirror behind his large gold halo fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: This is it.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln turned the tips of his eleven massive and long brown wolf tails into Cell's stingers and they went through the portals and they came out of the portals and stabbed them into the massive pecs, necks, arms, and legs of Hawk and Hank. Then, Lincoln began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank was being absorbed into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and twenty-four sets of large white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team as our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings and other sets of large angel wings underneath our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln was done and the stingers retract themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into the portals as they closed and they changed back, we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa, that Min's Egyptian Virility Drain Curse Lincoln put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever!

Lincoln: I knew increasing the strength and potency of my Min's Egyptian Virility Drain Curse on those two was a good idea. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for The Ancient Titans of Armageddon) Aha! Gotcha, I just spotted The Ancient Titans of Armageddon, they're 20 yards away, but they're coming at us fast. (Sensed Dark Sebastian and his minions) Oh shoot! I also spotted Dark Sebastian and his minions, they're also coming after us!

Nico: Let's get a move-on and fast! I don't want to wait for that demonic freakshow to show up.

Roach heard a Pokemon cry.

Roach: Look guys!

We saw a Venonat!

Me: Cool a Venonat.

Nico: Neat.

Venonat: It's cool here.

Roach: Sure is. You hungry?

Venonat: Sure.

He gave her apples.

She ate them.

Roach: Wanna come with?

Venonat: I would be honored!

Me: Awesome.

Poromon: Great!

Qin: Yeah!

Lucy Loud: GASP! Look!

We saw a Crobat.

Me: Cool a Crobat!

Nico: What's that doing here?

Me: I think it's one of Dark Gale's work.

I used Telepathy and gasped!

Me: Fire Cobra Eclipse!

Nico: WHOA! Who is she?

Me: I'll explain later! You're going to get a shock!

I went to face her.

Me: Fire Cobra calm down and lets talk.

All she did was use Supersonic on Horsea.

But I used a Mirror Force defense on it and reflected it back and it hit her.

Me: Nice try.

Horsea: HEY! THAT ALMOST HURT!

She fired a Hyper Beam Blast and it hit her and knocked her down.

Me: Take that!

I fired waves of energy and smashed her. Then I snapped my fingers and she reverted back and was a girl with brown hair and had purple eyes and had red demon wings and had Crobat in the middle of her forehead and had a fire Eclipse symbol on her arm as a cutie mark.

I wrapped her in a blanket and brought her over.

Me: Wow! Guys you are not going to believe this. Fire Cobra Eclipse? She is Vypra's daughter!

WE GASPED IN SHOCK!

Nico: SAY WHAT!?

Nico opened his mouth so wide that his skeleton fell out!

Carter: Are you serious!?

Me: I am dead serious.

She woke up to see Horsea's stern face.

Fire Cobra Eclipse: Huh? A Horsea?

Horsea: (INCOHERENT BABBLING!)

Maria: Whoa whoa whoa! Easy Horsea. Sorry she is fed up with the attacking.

Nico put his skeleton back.

Nico: I hate it when that happens.

Fire Cobra Eclipse: What happened?

Me: You were turned into a Crobat by Dark Gale.

Fire Cobra Eclipse: Oh man. They caught me as I was on my mission.

She was in an orange suit and injected and turned into Crobat! She flew out.

FLASHBACK ENDS

Fire Cobra Eclipse: It was crazy.

Me: We destroyed Dark Gale forever.

Fire Cobra Eclipse: Good.

Nico: What's your role in Sonya's Team?

Fire Cobra Eclipse: I am the firebat master of the team. I use fire bats and burn my enemies. Outside the team I use my time to focus on my mission.

Me: Which is?

Fire Cobra Eclipse: To get revenge on the monster that killed my mother, Queen Bansheera.

Horsea: Your mother needs to know that you're alive!

Fire Cobra Eclipse: My mother is dead.

Me: No she is alive and well.

Fire Cobra Eclipse: But...

Me: Let me show you.

I pulled out my phone and called her.

Me: Vypra we have someone you are gonna want to see. We're on Glaren.

Vypra: Be right there!

She teleported and then came.

Vypra: I'm here.

Fire Cobra Eclipse got up and gasped.

Fire Cobra Eclipse: M-m-m-Mother? Mother?

Vypra: (GASP) Wait are you?

Fire Cobra Eclipse: Yes it's me Fire Cobra Eclipse.

Vypra: It is you! FIRE!

The ran and hugged for the first time in a while!

Fire Cobra Eclipse: MOTHER!

Vypra: FIRE! I'm so happy you're safe!

Fire Cobra Eclipse: ME TOO! (CRYING) I THOUGHT YOU WERE DEAD!

Vypra: I was! Bansheera killed me.

Horsea: And your daughter attacked me!

Maria: Horsea calm down. Calm down. Besides you know it's not her fault.

Horsea: Okay.

Fire Cobra Eclipse: What Bansheera did was awful and I'm never going to forgive her.

Me: Me neither.

Rarity: Lets get you some new clothes darling.

The Fashion brigade gave her purple clothes and an amazing sword.

Fire Cobra Eclipse: I look great!

Vypra: You sure do.

Me: Also get in line though. We all want Bansheera gone.

Camie: Yeah.

Nico: We plan to kill Bansheera in the future

Me: But only on Carter's day to shine. We have a lot of pain to dish out on her.

Vypra: Yeah especially to me for making me merge with her.

Camie: Awful.

Fire Cobra Eclipse: I will gladly help you out then.

Me: Great.

Nico: Lets get business done first.

Vypra: Mind if I help too?

Me: Sure!

Vypra: Cool.

We took off into the air to take down The Ancient Titans of Armageddon and send them to The M.O.E. and send Dark Sebastian's general to The Black Abyss and send those demonic freakshows back to Transylvania.

We were flying in the air, and we saw our targets: THE ANCIENT TITANS OF ARMAGEDDON!

Me: There they are!

We landed.

Me: WHOA!

Lincoln: AncientGreymon, AncientGarurumon, AncientKazemon, AncientBeetlemon, AncientMegatheriummon, AncientSphinxmon, AncientMermaimon, AncientVolcanomon, AncientTroiamon, AncientWisemon, is that you?

VritraMeramon: Yes, it's still us, Lincoln.

Me: Lincoln wasn't kidding about what he saw in his premonition: you all have the power to destroy entire planets!

Sakura Shinju: Same with me and some of Lincoln's Guardian Angels.

Qin: That is intense!

Nico: And some of my friends and many of us. Lincoln told us about you all, but how were you all created? Was it because of...?

ByazekubyoktoLobomon: Yes, it was because of The Digital World's many enemies and Kurata was among them, and we heard of what he did.

Lincoln: We've taken care of The D-Reaper, Murmukusmon, and we got rid of Devimon, and now, we are going to make sure Kurata pays for all of his crimes later on today.

IrisVarodurumon: Along with Sergio.

EclipseHraesvelgrmon: And we also felt it, you're going to transform along with Marcus, Spencer, and Tommy. Originally, you were going to save it for when you went after Morag, but I have a feeling that when you transform to fight Morag, you're going to show a new evolution of your power.

WE GASPED AT WHAT ANCIENTSPHINXMON SAID!

Nico: No way...!

Me: Is what he said...?!

Lincoln: I'll be sure to show you when we do go after Morag, but you're right about what you said, AncientSphinxmon. Sorry we have to do this, but...!

He fired a massive lightning blast and blasted them.

Suddenly, we heard more vampiric shrieks, and we saw more vampires coming right at us, and then, the skies turned red and it started raining down blood.

Me and Nico: Oh no! The skies have turned red and blood is raining down!

Excuse me for a moment.

Suddenly, we saw the 9'11 massive, wide, double-edged hulking midnight black blade of his massive greatsword was suddenly surrounded by an icy blue mist. Then, Sherlock Hound attacked one of the vampires and we felt Sherlock Hound grow even stronger as the blade literally sucked the life out of the vampire as he died and turned to dust. Then, he swung his massive greatsword again and fired projectiles of ice that hit and froze more of the vampires before he struck them with his greatsword and sucked the life out of them and he grew stronger from that as well as they too turned to dust.

Then, we saw the 9'11 massive, wide, double-edged hulking midnight black blade of his massive greatsword was suddenly surrounded by a red flame. Then, Sherlock Hound attacks another vampire and the blade slashed the vampire and he turned to ashes. Then, he swung his massive greatsword again and fired projectiles of fire that hit and turned more of them to ashes!

Me: Dark Sebastian's really starting to piss us off.

Lincoln: He's going to get his just desserts when the times comes, J.D., just be patient. Alright, now it's our turn.

Lincoln fired ten massive rainbow, white, golden yellow, and blue energy blasts that hit The Ancient Titans of Armageddon.

VritraMeramon: Not bad.

But, then, we felt Lincoln and all of us assimilate the powers of The Ancient Titans of Armageddon: VitraMeramon's intense fire power that's 100 times as strong as that of the Fire Dragon God, Vritra from Hindu Myth and strong enough to burn an entire planet to ashes, ByazekubyoktoLobomon's intense power of light times 100 and equal to that of the strongest Gods of Light times 100 and strong enough to blind a man forever with the light of a million suns, IrisVarodurumon's really strong wind and rainbow powers that are as strong as the Goddess Iris and the Gods and Goddesses of Wind times 100, ZeusThundramon's intense lightning power that's 100 times more powerful than that of all the Gods of Lightning and Storms combined and the power to electrocute and burn everything with intense lightning, MammothFrostdramon's power of all the Gods of Ice combined into one that's as strong as 100 ice ages times 1,000 and can freeze anything in an instant with the power of Absolute Zero Cold, EclipseHraesvelgrmon's powers of darkness times 1,000 and the power of all the Gods of Darkness times 1,000 and power to enshroud an entire planet in eternal night, MermaidJormungandrmon's intense powers of water and mermaids times 1,000 and combined power of the Gods of Water times 1,000 and power to wipe everything off the world with the power of a million megatsunamis, YellowstoneVolcanomon's powers of the earth and lava and more and all the powers of the Gods of Earth combined into one times 10,000 and power to destroy entire planets in an instant with just the power of a single eruption, ArkSequoiamon's power of wood, nature and fruit and more and all the powers of the Gods of Nature and The Harvest times 100,000 and power to make all the cities on Earth become rubble and be replaced with incredible nature times 1,000,000, and PrimusPlanetmon's power of metal and all things metallic and all the power of the Gods of Metal and Craft times 100,000 and power to reduce entire planets into nothing but smoldering rubble in an instant, and we really grew stronger thanks to that.

Me: WHOA! I feel even more stronger than ever!

Nico: Me too.

Suddenly, we saw the symbols of The Spirits of Fire, Light, Ice, Wind, Thunder, Earth, Wood, Water, Steel, and Darkness appear around the center of Lincoln's Cutie Mark Celtic Cross tattoo on his back.

Tommy Himi: Wow.

The 10 Legendary Warriors saw it for themselves, and then, a memory flashed in their minds.

AncientSphinxmon: (GASPS) Now, I remember you, Lincoln.

Me: You also met Lincoln?

Lilithmon: It was around the time he not only saved Ranamon, LadyDevimon, and I, but also, around the time he and the others defeated Ogdumon, which also destroyed my former fellow Demon Lords, Lucemon, Leviamon, Daemon, Belphemon, Barbamon, and Beelzemon before he redeemed himself and became Beelzemon Blast Mode.

AncientGreymon: Yes, that's right, and you weren't the only one who became an Emissary of The 10 Legendary Warriors, J.D.

AncientMermaimon: Years ago after Ogdumon was destroyed, in recognition of his efforts in saving Ranamon, LadyDevimon, and Lilithmon along with the entire Digital World and Earth, The Royal Knights, The 10 Legendary Warriors, The Digimon Sovereign, and The Celestial Digimon awarded Lincoln with this: he was named as Defender of The Digital World and he was made an Emissary of The Royal Knights, The 10 Legendary Warriors, The Digimon Sovereign, and The Celestial Digimon.

WE GASPED IN AWE: THE 10 LEGENDARY WARRIORS HAVE REVEALED ANOTHER SIDE OF LINCOLN!

Me: Oh man...! That's...so...INCREDIBLY AWESOME!

Eli: Congratulations Lincoln! That's quite a Title.

Nico: Oh man, it's enough knowing you're one of The Digi-Destined of Royal Woods, but to also know you're The Defender of The Digital World and The Emissary of The Royal Knights, The 10

Lincoln: Alright, let's do this. (Sensed Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra) Nice try, psychos.

Suddenly, Lincoln fired massive waves of light from his massive white angel wings and twenty-four sets of large white angel wings underneath his massive white angel wings and forced out Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra.

Nico: Oh great, it's our least favorite and absolutely demonic pain in the ass, Dark Sebastian, along with the other demonic dickheads.

Dark Sebastian: YOU SHUT YOUR MOUTH, YOU MISERABLE FILTHY APE! WE'LL SEE HOW LONG THAT SMARTASS MOUTH OF YOURS LASTS! ANDRAS, DEMON GENERAL OF HELL, I SUMMON YOU TO BATTLE!

We saw a 12'5" extremely muscular male demon with curved horns on his head and massive black fallen angel wings and dressed only in black shorts and loincloth and carrying a massive demonic greatsword came out.

Alaister Necroshade: DESTROY TEAM LOUD PHOENIX STORM AND THE MASTERS OF EVIL ALONG WITH THE ANCIENT TITANS OF ARMAGEDDON! LEAVE NOTHING OF THEM IN YOUR WAKE!

Andras charged at us, but Lincoln charged at Andras and he really trashed the hulking demon general as he punched and kicked him and slashed at him all over the place, and he was really working up a sweat, and finally, he knocked Andras down.

Then, Lincoln morphed the tips of his tails into Cell's stingers and he stabbed them into the chest of Andras, and he began absorbing him and he assimilated his massive superhuman and demonic upper body and lower body strength, massive muscle mass, virility, testosterone, and immense demonic and dark powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and twenty-four sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of Andras except for his loincloth and shorts and Lincoln drained Andras' soul of energy and sent him to The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Me: Nice one, Lincoln!

Nico: Way to teach that demon a lesson.

Seeing what happened to Andras getting taken down and absorbed by Lincoln royally pissed off Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra!

Damon Necroshade: LET'S TEAR THEM ALL APART!

Dark Sebastian: I WILL NOT LET THE PROPHECY COME TRUE! THIS TIME, YOU'RE ALL GOING TO DIE HERE AND NOW! LORD MALPHAS WILL PRAISE US WHEN WE DELIVER UNTO HIM

YOUR HEADS AND ALL OF MANKIND AND LIFE ON EARTH AND THE UNIVERSE AND BEYOND WILL BE DESTROYED ONCE AND FOR ALL! (LAUGHING INSANELY)

Caleb Maxwell started shooting at the bastards and bitches with silver bullets from his guns, and they were all falling one by one. But, there were too many of them approaching, and then, Caleb Maxwell got an idea: he got on top of the barrier, and then, he spun like a tornado and proceeded to fire on all sides at them as they all got hit and were sent flying back to Transylvania cursing at us like there was not tomorrow and we grew even stronger thanks to their toxic hatred. Then, the barrier deactivated and Caleb then lands and rejoins us.

Lincoln: Right, let's end this.

?: WE WILL NEVER STOP UNTIL WE PREVENT THE PROPHECY FROM COMING TRUE! DIE!

Suddenly, we saw Dark Sebastian and his insane cronies coming right after us yet again, but Lincoln fired blasts of holy water that blasted and hit Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra and forced them off, and Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra screamed in pain as steam came off of them as the holy water burned them like acid.

But, when the holy water blasts hit Dark Sebastian, he screamed in demonic anger and pain, and we saw his form suddenly destabilize as we saw the right side of his face suddenly transform into a black ooze with a demonic red eye and masses of demonic red eyes, but he managed to morph the right side of his face back to normal and he growled demonically.

Suddenly, Lincoln's deep sapphire eyes and the rainbow iris of his eyes turned heavenly golden yellow as we felt a massive and powerful divine force coming from him and heavenly lights shined down as the Angels and Archangels of Heaven appeared.

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) You truly do not know when to give up and stay away, do you? Well, I better send you all right back to Transylvania and fast.

Lincoln fired many beams of heavenly light and they hit Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra, and they were sent flying away yet again as the lot of them cursed at us like crazy and we grew stronger as a result thanks to their toxic hatred.

Nico: They spoke of a prophecy, what was it?

Lincoln, Nico, and I attacked them with two powerful energy slashes, and then...!

Lincoln, Nico, and Me: NOW, BEGONE!

Lincoln, Nico, and I did one final powerful energy slash that hit The Ancient Titans of Armageddon hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and The Ancient Titans of Armageddon were on their last legs and they were really really mangled.

Then, Lincoln fired ten massive rainbow, white, golden yellow, and blue energy blasts that hit The Ancient Titans of Armageddon and sent them into portals that led to The M.O.E., and once they were inside, the portals closed.

Eli: We got them!

We cheered as we holstered our weapons and we powered down, and the new bodies, clothes, weapons, jewelry, Third Eyes, eleven massive and long colored wolf tails, large gold halos with four large orbiting gold rings on each corner behind the heads, thirty-five large colored planets orbiting around the legs, thirty-five smaller colored planets orbiting around the waists, smaller planets orbiting around the fingers, medium sized colored planets orbiting around the wrists and ankles, and massive colored angel wings and twenty-four sets of large colored angel wings underneath the massive colored angel wings of Zhalia Zvezda, Sara Stargazer, Simone Honou, Zoey Zhuqiaomon, Seiryu Azulongmon, Genbu Ebonwumon, Byakko Baihumon, Hikari Huanglongmon, and Hailey Huanglong are permanent.

Zhalia Zvezda: That was one really intense fight, but we defeated The Ancient Titans of Armageddon.

Nico: And before you all transformed, Lincoln and all of us assimilated the powers of The Ancient Titans of Armageddon: VritraMeramon's intense fire power that's 100 times as strong as that of the Fire Dragon God, Vritra from Hindu Myth and strong enough to burn an entire planet to ashes, ByazekubyoktoLobomon's intense power of light times 100 and equal to that of the strongest

Me: And we found out that Lincoln's not only the Digi-Destined of Royal Woods, but he's also The Defender of The Digital World and The Emissary of The Royal Knights, The 10 Legendary Warriors, The Digimon Sovereign, and The Celestial Digimon. (To God) So, My Lord, what was this prophecy that Dark Sebastian was ranting about? Does it have to do with our showdown with him, The Order of The Dark Universe, and The Dark Church of Malphas?

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) That may be one prophecy, James, and it's one that'll end in his death, but I know the other prophecy Dark Sebastian was also ranting about, and it has to do with the very monster who was responsible for the dark events of 1621: Dark Chase Young.

Suddenly, a tablet made of solid marble had appeared and on the marble tablet was a prophecy in Gaelic etched on the tablet with a stone chisel.

Nico: A marble tablet, and there's a prophecy etched on it, like the one we saw for the prophecy that details the return of Twilight Sparkle of Sunny's world by slaying Queen Opaline.

Me: That's incredible, and the writing on the tablet, that's in...!

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) The language you see that's been used on the tablet is Gaelic. It says here, "1,500 years ago, a great Xiaolin Warrior had made a deal with a conniving trickster who gave him a potion that granted him immense power and immortality, and as he consumed it, it caused his heart to turn black and poisonous with pure unimaginable evil and who sought nothing more than to destroy all of humanity and the world. But, there is only one person who can stop him: a pure-hearted courageous and determined warrior who is the reincarnation of The Sun Goddess, Amaterasu, and descendant of Duke Lachlan McLoud of Loch Loud. When the day of the evil one's judgement comes, the lives of those he'd destroyed and torn asunder over the centuries will be avenged."

WE GASPED IN AWE!

Selene Arcangela: This proves it: Lincoln's the chosen one destined to bring an end to The Dark Side of Chase Young for good. So, when Kimiko's day comes, Lincoln must stab Dark Chase Young right in his black heart with his newly upgraded greatsword and that'll avenge the lives of all those that dark monster's torn asunder and ruined over the centuries.

Then, God took his leave as Lincoln's heavenly golden yellow eyes changed back to deep sapphire blue and the heavenly golden yellow iris of Lincoln's Third Eye changed back to rainbow colors.

Lincoln: That's right.

Eli: That is amazing Lincoln!

Lincoln: Yep.

Nico: THAT WAS AWESOME!

Me: YEAH IT WAS!

Qin: That was cool!

Camie: We had a lot of fun.

Nico: Nice job, Venonat!

Venonat: Thanks Nico. It was cool.

Me: It sure was.

Venonat: Got any grog?

Me: Ooh you like it awesome.

I pulled out my portable bar and made Grog with pineapple and rum.

Poromon: Cool!

Me: There you go.

I gave Venonat some.

Venonat drank it. Then...

BARNEY GUMBLE BELCH!

Mr. Krabs: (LAUGHS) A new Grog Drinking buddy.

We laughed too!

Me: Fun.

Nico: I wonder what will happen later.

Me: Oh speaking of which, Vypra, Nico, Takumi, Cassidy, I need your help with something very important. I'm afraid I got really bad news.

Nico: Don't tell me.

Me: Yep.

Nico: Oh boy.

Cassidy: Oh boy.

Me: Yeah.

Ymir: Before we fight the Anothers, I need to know. Who is Kurata?

Me: Oh right we never told you. His name is Dr. Akihiro Kurata. He's one of our most hated enemies.

Marcus Damon: And someone that hates me and my family with a vengeance.

Me: Yep.

I went over his history.

Professor Akihiro Kurata (simply known as Akihiro Kurata, Professor Kurata or Kurata) is the main antagonist of Digimon Savers/Data Squad, Marcus and Keenan's arch-nemesis and the titular group's sworn enemy. One of the few human antagonists in the series, Kurata hated all Digimon and vowed to destroy them along with the Digital World itself. He was the first genuinely evil human villain in the franchise.

He was voiced by Masami Kikuchi in the Japanese version and Brian Palermo in the English version.

Past

Kurata was once a member of the missing Dr. Spencer Daimon's exploration team, searching for the Criers lost son, Keenan, but during their mission along the way, Kurata was attacked by a Lynxmon, but Spencer drove it away and chastised Kurata that using a gun is the coward's way. That is explained why Kurata is afraid of Digimon and thinks they are a threat to mankind, also foreshadowing his true nature.

Kurata later returns to the Digital World with several human minions and begun his reign of terror by destroying countless innocent Digimon with his own creations, the Gizumon, including Keenan Crier's (the mission's target) foster mother, Frigimon. Then Merukimon arrived on the scene and destroys the Gizumons, and attacked Kurata, forcing the evil scientist to retreat back to the Real World.

Some time after the incident, Kurata disguised his true nature by organizing another expedition to the Digital World, right after Keenan's rescue by Marcus (Spencer's son), Thomas and Yoshino and their respective partners. Throughout the expedition, they defeat Merukimon's henchman, Gotsumon, and manage to reach his castle.

When reaching the Infinity Ridge, Merukimon tells Marcus and other DATS members the shocking truth about Keenan's tragic past, how he lost his foster mother, Frigimon, and how Kurata was the real enemy and is responsible for the massacre attack in the Digital World. After the horrible events from the past were revealed, Kurata took his revenge on Merukimon by sending a Gizumon AT and shot through his chest, wounding him.

Marcus attempts to attack Kurata, but was blocked by Gizumon AT. Kurata then threatens to prosecute the Data Squad members for treason if they challenged his story about Merukimon attacking him first. Marcus provokes to Kurata that he was a dirty coward, and he only wanted to destroy Digimon instead of dealing with them. Kurata Digivolved Gizumon AT into Gizumon XT. During the battle, Merukimon explains to Keenan that he doesn't hate all humans, not even Marcus. He sacrifices himself to severely damage Gizumon XT, and Merukimon in return, took a fatal blast at Gizumon XT, killing him, and also destroying his Digi-Egg. After learning about not to hate all humans, only with evil in their hearts, Keenan, infuriated by Merukimon's death, took his revenge by Digivolving Falcomon into Crowmon for the first time and destroyed the first Gizumon XT, but Kurata managed to escape in a portal through a Digital Gate.

When the Data Squad members returned to DATS headquarters, Director Hashiba dismisses them as traitors and erases their memories and imprisoning their partner Digimon, allowing Kurata to take over DATS. After Marcus and the others recovered their memories and reunited their partner Digimon and defeated a Gizumon AT, Kurata destroyed DATS headquarters by blowing it up with a bomb and escaped to the Digital World.

Later, when the DATS were trying to stop Kurata from destroying peace in the Digital World, they encountered Kurata's henchmen, the Bio-Hybrids, a trio of human that each have the ability to Digivolve themselves into a Digimon. When Marcus and Keenan were about to take their revenge on Kurata, he opened up a huge Digital Gate to send ElDradimon to the Real World.

When the DATS returned to the Real World, Kurata had another trick up his sleeve. He invented the Gizumon Javelin, a secret weapon formed by Gizumon XTs. While Kouki distracts Marcus and ShineGreymon, he bides his time completing his javelin. Just as ShineGreymon and Marcus were about to save ElDradimon, they realized too late as Kurata was able to succeed in destroying ElDradimon permanently in order to collect just enough to awaken Belphemon.

Afterwards, while Thomas returned to his father's mansion to reunite with him and his sister, Relena, Kurata blackmails him into joining forces with him to cure his sister's mysterious disease. Thomas was forced to betray the Data Squad by his father. After Thomas and MirageGaogamon were forced to flee from ShineGreymon's rampage, Kurata takes him to his laboratory to show Belphemon, and explains his real plan about making the Digital World his backyard.

Kurata then unleashes Belphemon and watches him destroy the city buildings. Kurata then calls Director Hashiba, revealing his treactury and that he demands the world bow down before him. When Thomas betrayed Kurata and destroyed the device. Upon his betrayal Kurata became furious and decides to get revenge on

Thomas by transforming himself into data and to merge with Belphemon to become his Rage Mode and control him better. While mutated as Belphemon, Kurata was still able to talk through Belphemon, and gains enhanced strength. After Crowmon digivolves to Ravemon for the first time and strikes Belphemon. Belphemon then swallows up Kurata's consciousness and rampages through the city, caring more about destruction. He then spoke a few lines in a new demonic voice.

Eventually, after Agumon is reborn and becomes ShineGreymon once again, he takes down Kurata (as Belphemon). However, Kurata regains his consciousness inside Belphemon, and his face emerged from the demon's chest, more mutated and uglier than ever, getting in better control of Belphemon. Angry at Marcus for ruining his schemes, he rants about hating him for foiling his plans for becoming a world ruler. When Marcus tells Kurata off, stating that it was a lame reason to become a world ruler, he goes into a mental breakdown and Belphemon absorbs all the city lights to make him grow and swallow some space devices, giving them both a new attack, which can rip through the space continuum.

During Belphemon's new attacks, Kurata continues ranting and raving at Marcus. Kurata tries to blast away Marcus at close range, but the attack was immediately stopped by MirageGaogamon, Rosemon, and Ravemon. Thinking that all hope is lost, Marcus begs to ShineGreymon to give him more power, and him and ShineGreymon shared their bond and newfound strength became the true Burst Mode. Kurata was terrified when Belphemon's attacks met his match for ShineGreymon's new Burst Mode form and looks on in horror as ShineGreymon approaches him. Marcus then emerged from ShineGreymon's hand, and Kurata attempts to beg for mercy, but Marcus punched him right in the face, while ShineGreymon did the same punch at Belphemon's head. After Belphemon was defeated, Kurata reverts back to his human form and was helplessly floating in the air. Refusing to admit defeat, he opened the gate to the Digital World, but it caused the Real World to be put in danger. Shocked at this, Kurata struggles and screams for help, but was pulled into the gap between the two worlds and vaporized by a white light, killing him for good.

However, his actions led a legacy between King Drasil, the Digital World's ruler to view humanity as a threat as well. After both worlds were restored following King Drasil's defeat, Kurata's legacy was tarnished for good.

When I was done everyone that hadn't heard about it was shocked and horrified!

Qin: Yeah.

Ymir: He is a monster!

Me: Yep.

Camie: I remember.

Laney: He's also the inventor of the Kurata Supercharge breakdowns. Listen.

On a recording she played it.

Kurata: (On the recording) DAMON, DAMON, DAMON! The first thorn in my side was the father, Spencer Damon, and now it's his meddling son Marcus! Why?! I hate you Marcus Damon! I never hated anyone or anything more than I hate you! Why is it always you, why must you stand in the way of my plans time after time, again and again?! I am getting so sick of the Damon family sticking their nose where it doesn't belong! If it hadn't been for the two of you, both the father and the son, then I would already be ruler of both the Human World and the Digital World by now!

When it was done Marcus Damon exploded in power from that!

Marcus Damon: WHOA! That was intense.

Me: Yep. Lots of villains made villainous breakdowns like that directed at us and we got intensely SUPERCHARGED from it.

Ymir: Incredible!

Vypra: Yep and he is also the reason why SaberLeomon went and joined Team Dark Phoenix Storm.

Ymir: Wow!

Me: Yep. He wants to kill us all including all Digimon. Well he is in for a shock when we face him soon.

Lola: Yep.

Nico: Oh, Spike Rosered, what do you like to do in your free time?

Spike Rosered: I like working in a greenhouse store and make amazing plants. They are so pretty.

Nico: They sure are.

Lincoln: Yeah. (Sensed the Anothers) Uh oh, here come the Anothers!

Eli: (Sensed The Anothers) Lincoln's right, I sense them. And one of them is Another Marcus Damon and Tommy Himi.

Lincoln: Since we're facing Kurata, it makes sense Another Marcus Damon would show up.

Another Parallel Woods reverted back and it was the gene-slammer of Elemental HERO Divine Neos!

Nico: Diana Divine Neos!

Diana Divine Neos: Good to see you Nico.

Diana Divine Neos: I sure am. I have omnipotent power and it's intensely strong.

Diana Divine Neos: And I also have Parallel Woods powers too.

Parallel Woods: That is awesome!

Qin: Cool!

Nico: And your friends?

Another Marcus: (In a girls voice) Someone who is proud of her brother.

She reverted back and was a female version of Marcus.

Marcus: Melanie!

She and Marcus hugged her.

Marcus: Melanie it's great to see you. Melanie is my twin sister. She also has Lillymon as her partner.

Camie: WHOA COOL!

She reverted back and was a girl with olive green hair and had green eyes and green clothes and white angel wings.

Tommy Himi: Abigail!

She and Tommy hugged.

Tommy Himi: Guys this is Abigail Kurata. She's Kurata's daughter.

WE GASPED!

Nico: SAY WHAT!?

Nico opened his mouth wide and his skeleton fell out again!

Poromon: How do you know Tommy then?

Abigail Kurata: I am his caretaker and I teach him how to cook and all that. We developed a sibling bond. Also I HATE MY FATHER! He is a monster!

Nico put his skeleton back.

Nico: I hate it when that happens.

Me: But that's good you hate your father.

Kaito (gets out Zi O gear): Did Swartz promise you anything?

Zocks (Gets out Zero One gear): Because we can grant it instead

They got weapons for said teams.

Diana Divine Neos: No he didn't because he feared me and my power. I used my powers and made him turn into an old man and we used that to flee.

Nico: WHOA! Amazing!

Camie: Yeah.

Melanie Damon: Yeah.

Abigail Kurata: It sure was.

Sakura Knudson: That explains why he was turned into an old geezer back then.

Sougo (gets out Zi O II Ridewatch): You should know what your father has done now.

Rider Time! (Synthesizer tone) Kamen Rider~! (Rider~!) Zi-O! (Zi-O!) Zi-O~! II!

Geiz (Gets out Vulcan Ridewatch): He busted Sergio out and turned him into a Cyber Bird.

Sougo became Zi O II while Geiz got VulcanArmor

Me: Yeah.

Nico: Lincoln told us about it.

Abigail Kurata: I know. Father really is evil.

Nico: Worse than that.

Lincoln: Lets separate you first.

We did so.

Me: Lets get it on!

Nico: (gets out Parallel Woods' Ridewatch) Don't get lost in the woods!

May: (Gets out Obsession Robin's Ridewatch) I KNOW IT WAS YOU! TALK!

Maria: (Gets out Flower Children's Ridewatch) Flowers bloom!

Kurama: (gets out Evil Nuova Shenron's Ridewatch) I am fire!

They used the powers of Parallel Woods, Evil Nuova Shenron, Obsession Robin, H2Org, Flower Children and Nergal Jr. And blasted the Anothers.

It erupted like a volcano and out came Evil HERO Dark Gaia!

Me: WHOA! Evil HERO Dark Gaia!

Xenia: WOW!

It flew out and landed.

Evil HERO Dark Gaia: (In a girls voice) Looks like the fun started.

Nico: Pele Gaia! Wow!

She reverted back and was a girl with red orange hair and red eyes and had red and brown clothes and had fire angel wings and had Dark Gaia on her shirt, forehead, skirt and arm and a volcano trident.

Pele Gaia: Good to see you Nico. I got this. MALICE FIRE METEORS!

She fired waves of flaming fire storm and smashed the Anothers and blasted them. I caught the ridewatches and purified them.

Me: YEAH!

Snake Man: My team's next!

Me: Yep.

Nico: Nice job!

Pele Gaia: Thanks!

Me: Awesome entrance.

Pele Gaia: Thanks. It was awesome.

Kurama: Do you have a good memory of Nico?

Pele Gaia: I sure do. When me and Nico did research on Yellowstone Volcano and how it's a huge volcano. It's awesome.

Me: It sure is.

Xenia: Yeah.

They hugged.

Nico: I've missed you.

Pele Gaia: Same here.

We went back home.

(Disney), Spike Rosered, Kurama (Yu Yu Hakusho), Rhonda Rose, Rosalina Rose, Magnolia Monroe, and Flora Halinora are heading to Arendelle, and not only is Lincoln going to rescue the four girls here, but we got really big trouble.

It appears Dark Lori, Dark Lola, Dark Lisa, and Dark Luan, the four eternally damned deceitful monstrous bitching banshees whom Lincoln harbored so much anger and rage at because of everything he'd been through before we removed those bitches along with Dark Lynn and got rid of them, have been freed from Hell by Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra, and they're on the rampage in Arendelle tearing the shops and buildings apart in a demonic fit of monstrous anarchy and cruelty and laughing like the bitching banshees that they are!

Well, that's going to be the last fucking straw that breaks the camel's back, we're so going to enjoy tearing those four bitches apart limb from limb, and Lincoln has some really nasty ways to kill them one by one, and brace yourself: what you're about to see and hear is completely graphic: For Dark Lori, Lincoln's going to slice her into many pieces by trapping her in a tornado with razor sharp wind gusts before it bursts into flames and sets the bitch on fire, for Dark Luan, Lincoln's going to throw her into an abandoned minefield full to the brim of her own nefarious pranks and gags and Lincoln's going to drop a metal ball on the spot that'll cause the traps to activate and Dark Luan's going to be torn limb from limb and after that, she'll be thrown in (DRAMATIC VOICE) THE SUSHIMAKER! (SCREAMS OF TERROR), for Dark Lola, Lincoln's going to tar and feather the rampaging little banshee and Lori will have her posted on the internet and laughed at by everyone, which'll send her into a fiery rage, but by the time she gets close to any of us, the tar covering her will explode because the tar Lincoln used on her is extremely flammable, and for Dark Lisa: Lincoln's going to have her strapped to a table and dissected alive as he tears her open and removes all of her internal organs, and finally, he sucks out her brain and intelligence, and she dies on the dissection table!

And after that, he'll send their blackhearted spirits straight to The Black Abyss forever! But, we're also going to hear Lincoln use his Mean Sister rants on those banshees! Plus, we also got all of TLPS and The M.O.E. here as well, but when we got to Arendelle, the shops and buildings were really torn apart and we heard the sounds of cruel demonic laughing.

Lincoln: Oh man, we're here in Arendelle, and I know what we're going to do here, not only am I going to rescue the four girls here, but we got really big trouble.

Vina Vexen: And I already know what the trouble is, Lincoln: it appears Dark Lori, Dark Lola, Dark Lisa, and Dark Luan, the four eternally damned deceitful monstrous bitching banshees whom you harbored so much anger and rage at because of everything he'd been through before we removed those bitches along with Dark Lynn and got rid of them, have been freed from Hell by Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra, and they're on the rampage in Arendelle tearing the shops and buildings apart!

Maria: That explains why we saw the shops and buildings torn apart and we also heard the sounds of cruel demonic laughing in the air!

Me: I should've known those four bitching banshees would be back!

Nico: Those banshees are going to get such an asskicking once again, and we'll send them straight to The Black Abyss to join Dark Lynn there.

Spike Rosered: But, first, we should repair the damage those four banshees have caused.

Lincoln: Already on it. (SNAPS FINGERS)

Lincoln snapped his fingers and the damage those banshees have done to the shops and buildings are repaired.

Lana: Alright, now let's go find those monsters and stop them for good.

We got a move on and we met up with Elsa, Anna, Kristoff, and Olaf.

Anna: Guys, we're so glad you made it.

Elsa: We saw the whole thing. I can't believe those snakes freed the Dark Sides of Lori, Luan, Lola, and Lisa.

Lana: They seriously crossed another line once again. Lincoln already put down Dark Lynn, now all that's left is to put down Dark Lori, Dark Luan, Dark Lola, and Dark Lisa for good.

Kristoff: They're in the northern part of the town, but we need to hurry.

Elsa: He's right, it won't be long before they head for the royal palace.

Lincoln: Not on our watch! Let's go.

We then flew off to confront Dark Lori, Dark Luan, Dark Lola, and Dark Lisa and put them down for good.

We got the northern part of Arendelle, and there we saw Dark Lori, Dark Luan, Dark Lola, and Dark Lisa tearing it apart and laughing like the cruel malicious bitching banshees that they are.

Nebula Lanaia: I've absolutely had it up to hear with those deceitful jealous bitching banshees for the last time!

But, before Nebula Lanaia or Lincoln could attack them, those four banshees got electrocuted, and as soon as we landed, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long blue hair with blue flower in her hair, blue eyes, massive blue angel wings, the Lightning symbol tattoo on her right arm and Lightning symbol on her forehead, blue short-sleeved blouse, blue short-sleeved frilly shirt, white gloves, blue skirt with the Lightning symbol, blue knee-high high-heeled boots with butterfly buckles, long white long-sleeved trenchcoat with stars, lightning bolts, phoenixes, and angels on the coattails, and on the back is the symbol of Lightning from Magic The Gathering, she has a lightning greatsword in her right hand, and with her are the four girls.

Lincoln: (GASPS) Audra Asterope, Queen of The Elemental Plane of Lightning and Avatar of The Lightning, Tempest, and Storm Elementals of Magic The Gathering.

Audra Asterope: That's right, and I got the girls away from those banshees before they could kill them and drink their blood.

Nebula Lanaia: That's good. You four got some nerve coming back from Hell!

Lincoln: I knew banishing you four to Hell was a bad idea and it came to bite me in the ass, but I'm going to fix that by getting rid of you four permanently just like what I did to that filthy animal, Dark Lynn.

Dark Lori: YOU MOTHERFUCKING OVERGROWN TWERP! I'M GOING TO KILL YOU!

Nebula Lanaia: Why, you two-faced bitch!

Then, that's when Lincoln lost it and exploded at Dark Lori.

Lincoln: YOU SHUT YOUR GODDAMN GARBAGE MOUTH, BITCH! Seriously, you know, you remind me of all the Evil Sasukes that we've been killing, and J.D. still remembered saying the very same thing to Sasuke's evil father in 150,000 years hence just as he was killing the Uchiha for their crimes and snuffing out the very darkness that they used to destroy so many lives. That day, when you turned my big sister, Lori, into something that I was unable to recognize and kill me and all for your petty hatred of me and your stupid toxicity, all you did that day was seal your fate. You poisoned Lori with your pathetic toxic behavior thinking that girls are better than boys who deserve to be looked down on, you ugly evil little cow! And even worse than that, you turned Lori into an absolute Alpha Bitch with a 50-ft stick up her butt, and your own hatred towards me, her own brother, along with a toxic hatred over everything had turned her into a completely hard-headed, homicidal, completely mentally unstable psychopathic control freak witch and an almost totally lost cause who wanted everyone to do what you say, that was until J.D. saved her. You never showed any value towards friendship or comradery, you just wanted everything handed to you on a silver platter, you fucking dickhead bitch! You have and always be a rotten evil control freak, and whenever you don't get your own way, you just get angry and you resort to violence to get your own way, and you just say that you're destined for greatness. SHUT THE FUCK UP! But, as I'd seen, you've turned out to be a pathetic lost cause, and you know it. You'll never be in the same league as Lori because she changed her attitude and repaired all of the bonds you almost shattered after you were removed and I permanently severed you from her, and it's true that she deserved every last beating for what she'd tried to do in killing me, but that's your fault from the very beginning you came into existence, and there's the one thing that will always beat your toxic hatred: love, and it was the love Lori had for me, our family, friends, her kids, and her husband, Bobby, that she finally broke free from you, you toxic bitch, and she was also chosen by Ga'Oh to be her champion, and because of it, she'd gotten stronger and smarter in these last eight years. Plus, you will never ever be in the same league as me, I can destroy the entire universe in the mere blink of a cosmic eye, in fact, next to my kind of power, you are and always will be nothing compared to me and you have and always will be nothing but a pathetic ant compared to it. The way I see it, you have and always will be nothing more than a toxic, evil, misandrist, cold-blooded, black-hearted, selfish, abusive, psychopathic, control freak bitch, it's downright fucking disgusting. As one of the most powerful fighters and warriors and champions in the universe, all I see when I look at you is still the same fucked up miserable fuckweed and a heartless motherfucking psychotic wretch, and on top of that, I'll always fucking hate your style above all others, you ruthless fuckkicker! What is it that you were hoping to accomplish? Forcing us to do your bidding, beating me up to an inch of my life, trying to humiliate me and trying to kill me and everyone around me and making me suffer for your own amusement, committing crimes all over Michigan by acting like a control freak psychopathic bitch and assaulting people just to satisfy your own urges of chaos and destruction, murdering innocent people, pursuing petty and worthless desires like revenge, and above all, betraying the very family who'd loved you since birth and the little brother whom you swore to protect. But, then again, you don't give a flying fuck about anyone but your pathetic goddamned motherfucking self and that is exactly why I'm going to finish what you started eight years ago and finally kill you once and for all, and this time, I'm going to make absolutely sure that you're reduced to nothing more than a forgotten memory: a shadow of a dark past that Chase Young's Dark Side caused. You have and always will be a toxic, evil, selfish, cold-blooded, black-hearted powerhungry control freak witch that murders, lies, steals, betrays, and beats up innocent people for your own self amusement. YOU FUCKING DISGUST ME TO NO END, YOU CONTROL FREAK BITCH! (RAINBOW, WHITE, GOLDEN YELLOW, AND BLUE ENERGY AURA FLARES UP AND UPPER AND LOWER BODY MUSCLES BULGE EVEN MORE) I'VE HAD IT UP TO HEAR WITH YOU AND THE ENDLESS TOXICITY THAT COMES OUT OF YOUR MOUTH! YOU HAVE MADE MY LIFE A LIVING HELL FOR THE LAST TIME, DARK LORI! THIS IS WHERE IT FINALLY ENDS FOR YOU, YOU DISGUSTING PILE OF GARBAGE!

DARK LORI WAS ABSOLUTELY HORRIFIED AT WHAT LINCOLN SAID, AND WE CHEERED WILDLY AT WHAT LINCOLN SAID!

Nebula Lanaia: WHOO! WELL SAID, LINCOLN!

Me: You got that right! (FLIPS DARK LORI BOTH MIDDLE FINGERS) AND TAKE THAT, BITCH! YOU GOT TOLD OFF!

That made Dark Lori extremely angry and furious! But, Lincoln gave her the finger and he turned his attention to Dark Lola!

Dark Lola: YOU MISERABLE PEASENTS! I WILL KILL EVERY LAST ONE OF YOU AND EVERYONE WILL BOW BEFORE ME!

Lincoln: YOU SHUT YOUR GODDAMN GARBAGE MOUTH, YOU RAMPAGING SHE-DEMON! Seriously, you know, you remind me of all the Evil Sasukes that we've been killing, and J.D. still remembered saying the very same thing to Sasuke's evil father in

150,000 years hence just as he was killing the Uchiha for their crimes and snuffing out the very darkness that they used to destroy so many lives. That day when you turned my little sister, Lola, into something that I was unable to recognize and kill me and all for your petty hatred of me and your stupid toxicity, all you did that day was seal your fate. You poisoned Lola with your pathetic toxic behavior thinking that only you are more important than everyone else around you, you spiteful little witch! And even worse than that, you turned Lola into a blackmailing rampaging evil little monster, and your own hatred towards me, her own brother, along with a toxic hatred over everything had turned her into a completely hard-headed, homicidal, completely unstable psychopathic sociopathic witch and an almost totally lost cause who wanted everyone to do what you say, that was until J.D. saved her. You never showed any value towards friendship or comradery, you just wanted everything handed to you on a silver platter, you fucking dickhead bitch! You have and always be an evil rampaging sociopathic little monster, and whenever you don't get your own way, you just get angry and you resort to violence to get your own way, and you just say that you're destined for greatness. SHUT THE FUCK UP! But, as I'd seen, you've turned out to be a pathetic lost cause, and you know it. You'll never be in the same league as Lola because she changed her attitude and repaired all of the bonds that you almost shattered after you were removed and I permanently severed you from her, and it's true that she deserved every last beating for what she'd tried to do in killing me, but that's your fault from the very beginning you came into existence, and there's the one thing that will always beat your toxic hatred: love, and it was the love Lola had for me, our family, friends, and her boyfriend, Winston, that she finally broke free from you, you toxic bitch, and she was also chosen by Gabja to be her champion, and because of it, she'd gotten stronger and smarter in these last seven years. Thanks to Lincoln telling those four bitching banshees off big time, Dark Lori, Dark Luan, Dark Lola, and Dark Lisa went absolutely mad with rage and they ran at Lincoln to finally kill him and all of us as well!

Me: Okay, now it's time to get serious!

WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a white and golden yellow energy vortex flared up behind him, and he charged at Dark Lori, Dark Luan, Dark Lola, and Dark Lisa, and he proceeded to brutally smash them hard into the ground with his massive godly superhuman strength, slashed them with his gold-armored dragon claws and his massive greatsword, and fired blasts of white and golden yellow wolf fire, light, golden moonlight, and ice at them, and it was brutal.

WE SAW THE WHOLE THING, AND WE WERE FLINCHING AT THE SHEER BRUTALITY AND VIOLENCE OF LINCOLN'S ASSAULT ON DARK LORI, DARK LUAN, DARK LOLA, AND DARK LISA! HE WAS REALLY GOING APESHIT ON THEM!

Me: OH MAN! NOW, THAT'S JUST BRUTAL!

Nico: WAY TOO BRUTAL!

Eli: YIKES!

Qin: OH MAN!

LINCOLN SLASHED THE FOUR BANSHEES WITH HIS MASSIVE GREATSWORD AND HE ALSO FIRED FOUR BLASTS OF HEAVENLY LIGHT THAT HIT THEM AND THEY WERE BURNED!

May: OH! AND HE ALSO RESORTED TO THAT!

Roxy Drake, Cuffs Lane, Abby Smith, Vessie Harris, and Jazz Jackson: JEEZ! AW MAN, NOW THAT'S JUST BRUTAL!

Cage Blunt: See what you went and done?

Travis Tackett: You went too far, I don't blame him for going wild on you!

James Blunt: That's only a fraction of what's going to be awaiting you when we finally kill you.

Then, Lincoln blasted Dark Lori, Dark Luan, Dark Lola, and Dark Lisa with elemental and energy blasts, and he also slashed at them with his massive greatsword.

Lincoln, Sherlock Hound, Skippy the Bush Kangaroo, Red Savarin, Von Lycaon, and Sly Cooper went after Dark Lori, Dark Luan, Dark Lola, and Dark Lisa, and they fired extremely powerful blasts of rainbow, black and blood red, red and yellow, white and black, blue, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, darkness, dark magic, black magic, Satanic Magic, fire, flames, lightning, snow, ice, snowflakes, ice crystals, kangaroos, wolves, raccoons, devil hounds, demons, devils, phoenixes, and angels at them, and they exploded with incredible power as they hit them. Then, Von Lycaon and Skippy the Bush Kangaroo punched him hard with their gauntlets and kicked them with their greaves and they got hit hard, and Red Savarin slashed at them with his massive greatsword and shot them with bullets and stun blasts and Sly Cooper whacked them hard with his new cane.

Adrian Morrigan went after Dark Lori, Dark Luan, Dark Lola, and Dark Lisa, and he fired extremely powerful blasts of black and purple-pink, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, blue flames, darkness, dark lightning, dark fire, dark magic, black magic, Satanic Magic, spectral lightning, ghosts, Boos, phoenixes, and angels, and they exploded with incredible power as they hit them. Then, he also attacked them by flashing the Strobulb in their faces and blinded them, and the ring of Boos around the flashlight's head fired purple energy beams at those banshees which hit them hard.

Lincoln continued smashing them hard with his extremely massive godly superhuman strength and those banshees didn't have time to fight back due to Lincoln's extremely incredible godly superhuman speed and reflexes overpowering them.

Me: UNREAL! His speed and reflexes are still even faster than ever!

Nico: I can't keep track of his movements and he's even more stronger than ever! Look at how he's continuing to smash those banshees all over the place!

Qin: They didn't have time to fight back due to Lincoln's extremely incredible godly superhuman speed and reflexes overpowering them, now they're at the mercy of The True Alpha Vampire-Werewolf Hybrid Angel of Gotham Royal York.

Me: That's for sure.

Then, Lincoln fired blasts of elements and energy at Dark Lori, Dark Luan, Dark Lola, and Dark Lisa and they got beaten up real good and they were mangled!

Dark Lori: YOU! YOU! WE WILL KILL EVERY LAST ONE OF YOU AND LEAVE THIS PATHETIC PLANET IN RUINS!

Me: SCREW YOU, BITCH!

That made the four banshees scream in pure rage and they transformed into animals just like with Killjoy Huggins: for Dark Lori, she was turned into a cheetah, for Dark Luan, she was turned into a hyena, for Dark Lola, she was turned into a leopard, and for Dark Lisa, she was turned into a lion!

Me: So, now they've turned into their animal forms.

Nico: Thanks to Dark Chase Young's power in them.

But, Lincoln fired four beams of light at them that stripped them of the animal forms and they were back to normal form, and they were pissed off.

Then, Lincoln proceeded with how to punish and kill Dark Lori, Dark Luan, Dark Lola, and Dark Lisa. First, Lincoln swung his massive greatsword and fired a massive blast of wind that trapped Dark Lori in a tornado that proceeded to slash at her with razor sharp wind gusts leaving bleeding slashes on her. Then, he fired a blast of fire that turned it into a fire tornado, and the bitch was set on fire and we heard her scream in pain and agony before she turned to ashes.

Then, Lincoln grabbed Dark Luan by the neck with his left hand and he threw her into an abandoned minefield full to the brim of her own nefarious pranks and gags, and then, Lincoln dropped a metal ball on the spot that caused the traps to activate and Dark Luan was torn limb from limb as she was left with nasty bruises and scars, and then, he threw her in (DRAMATIC VOICE) THE SUSHIMAKER! (SCREAMS OF TERROR), and she was torn apart and left as a bloody gory mess.

Then, Lincoln fired tar at Dark Lola and she was covered head to toe in tar and fired feathers at the rampaging little banshee and Lori took a photo of her and posted it on the internet and that banshee was laughed at by everyone, and it sent her into a fiery rage, but by the time she tried to get us, the tar covering her exploded because the tar Lincoln used on her was extremely flammable.

And finally, Lincoln strapped Dark Lisa to a dissection table and he proceeded to dissect alive as he tore her open and removed all of her internal organs and heart and absorbed them into his body by use of an organ-sucking tentacle he sprouted from his back, and finally, he sprouted a brain-sucking tentacle from his back that went into her ear and sucked out her brain and it went into her and he absorbed all of her intelligence, and she died on the dissection table. Finally, he banished them to The Black Abyss forever! GOOD FUCKING RIDDANCE, BITCHES! We cheered as we holstered our weapons and powered down and we all went back to The World Tree Estate.

Lincoln: It's finally over. The Dark Sides of Lori, Luan, Lola, and Lisa are finally gone for good and they can rot in The Black Abyss forever with Dark Lynn. But, it'll finally end when I kill the monster responsible for their creation.

Me: Dark Chase Young, that's right, he was the one who made them with that Dark Side Potion of his.

Nico: And is responsible for the pain and suffering your family went through in 1621.

Lincoln: Yes, only with his death can we finally be rid of his dark shadow forever. (To Audra Asterope) And it's so good to see you again, Audra.

Audra Asterope: You too, Lincoln, it's been eight years since we last met.

Suddenly, Audra Asterope had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Audra Asterope was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Audra Asterope: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Audra Asterope and hugged her, and Audra Asterope is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more massive white angel wings and twenty-four other sets of large sized angel wings underneath his massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, eleven massive and longer brown wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long brown wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Audra Asterope: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 10'0" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and twenty-four sets of large white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and the eleven massive and long brown wolf tails with markings and white rabbit tail on top of the massive and long brown wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new, along with getting He-Man's chest harness (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Audra Asterope, Queen of The Elemental Plane of Lightning and Avatar of The Lightning, Tempest, and Storm Elementals of Magic The Gathering, she's Lincoln's Guardian Angel from the world of Magic the Gathering and she's a powerful master of lightning, tempests, the storms, and lightning creatures of myth and legend. She's The Queen of The Elemental Plane of Lightning and The Avatar of The Lightning, Tempest, and Storm Elementals of Magic The Gathering, and she's the Lightning and Storm Master of The Queens of The Elemental Planes of Magic the Gathering, six girls who are Avatars of the Water, Air, Earth, Fire, Lightning, Brushfire, Wildfire, Dust, Fusion, Roil, Torrent, Sulfur, Crater, Cinder, Scoria, Firefiend, Wolfbriar, Ivy, Lava, Tempest, and Storm Elementals of Magic The Gathering and deadly forces of elemental power and they are said to be the powerful rulers of The Elemental Planes of Magic the Gathering, and they have fought against the evil vampire Sorin Markov in the past and they fought alongside Nahiri and many heroes against the villains of Magic the Gathering. She came to Royal Woods where she met Lincoln and she even taught him how to use all the powers of lightning, tempests, the storms, and lightning creatures of myth and legend, and over time, he gained all the powers of lightning, tempests, the storms, and lightning creatures of myth and legend, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle. Lincoln made her an awesome greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Lisa with a vengeance and she vowed to electrocute her so much, Lisa's brain will be fried to nothing more than a cinder and made into a brainless monkey.

Nebula Lanaia: I still remembered what Lisa did, she tried to stab Lincoln with a scalpel, but Audra fired a blast of lightning at her and electrocuted her hard and she was knocked out for a month.

Me: I remembered seeing a massive storm over the house and why Lisa was lying in bed.

Nico: Yikes.

Varie: I would've thought it was overkill, but given Lisa's history of trying to kill Lincoln, let's just say she deserved it, and it took a month of physical therapy for her to start moving again, but she didn't get punished, I think getting put in a coma for a month was punishment enough.

Allie Maxwell: Aw, I was hoping you'd say you told her off.

Caleb Maxwell: Varie's right, getting electrocuted to the point of being put in a coma for a month was punishment enough for Lisa, Allie.

Lincoln: Exactly. Lisa eventually got that dose of karma because of that incident, but we did make sure to keep a close eye on Lisa from now on, if she does anything else, she'd get sent to prison for good.

Me: Along with being disowned by family and the science committee.

Lincoln: That's right.

Nico: Now, we're finally rid of the dark sides of Lori, Luan, Lynn, Lola, Lisa, Chandler, and Principal Huggins for good, the minions of Dark Chase Young are gone forever.

Lincoln: Yes, they caused me that much pain and suffering for too long, and now, they're all gone for good, but the mastermind will be destroyed soon and The Prophecy of The Reincarnation of Amaterasu will be fulfilled.

Caleb Maxwell: Prophecy of The Reincarnation of Amaterasu? The marble tablet!

Nicole: I knew it looked familiar, and Dark Sebastian's trying to prevent Lincoln from not only fulfilling the prophecy, but also, trying to prevent him from destroying him and The Order of The Dark Universe. So, we need to keep an eye on that scumbag, and not even banishing him and those idiots to Hell will help.

Brittney: That's right, Malphas will break them out again.

Cocytus Malefic: We'll be keeping an eye on Malphas and the other Demon Princes of Hell to make sure of that, Brittney.

Lincoln: If that psycho thinks he can prevent the prophecy of me ending Dark Chase Young forever and ending him and those idiots from Hell, he's got another thing coming and he's even dumber than he looks, and now that you're here, Audra.

Lincoln with his massive muscular arms still wrapped around Audra

Asterope's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and twenty-four sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Audra Asterope: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Audra Asterope with blue gems on the gold lightning bolts and blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Audra Asterope: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Audra Asterope.

Audra Asterope had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Audra Asterope's waist, and he leaned down to her face and kissed her on the lips, and with Audra Asterope's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Audra Asterope had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Audra Asterope: (In Heaven) My God. Oh, Lincoln, the four girls I managed to rescue are...!

Red Savarin and Travis Tackett: Boys, in your rooms now, and no questions asked, or you're in for a serious buttkicking!

We obeyed Red Savarin and Travis Tackett and fled to our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the four girls, he had an atomic red blush on his cheeks and muzzle and no nosebleed attack. The four girls are Emi Kimura from Yars Rising, Antimony Carver from Gunnerkrigg Court, and Miharu Asakawa and Tomoka Shimatani from Summer Day Coming Around..., As The Summer Day Comes...

Lincoln: Oh wow, it's Emi Kimura from Yars Rising, Antimony Carver from Gunnerkrigg Court, and Miharu Asakawa and Tomoka Shimatani from Summer Day Coming Around..., As The Summer Day Comes...

Nicole: So, those were the girls that were in Arendelle, and like Audra said, those four bitching banshees tried to kill them to slake their thirst for blood.

Lincoln: Then, it's a good thing we really gave them an absolute thrashing before I got back at them and sent them to The Black Abyss forever. Are you girls okay?

Emi Kimura: Yes, we're okay thanks to you.

Then, when Emi Kimura and the other three girls saw who it was that saved them from Dark Lori, Dark Luan, Dark Lola, and Dark Lisa, their faces turned atomic red upon seeing the 10'0" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle, long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow embedded colored gems on each corner behind his head and behind it is a gold version of Trinity Mirror with three rings of spikes made of gold, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest and surrounded by rainbow animals emblazoned on his forehead and Emi Kimura: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made three clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips underneath his massive white angel wings spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Antimony Carver: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Emi Kimura, Antimony Carver, Miharu Asakawa, and Tomoka Shimatani with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Alright, guys, come on out.

We then came out.

Maria: That was one bloody battle we had, and we're now finally rid of Dark Lori, Dark Luan, Dark Lola, and Dark Lisa for good.

Lincoln: That's for sure. But, that doesn't mean those snakes are going to get off scot free, when we get after Kurata and Sergio, we are going to blast them so far away, they'll wind up in the war-torn regions of The Middle East.

Nico: Good idea. I hope those pack of snakes get shredded to pieces by bullets.

Me: I don't think that'll be enough to stop them.

Selena Mendez: That's true, besides, Dark Sebastian has survived much worse than that.

Camie Elextor: But, they still need to suffer big time for their crimes until the showdown with them on May 5th.

Varie Yulinova: So, we'll keep blasting them away until that day.

Eli: It's bound to piss them off big time though.

Solla Nexcrota: Like we even care about that. He deserves it along with those other monsters.

Wendy Sauron: For years, they've caused havoc and did as they pleased for far too long, and too many souls have suffered because of them, and for that, we're going to put an end to them for good.

Tania Tornadora: The omen made itself known when I arrived, and it was also a prophecy stating the flames of the immortal phoenix and the black flames of The Nightflame Sun will bring an end to The Order of The Dark Universe and The Dark Church of Malphas for good.

Nicole: So, we're going to fulfill both the prophecy that'll lead to the end of The Order of The Dark Universe.

Lincoln: And when Kimiko's big day comes, I'll fulfill the prophecy and end Dark Chase Young forever and avenge all those whose lives were torn apart because of him.

Me: We're so going to end that monster for what he did!

Nico: But, first, we got to get those pack of snakes out of the way first, and if Malphas and the other Demon Princes of Hell try anything, they're in big trouble.

After Lincoln and all of us destroyed Dark Lori, Dark Luan, Dark Lola, and Dark Lisa and sent them to The Black Abyss forever, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long brown wolf tails even more stronger than ever as well, and when Audra Asterope saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long brown wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Audra Asterope: My God, I was right that Lincoln's really grown into an 18-year-old 10'0" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work, and really working out with those 900,000,000,000,000,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Audra, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Audra Asterope: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Audra Asterope: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail

bicep curls to get my eleven massive and long brown wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Suddenly, the alarm sounded, and when Lincoln checked the computer, he saw who it was that triggered the alarm: to our disgust, it was Billy Exetor, Sylvia and Lindsey Exetor's sociopathic evil monstrous ex-brother, but from the looks of it, he'd been transformed into a 12'6" massive hulking musclebound behemoth and only in tattered prison jumpsuit pants.

Sylvia Exetor: You've got to be fucking kidding! Damn that stupid...!

Lincoln: I'll handle him. If anything, this has Dark Sebastian written all over it.

Lincoln flew out of The World Tree Estate and confronted Billy Exetor.

Billy Exetor: Out of my way! All of you along with my stupid sisters will all die!

Lincoln: Not a chance in Hell, Billy. You made a huge mistake breaking out of prison again, and this time, I'm going to see to it that you remain in prison for good.

Billy Exetor: (ROARS) SHUT UP! DIE!

Billy Exetor ran at Lincoln who sweep-kicked the musclebound behemoth and that knocked him off balance and he was sent crashing down, but he got back up. But, before Billy Exetor could attack yet again, Lincoln fired a red energy blast that hit Billy Exetor and a red barbell appeared on his back and it made him bulk up even more: it was The Min's Virility Drain Curse. Then, Lincoln shackled Billy Exetor with red energy shackles on his wrists and ankles and kept him restrained.

Then, Lincoln morphed the tips of his tails into Cell's stingers and he stabbed them into the chest of Billy Exetor, and he began absorbing him and he assimilated his newly gained massive superhuman upper body and lower body strength, newly gained massive muscle mass, virility, and testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and twenty-four sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

At the same time, Billy Exetor began shrinking in height and muscle and he groaned in pain. Then, when Lincoln was done and the stingers changed back, Billy Exetor was shrunk back to 5'6" and his muscle mass was now entirely gone. Then, the shackles disappeared and Lincoln grabbed Billy by the neck with his left hand.

Lincoln: Let this be a lesson to you, Billy: don't ever mess with any of us. Now, you're going right back to prison for good, and let me give you a fair warning, if you ever break out of prison yet again to go after your sisters and all of us for revenge once more, (ECHOING DEMONIC VOICE) I WILL PULL YOUR STUPID HAIR THROUGH YOUR EYES AND USE THEM AS REINS TO RIDE YOUR SCRAWNY BUTT BACK TO THE DARKEST PITS OF THE UNDERWORLD FROM WHENCE YOU CAME!

BILLY EXETOR SCREAMED IN HORROR!

Nico: DAMN! HE SCARED HIM THAT BAD!

Me: I hope this'll deter that stupid moron for good!

Sylvia Exetor: If that doesn't work and he breaks out, we're gonna tell Mom and Dad about this and they are going to disown him for good!

Lindsey Exetor: That's for sure. Next time if this happens, we're telling Mom and Dad.

Then, Lincoln threw Billy Exetor into a portal he opened up that led back to his cell in The Uranus Prison's Supermax Security Solitary Confinement Wing and he came back inside and continued with his workouts.

Me: That was some awesome work, Lincoln.

Nico: And next time, if he breaks out again, we're gonna get the parents involved and Billy's going to get disowned for good.

Lincoln: That's good. But, after what I did, I don't think he'll try to break out again.

Then, Cuffs Lane got out a videotape.

Cuffs Lane: This videotape I have here, this was from a late night assignment we had a week after the encounter with Marcus Maxwell. Allie was keeping an eye out for any sign of The Big Claw Gang along with any sign of remnants of The Syndicate, but of course, this also meant we'd be running into her brother, Caleb.

Roxy Drake: We almost drew our guns on him when he showed up, but we knew of his training at the police academy and he kept that knowledge with him even after he died.

Cuffs Lane put the videotape in and it played on the big screen and showed New York at night, and it was a week after the encounter with Marcus Maxwell.

Past Allie Maxwell: It's been a week ever since Dad showed up, considering how far he'd fallen when The Big Claw Gang seized all power from The Syndicate along with their operations, it's only a matter of time before Caleb shows up.

Past Jazz Jackson: And puts a bullet in his head. But, we're keeping an eye on your former dad and former brother, Drake. But, who knows how long it'll be before your brother, Caleb, shows up.

Just then, the radio sounded.

Past Casey Antonio: Jazz, you and Carter better kick it into high gear. We just spotted Panther and Carla Claw, they're on 45th Street and on the run.

Past Carter Kenrick: Looks like we got to take care of business.

Jazz Jackson and Carter Kenrick drove off.

Past Allie Maxwell: Figures those two would be at it.

Suddenly, she felt the air turn colder and blacker than ever: it was a sign.

Past Allie Maxwell: Oh great, the colder and blacker air means Caleb's on the prowl.

But, Allie wasn't the only one: The NYPD Nightshift chasing Carla Claw and Panther also felt the air turn colder and blacker.

Past Cuffs Lane: What is this? Why did it become colder and blacker than ever?

Past Roxy Drake: I don't know.

Past Cage Blunt: (Thinking) Damn, the cold black air, that's the sign of Caleb's presence, I knew he'd be out on the prowl again.

Then, they got close to Carla Claw and Panther.

Past Roxy Drake: Freeze! NYPD!

Past Jack Howard: Surrender now, and we'll go easy on you.

Past Carla Claw: (Smirks) We'd love to stick around and chat, but I think you've got bigger problems like a vengeful undead murderous killer running loose.

Past Panther: (Smirks) See ya, officers.

Suddenly...!

BANG! BANG!

Two bullets came flying at Carla Claw and Panther who dodged them, but then, they saw who it was that did this: it was Caleb Maxwell, and he was out for blood.

Past Allie Maxwell: Oh God..., it's him.

Past Cuffs Lane: Your brother, Caleb?

Past Allie Maxwell: Yes. There was no mistaking it: the colder black air, it's him, the presence of death and darkness is around him. We need to go now!

The NYPD Nightshift and Allie Maxwell decided to run and head back to the precinct. They knew that even if they continue to pursue Carla Claw and Panther, they can't do anything not as long as Caleb was on the prowl for those who ruined and ended his life.

Past Jack Howard: This is getting us nowhere, we can't get anywhere near The Big Claw Gang without Allie's rampaging ex-brother, Drake Maxwell, on the loose, and her undead brother, Caleb Maxwell, also running loose and killing Syndicate thugs and causing bloodshed on the streets.

Past Roxy Drake: I know, but we can't hurt Caleb. Allie lost her brother twelve years ago in 1985, and she knows we're not going to do anything to hurt him. She already cut all ties with Drake and her dad in 1984 when Caleb blew their secret out into the open and he's the only one who saved the family from being dragged down into darkness.

Cage Blunt read Roxy's mind and did some thinking as well.

Cage Blunt: (Thinking) She's right, Allie lost Caleb twelve years ago in 1985, and none of them want to deprive Allie of the only older brother who saved their family from being dragged down. I better do something to stop Caleb before he does something that'll really get The NYPD on him.

SCREAM!

Suddenly, they heard Allie Maxwell and they got to her and she was pointing to a nearby window and she saw the bodies of some Syndicate thugs blown to pieces and were laid out on the grounds of the precinct.

Past Carter Kenrick: Oh damn. This is...!

Past Jack Howard: That's just sick!

Past Roxy Drake: My God.

Past Casey Antonio: This is too horrific.

Past Cuffs Lane: Was this...?

Past Captain Whitten: Caleb's doing, his return home after his return from the dead in 1993 was seen as a sign by most of New York that he's...!

Past Allie Maxwell: He's returned for revenge.

Past Jazz Jackson: I know we should stop him, but it's not just the fact he's your only older brother, but like Roxy said, Allie, we're not going to do anything to hurt him.

Past Allie Maxwell: I know that, Jazz, but my brother's damaged and darkened mind combined with the cold empty darkness inside him and the burning rage he also harbors makes that impossible.

Past Cuffs Lane: Indeed.

Past Roxy Drake: We already got our hands full with The Big Claw Gang running loose, we don't need Caleb adding more trouble as well with his revenge. We need to uphold the law and guys like Caleb are not only trouble, but they're also dangerous.

Past Allie Maxwell: Sometimes, the world needs someone who's either mankind's brightest hope or mankind's darkest nightmare, and Caleb's both of them: Mankind's Brightest Hope and Mankind's Darkest Nightmare.

The video ends.

Lincoln: Well, that ending was pretty dark. But, what did you mean by what you said about Caleb, Allie?

Caleb Maxwell: I think I know. Allie was right that I'm both Mankind's Brightest Hope because of my sense of justice and wanting to do the right thing, but at the same time, I'm also Mankind's Darkest Nightmare because of what I've done in killing and slaughtering The Syndicate's men all because of the cold empty darkness and burning rage in my heart that stayed with me before and after my death and it came out into the open when I came back from the dead in 1993.

Nico: Damn...

Me: Yikes, I think your sister was psychic when she saw what you did in the video.

Jazz Jackson: Nah, she's not psychic, but she was right about what she said: Caleb's both Mankind's Brightest Hope in wanting to do the right thing and his sense of justice, but he's also Mankind's Darkest Nightmare because of the cold empty darkness and burning rage in his heart that was inside him and stayed with him before and after his death in 1985.

Lincoln: But, it soon became public in 1993 when he came back from the dead when he got rid of the assassins and those eight punks from New York when he was with Cage's dad in West Virginia.

Jack Howard: Exactly.

Cage Blunt: And what you said was right.

We got a shower, and then, Lincoln, Saffira, Dragon Queen of the Voiceless Voice, ARG S - Adra the Laurels, Centur-Ion Legatia, Crusadia Arboria, G1 Nemesis, and Arcee (Transformers One) are heading to Maezato Beach in Japan.

Lincoln snapped his fingers, and the 10'0", handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Saffira, Dragon Queen of the Voiceless Voice, ARG S - Adra the Laurels, Centur-Ion Legatia, Crusadia Arboria, G1 Nemesis, and Arcee (Transformers One) are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Saffira, Dragon Queen of the Voiceless Voice, ARG S - Adra the Laurels, Centur-Ion Legatia, Crusadia Arboria, G1 Nemesis, and Arcee (Transformers One) all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound criminals, Lincoln sucked out their muscle mass, virility, testosterone, strength, blood, and lifeforce and he killed them all.

Crusadia Arboria: Wow, we're here in Maezato Beach in Japan, it sure is beautiful.

Lincoln: It sure is, Crusadia Arboria, and it's perfect for our first date, shall we?

Lincoln, Saffira, Dragon Queen of the Voiceless Voice, ARG S - Adra the Laurels, Centur-Ion Legatia, Crusadia Arboria, G1 Nemesis, and Arcee (Transformers One) dived into the waters and had an awesome time swimming, and there, they also saw the sea life that live there, then, the girls took turns in giving Lincoln a deep tissue massage which not only relaxed their muscles and entire body, but they also released some tension he'd been carrying.

Then, he made clones of himself and he did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Then, they went back to the beach and they had an awesome volleyball game, and they went into a workout area Lincoln created, and Saffira, Dragon Queen of the Voiceless Voice, ARG S - Adra the Laurels, Centur-Ion Legatia, Crusadia Arboria, G1 Nemesis, and Arcee (Transformers One) got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Saffira, Dragon Queen of the Voiceless Voice: (Swooning) The others were right about him: what a handsome and manly wolf hunk.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Saffira, Dragon Queen of the Voiceless Voice, ARG S - Adra the

Laurels, Centur-Ion Legatia, Crusadia Arboria, G1 Nemesis, and Arcee (Transformers One) and hugged them in their abnormally massive and powerful muscular arms, and Saffira, Dragon Queen of the Voiceless Voice, ARG S - Adra the Laurels, Centur-Ion Legatia, Crusadia Arboria, G1 Nemesis, and Arcee (Transformers One) placed their hands on the massive hairy pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into the right traps of Saffira, Dragon Queen of the Voiceless Voice, ARG S - Adra the Laurels, Centur-Ion Legatia, Crusadia Arboria, G1 Nemesis, and Arcee (Transformers One) and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and twenty-four sets of large white angel wings underneath spread out and his large gold halo and four large orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their traps as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Maezato Beach, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Saffira, Dragon Queen of the Voiceless Voice, ARG S - Adra the Laurels, Centur-Ion Legatia, Crusadia Arboria, G1 Nemesis, and Arcee (Transformers One) with colored gems on the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Saffira, Dragon Queen of the Voiceless Voice, ARG S - Adra the Laurels, Centur-Ion Legatia, Crusadia Arboria, G1 Nemesis, and Arcee (Transformers One) are now in your harem, Linky.

Saffira, Dragon Queen of the Voiceless Voice, ARG S - Adra the Laurels, Centur-Ion Legatia, Crusadia Arboria, G1 Nemesis, and Arcee (Transformers One) showed the marks Lincoln made on the right sides of their necks.

Jenna: You girls had no trouble at all.

Saffira, Dragon Queen of the Voiceless Voice: Not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted thirteen massive 900,000,000,000,000,000,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for Lola. Flare and Kimi's 3rd mission.

Nico: Anyone else want to go with Lola, Flare Firestar, and Kimi Lao? Besides Firefly, Baron Bedlum, Hummingbird Phantom Hamingard, Kopaka, Tai, and Marcus?

Style Queen: I'll go.

Black Lance: So will I.

Nico: OKay.

Sunny Starscout: Me and my friends will go too.

Me: Okay then.

Nico: Anyone else?

No one answered.

Me: Okay then.

Nico: Lets go.

We were off to Japan.

We arrived.

Rei: Hey guys!

Lola: Guys, meet Firefly, Baron Bedlum, Hummingbird Phantom Hamingard, Kopaka, Tai, and Marcus

Firefly: Name's Garfield Lynn's but everyone calls me Firefly.

Baron Bedlum: I'm Baron Bedlum.

Hummingbird Phantom Hamingard: I'm Hummingbird Phantom Hamingard.

Kopaka: I'm Kopaka, the Toa of Ice.

Tai: Tai Kamiya.

Marcus: I'm Marcus Damon.

Style Queen: Audrey Bourgeois, A.K.A. Style Queen.

Black Lance: And I'm Black Lance.

Sunny Starscout: I'm Sunny Starscout, Legacy of Twilight Sparkle.

Hitch Trailblazer: I'm Hitch Trailblazer, Legacy of Fluttershy.

Izzy Moonbow: I'm Izzy Moonbow, Legacy of Pinkie Pie.

Zipp Storm: I'm Zipp Storm, Legacy of Rainbow Dash.

Pipp Petals: I'm Pipp Petals, Legacy of Rarity.

Misty Brightdawn: I'm Misty Brightdawn, Legacy of Sunset Shimmer.

Sprout Cloverleaf: I'm Sprout Cloverleaf, Legacy of Applejack.

Comet: And I'm Comet, Legacy of Starlight Glimmer.

Rei: Wow it's an honor to meet you all!

Pipp Petals: Oh my glitter you too!

Marcus: It's fitting that I come with today

Me: Long story.

Rei: Wait you were seen during the battle with Kurata in 2021!

Marcus: That's right.

Me: Yep.

Rei: Don't tell me.

Me: Yep Kurata is coming back and we are going to kill him again.

Eli: We sure are.

Rei: Good. I hope you rip him apart.

Tai: And these are our Digimon partners

Tai's Agumon: Yep.

Me: They both have Agumon.

Eli: Yep they sure do.

Rei: Wow! That is cool!

Me: It sure is.

Rei: So, Flare. What can you tell us about yourself?

Flare: Well I am one of Pipp's followers on her social media page and she does amazing hairstyles for me and many of us.

Pipp Petals: Oh my glitter she is an amazing follower too. She did all kinds of things with me too.

Nico: You should see all the things Pipp does.

Me: She runs a salon and does hair and nails. You would be amazed. She did my hair and make it rainbow.

Rei: That is awesome!

Flare: It sure is. I am also the Legacy of Spitfire, Captain of The Wonderbolts and I carry on her legacy by showing everything that the Wonderbolts did.

Rei: That is awesome!

Nico: It sure is. Flare I hope your family has a museum for the Wonderbolts.

Flare: They do and it's amazing.

Me: We'll have to see it sometime.

Eli: Rainbow Dash would love that.

Zipp Storm: Yeah.

Flare: But we also didn't have very many friends because of the divide.

Me: Long story about that. Blame Opaline Arcana for it. But we'll talk more about her later.

Rei: Okay.

Nico: So, any of your enemies active right now?

Rei: Yes as a matter of fact. Kate is here.

Me: I remember Kate! She was dangerous. Not the primary target but she is definitely perfect for the M.O.E.

Nico: Yep.

Then I got a call on my cell phone.

Me: Oh one sec.

I answered.

Me: Hello?

Lincoln: It's Lincoln J.D. I got a premonition on what the next Akuma is.

Me: Oh one sec.

I put it on Speaker.

Me: Go ahead Lincoln. It's on speaker.

Lincoln: I found out which enemy you are facing too. She's with the enemy you guys are fighting. It's Maud Pie's Akuma. Her name is Dark Amethyst. The Hypothetical Akuma of Maud Pie and a deadly fighter. She is fully emotional and is not shy about expressing it and also hates EVERYTHING! She was made because of Pnkie Pie getting hurt and vowed to make everyone that hurt her pay.

Nico: WHOA! That is crazy!

I showed a hologram and it showed that she looked like an evil version of Naga but with crystal wings with purple fire.

Me: WHOA! Looks like Naga.

Nico: Yeah!

Rei: So that's why Maud doesn't express her emotions

Me: Well Maud Pie, Pinkie Pie's sister has a disease that causes her to not show any emotion. It's called Alexithymia.

Rei: Oh.

Me: This is Maud's Akuma. This akuma also reminds me of what happened with Naga when he was corrupted by the Jark Matter.

Lola: That was intense.

Me: Yeah. I'm talking about Naga of the Kyurangers.

Nico: He comes from a race of aliens where they view emotions as sinful and they are killed if they show any emotion at all.

Eli: It's true.

Nico: We gotta find them.

Eli: (Concentrates) They are over in the Hibiki Riders temple.

Me: All the way over there! Wow!

Rei: The Hibiki Riders?

Me: The Kamen Rider Hibiki team. They were the first Kamen Rider Team that we met for Gali's missions.

Kopaka: It's true and that was fun.

We got going.

We arrived.

Rei: So this is it.

Me: Yep it's in the middle of Aokigahara Forest.

Rei: Amazing.

Me: Yep. The Kamen Riders from over the course of 53+ Years are all with us on the team because we owe them a HUGE DEBT!

Rei: What kind of debt?

Me: Have you ever heard of the 20 Days of Darkness?

Rei: Wait you mean the 20 most depressing days ever? Jackie and Mandee told us about them. That was awful.

Lola: It was. But the riders helped us big time during that time.

Me: We owe them big time for it.

Firefly: It's all true.

Nico: Yep.

Rei: Wow.

We went into the temple.

Me: Here we are.

We saw a woman and it was KATE!

Me: Kate.

Jackie: Well well Kate. Been a while.

Kate: It has been a while Jackie and Mandee. Now I can kill you all.

Me: I don't think so.

?: (RAGING) YOU MAKE ME SICK!

Out came DARK AMETHYST!

Me: My god Maud is that you!?

She went at me and I dodged a punch and I kicked her.

Kate: NO! They're mine!

Lola: You'll have to get through me, Flare and Kimi you monster!

Kate: With pleasure little girl!

Lola punched her in the face.

I blocked punches and kicks from Dark Amethyst!

I punched her and slashed her.

Lola fired waves of fire and blasted her down.

Lola kicked Kate in her face.

Flare flew and kicked her in her back.

Tai: Time to Digivolve, Agumon!

Marcus: You too Agumon!

They nodded!

The Digivice's activated and they Digivolved!

Tai's Agumon: AGUMON DIGIVOLVE TO...

He turned into Greymon!

Greymon: GREYMON!

Marcus's Agumon: AGUMON DIGIVOLVE TO...

He turned into GeoGreymon!

GeoGreymon: GEOGREYMON!

Me: YEAH!

Greymon: (Echoing) NOVA BLAST!

He fired a fireball and blasted Dark Amethyst down!

GeoGreymon: Showoff!

Greymon: Lets see what you got then!

GeoGreymon: (ECHOING) NOVA FLAME!

He fired a blast of fire and blasted Kate down.

Lola, Kimi and Flare kicked her.

She got up.

Kimi dodged a kick and fired a blast of fire and blasted her and she kicked her down.

Kopaka: Chill out!

He fired waves of ice and blasted Dark Amethyst down.

But then MASSIVE BLASTS of blue fire blasted Dark Amethyst down.

Me: WHOA!

Eli: Who did that!?

Me: Look!

We saw a Shiny Rapidash!

Me: Whoa a Shiny Rapidash!

Nico: How'd that get here?

Me: Must be one of Dark Gale's work!

I used Telepathy and gasped!

Me: WHOA! It's Orodruin Trailblazer! Trail Blazer of the Skylanders knows her!

Nico: Orodruin? That's the real name of Mount Doom.

Me: It is.

I went over to her.

Me: Orodruin! Calm down.

All she did was charge at us and knocked down Kate.

Me: Okay then.

I fired waves of energy and blasted her.

I then snapped my fingers and she reverted back and was a girl with orange hair, red eyes and had fire angel wings and had Shiny Rapidash in the middle of her forehead and had a fireball triangle with a phoenix sun on her arm as a cutie mark.

I caught her and wrapped her in a blanket.

Orodruin: (Groans) What happened?

Me: Are you okay Orodruin?

Orodruin: I think so. Where am I?

Me: You are in Hibiki Temple and you were turned into a Shiny Rapidash by Dark Gale.

She gasped.

Orodruin: I remember!

She was in a blue suit and injected and then in a blue fire blast she turned into Shiny Rapidash! She blasted out and ran.

FLASHBACK ENDS

Orodruin: It was awful.

Me: Dark Gale was destroyed forever though.

Nico: It's true.

Me: Yep.

Orodruin: Wow.

Me: Lets get you some new clothes. We're also in the middle of a battle.

Orodruin: Oh right.

I snapped my fingers and she had red and orange clothes and a fire sword.

Orodruin: I look amazing!

Me: You sure do.

Orodruin fired blasts of fire and blasted both Dark Amethyst and

Kate down.

Me: YEAH!

But then we smelled something REALLY HORRIBLE!

SEAL BARK!

Me: OH GOOD GOD! What the fuck is that smell!? It smells worse than Lori's farts!

Lori: (OFFSCREEN) I HEARD THAT!

Nico: What's that smell?!

Eli: It's her! Look!

We saw a girl with blue hair and red eyes and black wings and clothes and a tiara with Ultimate Swampfire on it!

Me: Jackie Methanos!

Nico: Ultimate Swampfire's Embodiment!

Jackie Methanos: Looks like the fun is starting!

She fired blasts of blue fire and blasted both Dark Amethyst and Kate down and knocked them out.

Me: YEAH!

Jackie Methanos: (GRUNTS) Glad I came to help.

Jackie lost control and fired blasts of blue fire at Black Lance..

He blocked them and fired waves of energy and blasted her.

I fired the antidote ray and injected her.

Me: There!

Style Queen fired waves of golden energy and blasted her down.

Style Queen used her Gashat and fired waves of her down.

Style Queen: Take that!

Me: And this!

I fired waves of energy and blasted her down. Orodruin blasted her as she got up and knocked her down. The Antidote took effect and her blue eyes were back.

Jackie Methanos: (Groans) What hit me?

Me: Ugly story.

Sunny Starscout: But you are better now.

Me: Yep.

Nico: What is your role in Sonya's team Orodruin?

Orodruin Trailblazer: Oh I work as a fire horse trainer and also the fire master of the team. We ride fire horses into battle. Outside the team I train and battle with Trail Blazer of the Skylanders and defend the lands.

Me: Wow!

Eli: Awesome.

We later went home.

* * *

We arrived.

May: Hey guys! How did it go?

Me: Really awesome.

We told everyone everything.

May: WHOA! That is cool!

Me: Yeah it was awesome.

Nico: Next time, Mikey Kudo, Michael, and Flurry Heart should come

Me: Awesome ideas!

Qin: Yeah!

Lola: Yep.

Later in the park, me, Nico, Cassidy and Takumi were waiting.

Me: He should be here.

Nico: Yeah.

I sensed something.

Me: You have nerve trying to sneak up on us MASATO!

We turned and saw MASATO KUSATA! FORMERLY KAMEN RIDER KAIXA!

Masato growled in so much rage!

Everyone was relaxing in the park.

Tommy Himi: It's such a nice day today.

Qin: It sure is.

But then...

KRABBBBOOOOOOOOOOOOOOOOOOMMM!

A massive fiery explosion blasted off! They saw me, Nico, Cassidy and Takumi fighting Masato!

Eli: MASATO!

Mari: I knew it was him!

Varie: I have a feeling this is gonna be brutal!

I punched him in his face!

Me: YOU MOTHERFUCKING SACK OF SHIT! YOU HAVE ABSOLUTELY NO SHAME IN KILLING INNOCENT PEOPLE!

I kicked him in his stomach!

I leg swept him and kicked him in his back and sent him flying into a tree!

He got up and WAS REALLY PISSED!

Takumi: You were a Kamen Rider Masato! You abused your power to do whatever you want!

Cassidy: You have no right to call yourself a Kamen Rider after everything you did!

Masato Kusaka: I've waited patiently, Knudson. You humiliated me last time. For that, you'll be the first to fall!

Me: We'll see about that!

He then turned into a DARK VERSION OF XALXA!

Masato Kusaka: I am Kamen Rider Xalxa!

Me: Impressive. Anti-Monitor made you a true Kamen Rider From Hell.

Takumi: An improvement.

He sheathed his plasma sword and it was pitch black!

I unsheathed my sword and we clashed ferociously!

SPARKS FLEW ALL OVER THE PLACE!

Marcus: You know, Masato, we don't take kindly to gate crashers.

Data Squad Agumon: Especially former Kamen Riders.

Me: Especially ones that should have stayed dead!

I kicked him and knocked him down.

He got up and formed his sword into a blaster and fired!

I deflected the blasts and NUMEROUS MASSIVE EXPLOSIONS BLASTED OFF AS THEY HIT THE GROUND!

KRABBBBBBBBOOOOOOOOOMMM! KRABBBBOOOOOOOOM! KRABBBBOOOOOOOOOMM! KRABBBBBBBOOOOOOOOOOOMMMM!

The explosions were stronger than Kaixa's blasts!

Me: Powerful.

He went at me and tried to punch and kick me and I dodged his strikes!

I grabbed his arm and kneed him in the face.

Me: No wonder you are so fucked up in the head. Because Mari is not who you think!

Masato: DON'T YOU DARE TALK ABOUT HER YOU FUCKED UP FREAK! SHE IS MINE!

Me: Oh Struck a nerve didn't I? Well lets see what you think of your so-called girlfriend now when you see her as the thing you hate most! (WHISTLES!)

WILDCAT ROAR!

Runamuck: What was that?!

Me: Watch.

But then!

SLASH SLASH SLASH SLASH SLASH!

NUMEROUS SLASHES SLASHED MASATO!

Then we saw a new Orphnoch! It was WILDCAT ORPHNOCH!

Me: Meet Wildcat Orphnoch. She's from the 20th Anniversary movie of Kamen Rider 555.

Nico: WHOA!

Masato: Another monster I must kill!

Me: Masato how can you be so cruel? Don't you recognize her?

She revealed her face and it was MARI SONODA!

Masato WAS SHOCKED BEYOND ALL WORDS! THE VERY GIRL HE WANTED TO MAKE HIS WAS TURNED INTO THE HORRIBLE MONSTER THAT HE SWORE TO DESTROY!

MASATO SCREAMED IN RAGE!

Red Alert: And he's lost it

HE WENT AT HER!

I kicked him and then grabbed the belt and yanked it off and destroyed it and he was back to normal!

Wildcat Orphnoch went and stabbed him and destroyed his heart and killed him!

Nico: That did it.

Me: Not yet. I still have one last trick up my sleeve.

He got up and was reborn!

Me: How ironic.

Masato: What?

Me: Look at your chest. What a twist huh? You were turned into an Orphnoch.

I showed a mirror and he saw his reflection and HE WAS AN

ORPHNOCH!

HE WAS REALLY PISSED NOW! HE TURNED INTO HIS ORPHNOCH FORM!

I smirked in amusement!

Me: Cassidy, you get the honors.

I gave her my sword.

Cassidy: Thanks!

He went at her and then...

SHEEEN!

She stabbed him and then...

WHOOSH!

HE EXPLODED INTO INTENSE BLUE FIRE AND SCREAMED IN INTENSE EXCRUCIATING PAIN! HE WAS IN A LOT OF PAIN AND IT WAS INTENSELY UNBELIEVABLE! HE THEN DISINTEGRATED INTO DUST AND HIS SPIRIT APPEARED!

Masato: THIS ISN'T OVER KNUDSON! I WILL BE BACK!

Me: I think not! Your time is up! BLACK ABYSS!

The bells of judgement were heard. The spirits of all those he killed came and judged him.

Spirits: GUILTY!

He was marked with the Kanji of Abyss and the black flames of the Black Abyss consumed him!

Masato: NO NO! THIS CAN'T BE HAPPENING! CURSE YOU TO FUCKING HELL J.D.! DAMN YOU TAKUMI! I HATE YOU ALL! I HAAAAAAATEEEE YOU! (FADES!)

HE WAS GONE FOR GOOD!

Mandy: Good riddance to bad rubbish.

Me: No shit.

Cassidy: Yeah.

Cassidy gave me my sword back.

Me: At least that makes up partially for Cassidy's time to shine.

Camie: It does.

Varie: Yeah.

Me: Nice job Wildcat.

Wildcat Orphnoch: That was fun.

Deadpool: Wildcat Orphnoch is from the 20th Anniversary film of Kamen Rider 555.

Takumi: Really?

Me: Yep.

Takumi: Wow! That is cool.

Deadpool: And the real Mari is okay.

Mari: I sure am.

Me: Thank goodness. But that is one bad rider that will never stain the good name of Kamen Rider again.

Cassidy: Amen.

Later we went back home.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before our ultimate final showdown with that genocidal fucked-up mad scientist, Kurata, and that repulsive rat with wings, Sergio, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan

into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and twenty-four sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: to our anger, it was our old enemies, Dr. Akihito Kurata, the genocidal fucked-up mad scientist, and Sergio Casagrande, our former team member and notorious troublemaker out-of-control party animal and repulsive rat with wings, and they're causing havoc and they still wants revenge on us. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: YOU'VE GOT TO BE FUCKING KIDDING!

Eli: Please, tell me that wasn't who I think we just saw!

Lincoln: Afraid so, Eli.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: to our anger, it was our old enemies, Dr. Akihito Kurata, the genocidal fucked-up mad scientist, and Sergio Casagrande, our former team member and notorious troublemaker out-of-control party animal and repulsive rat with wings, and they're causing havoc and they still wants revenge on us.

EVERYONE GASPED!

May: Are you kidding me?!

Marcus Damon: It's just as your dream foretold, but we're more than ready. Kurata's plagued us for far too long, this is where he dies here and now.

Lincoln: Along with Sergio. They're still in Japan and are still causing havoc, we need to get down to Japan and stop them. Plus, I've got a way to punish Kurata and Sergio before we send them to The Black Abyss.

Nico: This should be good.

Me: Finally, this is where we bring an end to both Kurata and Sergio once and for all.

Lincoln: But we got to watch it, they're not going to hold back, but neither are we. It's time we end those two bastards forever.

Me: My words exactly, Lincoln.

Nico: Same here.

Suddenly, Lincoln also saw the sign of Apophis along with The Sigil of Malphas over the skies of Japan.

Lincoln: As if things weren't bad enough, Dark Sebastian's back for more, along with Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra.

Selena Mendez: Damn him!

Camie Elextor: Before we do our entrance, we need to cast a spell to destroy the surprises that evil monster your parents created and give him a taste of his own fucking medicine.

Qin: That's good, we'll send those pack of monsters flying back to Transylvania.

Nico: Which'll end with him spewing toxic death threats and explicit words at us. Alright, team, let's get going, it's time for the ultimate final showdown with Kurata and Sergio.

Lincoln: They've lived for far too long, this time, we end it once for all! Let's go, this time, we are putting a permanent end your reign of terror once and for all, Dr. Akihito Kurata! And party's over, Sergio, permanently!

The previous group came.

Yenaldooshi: We saw the battle with Masato! I thought we were rid of that jerk!

Me: So were we. Guess Anti-Monitor decided he wasn't worth his time and sent him after us for us to kill him.

Yenaldooshi: Yeah.

Carly: Can me, Yenaldooshi, Springfield Bullies, Avalanche, Motor Ed, Xaldin, Speed Demon, Evil-Lyn, Puff and Tchang Zu go with you guys?

Kearney: And nice job killing Masato.

Cassidy: Thanks. That was cool.

Nico: And yes you all can come with.

Me: Cool. And guys if we battle a clone of him, I'll let you skin him alive.

Carly: Looking forward to it.

Energon Scorponok: Boss, which Gene Slammer do you think you'll meet next?

Nico: Evil HERO Nemesis.

Me: WHOA! Elemental and powerful.

Camie: Yep.

Lola: Awesome.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive white angel wings and twenty-four sets of large white angel wings underneath his massive white angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as we sensed a massive dark energy signal with our eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was Akasha from Dragalia Lost, and she's coming to cause havoc.

Lincoln: Uh oh, we've got some trouble.

Me: Lincoln, we got a new bad guy coming.

Lincoln: Afraid so, J.D., it's Akasha from Dragalia Lost, and she's coming to cause havoc.

Hana Uzaki: We'll deal with her before we finally wipe Kurata and Sergio out for good.

Lincoln: Right, Hana.

Nico: So, we got a new baddie running loose for you and one of your future wives to take down and wipe out. Alright, team, let's go, this is the last time we ever have to deal with Kurata and Sergio.

Lincoln: Those two have lived for far too long, this time, we end them once and for all! And once we get done with our two hated enemies, you're next, Akasha.

Hana Uzaki: You chose the wrong planet to target and cause havoc, now you're about to face the consequences after we take care of Kurata and Sergio.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to Japan to finally destroy Dr. Akihiro Kurata and Sergio Casagrande for good and we'll make sure they never comes back, and once we get done with those two, Hana Uzaki and Lincoln are going to end Akasha for good.

We were off to Japan.

We arrived.

Me: Here we are.

Qin: Awesome to be in Japan.

Lola: Yep.

Me: We'll soon go to the Digital World.

Dolph: Good to know.

Jimbo: Let's call Oculous.

Me: Daemon and Electro too.

Nico: Okay.

We did so and they came.

Electro: Awesome guys.

Nico: Any reason why?

Me: Nico, when we faced Kurata the first time, Lincoln was having problems with his powers.

Lincoln: Oh yeah! I remember!

Nico: I forgot all about that.

Centaur Man: We're gonna need WarGreymon

Me: And SaberLeomon too. The reason? Kurata hurt him just as bad.

Nico: Right!

Tai: I'll do it. Agumon lets do it!

He nodded.

Agumon Warp Digivolved!

Agumon: AGUMON WARP DIGIVOLVE TO...

He turned into WARGREYMON!

WarGreymon: WARGREYMON!

Me: YEAH!

SaberLeomon came.

SaberLeomon: I have been wanting some revenge on Kurata.

Me: Same here.

Yoshino: We're not going to let that monster get away with his crimes!

Motor Ed: We're really gonna put the hurt on him. Seriously!

Me: You got that right! Let me get them wiled up. (Clears throat) (TAKES A DEEP BREATH) (YELLING AT THE TOP OF MY LUNGS) HEY SERGIO! YOUR FUCKING MOTHER IS A STINKBUG AND AN UGLY SACK OF BURNT FEATHERS!

Then we HEARD AN INFURIATING YELL!

Beastbox: I think that was mixed with a cybernetic voice

Me: Yeah we were warned beforehand that he had been cybernetically enhanced.

Nico: Yep by lincoln.

Me: Kurata you are one insane fucked up fool.

Nico: Yeah but that was funny.

Qin: It sure was. Wait look!

We saw a MASSIVELY HUGE MOUNTAIN RIGHT NEXT TO MOUNT FUJI!

Me: WHOA! Where did that mountain come from? It easily dwarves Mount Fuji!

Lola: WOW! Look how tall it is!

Camie: Whoa!

Speed Demon: Think we can climb it?

Me: Hmm.

I looked.

Me: WHOA! It's really high up.

Lincoln gasped!

Lincoln: I know what that mountain is! That's Tommy's Akuma, Mount Icedoom, The Hypothetical Akuma of Tommy Himi and he is a mountain that is INTENSELY COLD and tall! He is over 75,231 feet tall and he is perfectly straight up and tall! He has intense ice powers and more from avalanches and snow. He was made because of Grumblemon abusing him and vowed to make that jerk pay!

WE GASPED IN SHOCK!

Me: WHOA!

He showed a sketch and it looked like The Murderhorn with blue eyes.

Me: Whoa! That is amazing!

Nico: 75,000 feet high!? That is amazing!

Ace: Almost as high up as the Desire Temple was.

Buzzerbeak squawked at the sight of it.

Fluttershy: It sure is magnificent.

Homer: Boy reminds me of The Murderhorn. I climbed that mountain and found out that my dad killed a man at the top.

Me: Whoa.

Camie: I wonder if it can see us?

Ace: Your Dad did what!?

Homer: He ate a man there.

Me: Homers dad was totally abusive to him and totally hated his guts!

Homer: Yeah it's true. My dad ALWAYS Hated me. But he will get what's coming to him.

We went and flew up to the mountain.

We then saw its eyes open!

Mount Icedoom: So you are here.

Me: WHOA!

Tchang Zu: Tommy? Is that you?

Mount Icedoom: Yes it's me. Where is Grumblemon?

Me: Back at M.O.E. HQ. To be honest I was expecting you to be after Lucemon.

Mount Icedoom: Yeah I know.

Oculous: You need to calm down!

Mount Icedoom: Not till Grumblemon pays.

Me: Okay then.

I fired waves of energy and blasted him all over.

Oculous fired waves of energy and blasted him.

Mount Icedoom: My turn.

He fired ice blasts. We dodged them and I fire waves of energy and blasted him and knocked him out. I sent him to the M.O.E. HQ.

Venom: Oculous works well at a distance. So let's troll Kurata and Sergio from here first

Me: Good idea.

We hid on top of the mountain.

Me: He won't see us from up here.

We looked for them.

Me: Aha.

We saw them hiding in the park.

Puff: Let's load some water balloons first

We made them and had them loaded.

Me: Okay ready.

I had them loaded into a cannon.

Me: Here we go.

I had them locked on target.

Me: Goodbye Pinocchio.

I fired

BANG!

I fired them and they hit both Sergio and Kurata and drenched them all over!

Evil-Lyn: Lets keep it up.

We fired more water balloons and blasted them and drenched them till they were soaked.

Nico: You think they have seen us?

I looked.

Me: No but they are starting to really lose it.

Tempest Shadow: Let's do a stink bomb next

Eddy: Lets load the El Mongo Stink Bomb!

We made one and enhanced it and then loaded it.

Me: Locked and loaded and ready to fire.

Eddy: Double D, Activate the sequence.

He did so.

Me: Fire!

BANG!

It hit them and then...

EXPLOSIVELY LOUD NASTY SUPER FART!

Sergio: I CAN'T BREATHE!

THE SMELL WAS SO HORRIBLE THAT IT MADE THEM THROW UP BAD!

Kurata: OH MAN! THAT IS DISGUSTING!

Xaldin: Oculous, will you do the final honors?

Oculous: My pleasure! (fires at a nearby beehive)

He blasted it and then bees went at them and stung the shit out of them!

Both: OWW OWOWOWOWOWOWOW OW OW OWOW OW OW!

WE LAUGHED HYSTERICALLY!

Kurata: We're out of here!

They went through a portal to the Digital World.

Me: They went the Digital World!

Nico: Perfect. Now we've got them right where we want them.

Vegeta: As long as the Portal stays open.

Nico: Yep.

Eli: Time for action!

Nico: Alright, now to get after that fucked-up genocidal mad scientist and that repulsive flying rat with wings and out-of-control party animal.

Lincoln: But first. Selena.

Selena Mendez, Camie Elextor, Wendy Sauron, Varie Yulinova, Lorena Cavenstein, Solla Nexcrota, Kira Textington, Gina Thunderton, Xenia Vola Dappra, and Tania Tornadora raised their staves as they chanted an incantation and we then saw the symbol of The Nightflame Sun appear in the sky and a magic circle appeared where Dark Sebastian and those Dark Church of Malphas dickheads are at as it glowed with purple energy as we saw it through a viewing window. Then, we saw the chaos erupt as beams of purple energy and magic were fired from nowhere and they forced out the many armies of demons and monsters hiding and got destroyed in a split second. They saw it, and Kurata and Sergio let out a scream of rage!

The viewing window closed as we were laughing hysterically!

Me: Hah! Serves you right, assholes!

Nico: Okay, now we can get after those bastards without any nasty surprises from those pack of snakes.

We then took off, and we got there in time to see Kurata and Sergio raging, raving, and screaming and shrieking like monsters and our energy auras flared up extremely as we grew stronger from the toxic hate, but our energy auras really really flared up to the extreme and we all grew even more stronger than ever as we felt the extreme toxic hate of Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra.

Nico: Okay, let's end that fucked-up mad scientist and that repulsive feather duster once and for all.

We went through the portal and into the Digital World.

We arrived and saw Kurata and Sergio stung bad.

Dr. Kurata: (ENRAGED SCREAM) KNUDSON! DAMON! GET OUT HERE RIGHT NOW SO THAT I CAN FINALLY KILL YOU!

Sergio: Rrawk! You freaks are going to pay for ruining me! You'll never ruin The Sergio ever again and I will party forever and dance on your graves! (LAUGHING INSANELY)

Dark Sebastian: WHAT THE HELL! IF ANYONE'S GOING TO DESTROY THOSE FOOLS, IT'S GOING TO BE US!

Alaister Necroshade: CONSIDER OUR ALLIANCE OVER!

Kurata and Sergio: WHAT?!

Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra: ARMIES OF THE NETHERWORLD, ATTACK!

We then saw Kurata and Sergio fighting against massive armies of zombies, demons, and other evil monsters from Hell that were summoned, and we saw Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra laughing insanely and malevolently at the chaos and madness they've unleashed.

?: TIME TO SHUT YOU PACK OF SNAKES UP!

?: AND WE DIDN'T GET TO SAY IT, BUT HERE GOES! OH, SHUT UP ALREADY, YOU GENOCIDAL FUCKED-UP MAD SCIENTIST AND YOU REPULSIVE RAT WITH WINGS!

Suddenly, the spirits of the Digimon appeared out of nowhere and they attacked Kurata and Sergio in total fury and that made him extremely pissed off even more and they also attacked the armies of zombies, monsters, and demons summoned by Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra and destroyed them!

Then, the spirits converged and then..

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOMMMMM!

A massive fiery explosion blasted out as a Thunderbird Screech and Phoenix Cry was heard and we appeared, and this made Kurata and Sergio even more pissed off than ever, along with Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra.

Me: It's about fucking time you made your move, Kurata.

Nico: After all the trouble you've caused us in the past, I thought we were done with your fucked-up hide. But, thanks to Anti-Monitor bringing you back from the dead, that was basically crossing the line!

Lincoln: And the same goes for you, Sergio, you repulsive rat with wings! Speaking of which, we're only here for our main targets, Kurata and Sergio, you pack of snakes are a nuisance. But, don't think we forgot about your nasty schemes against us, along with the horrific bloodbath you tried to cause when you lot tried to kill our main targets, that's our kill, not yours.

Suddenly, Lincoln's deep sapphire eyes and the rainbow iris of his eyes turned heavenly golden yellow as we felt a massive and powerful divine force coming from him and heavenly lights shined down as the Angels and Archangels of Heaven appeared.

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) And we've already had it with you, Dark Sebastian. Time to send you all away once more.

Dark Sebastian: (DEMONIC VOICE) SHUT THE FUCK UP, BITCHES! DIE! THIS IS FOR HUMILIATING ME!

DARK SEBASTIAN FIRED A BLACK AND RED ENERGY BLAST AT US TO KILL US, BUT LINCOLN FIRED A BLAST OF HEAVENLY LIGHT THAT DESTROYED THE BLACK AND RED

ENERGY BLAST AND THE BLAST OF HEAVENLY LIGHT HIT DARK SEBASTIAN RIGHT IN THE STOMACH AND SENT HIM FLYING INTO A WALL! HE GOT BACK OUT, BUT THAT PISSED HIM OFF BIG TIME AND HE GOT BURNED BADLY BY THE HEAVENLY LIGHT!

Sergio: Rrawk! It serves you right! Loser! (LAUGHING)

Dark Sebastian Mendez: (DEMONIC VOICE) WHAT DID YOU SAY?! YOU USELESS SACKS OF SHIT!

Sergio was smug at Dark Sebastian's humiliation and Kurata was laughing insanely at this as well. But, their smugness was about to be broken big time as the darkness blackened the skies even more.

Selena Mendez: UH OH, NOW YOU'VE GONE AND DONE IT!

Camie Elextor: HE'S GONNA GO BALLISTIC!

Dark Sebastian Mendez: (Demonic Voice) YOU GODDAMN BASTARDS! HOW DARE YOU SAY THAT TO ME! AND AS IF I'D EVER OBEY THE LIKES OF YOU, YOU'RE NOTHING MORE THAN MY PLAYTHINGS TO USE AND DESTROY!

Kurata: What did you say?! YOU LITTLE...!

Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra went after Kurata and Sergio, and they proceed to slash at them many times with demonic black broadswords and they stabbed Kurata in the stomach and legs and arms with daggers!

Kurata: (SCREAMS IN AGONY)

Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin

Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra: DIE! DIE! DIE! DIE! DDDDDIIIIIIIIIIEEEEEEEEE! (LAUGHING INSANELY AND DEMONICALLY!)

DARK SEBASTIAN AND THOSE DARK CHURCH OF MALPHAS AND ORDER OF THE DARK UNIVERSE DICKHEADS WAS STILL MERCILESSLY ATTACKING KURATA AND SERGIO SLASHING THEM AND STABBING KURATA AND THEY WERE STILL LAUGHING DEMONICALLY AND INSANELY AND THEY WERE GETTING COVERED IN BLOOD! IT WAS BECOMING A FUCKING BLOODBATH!

Gina Thunderton: THAT'S IT, YOU PACK OF SNAKES! LET'S SEND THEM BACK TO TRANSYLVANIA!

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) Understood, Gina.

Lincoln, Selena Mendez, Camie Elextor, Wendy Sauron, Varie Yulinova, Solla Nexcrota, Kira Textington, Gina Thunderton, Xenia Vola Dappra, and Tina Tornadora fired blasts of Divine Darkness which hit Kurata and Sergio and blasted Dark Sebastian and those Dark Church of Malphas and Order of The Dark Universe dickheads off Kurata and Sergio and that really really enraged them, but The Hunters of The Nightflame Sun and Lincoln blasted Dark Sebastian and those Dark Church of Malphas and Order of The Dark Universe dickheads with blasts of Heavenly Light and Divine Darkness and kicked them out and sent them back to Transylvania as they spewed toxic hatred and death threats towards us, but that made us grow stronger still.

Now, all that was left is to take down Kurata and Sergio for good.

I looked at Kurata with intense fury!

Me: I am going to enjoy killing you Kurata!

Xaldin: That's not surprising.

Kurata: Me? I'm not the one who drove Sergio into my clutches.

Me: That party animal is gonna get it big time!

Poromon: YEAH!

POW!

Poromon punched Sergio in the face and sent him crashing into a tree!

I punched Kurata down!

POW!

I smashed him into the ground. He got up and Marcus kicked him in his face.

Marcus: You make me sick Kurata! You nearly killed my father!

Kurata: Nearly? You mean I failed the first time?!

Diamond Tiara: Honestly? Yes!

Spencer Damon came out.

Spencer Damon: That's right my old friend!

Kurata: WHAT!? SPENCER!? YOU'RE ALIVE?!

POW!

He punched him in his face and knocked him down.

Spencer Damon: Can a ghost do that if I wasn't alive?

Sergio: Like my new look?!

Yenaldooshi: Not really.

Me: It's pathetic!

I fired waves of fire and burned him all over!

Me: Your thugs made great food for us you chicken!

Sergio: HEY! I'm a parrot!

Me: Soon to be a dead one!

Sergio fired eye lasers at us.

I deflected them back.

Me: Eye Lasers. Nice improvement.

I teleported and punched Kurata in his face and Sergio fired Eye Lasers at me and got behind him and they hit him in his back!

Nico: OOH! OUCH!

Kurata screamed in pain!

Kurata: SERGIO YOU FUCKING IDIOT! YOU HIT ME!

Sergio: Back off! I was aiming for Knudson!

Kurata: WELL KNUDSON IS MINE TO KILL!

Sergio: NO HE IS MINE TO KILL!

Kurata: SHUT UP!

Sergio: NO YOU SHUT UP!

Kurata: YOU SHUT UP!

Sergio: YOU SHUT UP!

Kurata: HOW ABOUT YOU SHUT THE FUCK UP YOU STUPID BIRD!

Sergio: NO YOU SHUT THE FUCK UP YOU INSANE FUCKPOT!

Kurata: WHAT THE FUCK DID YOU CALL ME!?

He jumped Sergio and bashed and pulverized him in a brutal fight cloud!

Me: Okay this is funny.

Nico: Popcorn?

He had some.

Me: Oh sure.

We had some popcorn as they were beating each other up.

Me: Okay break it up you two! We got to fight and kill you!

Tommy Himi: EXECUTE! SPIRIT EVOLUTION!

He turned into Kumamon!

Kumamon: KUMAMON!

Kumamon: (Echoing) BLIZZARD BLASTER!

He fired a massive barrage of snowballs and blasted the 2 of them.

Marcus Damon punched Kurata in his face and kicked him in his stomach and kicked him in his face and knocked him down! THEN KURATA WENT APESHIT BALLISTIC!

Kurata: DAMON, DAMON, DAMON! The first thorn in my side was the father, Spencer Damon, and now it's his meddling son Marcus! Why?! I hate you Marcus Damon! I never hated anyone or anything more than I hate you! Why is it always you, why must you stand in the way of my plans time after time, again and again?! I am getting so sick of the Damon family sticking their nose where it doesn't belong! If it hadn't been for the two of you, both the father and the son, then I would already be ruler of both the Human World and the Digital World by now!

MARCUS EXPLODED IN EXTREME POWER AND HE WAS INTENSELY SUPERCHARGED!

POW!

Marcus punched him so hard in his stomach and he belched up a HUGE AMOUNT OF BLOOD!

Nico: And just when we thought he forgot.

I went and grabbed Kurata and had him looking at me in the eyes.

Me: Let me make one thing clear to you Kurata. You will NEVER RULE the world as long as we are here. You will never rule everything. And we will make sure of it. You will always be nothing more than a worthless piece of garbage!

We were literally stunned, amazed, and struck with total awe at Lincoln's transformation, and when the girls in Lincoln's harem saw him, they had massive atomic red blushes on their faces, hearts in their eyes, their tongues had rolled out, their noses were gushing out blood, and they let out wolf whistles upon seeing just how much hotter and sexier their hulking wolf hunk of a future husband has become.

Me: OH MAN! Lincoln, h-he's...! He's ascended to truly great heights of power and strength!

Nico: Unreal!

Loud Family: UNREAL! So incredible!

Girl Jordan: (Swooning) My God! As if Linky couldn't get more hotter and more handsome and sexier.

Lily the Mermaid: (Swooning) He just proved us wrong, now our hulking wolf hunk of a husband has become even more hotter, more handsome, and even more seductive and sexier than ever.

Kurata: (FREAKED OUT) WHAT THE HELL!

Sergio: NO! NO! IT CAN'T BE!

WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a white and golden yellow energy vortex flared up behind him, and he charged at Kurata and Sergio, and he proceeded to brutally smash them into the ground with his massive godly superhuman strength, slashed at them with his gold-armored dragon claws and greatsword, and fired extremely powerful blasts of white and golden yellow wolf fire, light, golden moonlight, and ice, along with rainbow, white, golden yellow, and blue energy, aura energy, white, golden yellow, and blue heavenly flames, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Atomic Radiation, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Great Old Ones, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Deer, Hippogriffs, Griffins, Perytons, Sphinxes, Manticores, Animals, and Mythological Animals at Kurata and Sergio, and they exploded with such incredible power as they hit them, and it was brutal to the extreme!

Me and Nico: WHOA! INCREDIBLE!

Eli: UNREAL!

Qin: Damn!

May: Oh man! He's tearing them apart!

We then saw more displays of Lincoln's newly ascended power: the heavenly lights shined down and the angels of Heaven descended and they attacked Kurata and Sergio with their silver swords and firing beams of heavenly light that hit them and Kurata and Sergio were both burned by the light of Heaven, he even summoned the soldiers of the Gods and Goddesses of the ancient cultures around the world and they also attacked Kurata and Sergio with their swords, then Lincoln used the powers of Twilight Sparkle and her friends and Sunny Starscout and her friends and blasted Kurata and Sergio with elemental forces representing them and blasts of magic and they hit Kurata and Sergio with incredible power and exploded, and he continued smashing them into the ground with his massive godly superhuman strength and he didn't give them any time to react because of his massive godly superhuman speed, agility, and reflexes as he delivered blow after blow of punches and kicks, and he was blasting them with rainbow, white, golden yellow, and blue energy, aura energy, elemental forces, animals, and mythological animals and he was showing her no mercy. He also let out a loud howl and a pack of werewolves and wolves came out and they tore Kurata and Sergio apart with their claws leaving claw marks on them and he also summoned vampires and other creatures and monsters of myth who also attacked Kurata and Sergio.

Luna: WHOA! Lincoln's really tearing those assholes to shreds! This is incredible!

Lori: He's exacting brutal revenge on them big time!

Laney: Those two have had this coming for so many years!

Me: Brutal!

Lana: Yeesh, I knew that was brutal, but this is overkill.

Then, Lincoln combined all of the curses he'd created over the years and the massive, wide, double-edged 9'11" gold blade glowed with rainbow light with black and red hellish flames and many other elemental forces associated with his curses, and he fired two beams of energy which hit Kurata and Sergio, and they felt the massive brunt of all the curses Lincoln's created over the years and that also included The Lovecraftian Curses, and they screamed in incredible pain from the curses' full force attacks on them.

Sergio: (SCREAMS) RRAWK! IT HURTS! IT BURNS!

Kurata: (SCREAMS) MAKE IT STOP!

Lori: You literally brought that on yourselves, bastards! (To Kurata) You're just an insane genocidal absolutely fucked-up mad scientist who's literally violated the forces of nature for your insane and genocidal fucked-up hatred and desire for destruction. (To Sergio) And I didn't want to say this in Bobby's presence and the rest of his family, but you have and always will be nothing more than an out-of-control, heartless, callous, repulsive rat with wings.

Lynn: And with all of the revelations that we've heard about you two from Lincoln's Guardian Angels from the past, let me tell you, you two make me sick to my stomach.

Lola: You two dirt clods are both going to pay for your crimes with your own blood!

Lisa: Indeed, you're both reprehensible and absolutely repulsive.

Luan: And now, you're getting years of payback and retribution handed to you, you monsters from Hell.

Lincoln's Guardian Angels: YOU DESERVE TO DIE FOR EVERYTHING YOU'VE DONE AGAINST OUR MAN AND HIS FAMILY, YOU REPULSIVE SACK OF FEATHERS! AND YOU ALSO DESERVE TO DIE FOR YOUR INSANE GENOCIDAL CRIMES AGAINST MANKIND, THE DIGITAL WORLD, AND ALL OF NATURE, YOU FUCKED-UP GENOCIDAL INSANE MADMAN!

Kurata: SHUT UP! SHUT UP! SHUT UP! SHUT UP! SHUT UP! I WILL KILL YOU! ALL OF YOU! YOU WILL ALL PAY FOR GOING AGAINST ME!

Lincoln continued attacking Kurata and Sergio and they were really, and I MEAN, REALLY GETTING BADLY MANGLED!

Then, Lincoln kicked Kurata and Sergio away and they crashed into a tree, they got back out, but boy they were beyond pissed now, but Lincoln still had a calm smirk on his face, and then, he did the one thing that would piss anyone off.

I despise you both with the burning hatred of a million suns, I loathe you two with the force of a million typhoons! You two have lived for far too long, Dr. Akihito Kurata and Sergio Casagrande. Your crimes have finally come back to haunt you, and now, you will pay for all of your sins along with the pain and suffering you've caused to everyone in your path! Marcus, Spencer, Tommy, you're up.

Marcus Damon: Right. I've been waiting a long time to finally get rid of you once and for all, Kurata.

Spencer Damon: You've caused us so much trouble for the last time, and now, we'll make absolutely sure that you never rise from the dead again!

Tommy Himi: That's for sure, and as for you, Sergio, you've been nothing but a pain in the neck for all of us for years, and now, your crimes have finally caught up to you, and you've lived for far too long. This time, we're getting rid of you once and for all along with Kurata, we never want to see your faces here again!

SUDDENLY, THREE EXTREMELY MASSIVE AND INCREDIBLY POWERFUL RAINBOW FIRE EXPLOSIONS BLASTED OUT OF MARCUS DAMON, SPENCER DAMON, AND TOMMY HIMI WITH INCREDIBLY DEVESTATING AND UNBELIEVABLE FORCE! THE EXPLOSION WAS SO INTENSELY POWERFUL THAT EVERYONE IN 900,000,000,000,000,000 UNIVERSES FELT IT AND THEN, IT FORMED INTO A MASSIVE JET OF RAINBOW FIRE AND IT FLEW OUT OF THE INFINITELY VAST WEB OF GALAXIES AND FORMED INTO A POWERFUL RAINBOW FIRE PHOENIX, RAINBOW FIRE ANGEL, AND RAINBOW FIRE DIGIMON, AND THEY CRIED INTENSELY WITH AMAZING POWER, AND THEN, THE RAINBOW FIRE PHOENIX, RAINBOW FIRE ANGEL, AND RAINBOW FIRE DIGIMON WENT BACK TO EARTH AND MARCUS DAMON, SPENCER DAMON, AND TOMMY HIMI GAINED AN INTENSELY POWERFUL AND SUPERCHARGED ASTRONOMICAL POWER BOOST!

Suddenly, Marcus Damon, Spencer Damon, and Tommy Himi were surrounded by three massive vortexes of colored, white, golden yellow, and blue energy with stars, aura energy, white and blue heavenly flames, elemental forces, and magic surrounding the vortex, there are phoenixes, angels, and the Digimon flying around the vortexes, and in the vortexes are colored phoenixes with blood red eyes glaring at Kurata and Sergio: the blood red eyes of eternal death, eternal damnation, and eternal judgement, and we saw heavenly lights shining down on the vortexes.

A MASSIVE EXPLOSION OF ELEMENTAL FORCES ERUPTED BEHIND US, AND THE FORCES OF THE ELEMENTS TRANSFORMED INTO MYTHICAL BEASTS THAT LET OUT A MASSIVE ROAR, AND THAT PISSED OFF KURATA AND SERGIO TO NO END! NOW, THE BATTLE TO DESTROY KURATA AND SERGIO FOREVER WAS ON!

Lincoln, Marcus Damon, Spencer Damon, Tommy Himi, Crash Bandicoot, Red Savarin, Von Lycaon, Nico, and I and the rest of us went after Kurata and Sergio, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, colored energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Kurata and Sergio and they exploded with incredible power as they hit them.

Then, we attacked them with powerful slashes from our massive greatswords leaving scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and two massive angelic and demonic greatswords and he even fired red and blue wolf fire and elemental blasts at her as well and Nico and I also left many more by firing rainbow energy slashes with my gold-plated dragon claws and fired blue wolf fire as well, and Lincoln, Marcus Damon, Spencer Damon, Tommy Himi, Crash Bandicoot, Red Savarin, Von Lycaon, Nico, and I and the rest of us attacked him super hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Kurata and Sergio even angrier than ever.

Lincoln fired rainbow, white, golden yellow, and blue energy blasts from his left hand and the smaller planets orbiting around his fingers like rings, and they hit Kurata and Sergio and they got hit hard. Plus, the blast also hit The Monitor Orb embedded in Kurata's forehead and it shattered and not only did we gain a massive power boost, but Kurata clutched his head in pain!

Eli: That'll teach you, bastards!

Then, Lincoln formed and fired a rainbow energy ball that hit Kurata and Sergio on the back and they were left with a burning scar on their backs and it even crippled Sergio's wings and he screamed in more pain.

Maria Garcia: (LAUGHING) (Spanish Accent) Okay, now that was really painful, but well deserved! Now, you're definitely on the ropes now, Sergio!

Mama Lupe: (Spanish Accent) I'm so glad Paco severed all of his ties with you, you're nothing more than an embarrassment to your familia!

Suddenly, Lincoln's massive white angel wings and twenty-nine sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Kurata and Sergio and we all found ourselves not only in Heaven, but also, in space.

Lincoln and the girls fired energy and elemental blasts that transformed into said Digimon and they smashed into Kurata and Sergio and exploded.

Lincoln and his harem: Now, for the grand finale! We've had it up to hear with you for the last and final time, Kurata and Sergio, now suffer your punishment! DIGIMON FINAL SMASH: DIGIMON BARRAGE!

Lincoln and his harem fired Ki blasts based on Digimon and they smashed into Kurata and Sergio and exploded with incredible power.

Sergio (to Poromon): After I'm done with you, your blue whore is next!

Poromon: NO ONE TOUCHES MY GIRL! (ECHOING) LIGHTNING JAVELIN!

He fired a blast of lightning and electrocuted him all over!

Oculous approached Kurata.

Oculous: Let me enlighten you on something. The guns WON'T send you somewhere!

Kurata: What?

OCULOUS BLASTED AND SMASHED HIM.

Then, Lincoln sent two of his thirty-five massive and long brown wolf tails and the tips stabbed Sergio and Kurata in the stomach and injected something into them and they retracted and went back.

Suddenly, without any warning, we saw two scary-looking trees grow and sprout out of Kurata and Sergio, and they were screaming like fucked-up lunatics and we also saw roots that were deep in them.

Me and Nico: HOLY FUCKING SHIT ON A STICK! WHAT WAS THAT?!

Kurata: Why won't you all die!? DAMN YOU, TEAM LOUD PHOENIX STORM!

Sergio: RRAWK! STAND STILL SO I CAN DESTROY YOU!

Kurama: Ah, now I see. You planned to use The Sinning Tree on Kurata and Sergio, impressive work, Lincoln.

Me: The Sinning Tree?

Kurama: It's another of my techniques and one of the deadliest plants in my arsenal. It ensnares the minds of its victims with hallucinations of wickedness and forces them to replay their fears while it sucks away its ensnared victims' life force, and it never stops until its host is dead.

Nico: (GULPS) Wow, that's heavy.

Me: And they still think they're fighting us even while wrapped up like that.

Yusuke: Kurama used it on Elder Toguro once and it kept on sucking away his life until he was finally dead.

We cheered as we holstered our weapons and powered down, and Lincoln's new body, clothes, jewelry, Third Eye, larger brown wolf ears, thirty massive and longer brown wolf tails, large gold halo with four large orbiting gold rings on each corner behind his head, thirty-five large planets orbiting around his legs, thirty-five smaller planets orbiting around his waist, smaller planets orbiting around his fingers, medium sized planets orbiting around his wrists and ankles and massive white angel wings and twenty-nine sets of large white angel wings underneath his massive white angel wings are permanent, and the new bodies, clothes, weapons, jewelry, Third Eyes, large gold halos with four large orbiting gold rings on each corner behind the heads, thirty-five large colored planets orbiting around the legs, thirty-five smaller colored planets orbiting around the waists, smaller planets orbiting around the fingers, medium sized colored planets orbiting around the wrists and ankles, and massive colored angel wings and twenty-four sets of large colored angel wings underneath the massive colored angel wings of Marcus Damon, Spencer Damon, and Tommy Himi are permanent.

Marcus Damon: So, once you get rid of Akasha from Dragalia Lost, then, we can finally get rid of Kurata and Sergio. I also didn't expect you to use one of Kurama's techniques for this.

Tommy Himi: I wonder how much he'd also learned from Yusuke and his team.

Spencer Damon: Not unless any of us wants to cough up our own skeleton.

Me: Good point, Mr. Damon.

Nico: Same here. But, it'd be really cool seeing it on display.

Lincoln: Maybe, some day, Nico. Now, there's one last thing to do, and one last loose end to tie up: Akasha from Dragalia Lost.

Lincoln formed a massive and indestructible diamond barrier infused with absorption energy that protected all of us from a sudden barrage of dark energy blasts and the dark energy blasts were absorbed into us and it made us even stronger than ever.

Lincoln: (Caught the scent of blood) There's no mistaking the scent of blood from anywhere, you better get out here right now, Akasha.

A figure came out, it was Akasha from Dragalia Lost.

Lincoln: I'm not surprised you'd show up, I'd dealt with your many fellow villains and absorbed them and send their souls to The Black Abyss after Morgana freed them from The Black Gates, and now, I find out you've shown up to cause trouble.

Akasha: I will avenge all of them and destroy all of you in the process.

Hana Uzaki: That is not happening any time soon. Time to put an end to this once and for all.

Suddenly, Hana Uzaki's blue eyes turned neon blue and she was surrounded by a silver, white, golden yellow, and blue energy aura with stars, aura energy, white and blue heavenly flames, light, lightning, foxes, phoenixes, and angels, she unholstered her massive greatsword, and as she approached Akasha, she left silver, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, light, lightning, foxes, phoenixes, and angels with every step.

Hana Uzaki: It's bad enough that our fellow villains had to show up to cause trouble, now you step out of whatever plane of existence to cause us even more grief. When all is said and done, what little did you achieve through your actions. You walk the path of a coward always creeping your way through the dark. That's a path that all villains like you have taken, and it's one that'll follow you into death once more. Akasha, may you suffer for eternity with not a kindred soul to give you any solace, this is where we end this once and for all!

Lincoln, Hana Uzaki, Nico, and I went after Akasha, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Akasha, and they exploded with incredible power as they hit her.

Then, we attacked her with powerful slashes from our massive greatswords leaving bleeding scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at her as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Hana Uzaki did the same by firing silver, white, golden yellow, and blue energy slashes from her gold-armored dragon claws and her massive greatsword, and Lincoln, Hana Uzaki, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Akasha even more angrier than ever.

Suddenly, Lincoln's massive white angel wings and twenty-nine other sets of large white angel wings underneath his massive angel wings spread out even more as a gold intricate halo made of gold light appeared above his head along with three sets of gold chains around the gold light halo and formed into a purifying field that hit Akasha, and we found ourselves in Heaven.

Then, Lincoln's massive white angel wings and twenty-nine sets of large white angel wings underneath his massive angel wings fired chains of gold energy that bound Akasha.

Then, Lincoln charged and smashed his rainbow energy infused left fist into Akasha's stomach and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind her. Then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'11" massive, wide, double-edged gold blade of his massive greatsword.

Then, Lincoln morphed the tips of his thirty-five massive and long brown tails into Cell's stingers and he stabbed them into the chest of Akasha, and he began absorbing her and he assimilated her Superhuman durability, Superhuman agility, High intelligence, Eldritch knowledge, Dimensional awareness, Manipulation, Mnemokinesis, Aerokinesis, Healing magic, Staffmanship, Hydrokinesis, Life force stealing, and Blademanship, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and twenty-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of Akasha except for her clothes and Lincoln drained Akasha's soul of energy and sent her to The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

We cheered wildly as we holstered our weapons and powered down and Hana Uzaki's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long silver wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, thirty-five large silver planets orbiting around her legs, thirty-five smaller silver planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized silver planets orbiting around her wrists and ankles, and massive silver angel wings and twenty-four sets of large silver angel wings underneath her massive silver angel wings are permanent.

Hana Uzaki: And this is goodbye and good riddance forever. Thank you for helping me destroy Akasha for good, Lincoln. You too, guys.

Lincoln (Smiles Warmly) You're welcome, Hana.

Me and Nico: Our pleasure, Hana.

Suddenly, Hana Uzaki wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Hana Uzaki's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Hana Uzaki sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Then, we turned our attention to Kurata and Sergio who are still groaning in pain of having their lifeforce sucked out of them.

Nico: Damn, that Sinning Tree is still sucking the life out of them.

Me: It's gruesome.

Lincoln: Yep, but now, it's time to end it.

Selene Arcangela: Let's do it.

Lincoln and his Guardian Angels got ready to deliver the final blow to wipe Kurata and Sergio out for good.

Lincoln and his Guardian Angels: This is for all the pain that you two blackhearted bastards have caused us all this time! THIS IS THE LAST TIME WE EVER HAVE TO DEAL WITH YOU, DR. AKIHIRO KURATA, ENEMY OF HUMANITY AND DIGIMON, AND SERGIO CASAGRANDE, ENEMY OF MANKIND AND ALL ANIMALS! ULTIMATE ANGELIC FINAL SMASH: BLACK ABYSS RETRIBUTION!

Lincoln and his Guardian Angels fire a massive black laser at Kurata and Sergio which not only instantly wiped them both out, but also...!

SUDDENLY, THE SPIRITS OF THEIR VICTIMS: BOTH HUMAN, DIGIMON, AND ANIMAL GRAB KURATA AND SERGIO AND WON'T LET ANY OF THEM GO!

Spirits: Guilty!

THEN, THE BLACK FLAMES OF THE BLACK ABYSS SUDDENLY APPEAR AND THEY CONSUME DR. KURATA AND SERGIO: THEY ARE FINALLY BEING WIPED FROM EXISTENCE FOREVER!

Kurata: NO! NO! NO! NOOOOOO! NO, THIS CAN'T BE THE END! THIS CAN'T BE IT! DAMN YOU! DAMN YOU, LINCOLN LOUD, YOU AND GODDAMN GUARDIAN WHORES! DAMN YOU, YOU GODDAMN DAMONS, AND ALL OF TEAM LOUD PHOENIX

STORM! DAMN YOU ALL! I HATE ALL OF YOU! (LETS OUT ONE FINAL SCREAM OF INSANE RAGE AND FURY BEFORE HE FADES AWAY FOREVER)

Sergio: NO! NO! RRAWK! THIS CAN'T BE THE END! IT CAN'T BE THE END OF THE PARTY! NO! CURSE YOU! CURSE YOU, YOU STUPID LOUDS AND CASAGRANDES! I CURSE YOU ALL TO XIBALBA! YOU HAVEN'T SEEN THE LAST OF ME! (LETS OUT ONE FINAL SQUAWK OF INSANE RAGE AND FURY BEFORE HE FADES AWAY FOREVER)

FINALLY, AT LONG LAST, AFTER CAUSING SO MUCH TROUBLE TO EVERYONE AROUND THEM FOR THEIR OWN SELFISH ACTIONS, DR. AKIHITO KURATA, THE GENOCIDAL FUCKED-UP MAD SCIENTIST, AND SERGIO CASAGRANDE, THE HEARTLESS CALLOUS PARTY ANIMAL, ENEMY OF ALL PEACE, TRAITOR AND ENEMY OF TEAM LOUD PHOENIX STORM, AND AGENT OF ETERNAL CHAOS, HAVE FINALLY BEEN SENT TO THE BLACK ABYSS FOREVER!

AND GOOD FRICKING RIDDANCE, YOU MOTHERFRICKING SNAKES IN THE GRASS!

WE CHEERED WILDLY!

Nico: Alright, now we're finally rid of those bastards for good!

Me: You said it, good riddance, you fricking snakes in the grass! Sorry you had to transform against those two snakes in the grass, Lincoln.

Nico: Yeah, you wanted to save it for when we went after Morag, but...

Then, Lincoln put his hands on my left shoulder and Nico's right shoulder and he had a warm smile on his muzzle.

Lincoln: It's okay, you two. Besides, I've got another more powerful form that I'm going to transform into to face Morag, and it'll give her a nasty heart attack.

WE GASPED!

Eli: Uh oh.

Nico: This should be good.

Me: You said it. Speaking of, Lincoln, try lifting this! (Snaps Fingers)

I snapped my fingers and formed two bleachers held by a Neutronium bar in between them and all of us sitting on them along with thirty massive barbells and Lincoln went up to it. Then, he grabbed the bar with both hands and wrapped his thirty massive and long brown wolf tails around the barbells and he lifted the bleacher barbell up and the thirty barbells with ease!

Nico: HOLY CRAP!

Lincoln: I can also do it with only one hand as well!

Lincoln let his right hand go and he still holds the barbell with his left hand, and then, he put the barbell down and we got off the bleachers as the barbell vanished.

Riku Asakura: How on Earth?! Just how strong is your brother?

Lynn: You don't want to know, when J.D. and Nico found out, their jaws hit the floor and J.D. swallowed a fly.

The Ultraman Geed team nodded.

Laney: But, you're right, our brother's THAT STRONG!

Luna: That's nothing, dude, we've seen Lincoln lift a lot of heavy objects before in the past and that also includes Vanzilla, and he's never gotten tired after working up a sweat.

Luan: And he's also taken down some of the biggest and meanest guys in the past and that also included when he went Lincoln The Nocturnal on them.

Lynn: And with everything he'd gotten: the genes of Mom and Dad, the inherent Scottish superhuman strength, his hyperpuberty, and all of that training in the gym, he became larger, taller, stronger, and extremely muscular than any bodybuilder and a lot imposing.

Lana: That's for sure, he's no longer the same "weak" person from long ago. And I put quotes on that because Lincoln's actually a lot stronger and tougher than he thinks.

Then, he got into a running position, and...!

KRABOOM!

LINCOLN TOOK OFF AND HE'S FASTER THAN A SPEEDING BULLET, TRAIN, JET, AND AUTOMOBILE COMBINED AND HE LEFT A SONIC BOOM IN HIS WAKE, AND WE SAW HE WENT ALL OVER THE WORLD AND CAME BACK HERE IN A SPLIT SECOND!

Eli: WHOA!

Rainbow Dash: Too AWESOME!

THEN, LINCOLN JUMPED INTO THE AIR AND AS HE LANDED, HE GENERATED A MASSIVE SHOCKWAVE THAT FORCED OUT SOME THUGS WHICH HE ABSORBED BY TURNING THE TIPS OF HIS TAILS INTO CELL'S STINGERS AND WHEN HE WAS DONE AND THE STINGERS CHANGED BACK, NOTHING WAS LEFT OF THEM EXCEPT FOR THEIR CLOTHES!

BUT, THEN, ONE SURVIVING THUG TRIED TO PUNCH LINCOLN IN THE STOMACH! HUGE MISTAKE!

CLANG!

THE THUG BROKE HIS HAND AND LINCOLN BEARHUGGED HIM AND HE ABSORBED HIM THROUGH HIS SKIN AND HE DRAINED THE THUGS' SOULS OF ENERGY AND SENT THEM TO THE BLACK ABYSS!

Michelle Emperyous: Okay, let's face it, our training for Lincoln has really paid off and look at the results!

Selene Emperyous: That's for sure! And the transformations he underwent really made him even more powerful than ever. But, we all knew that Lincoln is a true hero and a true warrior.

Laney Emperyous: We saw it for ourselves, Selene, Lincoln's a true hero who does everything possible to help people in need and confronted various villains and he's a lot stronger and tougher than he looks, he's brave, noble, courageous, and always ready to defend his friends and family from any danger and he never gives up!

Lincoln: That's right.

Me: And I always wonder what it'd be like having thirty angel wings and thirty wolf tails.

Nico: Imagine the kind of power when taking flight! The speed and velocity on those babies has got to be enormous!

Lola: And having phoenix tail feathers as part of an addition to the wolf tails, they're really beautiful.

Lincoln: And there's also this.

Lincoln's massive white angel wings and twenty-nine sets of large white angel wings under his massive white angel wings spread out and they absorbed the flames from his fight against Kurata and Sergio and they flowed into him and he grew even stronger.

Lola: Whoa!

Me: So cool!

Nico: Too incredible.

Suddenly, Lincoln was pounced on by his entire harem and he was kissed all over the place: his face, snout, muzzle, cheeks, pecs, arms, biceps, back, and twelve pack abs, and as soon as they were done, Lincoln was covered in lipstick kiss marks on his face, muzzle, cheeks, pecs, arms, biceps, back, and twelve pack abs, and he had an In Heaven look on his face with steam whistling out of his ears and an atomic red blush on his cheeks, snout, and muzzle.

Lincoln: (In Heaven) Too...awesome! So...worth it!

We laughed and Lincoln got back up.

Me: So, Lincoln, who are we meeting on your rescue tomorrow?

Suddenly, we saw a tornado form and the symbol of Air appear.

Lincoln: The symbol of Air from Magic The Gathering!

Laniya Emperyous: Awesome, and there's only one person whom we're meeting tomorrow for this one: Alizeh Zephyrine, Queen of The Elemental Plane of Air and Avatar of The Air, Dust, and Roil Elementals of Magic The Gathering.

Claire Nantosuelta: I knew it was her, and you guys are going to love meeting her, Alizeh Zephyrine, Queen of The Elemental Plane of Air and Avatar of The Air, Dust, and Roil Elementals of Magic The Gathering, is Lincoln's Guardian Angel from the world of Magic the Gathering and she's a powerful master of air, winds, and wind creatures of myth and legend. She's The Queen of The Elemental Plane of Air and The Avatar of The Air, Dust, and Roil Elementals of Magic The Gathering, and she's the Air Master of The Queens of The Elemental Planes of Magic the Gathering, six girls who are Avatars of the Water, Air, Earth, Fire, Lightning, Brushfire, Wildfire, Dust, Fusion, Roil, Torrent, Sulfur, Crater, Cinder, Scoria, Firefiend, Wolfbriar, Ivy, Lava, Tempest, and Storm Elementals of Magic The Gathering and deadly forces of elemental power and they are said to be the powerful rulers of The Elemental Planes of Magic the Gathering, and they have fought against the evil vampire Sorin Markov in the past and they fought alongside Nahiri and many heroes against the villains of Magic the Gathering. She came to Royal Woods where she met Lincoln and she even taught him how to use all the powers of air, winds, and wind creatures of myth and legend, and over time, he gained all the powers of air, winds, and wind creatures of myth and legend, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle. Lincoln made her an awesome greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Flip with a vengeance and she vowed to hit him hard with the fury of an F5 tornado and Category 5 hurricane together and see him be ripped to shreds by the fierce winds.

Nico: Yikes!

Me: We know how fierce an F5 tornado is along with a Category 5 hurricane, but to use them on that mutant, he'd easily be ripped apart by the winds.

Lincoln: Anyone caught in those two natural disasters are bound to experience that kind of pain.

Poromon: Can we see the...?

Nebula Lanaia: Absolutely not!

Lynn Sr.: Lanaia heard the whole thing when she was visiting, and it was pretty nasty.

Vexen: And so ends Kurata.

Tri-Klops: And Sergio.

Me: Yeah.

Bane: Sergio brought his fate on himself.

Brass Knuckles: (to Bobby) You'll need a new pet now.

Tala: A more well behaved one.

Bobby: Sergio deserved it. But it'll be good to be rid of him.

Me: Yeah.

Nico: That is for sure. Great job today everyone.

Me: How about we go to Lynn's Table and have some of Rosa's Tamales?

Nico: I could go for that.

Marcus: At least dad will never have to worry about Kurata.

Me: Thank goodness.

Marcus: (To the Viewers) I'm glad we're rid of Kurata and Sergio.

Me: We are to Marcus. Now your family can rest easy without that dirtbag plaguing you.

Marcus: I agree.

We went to Lynn's Table and had some good food.

We returned home, and hours later, night fell on the city, and Lincoln was heading to his room.

Lincoln: That was an awesome day, we finally got rid of our hated enemies, Akihito Kurata and Sergio Casagrande forever, and I also finally got rid of Dark Lori, Dark Luan, Dark Lola, Dark Lisa, and Dark Luan forever. Finally, they are gone for good.

Then, just as Lincoln was about to step inside, he caught the scent of roses in the air, and as he opened the door, there on his massive extra-extra-extra large never-ending expanding bed for him and his expanding harem was his entire harem dressed only in strapless bras and panties, and when he saw them, he had an atomic red blush on his cheeks and muzzle and his wolf nose gushed out blood.

Girl Jordan: (Rubs Lincoln's massive pecs) I knew that old trick wound up getting you once more. (Seductive Voice) And it got you aroused once more. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken

hold of him as he went up to his harem.

Amara Roshansa: (Seductive Voice) (Rubs Lincoln's massive pecs) Uh oh, now he's about to get wild.

Suddenly, Lincoln lifted Girl Jordan and brought her to the bed with him joining the rest of his harem and he was on top of Girl Jordan.

Lincoln: (Seductive Voice) (Smirks) You guessed it.

Lincoln used his thirty massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

THE END

Another awesome chapter done.

Kurata and Sergio are gone. Sorry you had to see me get rid of Sergio. But I can tell lots of people don't like him.
